Lincoln did one final powerful energy slash that hit Akasha hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Akasha was now on her last legs and she was really really mangled.

Then, Lincoln morphed the tips of his thirty-five massive and long brown tails into Cell's stingers and he stabbed them into the chest of Akasha, and he began absorbing her and he assimilated her Superhuman durability, Superhuman agility, High intelligence, Eldritch knowledge, Dimensional awareness, Manipulation, Mnemokinesis, Aerokinesis, Healing magic, Staffmanship, Hydrokinesis, Life force stealing, and Blademanship, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Akasha except for her clothes and Lincoln drained Akasha's soul of energy and sent her to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Hana Uzaki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long silver wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large silver planets orbiting around her legs, thirty-five smaller silver planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized silver planets orbiting around her wrists and ankles, and massive silver angel wings and twenty-four sets of large silver angel wings underneath her massive silver angel wings are permanent.

Hana Uzaki: And this is goodbye and good riddance forever. Thank you for helping me destroy Akasha for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Hana.

Me and Nico: Our pleasure, Hana.

Suddenly, Hana Uzaki wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hana Uzaki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Hana Uzaki sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Then, we turned our attention to Kurata and Sergio who are still groaning in pain of having their lifeforce sucked out of them.

Nico: Damn, that Sinning Tree is still sucking the life out of them.

Me: It's gruesome.

Lincoln: Yep, but now, it's time to end it.

Selene Arcangela: Let's do it.

Lincoln and his Guardian Angels got ready to deliver the final blow to wipe Kurata and Sergio out for good.

Lincoln and his Guardian Angels: This is for all the pain that you two blackhearted bastards have caused us all this time! THIS IS THE LAST TIME WE EVER HAVE TO DEAL WITH YOU, DR. AKIHIRO KURATA, ENEMY OF HUMANITY AND DIGIMON, AND SERGIO CASAGRANDE, ENEMY OF MANKIND AND ALL ANIMALS! ULTIMATE ANGELIC FINAL SMASH: BLACK ABYSS RETRIBUTION!

Lincoln and his Guardian Angels fire a massive black laser at Kurata and Sergio which not only instantly wiped them both out, but also...!

SUDDENLY, THE SPIRITS OF THEIR VICTIMS: BOTH HUMAN, DIGIMON, AND ANIMAL GRAB KURATA AND SERGIO AND WON'T LET ANY OF THEM GO!

Spirits: Guilty!

THEN, THE BLACK FLAMES OF THE BLACK ABYSS SUDDENLY APPEAR AND THEY CONSUME DR. KURATA AND SERGIO: THEY ARE FINALLY BEING WIPED FROM EXISTENCE FOREVER!

Kurata: NO! NO! NO! NOOOOOO! NO, THIS CAN'T BE THE END! THIS CAN'T BE IT! DAMN YOU! DAMN YOU, LINCOLN LOUD, YOU AND GODDAMN GUARDIAN WHORES! DAMN YOU, YOU GODDAMN DAMONS, AND ALL OF TEAM LOUD PHOENIX STORM! DAMN YOU ALL! I HATE ALL OF YOU! (LETS OUT ONE FINAL SCREAM OF INSANE RAGE AND FURY BEFORE HE FADES AWAY FOREVER)

Sergio: NO! NO! RRAWK! THIS CAN'T BE THE END! IT CAN'T BE THE END OF THE PARTY! NO! CURSE YOU! CURSE YOU, YOU STUPID LOUDS AND CASAGRANDES! I CURSE YOU ALL TO XIBALBA! YOU HAVEN'T SEEN THE LAST OF ME! (LETS OUT ONE FINAL SQUAWK OF INSANE RAGE AND FURY BEFORE HE FADES AWAY FOREVER)

FINALLY, AT LONG LAST, AFTER CAUSING SO MUCH TROUBLE TO EVERYONE AROUND THEM FOR THEIR OWN SELFISH ACTIONS, DR. AKIHITO KURATA, THE GENOCIDAL FUCKED-UP MAD SCIENTIST, AND SERGIO CASAGRANDE, THE HEARTLESS CALLOUS PARTY ANIMAL, ENEMY OF ALL PEACE, TRAITOR AND ENEMY OF TEAM LOUD PHOENIX

STORM, AND AGENT OF ETERNAL CHAOS, HAVE FINALLY BEEN SENT TO THE BLACK ABYSS FOREVER!

AND GOOD FRICKING RIDDANCE, YOU MOTHERFRICKING SNAKES IN THE GRASS!

WE CHEERED WILDLY!

Nico: Alright, now we're finally rid of those bastards for good!

Me: You said it, good riddance, you fricking snakes in the grass! Sorry you had to transform against those two snakes in the grass, Lincoln.

Nico: Yeah, you wanted to save it for when we went after Morag, but...

Then, Lincoln put his hands on my left shoulder and Nico's right shoulder and he had a warm smile on his muzzle.

Lincoln: It's okay, you two. Besides, I've got another more powerful form that I'm going to transform into to face Morag, and it'll give her a nasty heart attack.

WE GASPED!

Eli: Uh oh.

Nico: This should be good.

Me: You said it. Speaking of, Lincoln, try lifting this! (Snaps Fingers)

I snapped my fingers and formed two bleachers held by a Neutronium bar in between them and all of us sitting on them along with thirty massive barbells and Lincoln went up to it. Then, he grabbed the bar with both hands and wrapped his thirty massive and long brown wolf tails around the barbells and he lifted the bleacher barbell up and the thirty barbells with ease!

Nico: HOLY CRAP!

Lincoln: I can also do it with only one hand as well!

Lincoln let his right hand go and he still holds the barbell with his left hand, and then, he put the barbell down and we got off the bleachers as the barbell vanished.

Riku Asakura: How on Earth?! Just how strong is your brother?

Lynn: You don't want to know, when J.D. and Nico found out, their jaws hit the floor and J.D. swallowed a fly.

The Ultraman Geed team nodded.

Laney: But, you're right, our brother's THAT STRONG!

Luna: That's nothing, dude, we've seen Lincoln lift a lot of heavy objects before in the past and that also includes Vanzilla, and he's never gotten tired after working up a sweat.

Luan: And he's also taken down some of the biggest and meanest guys in the past and that also included when he went Lincoln The Nocturnal on them.

Lynn: And with everything he'd gotten: the genes of Mom and Dad, the inherent Scottish superhuman strength, his hyperpuberty, and all of that training in the gym, he became larger, taller, stronger, and extremely muscular than any bodybuilder and a lot imposing.

Lana: That's for sure, he's no longer the same "weak" person from long ago. And I put quotes on that because Lincoln's actually a lot stronger and tougher than he thinks.

Then, he got into a running position, and...!

KRABOOM!

LINCOLN TOOK OFF AND HE'S FASTER THAN A SPEEDING BULLET, TRAIN, JET, AND AUTOMOBILE COMBINED AND HE LEFT A SONIC BOOM IN HIS WAKE, AND WE SAW HE WENT ALL OVER THE WORLD AND CAME BACK HERE IN A SPLIT SECOND!

Eli: WHOA!

Rainbow Dash: Too AWESOME!

THEN, LINCOLN JUMPED INTO THE AIR AND AS HE LANDED, HE GENERATED A MASSIVE SHOCKWAVE THAT FORCED OUT SOME THUGS WHICH HE ABSORBED BY TURNING THE TIPS OF HIS TAILS INTO CELL'S STINGERS AND WHEN HE WAS DONE AND THE STINGERS CHANGED BACK, NOTHING WAS LEFT OF THEM EXCEPT FOR THEIR CLOTHES!

BUT, THEN, ONE SURVIVING THUG TRIED TO PUNCH LINCOLN IN THE STOMACH! HUGE MISTAKE!

CLANG!

THE THUG BROKE HIS HAND AND LINCOLN BEARHUGGED HIM AND HE ABSORBED HIM THROUGH HIS SKIN AND HE DRAINED THE THUGS' SOULS OF ENERGY AND SENT THEM TO THE BLACK ABYSS!

Michelle Emperyous: Okay, let's face it, our training for Lincoln has really paid off and look at the results!

Selene Emperyous: That's for sure! And the transformations he underwent really made him even more powerful than ever. But, we all knew that Lincoln is a true hero and a true warrior.

Laney Emperyous: We saw it for ourselves, Selene, Lincoln's a true hero who does everything possible to help people in need and confronted various villains and he's a lot stronger and tougher than he looks, he's brave, noble, courageous, and always ready to defend his friends and family from any danger and he never gives up!

Lincoln: That's right.

Me: And I always wonder what it'd be like having thirty angel wings and thirty wolf tails.

Nico: Imagine the kind of power when taking flight! The speed and velocity on those babies has got to be enormous!

Lola: And having phoenix tail feathers as part of an addition to the wolf tails, they're really beautiful.

Lincoln: And there's also this.

Lincoln's massive white angel wings and twenty-nine sets of large white angel wings under his massive white angel wings spread out and they absorbed the flames from his fight against Kurata and Sergio and they flowed into him and he grew even stronger.

Lola: Whoa!

Me: So cool!

Nico: Too incredible.

Suddenly, Lincoln was pounced on by his entire harem and he was kissed all over the place: his face, snout, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and as soon as they were done, Lincoln was covered in lipstick kiss marks on his face, muzzle, cheeks, pecs, arms, biceps, back, and twelve pack abs, and he had an In Heaven look on his face with steam whistling out of his ears and an atomic red blush on his cheeks, snout, and muzzle.

Lincoln: (In Heaven) Too...awesome! So...worth it!

We laughed and Lincoln got back up.

Me: So, Lincoln, who are we meeting on your rescue tomorrow?

Suddenly, we saw a tornado form and the symbol of Air appear.

Lincoln: The symbol of Air from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of air, winds, and wind creatures of myth and legend. She's The Queen of The Elemental Plane of Air and The Avatar of The Air, Dust, and Roil Elementals of

Magic The Gathering, and she's the Air Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of air, winds, and wind creatures of myth and legend, and over time, he gained all the powers of air, winds, and wind creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a vengeance and she vowed to hit him hard with the fury of an F5 tornado and Category 5 hurricane together and see him be ripped to shreds by the fierce winds.

Nico: Yikes!

Me: We know how fierce an F5 tornado is along with a Category 5 hurricane, but to use them on that mutant, he'd easily be ripped apart by the winds.

Lincoln: Anyone caught in those two natural disasters are bound to experience that kind of pain.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Vexen: And so ends Kurata.

Tri-Klops: And Sergio.

Me: Yeah.

Bane: Sergio brought his fate on himself.

Brass Knuckles: (to Bobby) You'll need a new pet now.

Tala: A more well behaved one.

Bobby: Sergio deserved it. But it'll be good to be rid of him.

Me: Yeah.

Nico: That is for sure. Great job today everyone.

Me: How about we go to Lynn's Table and have some of Rosa's Tamales?

Nico: I could go for that.

Marcus: At least dad will never have to worry about Kurata.

Me: Thank goodness.

Marcus: (To the Viewers) I'm glad we're rid of Kurata and Sergio.

Me: We are to Marcus. Now your family can rest easy without that dirtbag plaguing you.

Marcus: I agree.

We went to Lynn's Table and had some good food.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of our hated enemies, Akihito Kurata and Sergio Casagrande forever, and I also finally got rid of Dark Lori, Dark Luan, Dark Lola, Dark Lisa, and Dark Luan forever. Finally, they are gone for good.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful

aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his thirty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Kurata and Sergio are gone. Sorry you had to see me get rid of Sergio. But I can tell lots of people don't like him.

Alright, and now, for tomorrow, the match-up is Belle Muldoon, and she and Lincoln are going to destroy Veran from The Legend of Zelda who's back for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Universe 666 Earth, and we got a huge fight on our hands: we got word The Universe 666 Avengers and Justice League are back and causing havoc, but they are actually mere cannon fodder. The real masterminds of this were none other than Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, the heartless murderous powerhungry bitches who have come back from The Black Gates in search of revenge on us for killing them last year, and they were the ones who resurrected The Universe 666 Avengers and Justice League as part of their sick twisted plan to bring chaos and destruction back to Universe 666 Earth. But, Lincoln's going to take down and absorb The Universe 666 Avengers and Justice League, and then, we're gonna find Universe 666 Lori, Universe 666 Lynn, Universe

Get ready for some sports fun! We're going to battle Swackhammer from Space Jam!

See you next time.

SPACE JAM BASKETBALL FUN

WELCOME TO THE SPACE JAM!

BASKETBALL FUN!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem, and he had a dream, and his dream took him to Acme Acres, but as he was flying, he saw The Sign of Apophis and The Sigil of Malphas in the skies: he knew Dark Sebastian and his minions are here, and then, he saw another figure rise from the ground, it was Swackhammer, the old enemy of Michael Jordan and Bugs Bunny and the Looney Tunes, and it was a sign that Dark Sebastian brought him back from the dead to get revenge. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got serious trouble!

Lincoln told them everything, and they were pissed off!

Valencia Nightingale: That conniving snake, he brought Swackhammer back from the dead! When Bugs and the others hear of this, there's going to be blood!

Lincoln: Buster and the others from Acme Acres are also going to freak out about this, but they're so going to be pissed, and they'll want Dark Sebastian's head along with the heads of his minions.

Ronnie Anne: Unfortunately, we can't stop them, and after what we heard about them forming an alliance with The Z-

Fighters, they learned everything, and even a psycho like Dark Sebastian and his minions don't stand a chance.

Lincoln: True, but we're still going to blast them back to Transylvania.

Selene Arcangela: That's true.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Acme Acres.

Then, he went on to explain that as he was flying, he saw The Sign of Apophis and The Sigil of Malphas in the skies: he knew Dark Sebastian and his minions are here, and then, he saw another figure rise from the ground, it was Swackhammer, the old enemy of Michael Jordan and Bugs Bunny and the Looney Tunes, and it was a sign that Dark Sebastian brought him back from the dead to get revenge. When he was done explaining, we were pissed off at those snakes even more, and Bugs Bunny and The Looney Tunes, The Tiny Toons, and The Loonatics were so enraged at Dark Sebastian.

Bugs Bunny: Doc, I can't believe he did this!

Sylvester: He's going to pay for this!

Bugs Bunny: That's for sure!

Ace Bunny: We can get The Monstars into The M.O.E., but as for Swackhammer, I think he's going to suffer the payback of three generations of Looney Tunes.

Nico: Oh man, now that is something I really want to see!

Suddenly, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive white angel wings with orange and aurora tips on the massive white feathers grew larger for his new body with a wingspan of 36,999'0" and his other sets of large white angel wings with orange and aurora tips underneath his massive white angel wings grew much larger with wingspans of 34,999'0", 32,999'0", 30,999'0", 28,999'0", 26,999'0", 24,999'0", 20,999'0", 18,999'0", 16,999'0", 14,999'0", 12,999'0", 10,999'0", 8,999'0", 6,999'0", 4,999'0", 2,999'0", 1,899'0", 1,699'0", 1,499'0", 1,299'0", 1,099'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 89'0", 69'0", 49'0", 29'0" and the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings have eyes with rainbow iris and his thirty massive and long brown wolf tails with rainbow tips and rainbow markings grew larger and longer and five more massive long brown wolf tails with rainbow markings and rainbow tips and Lincoln now has thirty-five massive and long brown wolf tails with rainbow tips and rainbow markings, and we saw they also now have orange phoenix tail feathers as an added feature on the tails.

Me: Holy cow! You got another evolution!

Nico: Now, you have thirty-five angel wings: one set of massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings and thirty-five massive and long brown wolf tails.

Eli: To also match with the thirty-five large planets orbiting around your legs and thirty-five smaller planets orbiting around your waist.

Ymir: That's incredible.

Maria: Damn, when you truly transform on your big day against Morag after we get rid of Belial, she's gonna have a massive heart attack!

May: That'd be too easy.

Lincoln: May's right, that'd be too easy, I want her to see that by angering me, she's about to pay the price for her insanity and hatred towards my family, and what her ancestor did to my ancestors in 1621 thanks to Dark Chase Young can never be forgiven. If that witch is also back, I'll get rid of her right in front of Morag.

Nebula Lanaia: That's perfect. Plus, Anna told me everything of what happened in Scotland. That hag is going to pay for this!

Nico: What she did is unforgiveable, and she's going to pay dearly for this.

Suddenly, we saw The Looney Tunes, Tiny Toons, and Loonatics come out dressed as male and female commandos and carrying guns and bazookas and they had crisscrossing straps on their chests with bullets.

Me: Uh oh! Looks like you guys are ready for war!

Daffy Duck: War isn't the word we'd use.

Caleb Maxwell: Oh God, don't tell me, you're gonna raise Hell on Earth on Swackhammer and those packs of snakes? If anyone's going to be raising Hell on Earth, that's my job.

Allie Maxwell: Caleb, you don't have that kind of...! Oh crap, I forgot about the darkness and rage in your heart, and you've raised Hell on Earth on The Syndicate in the past and even picked fights with The Big Claw Gang, which I'll show you guys later, and Mad Cat Max for the first time made use of Ki and really dealt a blow to Caleb.

WE GASPED!

Me: Wait, what?!

Mad Cat Max: It's true, J.D., I somehow made use of Ki for the first time, and that was when Caleb turned into a vicious demon and tried to drain J.J. dry of her life force and leave her as a mummified husk and tried to do the same to us.

Qin: He did WHAT?! He tried to drain the girl whom you've taken care of as your little sister dry of her life force and tried to do the same to you all?! (GROWLS)

Qin growled at Caleb Maxwell, and despite his reputation for bloodshed and darkness, that won't even save him.

Nico: Ooh shit! (Smirks) Caleb, you're in trouble!

Qin: Caleb Maxwell...! (CRACKS KNUCKLES)

Chris Taylor: She's gonna beat him to an inch of his life!

Panther: (Smirks) Oof, now, you've done it, you've gone and made the lady angry.

Caleb Maxwell: Shit! Can we please finish breakfast before Qin comes after me?!

Lincoln: Yep.

Nico: Got it.

Paula woke up to see Ditto who transformed into a miniature version of her staring at her.

Ditto: (In Paula's Voice) Morning Paula!

Paula: Morning Ditto but man that is cool!

Ditto reverted back.

Ditto: Time for breakfast.

Paula got up and went and got dressed and went to the table. She was piling on the protein too.

We finished our breakfast, and we set out to take down the next villain for Nico's rescue, and later on today, we'll make sure Swackhammer pays for his crimes and send Dark Sebastian and those packs of snakes flying back to Transylvania. We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12,882.3: The U.S.S. Valorous Phoenix is en route to the distant planet of Cnidarus and we're going to see what this planet is like and also battle whoever we're facing there.

Me: This is gonna be awesome!

Cierra Cnidarus: You guys are going to love seeing what my planet is like. It's a swamp planet and it is amazing.

Qin: I have a feeling it's gonna be cool.

May: I hope it's not as muddy as Dagobah is.

Cierra Cnidarus: Don't worry. Cnidarus is not as muddy as Dagobah is.

Qin: Good.

May: Thank goodness.

Lola: Yeah.

Snake Man: I'm so ready for this.

Nico: Snake Man, I would like to thank you, Blast Hornet and your teams for coming.

Snake Man: Think nothing of it Nico.

Iormu was in my lap and so was Ymir and Camie.

Iormu: It'll be so fun.

Me: You said it. It's gonna be a while before we get there so we might as well have a nice talk.

Nico: Good idea.

Qin: Awesome.

Nico: Iormu, what do you like to do in your free time?

Iormu: I like teaching everyone in school all about the history of the Norse and Viking Cultures and it's fun.

Me: That is cool.

Varie: It sure is.

Qin: Yeah the Vikings were really cool.

Iormu: They sure were.

Ymir: J.D. how did you and Ymir meet?

Me: We met when we were doing my rescues.

Miia: It's true. Me and the girls met J.D. when he was doing his rescues and we were kidnapped by McWolf.

Me: Those were fun and really funny. McWolf kidnapped a bunch of girls and we rescued them and it was really awesome and funny.

Miia: Those were always so fun.

Iormu: Yeah I thought so too.

Nico: Ahh those were good times.

Me: They sure were. We met when we battled Shiwan Khan and stopped him from setting off a 200 megaton nuke.

Iormu: I remember that. That was so cool.

Nico: Wow! That is amazing! But yeah those were fun.

Miia: So unforgettable.

Xenia: Yeah.

Gira: Did that really happen?

Poromon: It sure did.

Nico: Oh yeah.

Ace: Wow!

Me: Yep. Those were fun times.

Rachnera: You said it.

Poromon: Yeah those were really fun rescues too.

Me: Yep.

Lincoln: Yeah.

Camie: That was long before I joined the team.

Nanette: That's right.

Nico: Yep.

Laney: Yeah.

Lincoln: WHEW! Man yesterday was awesome!

Me: Yep. Kurata and Sergio are now forgotten memories. Bobby I'm sorry we had to kill Sergio, but I think it was for the best if you guys were rid of him for good.

Poromon: Especially how he threatened Manaphy!

Manaphy: YEAH!

Bobby: I know and thank you guys for getting rid of him. I'm so sorry he caused all this damage to you all.

Me: It's not your fault Bobby.

Lori: Yeah Boo Boo Bear it's not your fault. Sergio was literally a pest to all of you.

Ronnie Anne: He was. I'm glad he is gone.

Nico: So are we. He was really running up the bills in electricity and water and more with all his fancy funky out of control parties and shopping.

Lincoln: Yeah. But the best part is that Kurata is gone.

Me: Marcus you and your family must be really happy he is gone.

Marcus: What do you think?

Me: That is a definite yes and no ifs, ands or buts about it.

Marcus: YEAH!

We high five!

Tommy Himi: And that was so funny that you guys nailed them with all those pranks from on top of my Akuma.

Me: Your Akuma was a MASSIVE Ginormous mountain!

Tommy Himi: Yeah!

Me: But being that high up gave us quite an awesome view as well as a great location for ambush style attacks when they least expect it.

Nico: Too true. We nailed Kurata and Sergio from that high up.

Yoshi: But not before Kurata turned Sergio into a Cyber Bird.

Me: That was cool and the laser vision eyes were an improvement.

Poromon: But when we showed the trailer to him all his components exploded off him! That was so funny!

Thomas: At least Kurata didn't turn into that massive form of his

Me: That was Belphemon and he was REALLY UGLY!

Thomas: He sure was.

Yoshi: Yeah he was awful. But at least we're rid of him. Lincoln that was awesome how you used the Sinning Tree on them.

Lincoln: It sure was.

Me: Yeah that was a scary tree!

Iormu: It sure was. You really made sure they suffered before you guys killed them.

Lincoln: Yep.

Horsea: Good riddance to bad rubbish.

Me: You said it.

Maria: Amen to that.

Qin: Yeah.

Iormu: Hopefully now that Sergio is gone, his thugs he has will stop too.

Nico: I hope so too

Me: Yeah.

Lisa Loud: We have arrived at our Destination.

Nico: On screen.

We saw that we were at a green planet and man was it REALLY GREEN.

Cierra Cnidarus: There it is guys. Planet Cnidarus, my home and Siegelus's home.

Me: Wow!

Nico: Lets land.

We got to landing and we got out and saw the planet Cnidarus and it was a REALLY SCARY SWAMP WORLD!

We were amazed and scared!

Me: So this is Cnidarus!

Nico: WHOA!

Laney: Scary and spooky!

Lana: It sure is!

Cierra Cnidarus: Yep this is home.

Nico: Too bad it's not a food planet

Me: Yeah but I figured it was time for some regular Earth like planets for a change. Besides we need to see more than just food planets.

Nico: Good point.

We walked around and the place really sent shivers down our spines. It was scary as all get out.

Camie: This place really gives me the creeps.

Iormu: Me too.

Ymir: Same here.

Eli: It sure is scary.

Manaphy shivered in May's Arms.

May: You cold Manaphy?

Manaphy: No mama. Just scared. This place is scary.

Cierra Cnidarus: Well my home planet has had that kind of effect on people though. The landscape is really nightmarish. But it's not the land you have to worry about. It's the creatures here. Next to Siegelus you have swamp creatures that make the creatures of Dagobah look like tame kittens in comparison.

Poliwag: Say what?!

Nico: What kinds of creatures live here?

Shanan: Lots of them. The swamps have Nihiliworms, the trees have ravenous Kithargius Birds and the worst of them all, The Spinosaurian Crocodon.

Cierra Cnidarus: Yep. It's like a crocodile with 3 eyes, two on its head and one on its lower jaw and it has a Dimetrodon sail and has spines all over its body and also has 9 fingered claws and feet.

Nico: (GULP) That is scary.

One went by us.

We saw that it was a SCARY CREATURE!

Me: Whoa! That is scary!

It saw us.

Cierra Cnidarus: Don't move a muscle guys. Like the tyrannosaurus rex, its vision is based on movement.

We didn't move and he went away.

Me: Whew. Anyway lets find our main targets here.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Cnidarus, but here's the targets we're going after: it appears Haido and his knights, Kamira, Fugai, Ranke, and Temujin are back from the dead.

WE GASPED!

Me: I knew Haido would be back.

Nico: Same here.

Lincoln: But, here's our mission: we're going to recruit Kamira, Fugai, Ranke, and Temujin into The Redemption Squad and The M.O.E.

Eli: Perfect. But, what about Haido?

Me: Leave him to me, Eli. I got a score to settle with him after 150,000 years.

Ymir: Who is Haido?

Me: He was a warlord that I battled in 150,000 years. He was after the power of the Stones of Gelel.

I went over his history.

Haido (in Japanese: ハイド, Haido) is the main antagonist of the Naruto 2005 film, Naruto the Movie: Legend of the Stone Gelel. He is a warlord that was obsessed with his vision of obtaining world peace by means of mass murder and manipulating many people, including, Temujin into doing his plan.

He was voiced by Akio Nojima in the Japanese version, and by Douglas Rye in the English dubbed version.

In the past, Haido formed his organization and the knights (Fugai, Kamira and Ranke). He traveled to a village where Temujin lived and laid waste to it by causing a war which ended up killing countless people. When he encountered a destitute young Temujin by himself near a pile of rubble, he mocked him. Haido later appeared in front of Temujin (this time, without wearing a hood) and told him about his dream of starting a utopia and accepting the boy into his organization. Since Temujin have been a member of Haido's force, he held a special power that Haido liked and kept him as a powerful asset to his organization. The weaker children, however, were turned into soldiers by having them become armored men.

Haido sent his forces out to attack the Land of Wind. The Sand ninjas fought them until Gaara came to defeat many of his men. Haido's forces retreated after the battle. Haido later appeared in his tower where Temujin introduced Naruto to him. Upon his introduction, Haido told Naruto about his goals of world peace and encouraged him to join his organization. Nerugui, the ferret, that Naruto had in his possession scowled at Haido sensing the evil in him. Temujin and Naruto soon left to deal with a situation outside.

After gathering more information on the stone of gelel, Temujin abducted Kahiko and sent him to his tower. Haido appeared and was about to get Kahiko until Shikamaru trapped him with his shadow technique. Haido told everyone that he wanted world peace even though he intentionally went about it through warfare. When Kahiko told everyone the stone may not be accessible, Haido became furious and broke out of the Shikamaru's shadow technique, attacked Naruto, and went after Temujin and Kahiko to the dungeon to where the power of the stone was at.

While pursuing Temujin and Kahiko, Haido appeared and attempted to murder Kahiko when he got the power. Temujin stopped Haido's attack and questioned him on his ideals, to which Haido became frustrated at Temujin's defiance. When Naruto appeared, Haido laughed and gleefully confessed to murdering Temujin's parents and using the latter as a pawn. With the power that he acquired, Haido transformed into a more powerful form and attacked Temujin. Haido prepared to kill Naruto, Temujin, and

Kahiko. During his battle with Naruto he overwhelmed Naruto and nearly killed everyone until Haido's armored men shielded them from his attack. Disappointed at how the children turned against him, he resumed his fight against Naruto until the latter attacked him with a rasengan. Haido recovered with the power of the stone of gelel and fought Naruto until the latter destroyed his defenses and gelel power source with the demon-fox rasengan and gelel rasengan and incapacitated Haido with the gelel rasengan. Because of the severity of the gelel rasengan burrowing a hole into Haido's chest, he succumbed to his injuries. With the source of life energy from the stone leaking out, Temujin nearly sacrificed himself to banish the power to a void. As a result, Haido's body was swept into the void along with the power from the stone of gelel.

When I was done everyone was shocked and horrified!

Twilight Sparkle: MAN WHAT A MONSTER!

Ymir: Yeah no kidding!

Me: Yeah. And he almost destroyed the entire planet when the mines of Gelel went out of control. It was awful.

Sakura Haruno: I remember that. That was crazy.

Naruto: Yeah.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: And that snake and his minions are also on the way.

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive

muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Haido, Kamira, Fugai, Ranke, and Temujin) Aha! Gotcha, I just spotted Haido, Kamira, Fugai, Ranke, and Temujin, they're 20 yards away, but they're coming at us fast. (Sensed Dark Sebastian and his minions) Oh shoot! I also spotted Dark Sebastian and his minions, they're also coming after us!

Nico: Let's get a move-on and fast! I don't want to wait for that demonic freakshow to show up.

Azulongmon heard a Pokemon cry.

Azulongmon: Look guys.

We saw a Dracozolt!

Me: A Dracozolt!

Nico: Cool!

Dracozolt: This place is scary.

Me: It is.

Azulongmon: Here you go.

He gave him some apples.

Dracozolt: Thank you.

He ate them.

Dracozolt: Ahh.

Azulongmon: You'll be safe with us too.

Dracozolt: I would like that.

Me: Awesome.

Lola: That's not all that's here. Look.

We saw a Liepard.

Me: Cool a Liepard!

Nico: What's that doing here?

Me: And at 362 million lightyears away from home.

Nico: Yeah.

Lincoln: Lets see here.

Lincoln used his Telepathy and gasped!

Lincoln: Oh man! That's Aurora Sunstar. And you are gonna flip at this. She is Allura's sister!

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out. But I caught it and put it back.

Nico: (GULP) Whew. Thanks J.D. but that is crazy!

Me: I know. Lets help her.

Me and Lincoln went over.

Lincoln: Aurora calm down. It's okay.

All she did was tackle Horsea and was about to scratch her

Horsea: HEY!

She squirted ink and blinded her and punched her down with a headbutt!

Horsea: Why is everyone after me!?

Maria: I don't know.

Me: Okay that's enough!

Me and Lincoln fired lightning blasts and knocked her down.

I snapped my fingers and she reverted back and had neon pink hair and pink eyes and had leopard ears and a tail and had blue and purple angel wings and had Liepard in the middle of her forehead. On her arm was a cutie mark that looked like Allura's on a sun.

We wrapped her in a blanket and brought her over.

Me: Whew! Are you okay Horsea?

Horsea: I'll be fine.

She woke up to see Horsea's stern face

Aurora Sunstar: Well hello there.

Horsea: YOU ALMOST SCRATCHED ME!

Maria: Horsea calm down.

Maria picked her up.

Aurora Sunstar: Sorry about that. Where am I?

Me: You're on the alien planet of Cnidarus in the Penguin Galaxy, 362 million lightyears from home.

Cierra Cnidarus: Yeah this is my home planet. You were turned into a Liepard by Dark Gale.

Aurora Sunstar: Oh my. I remember! I wasn't with Sonya's Team but I heard about them. I was looking for a way to save my brother and my sister when I got turned into a Liepard.

Me: Oh man. Wait Allura has a brother?

Aurora Sunstar: Yes. His name is Alterro and I have been trying to find him. But I haven't had any luck.

Me: Maybe I can help out later on if I see him in a dream.

Nico: Good idea.

Aurora Sunstar: Thank you J.D. Where is Allura?

Lincoln: She's in the M.O.E. And the Redemption Squad. She's back home on Earth.

Nico: What do you like to do in your free time?

Aurora Sunstar: Well I like helping and caring for Snow Leopards at the zoo. Outside that I help to find Alterro.

Nico: Wow.

Me: How did you get part of the Snow Leopards?

Aurora Sunstar: I was adopted by them. When I was a baby I was adopted by the Snow Leopards. Me and Allura and Alterro have known each other since we were cubs. We learned so much about the magic of fire, ice and hypnosis. It's amazing.

Me: Wow!

Laney: A human living among Snow Leopards.

Eli: Like how Tarzan was raised by Gorillas.

George: And like how Feral Ursula raised by wolves.

Nico: We can still get Allura here.

Aurora Sunstar: I would like that.

Lincoln called her and she appeared in a flash of ice and cold.

Allura: I am here everyone. (GASP) Aurora?

Aurora Sunstar: Allura!

They hugged.

Aurora Sunstar: Allura it's great to see you. And Twitch you are still cute.

Twitch gibbered.

Ymir: Twitch?

Me: Oh that's Allura's bunny friend. She has known Twitch ever since she found him.

Aurora Suntar: I looked all over for you Allura.

Allura: I was in Starlight Ridge and then I battled a bunch of ponies. Lincoln helped me realize the errors of my ways.

Lincoln: She's now one of my future wives. Long story.

Aurora Sunstar: I have a lot of catching up to do.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new grey clothes and an awesome sword.

Aurora Sunstar: I look great!

Me: You sure do.

Nico: I would like to point out that it's a good thing we killed Kurata since he was one of the first revived villains to attack us

Me: That's right! He's the first of the villains that appeared like that.

Camie: Yeah! I remember!

Varie: Yep.

Nico: Lets get going.

We nodded

We took off into the air to take down Haido, Kamira, Fugai, Ranke, and Temujin and recruit Haido, Kamira, Fugai, Ranke, and Temujin to The Redemption Squad and The M.O.E. and send the next demon general of The Order of The Dark Universe to The Black Abyss and send those demonic freakshows back to Transylvania.

We were flying in the air, and we saw our targets: Haido and his knights, Kamira, Fugai, Ranke, and Temujin.

Me: There they are!

We landed.

Me: Haido, Kamira, Fugai, Ranke, and Temujin. Been a long time. I knew one day you'd return.

Kamira: Though I wish it was on better terms.

Haido, Kamira, Fugai, Ranke, and Temujin showed us some familiar marks: The Sign of Apophis and The Sigil of Malphas.

Nico: Dark Sebastian, I should've known.

Lincoln: I would've thought Anti-Monitor was the one who brought you back, not that lunatic.

Haido: Anti-Monitor saw that we're not worthy of joining him.

Me: Because of our past history both good and bad. So, Dark Sebastian decided to bring you back and he also put that mark on you.

Lincoln fired five beams of light that freed Haido, Kamira, Fugai, Ranke, and Temujin.

Naruto: Nice work freeing them, Lincoln.

Lincoln: Thanks. But, we still got to take them down.

Me: Yeah.

Haido: You're grown quite a bit since our last encounter J.D. Those powers of yours must have grown too.

Me: More than you can possibly imagine.

Nico: What do you intend to use the Gelel stones for?

Haido: I just want to bring an end to war and bring peace.

Me: What you call war I call genocide. You were killing thousands of innocent people! Is that any way to end war? Absolutely no fucking way! That's the oppoite!

Haido: Yes you said that to me in those times.

Me: Nice to know you still remember. I see my mark on you is still there too.

There was a bloody scar on his chest where I hit him with a Gelel Infused Rasengan.

Nico: You really hit him hard.

Me: Yep.

Haido: Yes you did hit me good. Now I'm going to return the favor!

Me: Keep dreaming! But I'm not going to kill you. We've got bigger fish to fry and in case you haven't noticed we're at war with a much bigger enemy after Xehanort Kicked the bucket.

Haido: We'll see if you can touch me.

He transformed into his MONSTER FORM!

In his Gelel transformation, he takes on the form of a humanoid-like monster that stands over 2 meters tall with, light grey skin, light red eye sclerae, dark black slanted eye pupils, long unkempt spiky white hair with two long even strands of hair on each side of his face, thin blank white eyebrows, a medium-built six pack, and four light red floating balls behind his back.

Nico: Impressive. I remember seeing this form when you fought J.D. before.

Haido: Indeed and lets test your new powers.

Me: Just remember, you brought this all on yourself.

There have been terrible wars over the millennia and it's not going to stop no matter what. It's in our blood. Been that was for eons.

Nico: J.D. is right Haido. We have gone into wars too and it's not pretty.

Haido: You may be right on that but I was only doing my best to stop war.

Me: Look where that got you in 150,000 years. It got you killed by me.

Me: That's a very famous quote from famous military philosopher Sun Tzu.

Nico: It sure is.

Nico activated it.

Nico: Cool.

Nico and me: WARFARE KARMA BOMB!

We fired waves of energy balls and blasted him all over the place.

He took it off and put on the Worlds Greatest Grandma one on him and Larry acted like a baby.

Larry 3000: (Baby talk) I made doodie in my diapie.

WE LAUGHED HYSTERICALLY AT THAT!

Me: OKAY THAT WAS FUNNY!

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he

struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings and forced out Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Oh great, it's our least favorite and absolutely demonic pain in the ass, Dark Sebastian, along with the other demonic dickheads.

Dark Sebastian: YOU SHUT YOUR MOUTH, YOU MISERABLE FILTHY APE! WE'LL SEE HOW LONG THAT SMARTASS MOUTH OF YOURS LASTS! AAMON, DEMON GENERAL OF HELL, I SUMMON YOU TO BATTLE!

We saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out.

Alaister Necroshade: DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL ALONG WITH HAIDO AND HIS KNIGHTS! LEAVE NOTHING OF THEM IN YOUR WAKE!

Aamon charged at us, but Lincoln charged at Aamon and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Aamon down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Aamon, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Aamon except for his loincloth and shorts and Lincoln drained Aamon's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

Seeing what happened to Aamon getting taken down and absorbed by Lincoln royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Damon Necroshade: LET'S TEAR THEM ALL APART!

Dark Sebastian: I WILL NOT LET THE PROPHECY COME TRUE! THIS TIME, YOU'RE ALL GOING TO DIE HERE AND NOW! LORD MALPHAS WILL PRAISE US WHEN WE DELIVER UNTO HIM YOUR HEADS AND ALL OF MANKIND AND LIFE ON EARTH AND THE UNIVERSE AND BEYOND WILL BE DESTROYED ONCE AND FOR ALL! (LAUGHING INSANELY)

Caleb Maxwell started shooting at the bastards and bitches with silver bullets from his guns, and they were all falling one by one. Lincoln: Right, let's end this.

?: WE WILL NEVER STOP UNTIL WE PREVENT THE PROPHECY FROM COMING TRUE! DIE!

Suddenly, we saw Dark Sebastian and his insane cronies coming right after us yet again, but Lincoln fired blasts of holy water that blasted and hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and forced them off, and Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra screamed in pain as steam came off of them as the holy water burned them like acid.

But, when the holy water blasts hit Dark Sebastian, he screamed in demonic anger and pain, and we saw his form suddenly destabilize as we saw the right side of his face suddenly transform into a black ooze with a demonic red eye and masses of demonic red eyes, but he managed to morph the right side of his face back to normal and he growled demonically.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You truly do not know when to give up and stay away, do you? Well, I better send you all right back to Transylvania and fast.

Lincoln fired many beams of heavenly light and they hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and they were sent flying away yet again as the lot of them cursed at us like crazy and we grew stronger as a result thanks to their toxic hatred.

Nico: The Prophecy of The Reincarnation of Amaterasu will be fulfilled, you toxic demons, and you are going to be destroyed once and for all, Dark Sebastian, you and your minions!

Talia Senju Konoha, Catherine Arthur, and Callista Cthulhu: Alright, let's get them!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Talia Senju Konoha, Catherine Arthur, Callista Cthulhu, Sherlock Hound, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Haido and his Knights, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Haido and his Knights and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Talia Senju Konoha, Catherine Arthur, Callista Cthulhu, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Haido and his Knights, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Haido, Kamira, Fugai, Ranke, and Temujin.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Haido, Kamira, Fugai, Ranke, and Temujin, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Haido, Kamira, Fugai, Ranke, and Temujin hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and

Haido, Kamira, Fugai, Ranke, and Temujin were on their last legs and they were really really mangled.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Talia Senju Konoha, Catherine Arthur, and Callista Cthulhu are permanent.

Haido: It's finally over.

Lincoln: Yes, it is.

Kamira, Fugai, Ranke, and Temujin were then recruited into The Redemption Squad and The M.O.E.

Me: Sorry it has to end like this, Haido.

Haido: No, I deserved this. Now, what do you intend to do?

Lincoln: We're going to have you brought to The Hidden Leaf Village and have you tried fairly.

Talia Senju Konoha: That's a good idea, Lincoln.

The other Gods of The Ninja Villages nodded in agreement as well.

Me: (Thinking) Wow. Lincoln's really gotten even more wiser. I knew he was wise beyond his years and was very mature when we first met, but now, he's become even more wiser and mature than ever.

Nico: (Thinking) (To me) You said it. I also still can't believe that Dark Chase Young chose to make his life a living Hell and destroy him and his entire family because of not only the prophecy, but also, to bring suffering and death to all those in way, he's a monster along with Dark Sebastian and his minions.

We then teleported to The Hidden Leaf Village, and Tsunade came out.

Tsunade: Guys, we heard the...! (Sees Haido) Haido.

Lincoln and all of us explained what happened.

Tsunade: Wow, you guys did some awesome work. Okay, let's get Haido in.

Lincoln: Talia, if you would.

But, before Talia Senju Konoha could shackle him, a black energy beam fired out of nowhere and it hit Haido and pierced him right in the heart and killed him!

Me: Haido!

Suddenly, we heard the demonic, malevolent, deranged, and insane cackling of Dark Sebastian and his minions echoing in the air! WE WERE ABSOLUTELY PISSED OFF TO THE FUCKING EXTREME: HAIDO WAS HEARTLESSLY MURDERED BY DARK SEBASTIAN AND HIS MINIONS AND THEY SHOWED THEIR CALLOUS BLACKHEARTED SOULLESS DEMONIC NATURES ONCE AGAIN!

Me: YOU DAMNED MISERABLE HEARTLESS SOULLESS REMORSELESS DEMONIC PIECES OF SHIT! IF WE EVER SEE YOUR UGLY HIDES HERE AGAIN, WE'RE GONNA FUCK YOU ALL UP!

Nico: YOU ALL ARE NOTHING MORE THAN A PACK OF SNAKES AND MISERABLE WITCHES WHO HAVE EMPTY BLACK HEARTS AND CRUEL HEARTLESS BLACKENED SOULS INSIDE YOU!

WE WERE YELLING AND SPEWING NASTY DEATH THREATS AT DARK SEBASTIAN AND HIS MINIONS AND THAT PISSED THEM OFF BIG TIME AND THEY CURSED AT US EVEN MORE AND WE GREW MUCH STRONGER FROM THEIR DEATH THREATS!

Me: AND SCREW YOU AND FUCK YOU ALL, SHITHEADS!

We were absolutely done with Dark Sebastian's madness, now it was war!

Lincoln: I think it's safe to say, Dark Sebastian's crossed the final line, and for that, he's about to pay for his sins in blood.

Selena Mendez: He and his minions.

Nico: Heartlessly murdering Haido like that and in front of The Hidden Leaf Village, now he's gone too far.

Tsunade: Guys, when we run into that piece of shit and the rest of his minions, be sure to call me in because I'm gonna shove my fist right down their throats and rip their black hearts right out of their chests!

Me: Will do, Lady Tsunade.

Lincoln: He's now gone and pissed off The Ninja Villages with what he did to Haido.

Me: Big time!

Nico: Like old times, huh?

Me: Yep. Too bad Dark Sebastian ruined it. But don't worry, during the main mission I have a nasty surprise for him.

Nico: Okay.

Me: That was fun though.

Lola: It was.

Nico: Nice job Dracozolt!

Dracozolt: Thanks Nico. That was fun!

Me: It was!

Poromon: Want some beer?

Dracozolt: Oh no thanks. I don't like the taste.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease.

Dracozolt: Nice try pipsqueak.

Rocko: (Australian Accent) Could some of you guys unclog my toilet later?

Lana: Oh sure Rocko.

Poromon: We'll gladly help.

Me: Lana can help too with that.

Rocko: Thanks mates.

Me: I don't think I want to know what your toilet got clogged with.

Snake Man: Me neither.

Nico: Oh, Snake Man. What do you like to do in your free time?

Snake Man: I work as a caregiver in the reptile house at the zoo. I specialize in snakes.

Anko: Good job there.

Me: Fitting and perfect for you.

Iormu: I agree there too. That is awesome.

Ymir: It sure is.

Qin: Yep.

Lincoln: Yeah. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them. Whoa, some of The Anothers are The Keyblade Knights of Mitosia, Bracharia, and Querhan, and The Avatar and Gene-Slammer of The Gladiator Beasts.

Lincoln: (GASPS) If it's who I think it is, you guys are so in for an awesome surprise.

Me: This should be good.

Nico: Same here, and we need some stress relief. After what Dark Sebastian did in heartlessly murdering Haido, he just pissed us off to no end.

Goten: Dad and all of us saw just what kind of honorless, black-hearted, soulless, cold-blooded, evil, deranged, murderous, anarchic, psychotic, and absolutely demonic monster Sebastian was because of that thing in him. So, we're not going to show them any mercy.

Gohan: That's right, when we get after Swackhammer, he and the rest of those demons are going to pay for what they've done before we send them flying back to the shadows where they belong.

Goku: We have to watch out though, we don't know what that black-hearted demon's got up his sleeve this time.

Selena Mendez: We're more than ready for him, and we've known his tricks and how to end them.

Me: Nice!

Nico: So we got Another Blast Hornet, Lieutenant Berne, Beast Dralgo, Jacknab, Hambroomer and Dark Eyed Owl.

Qin: Yep.

Me: So Snake Man, Iormu, Lucine, Media, Shiana and Saphentite Neikes are up.

Qin: Yep and Another Paula too no doubt.

Me: Yeah.

Nico: THERE THEY ARE!

We saw Another Lieutenant Berne, Beast Dralgo, Jacknab, Hambroomer and Dark Eyed Owl.

Me: Whoa!

Qin: This will be cool.

Another Beast Dralgo: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Elemental HERO Electrum, Evil HERO Williwaw, Evil HERO Inferno Neos and Volcanic Infernal Doomsday

Nico: Elaine Electrum, Sirocco Williwaw, Pyria Inferno Neos and Varyna Volcanus!

Me: The gene-slammers of Elemental HERO Electrum, Evil HERO Williwaw, Evil HERO Inferno Neos and Volcanic Infernal Doomsday.

Sirocco Williwaw: Good to see you Nico and you too Qin.

Pyria Inferno Neos: We saw your battle and that was awesome!

Me: It was! By the way girls are the Another Blast Hornet and Paula friendly or hostile?

Elaine Electrum: Friendly and they are cool.

Me: Nice. We already know who the Another Blast Hornet is.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Paula: I have a feeling the Another Paula is gonna be injured like me.

Qin: Why do you say that?

Me: Paula had a leg cast on before.

Qin: Oh right I forgot.

Nico: Really?

Paula: Yeah I had it on because of my mother.

Nico: Oh right! She had Munchausen Syndrome By Proxy!

Ymir: What's that?

Laney: It's a psychological condition where they abuse children and fabricate lies and stuff to garner attention from the public.

Ymir: Yikes!

Me: I now.

Paula: Yeah my mother did that to me for a while.

Horsea: Geez!

Marie Hernandez: I remember that! That was horrible. You told me all about that when it was Paula's turn for Nico's rescues.

Nico: Oh yeah! I remember!

Me: Yep. Wait look!

We saw Another Blast Hornet and it had Another Paula on a hoverbed and she was wrapped in LOTS OF BANDAGES!

Me: OH GOOD GOD!

Qin: What happened?

Me: We'll find out.

Another Blast Hornet: (In a girls voice) Hey guys. Glad you came.

She reverted back and it was four girls!

Lincoln: Alexandra Emerson, Olivia Oaken, Gina Brachios and Mia Mitosis!

Mia Mitosis: Good to see you Linky.

Gina Brachios: Glad you are all here.

Lincoln: Yeah.

Me: Care to introduce us?

Anna Anyanova: Sure. The girl with red hair and white clothes is Alexandra Emerson, Avatar and Gene-Slammer of The Gladiator Beasts, she's Lincoln's Guardian Angel from Michigan, and she's the known as Michigan's greatest and most powerful warrior angel and she's also known as the strongest warrior in Royal Woods because she was born with incredibly immense superhuman strength and she can lift 500,000,000,000 tons and she also has a punch so strong, she can easily bring a fully grown man down to his knees and rupture his organs and the greatsword she has in her hands is known as The Slayer of The Guilty, it was said to have been created by a blacksmith from Heaven and with this thing, she'd slain many guilty thugs and criminals and the blade also banishes their souls either to Hell or The Black Gates. She's also a very powerful genius and master of war and she has knowledge of all kinds of tactics of the greatest generals and warriors in history and fantasy, and whenever she steps onto the battlefield, she shows no mercy to the guilty and she strikes them down with no forgiveness. She's known as The White-Winged Warrior Angel and to the innocent civilians who meet her, they see her as a symbol of hope and courage, but to her enemies, she's their judge, jury, and executioner and shows them no mercy. She met Lincoln and she really, and I mean, REALLY trained him in the arts of war and strategy and she even trained with him in using really heavy and massive greatswords, but when they do their training with really heavy and massive greatswords, she always sees Lincoln shirtless because she loved seeing all of the results of Lincoln's eight years of working out put through the test, and she also helped with teaching him all about the powers of The Gladiator Beasts, and Lincoln gained all the powers of The Gladiator Beasts and his already immense superhuman strength had also increased infinitely, and his strategic planning has also improved immensely and he was able to plan out his strategies when it comes to battle. She also made Lincoln his own version of her greatsword, The Slayer of The Guilty, but his was known as The Savior of The Universe, and it had incredible powers and abilities and it also had the ability to merge all of the swords he'd made and gained into it and it also has the ability to make its wielder grow even stronger with each villain it slays, and Lincoln made her a white two-piece bikini and necklace, and to show her thanks, she and Lincoln kissed under the sun at Lake Huron, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she also took Lynn in as her protégé after Dark Lynn got the boot, and she also trained her real hard and she grew even stronger, and she hates Lori with a blazing passion, because she tried to kill Lincoln with a flamethrower, but it ended with Alexandra and Lynn coming to Lincoln's rescue, and they and Lincoln beat the stuffing out of her and threw her in a cage like the rampaging gorilla that she was. Plus, Alexandra's also immortal and invincible and not even Dark Sebastian nor his demonic minions stand a chance against her, plus, her specialty is sending demonic, insane, bloodthirsty bastards and bitches like them flying back to the darkest pits of Hell from whence they came.

Me: WHOA!

Anna Anyanova: Yep. The girl with green hair and green clothes is Olivia Oaken, Keyblade Knight of Querhaun, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's also the Gene-Slammer of Oaken and she's also a master of plants and trees and haunted forests. She is also a powerful master of fear and horror of the trees. She uses the powers of the trees of horror to instill fear into her enemies. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her powers and moves and he gained and mastered the powers of plants, trees, haunted forests, and the powers of the trees of horror and fear, and she also helped him bulk up in muscle, and she hates Hawk and Hank with a vengeance and vowed to unleash the horrors of the haunted forest onto them times 100,000,000,000 and make them die from fear.

Qin: Amazing!

Anna Anyanova: Yeah. The girl with yellow hair and purple and yellow clothes is Gina Brachios, Keyblade Knight of Bracharia, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with, not only is she The Keyblade Knight of the planet Bracharia, but she's also the Gene-Slammer of Girama of the Brachanarians and she's a deadly force of good and a master of dinosaurs and a powerful master of intense super strength. She has plant powers and the powers of all the dinosaurs from millions of years ago. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows about the powers of all the dinosaurs, intense super strength, and plants, and over time, Lincoln gained the powers of all the dinosaurs, plants, and his already massive godly superhuman strength grew even more intensely, and she also helped him bulk up in muscle and she taught him all about dinosaurs, and she hates all of Lincoln's enemies with a vengeance and hates Lynn the most and she vowed to smash her into dust and make sure she NEVER PLAYS Sports ever again.

Me: Amazing!

Anna Anyanova: Yeah. And the girl with red hair and red clothes is Mia Mitosis, Keyblade Knight of Mitosia, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with, not only is she The Keyblade Knight of the planet Mitosia, but she's also the Gene-Slammer of Division of the Mitosinothian's and she is a deadly force of good. When it comes to superior numbers, she knows how to outnumber her opponents with incredible force. She's also a master of blood and can fire blood that's hot enough to melt the strongest metal ever. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows about the powers of blood that's hot enough to melt the strongest metal ever, and over time, he gained the powers of blood that's hot enough to melt the strongest metal ever and melt someone until they're left as a skeleton, and it also made his acidic blood even hotter than ever and deadly to those who are pure evil and irredeemable and she also helped him bulk up in muscle, and she hates all of Lincoln's enemies with a vengeance especially Flip and she vowed to melt him until all he is left as is nothing but a rotten skeleton.

Me: WHOA! Awesome to meet you girls.

Camie: Same here.

Iormu: I agree.

Mia Mitosis: Pleasure is ours.

Gina Brachios: Yeah. And we have all of Blast Hornet's powers too.

Blast Hornet: Awesome.

Me: And what happened to your friend there?

Another Paula: (In pain) Just in a HUGE AMOUNT OF PAIN!

Paula: (GASP) Oh man!

She reverted back and was a girl with brown hair and had blue eyes and had casts and bandages on her arm, both legs and on her stomach and chest.

WE GASPED!

Me: OH MAN!

Paula: Cassie!

She went and hugged her.

Cassie Price: Paula. (GRUNTS) You got that cast off.

Paula: I know. Guys this is my big sister Cassie Price.

Me: Pleasure. But man what happened?

Jonny: "Boy Cassie, you're a mess!"

Me: Geez someone REALLY Did a number on you! Was it a Giant Swedish Meatball?

Cassie Price: Yes! It was!

Ymir: A what?

Ed: "A giant Swedish meatball with a blood-curdling scream grabbed Cassie in its drooling groundchuck." [He makes chewing noises.]

Edd: [unbelieving] "Please."

Rolf: "Rolf has seen this meatball. It stalks Wilfred in the dead of night!"

The Kids: [captivated] "Ooooh."

Poromon: That really happened?!

Cassie Price: It sure did. Swartz had a really nasty Swedish Meatball Monster.

Sakura Knudson: I remember seeing that monster! It was a ravenous giant Swedish Meatball monster covered in Swedish Gravy and it had Razor sharp teeth!

Me: YIKES! Boy it chewed you up and spit you out!

Cassie Price: Actually I just went out the southern exit.

All of us: EW!

Lana: Cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Mia Mitosis: No he didn't because he wanted to have us get Cassie out.

Me: Probably couldn't take the amount of screaming she was in because of that meatball. I don't think Wally Walrus would want to touch that meatball with a 10 foot pole.

Cassie Price: You're right on that. (LOUD CRUNCH) (SCREAMS IN EXCRUCIATING PAIN!) OH MAN I SNAPPED MY SPINE!

YICHIHUAHUAS! THAT REALLY HAD TO HURT!

WE CRINGED AND WINCED!

Me: OH MAN! THAT REALLY HURT!

Nico: NO SHIT!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Qin: When we are done here we're getting you to the infirmary!

Me: I agree.

Lincoln: Lets separate you first.

We did so.

Me: Now lets do it!

Nico: (gets out Blast Hornet's Ridewatch) Time for some blasting!

May: (Gets out Beast Dralgo's ridewatch) Time to punch your lights out!

Maria: (Gets out Hambroomer's Ridewatch) Time to hit this nail!

Iormu: (Gets out Lieutenant Berne's ridewatch) HUP TWO THREE FOUR! MARCH!

They used the powers of Blast Hornet, Lieutenant Berne, Beast Dralgo, Jacknab, Hambroomer and Dark Eyed Owl and blasted the Anothers.

LOUD NASTY CRUNCH!

Cassie screamed!

Cassie Price: OH MAN! MY BACK!

Qin: (WINCES) YIKES!

Nico: GEEZ!

Me: I know!

Then Commander Yammark, Dr. Psycho, Blazelion, Internet Troll, Stag spider monster Irio stag and Velociraptor Dopant came.

Me: WHOA!

Nico: Nice team Commander Yammark.

Commander Yammark: Thanks Nico!

Me: Yep. That means Flame Man and his team are up.

Flame Man: Got that right.

Me: Yep. Lemming Brothers get Cassie loaded onto the ship quick and get her to sick bay!

They nodded.

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They went to the ship and came back with a hover stretcher.

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded her onto it and went to the ship.

Commander Yammark: Yikes she must be in a lot of pain!

Me: Yeah.

But then a vortex of fire, earth, water and wind bursted out of the ground and out came EVIL HERO NEMESIS!

Me: WHOA! Evil HERO Nemesis!

Nico: WHOA!

Evil HERO Nemesis: The fun has just begun.

Nico: Elaine Eleterma! Wow!

She reverted back and was a girl with lilac purple hair and purple eyes and had black clothes and blue wings and had Evil HERO Nemesis on her forehead, skirt, shirt and arm and an element sword.

Elaine Eleterma: Good to see you Nico. I got this. ELEMENTAL MALEVOLENCE DEATH RAY!

She formed a ball of elements and fired a powerful death ray and blasted the Anothers and they exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I caught the Ridewatches and purified them!

Me: YEAH! Wow that was powerful!

Nico: Nice job!

Me: Yeah!

Elaine Eleterma: Yeah that was fun! Man Cassie really was mangled up!

Paula: Yeah she was torn apart by a meatball.

Me: Don't fucking ask.

Iormu: Yeah it's weird. Do you have a good memory of Nico?

Elaine Eleterma: I sure do. When me and Nico found a cult of evil elementalists and we destroyed them and I learned many fo their magic powers. Its been with me for years since then.

Nico: That was cool.

Brittney: Wait you mean the Church of The Dark Elements? That was you guys that destroyed them?

Nico: That's right.

Me: I've heard of them. They were a cult of evil Ecoterroristic Mages that were trying to destroy all the cities and all that in the world to turn the world back to what it was.

Qin: That is horrible!

Xenia: Yeah!

Camie: Awful.

Iormu: It sure is.

Elaine Eleterma: Yeah.

Nico: Yep

They hugged.

Nico: I've missed you.

Elaine Eleterma: Same here.

We went back to the ship and went back home.

The real masterminds of this were none other than Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, the heartless murderous powerhungry bitches who have come back from The Black Gates in search of revenge on us for killing them last year, and they were the ones who resurrected The Universe 666 Avengers and Justice League as part of their sick twisted plan to bring chaos and destruction back to Universe 666 Earth.

But, Lincoln's going to take down and absorb The Universe 666 Avengers and Justice League, and then, we're gonna find Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan and we're gonna tear those bitches apart in the same way Lincoln tore Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan apart, and send those bitches on their way to The Black Abyss.

And we got all of TLPS and The M.O.E. here and we saw the place is a mess.

Lincoln: Whoa, we're here in Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the fourteen girls here, but we got a huge fight on our hands: we got word The Universe 666 Avengers and Justice League are back and causing havoc, but they are actually mere cannon fodder.

Universe 666 Lincoln: That's right, the real masterminds of this were none other than Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, the heartless murderous powerhungry bitches who have come back from The Black Gates in search of revenge on us for killing them last year, and they were the ones who resurrected The Universe 666 Avengers and Justice League as part of their sick twisted plan to bring chaos and destruction back to Universe 666 Earth.

Universe 666 Varie: I knew those bitches were back for more, it's payback time.

Universe 666 Me: You got that right, but this time, it'll end here.

Me: Yeah. Lincoln's going to take down and absorb The Universe 666 Avengers and Justice League, and then, we're gonna find Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan and we're gonna tear those bitches apart in the same way Lincoln tore Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and

Dark Luan apart, and send those bitches on their way to The Black Abyss.

Robin: We also got word the Universe 666 Teen Titans are also here, so Lincoln's going to absorb them as well.

Snake Man: And with thirty-five tails, he'll easily absorb the lot of them before we get after those five banshees.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive

muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Eli: Didn't that already happen during Nico's rescue?

Lincoln: Unfortunately so, but I soon found out Universe 666 Lisa tried to play dirty and gave them an experimental muscle growth serum to bulk up even more, but that strengthened the curse on them.

Me: For a genius, she was unable to realize what she did only helped us even more.

Universe 666 Luna: That's due to her being an absolute vengeance crazed bitch.

Universe 666 Lana: Now, we better get after the Universe 666 Avengers, Universe 666 Justice League, and Universe 666 Teen Titans before we get after those so-called "sisters" of ours.

We got a move-on, and there we saw our targets: The Universe 666 Avengers, The Universe 666 Justice League, and Universe 666 Teen Titans.

Lincoln: There they are. Now, to knock them down.

Lincoln fired a massive wave of water that knocked The Universe 666 Avengers, The Universe 666 Justice League, and Universe 666 Teen Titans down. Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of The Universe 666 Avengers, The Universe 666 Justice League, and Universe 666 Teen Titans, and he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and powers. skills, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of The Universe 666 Avengers, The Universe 666 Justice League, and Universe 666 Teen Titans except for their clothes and Lincoln drained The Universe 666 Avengers, The Universe 666 Justice League, and Universe 666 Teen Titans' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: Oh man, now that was really awesome! (Smirks) (CRACKS KNUCKLES) Alright, let's get after those five banshees and tear them in half!

Nico: Now, you're talking!

Vypra: When you were absorbing them, did you find out where those banshees were at?

Lincoln: They're hiding out in the ruins of The Loud House of Universe 666 Earth.

Universe 666 Lincoln: That was where we met a year ago..., so they headed back to the scene where they killed Mom, Dad, Leni, Luna, Lucy, Lana, Lily, and my harem.

Universe 666 Me: That's where those banshees are going to die for good. Let's go.

We got to The Loud House of Universe 666 Earth, and there we saw Universe 666 Lori, Universe 666 Luan, Universe 666 Lynn, Universe 666 Lola, and Universe 666 Lisa tearing it apart and laughing like the cruel malicious banshees that they are.

Universe 666 Varie: I've absolutely had it up to hear with those deceitful jealous bitching banshees for the last time!

But, before we could attack them, those five banshees got hit by a blast of wind, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long sky blue hair with sky blue flower in her hair, blue eyes, massive blue angel wings, the Sun symbol tattoo on her right arm and Sun symbol on her forehead, sky blue short-sleeved blouse, sky blue short-sleeved frilly shirt, white gloves, sky blue skirt with the Sun symbol, sky blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, wind gusts, phoenixes, and angels on the coattails, and on the back is the symbol of The Sun from Magic The Gathering, she has a wind greatsword in her right hand, and with her are the fourteen girls.

Lincoln: (GASPS) Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering.

Alizeh Zephyrine: That's right, and I got the girls away from those banshees, but as we got away, I also saw Universe 666 Nico, along with Universe 666 May, Universe 666 Maria, Universe 666 Optimus Prime, and Universe 666 Danny Phantom as well.

WE GASPED!

Nico: So, that motherfucking snake's also back from the dead along with those other followers as well. Did Anti-Monitor...?

Alizeh Zephyrine: Nope, it was the Satanic forces of The Order of The Dark Universe, and they're completely under his control.

Universe 666 Me: Looks like he found a way to put my former friend and those other traitors under his control.

Me: But, when that spell breaks, those packs of snakes are in big trouble. Now, where were we?

Nico: Ah, yes, tearing you five heartless bitches into tiny pieces!

Universe 666 Me: That's right. You five bitches ruined the lives of your brother and everyone around him along with my own when you sided with that fucking snake and murdered me and Varie and all those around you. All you've done is destroy everything around you like the fucking monsters that you are, I will never ever forgive you for what you've done, and I thought I wouldn't have to deal with you bitches again, but thanks to Dark Sebastian resurrecting you along with the other former members of the team, that moment of peace was shattered. But, we're more than ready for all of you, and this time, we're gonna make damn sure that none of you ever rise again!

Lincoln: We'd already taken care of The Universe 666 versions of The Z-Fighters and Saiyans, Timmy Turner, the genius on the team, and we also got rid The Universe 666 Avengers and Justice League, and now, it's your turn to die.

Universe 666 Lori: SHUT UP! SHUT THE FUCK UP!

Universe 666 Lynn: THOSE DAMN CHUMPS, THEY FAILED US!

Universe 666 Lola: YOU WILL PAY FOR THIS!

Universe 666 Lisa: YOU NEANDERTHALS WILL PAY FOR THIS!

Universe 666 Luan: YOU WILL ALL DIE HORRIBLY AND I WILL LAUGH AT YOUR BROKEN BODIES!

Universe 666 Lincoln: What a bunch of snakes.

Nicholette Torrington: We've seriously had it up to hear with you damn bitches, and now, we're gonna make sure you never ever come back!

Lincoln's Guardian Angels: IN THE NAME OF GOD, WE HEREBY SENTENCE YOU FIVE MONSTERS TO DEATH FOR

YOUR SINS!

SUDDENLY, THE HEAVENLY LIGHTS SHINED DOWN ON UNIVERSE 666 EARTH AND THEY HIT THE BITCHES AND UNDID THE DAMAGE CAUSED, AND THE BITCHES ALSO GOT SHACKLED!

Lincoln: This is it: Divine Judgement has come for you at last!

Vypra: Time we got rid of those five bitches for good.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, and he proceeded to brutally smash them hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE BITCHES! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED THE FIVE BANSHEES WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED FIVE BLASTS OF HEAVENLY LIGHT THAT HIT THEM AND THEY WERE BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we finally kill you.

Then, Lincoln blasted Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, and he also slashed at them with his massive greatsword.

Then, Lincoln proceeded with how to punish and kill Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan. First, Lincoln swung his massive greatsword and fired a massive blast of wind that trapped Universe 666 Lori in a tornado that proceeded to slash at her with razor sharp wind gusts leaving bleeding slashes on her. Then, he fired a blast of fire that turned it into a fire tornado, and the bitch was set on fire and we heard her scream in pain and agony before she turned to ashes.

Then, Lincoln grabbed Universe 666 Luan by the neck with his left hand and he threw her into an abandoned minefield full to the brim of her own nefarious pranks and gags, and then, Lincoln dropped a metal ball on the spot that caused the traps to activate and Dark Luan was torn limb from limb as she was left with nasty bruises and scars, and then, he threw her in (DRAMATIC VOICE) THE SUSHIMAKER! (SCREAMS OF TERROR), and she was torn apart and left as a bloody gory mess.

Then, Lincoln grabbed and sucked out Universe 666 Lynn's massive superhuman strength and energy and he not only grew stronger, but he also severely drained her dry of her muscle mass and left her as a mummified husk.

Then, Lincoln fired tar at Universe 666 Lola and she was covered head to toe in tar and fired feathers at the rampaging little banshee and Lori took a photo of her and posted it on the internet and that banshee was laughed at by everyone, and it sent her into a fiery rage, but by the time she tried to get us, the tar covering her exploded because the tar Lincoln used on her was extremely flammable.

And finally, Lincoln strapped Universe 666 Lisa to a dissection table and he proceeded to dissect alive as he tore her open and removed all of her internal organs and heart and absorbed them into his body by use of an organ-sucking tentacle he sprouted from his back, and finally, he sprouted a brain-sucking tentacle from his back that went into her ear and sucked out her brain and it went into her and he absorbed all of her intelligence, and she died on the dissection table.

Finally, he banished them to The Black Abyss forever! GOOD FUCKING RIDDANCE, BITCHES! We cheered as we holstered our weapons and powered down and we all went back to The World Tree Estate.

Universe 666 Lincoln: It's finally over.

Universe 666 Luna: That it is, bro.

Nico: We'll keep an eye out on the other bastards of Team Loud Evil Storm.

Me: Second they show up, we get them.

Lincoln: That's for sure. (To Alizeh Zephyrine) And it's so good to see you again, Alizeh.

Alizeh Zephyrine: You too, Lincoln, it's been eight years since we last met.

Suddenly, Alizeh Zephyrine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alizeh Zephyrine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alizeh Zephyrine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alizeh Zephyrine and hugged her, and Alizeh Zephyrine is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alizeh Zephyrine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Alizeh Zephyrine, Queen of The Elemental Plane of Air and Avatar of The Air, Dust, and Roil Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of air, winds, and wind creatures of myth and legend. She's The Queen of The Elemental Plane of Air and The Avatar of The Air, Dust, and

Roil Elementals of Magic The Gathering, and she's the Air Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of air, winds, and wind creatures of myth and legend, and over time, he gained all the powers of air, winds, and wind creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Flip with a vengeance and she vowed to hit him hard with the fury of an F5 tornado and Category 5 hurricane together and see him be ripped to shreds by the fierce winds.

Me: We already got rid of Flip for good along with his entire family.

Nico: Yep, and they're rotting in The Black Abyss.

Lincoln: However, you can let loose on that clone in Lynn's Table.

Alizeh Zephyrine: Alright!

Lynn Sr.: And I also made the restaurant wind proof, so feel free to go wild and blow him all over the place.

Alexandra Emerson: I'll also enjoy smashing him all over the place.

Lynn: Last time you smashed Flip all over the place, the prison got covered in that mutant's blood.

Me: I remembered hearing that on the news.

Nico: Damn, to smash Flip all over like that which got the prison covered in his blood, you really are that strong, Alexandra, and you also helped Lincoln and Lynn get as strong, or in a better choice of words, even stronger than before.

Lincoln: Alexandra's training really made me and Lynn even stronger than ever, and as you saw, I can easily take down fully-grown adult men and brutes who were twice my size before the evolutions and transformations I underwent.

Me: Yep, now you're ten times taller, stronger, and bigger than them.

Nico: And you've also even taken me down during our training sessions.

Krillin: Along with those big dumb gorillas from Hazeltucky who got sent by Flip to get rid of us again a few years ago.

Gohan: Better not let Caleb hear it.

Buster Bunny: Yeah, he's a loose cannon with a nasty itchy trigger finger.

Caleb Maxwell: What did you just say?!

Everyone: UH OH!

Caleb got out a rolled-up newspaper and was about to swat Buster in the head with it, only for him to switch it out with a stick of dynamite and Caleb threw it and it hit the jerks right at Lynn's Table and exploded.

Allie Maxwell: Seriously, Caleb? Ugh! You know better than to try and attack a toon without falling victim to their cunning.

Pan: I hate to ask, but how many times have you had to deal with your brother's out-of-control need to exact payback?

Jack Howard: Don't get me started. Caleb's done this about...five million times in the past.

Everyone: WHAT THE?! FIVE MILLION TIMES?!

Caleb Maxwell: Jack, seriously?! What the Hell?!

Nico: You're one crazy loose cannon with an itchy trigger finger.

Captain Whitten: Don't blame Caleb though, his dream of being an NYPD cop died with him because of his brother.

Lincoln: Exactly, and now that you're here, Alizeh.

Lincoln with his massive muscular arms still wrapped around Alizeh Zephyrine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alizeh Zephyrine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alizeh Zephyrine with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Alizeh Zephyrine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alizeh Zephyrine.

Alizeh Zephyrine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alizeh Zephyrine's waist, and he leaned down to her face and kissed her on the lips, and with Alizeh Zephyrine's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alizeh Zephyrine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alizeh Zephyrine: (In Heaven) My God. Oh, Lincoln, the fourteen girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the fourteen girls, he had an atomic red blush on his cheeks and muzzle and no nosebleed attack. The fourteen girls are Ayana Kurosawa, Anju Matsuura, Tomoe Nitou, Aika Takazaki, and Mahiro Toujou from Humiliation, Sayuki Yumehara, Rikka Otori, Niel Houzuki, Miori Adachi, from Manami Souma from Humiliation II, and Suzune Maihara, Tsugumi Tamai, Hiyori Onozaki, and Miyako Sawatari from Humiliation III.

Lincoln: Oh wow, it's Ayana Kurosawa, Anju Matsuura, Tomoe Nitou, Aika Takazaki, and Mahiro Toujou from Humiliation, Sayuki Yumehara, Rikka Otori, Niel Houzuki, Miori Adachi, and Manami Souma from Humiliation II, and Suzune Maihara, Tsugumi Tamai, Hiyori Onozaki, and Miyako Sawatari from Humiliation III.

Nicole: So, those were the girls that were in Universe 666 Earth, and like Alizeh said, those five bitches tried to kill them to slake their thirst for blood.

Lincoln: Then, it's a good thing we really gave them an absolute thrashing before I got back at them and sent them to The Black Abyss forever. Are you girls okay?

Ayana Kurosawa: Yes, we're okay thanks to you.

Then, when Ayana Kurosawa and the other thirteen girls saw who it was that saved them from Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan, their faces turned atomic red upon seeing the 10'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many

Ayana Kurosawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo

behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayana Kurosawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayana Kurosawa, Anju Matsuura, Tomoe Nitou, Aika Takazaki, Mahiro Toujou, Sayuki Yumehara, Rikka Otori, Niel Houzuki, Miori Adachi, Manami Souma, Suzune Maihara, Tsugumi Tamai, Hiyori Onozaki, and Miyako Sawatari with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was one bloody battle we had, and we're now finally rid of Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan for good.

Lincoln: That's for sure. But, that doesn't mean those snakes are going to get off scot free, when we get after Swackhammer, we are going to blast them so far away, they'll wind up in the war-torn regions of The Middle East.

Nico: Good idea. I hope those pack of snakes get shredded to pieces by bullets.

Me: I don't think that'll be enough to stop them.

Selena Mendez: That's true, besides, Dark Sebastian has survived much worse than that.

Camie Elextor: But, they still need to suffer big time for their crimes until the showdown with them on May 5th.

Varie Yulinova: So, we'll keep blasting them away until that day.

Eli: It's bound to piss them off big time though.

Solla Nexcrota: Like we even care about that. He deserves it along with those other monsters.

Wendy Sauron: For years, they've caused havoc and did as they pleased for far too long, and too many souls have suffered because of them, and for that, we're going to put an end to them for good.

Tania Tornadora: The omen made itself known when I arrived, and it was also a prophecy stating the flames of the immortal phoenix and the black flames of The Nightflame Sun will bring an end to The Order of The Dark Universe and The Dark Church of Malphas for good.

Nicole: So, we're going to fulfill both the prophecy that'll lead to the end of The Order of The Dark Universe.

Lincoln: And when Kimiko's big day comes, I'll fulfill the prophecy and end Dark Chase Young forever and avenge all those whose lives were torn apart because of him.

Me: We're so going to end that monster for what he did!

Nico: But, first, we got to get those pack of snakes out of the way first, and if Malphas and the other Demon Princes of Hell try anything, they're in big trouble.

After Lincoln and all of us destroyed Universe 666 Lori, Universe 666 Lynn, Universe 666 Lola, Universe 666 Lisa, and Universe 666 Luan and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Alizeh Zephyrine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alizeh Zephyrine: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alizeh, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alizeh Zephyrine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alizeh Zephyrine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Mad Cat Max got out a videotape.

Mad Cat Max: Okay, guys, now you're going to see what I told you guys about this morning before you went after Haido.

Qin: This should be good, and I also got these out once the video's over.

Qin put on boxing gloves.

DING! DING!

Caleb Maxwell: Shit...!

Mad Cat Max put in the videotape and it played on the big screen and it showed New York at sunset and Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Sally Gamble, Chester, Crowe, and Nekome were out and were getting ready.

Past Hex: I wonder what the boss has today in store.

Past Chester: Whatever it is, I hope we don't run into Caleb again.

Past Mad Cat Max: Lately, Allie told us her brother's been getting pretty anxious especially now since tonight's the night of The Blood Moon and it's also the twelve-year anniversary of his murder.

Past Carla Claw: Allie did say twelve years have passed since the night he died and he'd been getting nightmares of that very night.

Past Panther: Hope he ain't planning any sort of mayhem against Drake.

Past Shroud: If he is, we should join in too.

Past Panther: (Smirks) Well, as much as I love to liven things up, I don't want to risk getting shot by Drake or by his vengeful brother.

Past Crowe: It's best we just stick to what the boss has assigned for us.

Suddenly, the sun set over New York, and the moon suddenly turned red. But, then, a swirling storm cloud formed over the skies and the winds picked up, and then, a beam of red energy descended on the ground in the East Bronx. Suddenly, they saw zombified hands rise from the ground, and then, zombies rose from the ground, and The Big Claw Gang saw it.

Past Patch: W-what the?! Zombies?!

Past Hex: Oh shit!

But, then, they saw who they were: those zombies were none other than the multitudes of criminals who fell victim to Caleb Maxwell.

Past Carla Claw: Oh man, guys, those zombies! They're the multitudes of criminals who fell victim to Caleb after he returned to New York a year ago.

Past Chester: They look like they've been drained of their life-force, does Caleb even have that kind of power?

Past Panther: How should we know?

Past Mad Cat Max: We need to get to Allie and fast, she can tell us everything.

They immediately ran to the home of Allie and Marlene Maxwell while dodging the zombies in order to get answers from Allie and find a way to stop Caleb before he drains more criminals dry of their lives as well.

We saw it, and we were horrified.

Me: Oh shit!

Roxy Drake: This is only the beginning.

We looked at the screen again, and Panther, Mad Cat Max, Patch, Hex, Shroud, Carla Claw, Nekome, Crowe, and Chester arrived at Allie's home and they knocked on the door. Allie opened the door.

Past Allie Maxwell: Guys, what happened?

Past Mad Cat Max: We got a bad case of zombies, and those zombies, they're the criminals who fell victim to your brother when he returned to New York a year ago, and they look like they had the life sucked out of them.

Past Allie Maxwell: Oh God, come inside.

They went inside, and they went to the living room.

Past Carla Claw: Allie, what's going on?

Past Allie Maxwell: I knew one day you guys would see it, but Max is right, those zombies you saw rise from the ground, they're the many criminals who fell victim to Caleb's wrath when he returned to New York a year ago.

Chester used his laptop and he found the list of the criminals who disappeared in 1996: both from the side of The Syndicate and The Big Claw Gang.

Past Chester: It's not just members of The Syndicate he'd drained the life out of, but he also drained the life-forces of some of the gang's soldiers as well. Allie, did your brother gain the ability to drain the life-forces of criminals?

Past Allie Maxwell: No, he didn't get that power even after his transformation, this may have been due to you guys getting rid of whatever dark force was inside him. He may have been freed, but the darkness that was inside him left behind a curse: one that transforms him into a demonic being that drains the life-force of those he goes after.

Past Patch: And their return from the dead as zombies?

Past Allie Maxwell: That was also part of the dark power given to him by the curse: those who had their life-force drained out of them rise from the dead as zombies cursed to warn people about my brother and that they're to leave at once or they too would suffer their same fate.

Past Panther: Damn..., now that's really dark.

Past Carla Claw: So, what do we do? We can't let Caleb claim more lives or the city's going to become a graveyard.

Past Mad Cat Max: We need to stop Caleb, and what'll happen if Caleb doesn't drain anyone dry of their life-force?

Past Allie Maxwell: If Caleb doesn't drain anyone dry of their life-force by the time the sun rises, the first rays of dawn will destroy the demon he transformed into and will free him of the curse for good.

Past Shroud: How do you know it won't backfire and he gets turned to dust?

Past Mad Cat Max: That's enough, Chett. Now, we need to find Caleb and fast.

They got in the car and drove, but suddenly, they heard the sound of a demonic shriek coming from Hell!

Past Allie Maxwell: It's Caleb!

Past Patch: It sounds like it's coming from the East Bronx.

Past Crowe: East Bronx? Oh crap, The Spotted Leopard!

They got to The Spotted Leopard, but they saw everyone inside the club was safe and outside they saw the zombies, but they couldn't get in, and they also spotted a dark figure on the roof and they headed up to the roof.

Past Nekome: (Japanese Accent) Caleb Maxwell!

Past Caleb Maxwell: So, you've found out my dark secret, have you?

Past Mad Cat Max: Yeah, we did thanks to Allie. We knew you'd killed the members of The Syndicate, but we also found out that the disappearances were linked to what we did that day when we freed you from whatever it was that turned you into that horrendous monster. However, it left behind a dark curse that caused you to turn into a demon and you drain the life-force of those you go after.

Past Shroud: And when Chester found out that some of the zombies we saw were some of The Big Claw Gang's members who disappeared, you got some nerve!

Past Caleb Maxwell: Their deaths pleased me and their screams of horror were nothing more than music to my ears.

They were horrified at Caleb's sudden sadism.

Past Sally Gamble: (British Accent) Oh, bloody Hell, that's not even you at all!

Past Allie Maxwell: That's right, you're not a bloodthirsty sadist, Caleb, it's the demon that's making you act like this.

Past Panther: Okay, you got two choices, you can either give up and let us tie you up and wait until sunrise or we do this the hard way and beat you up.

Past Caleb Maxwell: I would rather hear your screams of utter despair and agony! And as for you, Allie, I can't wait to see you die horribly as well, my dear "sister"!

And they saw Caleb had a sadistic bloodthirsty grin on his face as he started laughing sadistically and he turned away from them.

We saw it, and we were horrified!

Nico: Oh man, that demon that was inside him made him act like that even to you, Allie!

Allie Maxwell: I hadn't forgotten about that, I knew the curse made him act like that, and that was a sign the demon in him was about to come out.

Cage Blunt: We didn't deal with that incident because by the time we got there, The Big Claw Gang had gotten Allie home along with Caleb who was freed by the first light of dawn and we also caught sight of the souls of Caleb's victims being put to rest.

We then looked to see on the screen that Caleb was shaking like a leaf, and then, he turned around to face them, but the sclera of his eyes were blood red and he had cat's eye pupils and he had fangs and his mouth was shaped into a sick twisted grin and he hissed at The Big Claw Gang and Allie Maxwell!

Past Mad Cat Max: Yeesh! Now, you're even more monstrous than ever!

Past Carla Claw: That's gonna give me nightmares for weeks!

Past Patch: We can't get anywhere near him to attack. Wait, I have an idea!

Patch got out one of her knives.

Past Allie Maxwell: (GASPS) J.J., no! You're gonna piss him off even more!

But, it was too late, Patch threw the knife and it hit Caleb Maxwell right in the stomach as he let out a roar of pain. But, then, he got back up and he ripped the knife out of his stomach and his own blood was drawn.

Past Caleb Maxwell: (HISSES) I've had with you stupid Big Claw Gang assholes always getting in my way!

Past Crowe: (Smirks) Well, then, what are you waiting for? Try and catch us!

Suddenly, Caleb Maxwell let out an inhuman roar, and then, they saw him start to change as black fur started to grow all over his body and his massive black angel wings suddenly grew much larger with a wingspan of 6,666'6" and the other two sets of black angel wings underneath grew a bit bigger, he grew a black wolf muzzle and nose and black wolf ears on top of his head and his claws grew thicker and much more sharper and he also grew large black curved ram horns on his head too and he let out another inhuman roar!

Past Allie Maxwell: Now, look what you did!

Caleb Maxwell let out another roar of anger and he went after The Big Claw Gang and Allie Maxwell, but then, they saw the zombies of his victims pile on Caleb Maxwell and they saw it as a chance to get away from Caleb. But, that didn't last long as Caleb got out and got the zombies off of him and enraged beyond measure, he went after The Big Claw Gang and he ran at Patch and was about to drain her dry of her life force, and she let out a loud scream as it angered Mad Cat Max.

Past Caleb Maxwell: (DEMONIC VOICE) NOW, YOU DIE!

Suddenly, energy started flaring up around Mad Cat Max, and then...!

KRABOOM!

A BLUE ENERGY AURA FLARED UP AND SURROUNDED MAD CAT MAX WHICH CAUSED HIS PURPLE TANK TOP TO EXPLODE OFF HIM!

Mad Cat Max: (YELLING AT THE TOP OF HIS LUNGS) CALEB MAXWELL! GET AWAY FROM MY SISTER RIGHT NOW!

That angered Caleb Maxwell and that caused Patch to get out another knife and he slashed Caleb in the chest and he roared angrily in pain again and she ran to the others!

Past Allie Maxwell: (Stunned) Max?

Past Shroud: Whoa!

Past Carla Claw: Unreal!

Past Caleb Maxwell: (DEMONIC VOICE) DIE!

Caleb Maxwell charged at Mad Cat Max, but then, he leapt up into the air, and he came right down to the ground with his left fist clenched tightly, and he punched the ground and that caused a wave of blue energy to fire out and it hit and bisected Caleb Maxwell in half and his right side exploded as he let out a painful scream of agony! Then, as the dust cleared, the right side of Caleb Maxwell's body was completely incinerated by what Mad Cat Max did.

Past Panther: Oh damn! That was painful!

Suddenly, the right side of Caleb Maxwell's body regenerated: bone, skin, muscle, tissue, and organs and his outfit repaired itself, and he was mega enraged!

Past Allie Maxwell: He's regenerated!

Past Hex: Seriously?! I thought he'd drop dead!

Past Allie Maxwell: Sarah!

Suddenly, Caleb Maxwell approached them with pure anger and surrounded them and he was really out of his mind, but then, the blood moon suddenly began to change back to its original color and Caleb roared in pure anger realizing it was too late.

Past Mad Cat Max: You're too late, The Blood Moon has passed, and now, your fate has been sealed!

Suddenly, the first rays of dawn appeared behind The Big Claw Gang and Allie Maxwell and they hit the demon-turned Caleb Maxwell who roared in agony and steam was coming off him!

Past Allie Maxwell: We, we made it! Looks like your life-draining rampage ends here, Caleb!

Caleb realized it too late: the first rays of dawn have finally come, and the demon-turned Caleb Maxwell suddenly roared even more in agonizing pain and burst into flames as it changed back to Caleb Maxwell and its inhuman demonic roars were changed to his screams of pain.

Past Allie Maxwell: We did it. It's over.

Past Patch: Max did it, that attack of his caused Caleb enough pain and during the time it took for him to regenerate!

Past Carla Claw: The Blood Moon ended, and Caleb's life-draining powers were gone, and when the first rays of dawn hit him, not only was his demon form destroyed, but that also destroyed his life-draining powers.

Suddenly, they saw the zombies heading right for them as they backed up even more. But, then, they saw the zombies suddenly turn and disintegrate into dust and green light exited out of them.

Past Patch: Whoa! What's happening to them?!

Past Allie Maxwell: Thanks to what Max did, their spirits have been avenged, Jessie, and now, they can rest in peace.

Then, the spirits of all of Caleb's victims rose up into the sky and went to Heaven: their souls were finally put to rest after a year of pain and torment thanks to what Caleb did.

Past Shroud: Now, what do we do with Caleb? Throw him in our safehouse's basement and let him suffer?

Mad Cat Max then went up to Caleb Maxwell and picked him over his right shoulder.

Past Mad Cat Max: No, Chett.

Patch nodded.

Past Patch: Allie, let's get you home.

Allie Maxwell went with Patch and Mad Cat Max as they along with the rest of the gang went back to the Maxwell home, and Mad Cat Max put Caleb down on his bed in his room and they went to Allie.

Past Allie Maxwell: You..., you saved him. (Sniffles) It's all my fault, I should've done something more to help him.

Past Mad Cat Max: Allie...

Allie Maxwell broke down crying, but then, Mad Cat Max hugged her and she hugged him back.

Past Patch: This wasn't your fault, whatever it was that made your brother into that, it's still out there and when we find him, he's gonna pay.

The video ends.

Nico: Oh man, so that's how you utilized using Ki for the first time, and you used it on Caleb when he turned into that demon.

Lincoln: It worked for a while, but Caleb was able to regenerate. But, by then, The Blood Moon ended.

Me: And it disabled his life-draining powers, but when the first rays of dawn hit, his demon form and his life-draining powers were destroyed for good along with the curse in him.

Mad Cat Max: And I avenged the spirits of those who had their lives drained by Caleb.

Cage Blunt: That explained the mess near The Spotted Leopard, still, I can't believe that a member of The Big Claw Gang took down Caleb.

Marcus Mackenzie: We too were stunned, but thanks to what our Watchers saw, it was proven to be true. Max Powers hadn't killed an innocent person, but he did kill Jessie Jean's father. I'm sorry, Allie, as much as you didn't want to believe it, it was true.

Captain Whitten: But, we did an investigation, and it proved she was being sexually abused by her father. Yet, none of her relatives were able to reach out to take her in.

Patch: But, Max did. He took me in as a sister, but it wasn't easy on the run.

Mad Cat Max: But, Allie wanted to help us, she had compassion. Caleb, you did too, but...

Caleb Maxwell: But, my compassion went dark because of Drake and what I had to go through, but on the night of 1985, it suddenly came back and I saved Cage and Travis.

Panther: Even though they're both immortal vampires and can't die from gunshots, right?

Travis Tackett: We were pretty angry Caleb did that, but before he died and when we both got our punishment, we understood why Caleb sacrificed himself: he gave us a better future, but at the cost of his own.

Shroud: His future was going to end one day, so...!

James Blunt glared at Shroud.

James Blunt: Not...another...damn word out of your mouth, you hear me?

Shroud: (Nervously) Y-yes sir.

Maria: (Whistles) Angering Mr. Blunt like that was a big mistake, you smartass.

James Blunt: (Sensed Qin about to attack) Qin, put the boxing gloves down.

Qin: What the? How did you even realize what I was about to do?!

Marlene Maxwell: A father's instinct, one you shouldn't mess with, Qin.

We got a shower, and then, Lincoln, CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 10'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

CAN.D LIVE: Wow, we're here in Jolly Roger Bay, it sure is beautiful.

Lincoln: It sure is, CAN.D LIVE, and it's perfect for our first date, shall we?

Lincoln, CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

CAN-Re.D: (Swooning) The others were right about him: what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney and hugged them in their abnormally massive and powerful muscular arms, and CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney are now in your harem, Linky.

CAN.D LIVE, CAN-Re.D, CAN-Melo.D, Scartooth, Arslan Altan, Reese Chloris, Trifa, and Jewelry Bonney showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

CAN.D LIVE: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and thirty-five massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later the mascots and us were at Rocko's house.

Lana was using a plunger and Big Bertha on the toilet.

Lana: MAN! There's lots of stuff in here!

We pulled out a safe.

Me: A safe?

She pulled out a bowling ball!

Me: A Bowling ball!?

Rocky: Crikey! How did all this junk get in here?

Heffer whistled.

Lynn: Might as well make sure you guys don't fall in

Poromon: Thanks guys.

Lana saw the plunger stuck.

Me: Whoa! We're going to need to bring out the big guns for this one.

We brought out a SUPER ULTRA POWERED COAL POWER SUPER PLUNGER!

Paula: Poliwag, you should go in to check it out.

Poliwag: NO WAY! I'm not going down a toilet.

Me: Lets just use this plunger here.

Paula: Okay.

Rocko had a manual on how to run it.

Rocko: Okay now release breach lock operating lever assembly.

Lana pulled a lever.

Lana: Breach lock assembly released!

Rocko: Rotate Recuperating Cylinder front head 1/4 turn clockwise.

Heffer turned a wheel.

Heffer: Rotated!

Rocko: Add air freshener.

Me: Check!

I added it.

Rocko: Engage Recoil Lanyards and FIRE!

Heffer pulled a lever and the machine activated.

Then there was a huge blast and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

There was a massive explosion!

Me: WHOA!

We looked outside.

Me: Whoa!

We saw the house area as a crater.

?: WOOWEE!

We saw the source of the clog in the toilet. It was a giant goldfish stuck in the pipe!

Goldfish: What the heck was that?

Lana: There's the culprit!

Me: It's a giant goldfish!

Nico: How in the world did that get in there.

Rocko: Yeah. That is a big goldfish.

Goldfish: Ding ding ding ding ding ding ding ding ding! We have a winner! Way to go smart guy! Lets see what we have backstage for him. How about a big ticked off goldfish huh!? What do you think of that for a prize!

Rocko: Lolita!?

Lolita: BINGO! You are a regular Einstein you know that? You know how long I was stuck down there? Do ya? 3 and a half years!

Me: WHOA! But who is Lolita?

Rocko: He was a goldfish I flushed because I thought it was dead.

Me: Oops.

Motormaster: Get it out!

Lana: I'll get it out!

Lana took a cutting torch and opened the pipe and got Lolita out and he was a big fish!

Me: WHOA! You're a huge fish aren't you.

We fixed the pipe and got it fixed up.

Me: There we go.

Varie had Lolita in a ball of water.

Rodimus Prime: You okay?

Lolita: Thanks to you guys.

Me: You're welcome.

Rocko: I'm sorry I didn't take better care of you Lolita.

Lolita: Well Rocko we all make mistakes. Just be careful next time.

Rocko: I will.

We had Lolita put in a huge tank at the estate.

We fixed up the house and got the toilet flushing again.

Me: WHEW! There we go.

Rocko: Thanks guys.

Poromon: No problem Rocko.

Lana: Now your pooper is fixed.

Gatomon tried to eat Lolita

Me: Gatomon don't even think about it.

Kari: Yeah we know you're a cat Digimon but that is a pet fish.

Gatomon: Oh sorry.

Camie: Nice try though.

Iormu: That was a crazy plumbing adventure though.

Rocko: It sure was. Thanks again guys.

Me: Anytime Rocko.

Mario: (Italian Accent) You could've-a asked me!

Me: Sorry Mario. But we did a good job though.

Mario: You sure-a did.

Lola: I agree there.

Horsea: What happens with Lolita?

Lily: He'll be cared for in our aquarium.

Rocko: Great.

Me: Cool.

Then I felt something against my leg and saw that it was a Glameow.

Me: Hey a Glameow.

I picked her up.

Me: Oh you're a pretty one.

Nico: How'd that get here?

Me: I think I have a feeling why. She's one of Dark Gale's work. But she sure likes to be pet like a cat.

Nico: Yeah.

Marsupilami: Hooba! She sure does. Let me see here.

He used telepathy and gasped!

Marsupilami: Hooba Hooba! That Glameow is my friend Maria Marsupilami.

Me: Wow!

Nico: I knew it was one of Dark Gale's work.

Marsupilami: Hooba Maria. Remember me my friend?

All she did was leap at him.

Marsupilami had his tail catch her.

Me: Okay then.

I snapped my fingers and she reverted back and was a girl with yellow hair and blue eyes and had White and Yellow Angel Wings and had Glameow in the middle of her forehead and had a coconut drink and fruit on her arm as a cutie mark and she had THREE SUPER LONG MARSUPILAMI TAILS!

I wrapped her in a blanket and we sat her on Rocko's porch.

Me: Wow! She has 3 Marsupilami tails? That is cool.

Marsupilami: She has a lot of stuff that she is good at hence why she is good at multitasking with them.

She woke up.

Maria Marsupilami: (Groans) Holy Hooba. I feel like I had a thousand coconuts hit me.

Marsupilami: You okay Maria?

Maria Marsupilami: Marsupilami? It is you!

They hugged.

Maria Marsupilami: Thank goodness you're okay. Norm still causing you problems?

Marsupilami: Nope. He's now in our frenemies in the M.O.E.

Me: You were turned into a Glameow by Dark Gale.

Maria Marsupilami: (GASP) I remember!

She was in a yellow suit and injected and turned into Glameow!

She jumped out the window.

FLASHBACK ENDS

Maria Marsupilami: It was awful.

Me: Well we destroyed Dark Gale.

Maria Marsupilami: Good.

Nico: Your role in Sonya's team?

Maria Marsupilami: I am the drink maker of the team in the cafeteria. I make drinks for the team. I make smoothies and fruit drinks from the most awesome fruit.

Sonya: You should try them and they are really awesome.

Nico: Neat!

Sonya: Outside the team I make smoothies for a smoothie stand.

Sunny Starscout: You and I would be perfect for making smoothies together.

Me: Sunny makes awesome smoothies too.

Maria Marsupilami: That is cool! Hooba!

Nico: Can I try some later?

Maria Marsupilami: Sure.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow clothes and she looked awesome.

Maria Marsupilami: Hooba! I look awesome!

Me: You sure do.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Swackhammer, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Maria made us really good smoothies and drinks. I was having a tropical coconut, papaya, mango and strawberry fruit juice in a coconut.

Me: (SLURPS) Ahh! Mmm! That is really tasty.

Nico had a strawberry, raspberry, guava and papaya smoothie.

Nico: (SLURPS) Mmm! Ahh really refreshing.

Maria Marsupilami: Thank you guys. Glad you like them. Always make them from scratch.

Horsea tried one. It was a mango, watermelon and strawberry banana fruit juice in a coconut.

Horsea: (Slurps) Mmm! Boy that is really good.

Sunny Starscout: These are some of the best ever. Just as good as mine Maria.

Sunny had a Kiwi, Papaya, Dragonfruit and Mango coconut smoothie in a coconut.

Sunny Starscout: (Slurps) Mmm! Ahh. Perfect way to beat the summer heat.

Me: Even though it's still the middle of spring it's awesome.

Nico: I'll say!

We had great juices and smoothies.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Swackhammer, and he's causing havoc and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Swackhammer, and he's causing havoc and he still wants revenge on us.

EVERYONE GASPED!

May: Are you kidding me?!

Bugs Bunny: Just like your dream foretold, Doc.

Lincoln: And there's more, it appears Michael Jordan and LeBron James are in need of help, The Monstars are also here, and they've gone back to their bulked up basketball state thanks to the help of Dark Sebastian's black magic, but he's gonna double-cross them.

Anna Knudson: And kill them. Hope you act quickly and remove Dark Sebastian's mark on them and Swackhammer, so we can send The Monstars to The M.O.E. and Swackhammer to prison.

Lincoln: I'll do just that, Anna.

Nico: Oh man, so we're not only meeting with Michael Jordan again, but also, we're meeting LeBron James, awesome!

Bugs Bunny: So, LeBron's also here as well. We'll give them a hand with taking those maroons down, and I can guess Swackhammer's back in...!

Lincoln: Yep, he and The Monstars are at the basketball court in Burbank.

Nico: Then, that's where we'll deal them a Slam Dunk that defeats Swackhammer and The Monstars.

Lincoln: And send Dark Sebastian and those pack of snakes flying back to Transylvania.

Suddenly, Lincoln also saw the sign of Apophis along with The Sigil of Malphas over the skies of Burbank.

Lincoln: Speak of The Devil, Dark Sebastian's back for more, along with Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: Good thinking.

Nico: And that Slam Dunk from us will end with them spewing toxic death threats and explicit words at us as we send them flying back to Transylvania. Alright, team, let's get going, time to give that stupid moron, Swackhammer, the pounding of a lifetime.

Lincoln: The Monstars are so going down and Dark Sebastian and his minions are finished when we send them flying back to Transylvania.

Me: Oh better get ready.

I spun and got into my sports gear!

Me: Awesome! The Basketball Phoenix is ready!

Nico: The Basketball Phoenix?

Me: Back when I was in high school I was known as the Basketball Phoenix. I helped my school win the championship twice.

Nico: COOL!

Qin: That is awesome!

Me: Thanks.

?: Perhaps we can help too.

We saw 2 awesome figures come in. They were MICHAEL JORDAN AND LEBRON JAMES!

Me: (GASP) NO WAY!

Lynn: MICHAEL JORDAN AND LEBRON JAMES! (SQUEALS) YOU GUYS ARE MY HEROES!

Tri Klops: Can me, Kerbero, Control Freak, Vexen, Girder, Bane, Arbormon, Brass Knuckles, Myotismon and Tala go with you guys?

Brass Knuckles: And love the sports jersey J.D.

Me: Thanks.

Nico: And yes you all can come with us. We're going to need all the help we can get for this one.

Anna Knudson: Yeah! Also this is gonna be awesome. I did a scenario for this back when it was my babysitting adventure.

Michael Jordan: I remember that Anna. That was so fun.

Carly Atlas: I love Basketball as much as Dodgeball.

Nico: Cool!

Rainbow Dash: And I think it's awesome! I'm going to have fun with this one.

Me: This is definitely right up your alley R.D.

Skull Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Infernal Princess this time.

Me: Ooh! Fiery!

Qin: YEAH!

LeBron James: Swackhammer is gonna regret messing with us.

Me: Big Time LeBron!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Veran from The Legend of Zelda who's back for revenge. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, please tell me that wasn't...!

Lincoln: Afraid so, J.D., it's Veran from The Legend of Zelda, and that monster's back for revenge.

Belle Muldoon: We'll deal with Veran after we take down Swackhammer and those pack of snakes.

Lincoln: Right, Belle.

Nico: So, another of Ganondorf's minions are loose, eh? Well, we'll show that monster. Alright, team, let's go, this is the last time we ever have to deal with Swackhammer.

Lincoln: Swackhammer chose the wrong time to return and I also blame Dark Sebastian for that, but we'll take him down once more and send him to prison, along with sending The Monstars to The M.O.E., and send those pack of snakes back to Transylvania, and once we get done with them, you're next, Veran.

Belle Muldoon: You chose the wrong time to return and cause havoc, now you're about to face the consequences after we take care of Swackhammer.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to meet up with Michael Jordan and LeBron James and take down Swackhammer and The Monstars and send The Monstars to The M.O.E., Swackhammer to prison, and send Dark Sebastian and his minions back to Transylvania, and once we get done with this Triumvirate of Evil, Ugly, and Demonic, Belle Muldoon and Lincoln are going to take down and destroy Veran for good.

We were off to the stadium!

We arrived.

Me: Here we are.

Camie: This is gonna be so fun.

Ymir: Yeah!

Nico: We're gonna need a good strategy for this one.

Me: Lets rake in enough points and then after the game is done we get the fight underway.

Kerbero Gangan: Let's call Electropede.

Me: Okay.

We did so.

Electropede came.

Electropede: I'm ready for some fun!

Qin: YEAH!

Me: Ready for some fun?

Electropede: I'm ready!

Lemon Zest: Too bad we're not playing soccer

Me: Yeah but Basketball is fun.

Qin: Yep.

Nico: Alright, now to get after Swackhammer, The Monstars, and those pack of snakes.

LeBron James: They're still at the court, but they got tons of traps and demons lying in wait.

Michael Jordan: And Dark Sebastian has a lot of the top basketball players chained up and he's gonna drop them in a pit full of demons!

Qin: HE'S WHAT?!

Lincoln: Selena, you know what to do.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Dark Sebastian and those Dark Church of Malphas dickheads are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. They saw it, and Swackhammer let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, assholes!

Nico: Okay, now we can get after those bastards without any nasty surprises from those pack of snakes.

We then took off, and we got there in time to see Swackhammer raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from the toxic hate, but our energy auras really really flared up to the extreme and we all grew even more stronger than ever as we felt the extreme toxic hate of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Okay, let's end that loser once and for all.

Me: After we have some fun!

Vexen: What about the entrance?

Me: Leave that to me!

Swackhammer: (GROWLS) WHEN I GET MY HANDS ON THOSE TOONS AND THAT ANNA KNUDSON, THEY WILL ALL REGRET EVER CROSSING ME!

Dark Sebastian: WHAT THE HELL! IF ANYONE'S GOING TO DESTROY THOSE FOOLS, IT'S GOING TO BE US!

Alaister Necroshade: CONSIDER OUR ALLIANCE OVER!

Swackhammer: WHAT?!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: ARMIES OF THE NETHERWORLD, ATTACK!

We then saw Swackhammer and The Monstars fighting against massive armies of zombies, demons, and other evil monsters from Hell that were summoned, and we saw Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra laughing insanely and malevolently at the chaos and madness they've unleashed.

?: TIME TO SHUT YOU PACK OF SNAKES UP!

Suddenly, the spirits of basketball players appeared out of nowhere and they attacked Swackhammer and The Monstars in total fury and that made him extremely pissed off even more and they also attacked the armies of zombies, monsters, and demons summoned by Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and destroyed them!

Then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Swackhammer and The Monstars even more pissed off than ever, along with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Announcer: AND HERE'S THE GREAT HEROES OF TEAM LOUD PHOENIX STORM!

WE WERE READY FOR ACTION!

Me: Ya got some nerve coming back, Swackhammer.

Nico: After all the trouble you've caused us in the past, I thought we were done with your fucked-up hide. But, thanks to Dark Sebastian bringing you back from the dead, that was basically crossing the line!

Lincoln: Speaking of which, we're only here for our main targets, Swackhammer and The Monstars, you pack of snakes are a nuisance. But, don't think we forgot about your nasty schemes against us, along with the horrific bloodbath you tried to cause when you lot tried to kill our main targets, that's our kill, not yours.

Alaister Necroshade: SCREW YOU, ASSHOLE!

Suddenly, Dark Sebastian pulled the lever and the device began lowering the chained up basketball players and they were heading for the pit full of demons to be ripped apart!

Dark Sebastian: NOW! NOW YOU GET TO WATCH AS YOUR FAVORITE BASKETBALL PLAYERS ARE RIPPED APART BY OUR DEMONS AND THERE'S NOTHING YOU CAN DO TO HELP THEM! YOU'RE ALL DOOMED! (CACKLING MALEVOLENTLY AND INSANELY)

Nico: THAT'S IT, YOU FUCKING SNAKE! NOW, YOU'RE REALLY GOING TO GET IT!

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) We've already had it up to hear with you, Dark Sebastian.

Dark Sebastian: (DEMONIC VOICE) SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN FIRED A BLAST OF HEAVENLY LIGHT THAT DESTROYED THE BLACK AND RED ENERGY BLAST AND THE BLAST OF HEAVENLY LIGHT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME AND HE GOT BURNED BADLY BY THE HEAVENLY LIGHT!

I used my tail and stingers and stabbed Dark Sebastian and sucked out his powers of Haido and all those he stole from us!

Me: (Growls) Ahh.

I threw him into the wall.

Me: There we go.

I snapped my fingers and had Haido brought back and put the cuffs on him.

Me: Now that is better.

Nico: Good work.

Swackhammer: Hah! It serves you right! Loser! (LAUGHING)

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT DID YOU SAY?! YOU USELESS SACKS OF SHIT!

Swackhammer was smug at Dark Sebastian's humiliation and The Monstars were also laughing at this as well. But, their smugness was about to be broken big time as the darkness blackened the skies even more.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA GO BALLISTIC!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU'RE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Swackhammer: What did you say?! YOU LITTLE...!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra went after Swackhammer and The Monstars, and they proceed to slash at them many times with demonic black broadswords and they stabbed Swackhammer in the stomach and legs and arms with daggers!

Swackhammer: (SCREAMS IN AGONY)

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN AND THOSE DARK CHURCH OF MALPHAS AND ORDER OF THE DARK UNIVERSE DICKHEADS WAS STILL MERCILESSLY ATTACKING SWACKHAMMER AND THE MONSTARS SLASHING AND STABBING THEM AND THEY WERE STILL LAUGHING DEMONICALLY AND INSANELY AND THEY WERE GETTING COVERED IN BLOOD! IT WAS BECOMING A FUCKING BLOODBATH!

Gina Thunderton: THAT'S IT, YOU PACK OF SNAKES! NOW, YOU'RE REALLY GOING TO GET IT!

Lincoln snapped his fingers and the captured basketball stars were brought to us and freed, and they got to safety.

Buster Bunny: Now that the other basketball players are safe, now we can really let loose and tear you guys to pieces!

Me: Time for some fun!

Swackhammer: Then Lets do it!

Jesse Glenn: Now, onto the performance.

Plitheon: Including the Monstars, of course.

Me: Lets play!

Pound: We're ready for you!

Blanko: You're going down dudes!

Me: Bring it on!

We played and I dribbled and ran and did a slam dunk!

Y'ALL READY FOR THIS!

We did all kinds of fun move!

Bane: (Spanish Accent) Pass it to me!

Laney: Coming at you!

Laney passed it and Bane Scored!

Score was now 7,245 to 0!

SWACKHAMMER WAS GETTING ENRAGED!

Bane threw it to Eli and Pound went at him!

Pound: YOU'RE MINE!

Eli used the Force and blasted him back and jumped and did a dunk!

Me: OH YEAH!

Proto Man: Me next!

Eli passed to him!

Nawt went at him!

Nawt: I'm gonna smash you!

Proto Man flew passed him and dunked it!

The score was REALLY GOING UP!

INCREDIBLE AIN'T IT!

I passed it to Michael!

Michael dunked it!

Michael passed it to LeBron and he dunked it too!

SWACKHAMMER WAS REALLY PISSED NOW!

I then saw something in the stands.

Me: Wait. TIme out.

The buzzer called for time out.

I saw a girl in a full body cast and we went over and she was really mangled!

Lincoln: Oh man! You're Paula's Akuma, Shattered Paula. The Hypothetical Akuma of Paula and MAN SHE IS ONE BEAT UP WRECK! She is wrapped in a full body cast because she has every single bone in her body broken to pieces! She is a REALLY MANGLED UP MESS! She was made this way because of her mother leaving her in a cast forever.

Bump: Boy she is REALLY Messed up.

Me: You're not kidding.

Shattered Paula: Yeah. My mother pushed me off a cliff and I broke every single bone in my body.

EVERYONE GASPED!

Jonny: Boy Paula, You're a mess!

Paula: You had it worse than Cassie did.

Me: At least it wasn't a Swedish Meatball.

Myotismon: Are you okay now?

Shattered Paula: Not until my mother pays for this.

Blanko: Boy I don't think you can fight anyone like this.

Me: The least we can do is make her feel better.

Michael Jordan: Good idea.

We signed her casts for her.

Me: There you go.

Nico: Sorry but in this condition you can't fight anyone.

Shattered Paula: The least I can do is help cheer you guys on.

Me: We appreciate that.

We went back to the game.

Me: Sorry the Akuma appearing is sorta mandatory.

Bang: No worries.

Electropede got an idea.

Electropede: (to Shattered Paula) Okay, maybe you can't fight. But would you still be willing to throw stuff at Swackhammer?

Shattered Paula: That I can do.

She pressed a button and catapulted anvils and smashed Swackhammer!

BLANG! BLANG BLANG BLANG!

Me: NICE!

We got the game back on.

I scored more.

Lola Bunny did good too.

Bump: Try and get by me Doll!

Lola Bunny: DOLL!?

She ran on his face and dunked it again!

Lola Bunny: Never call me doll.

Me: Don't ever call her that or else.

We were really RAKING IN THE POINTS!

Score was 12,242 to 0!

It'll take a miracle for Swackhammer to come back strong!

Morton Koopa: My turn!

He grabbed the ball and bashed the Monstars with his spinning shell and scored again.

Then the buzzer sounded for halftime.

Me: Halftime.

We got some water and rested for a bit.

Me: Ahh.

Qin: We're doing really well!

Nico: Yeah!

We were sweating like pigs.

Tala: We're winning!

Me: Yep. We sure are! Whew! Lets give them a good halftime show with the battle and the usual battles.

Nico: Good idea. SWACKHAMMER GET YOUR FAT ASS DOWN HERE AND FIGHT LIKE A MAN YOU COWARD!

Protoboy: Scanners indicate we'll have to defeat the Monstars first.

Me: Yep. After we have the usual battles.

Nico: No harm roughing up Swackhammer first.

Nico punched Swackhammer and kicked him in his face.

Qin fired waves of fire and blasted him.

Lincoln fired waves of lightning and blasted him all over.

Girder: Time for some fun!

Girder bashed him with a metal punch.

Brass Knuckles: I got the ball!

He threw it and it hit Swackhammer in the crotch!

CRUNCH!

WE WINCED!

Qin: OUCH!

Lana fired ice blasts.

Me: YEAH!

Ditto turned into Swackhammer and bashed him all over.

Arixam: Anyone want a drink?

Me: Sure.

Arixam gave me some water and I needed it.

Me: Ahh. Thanks Arixam.

Arbormon: My turn!

He fired waves of wood and blasted Swackhammer.

Carly fired waves of orange fire and blasted him all over.

Carly Atlas: I remember when I was with you guys doing this adventure. That was fun!

Lynn: YEAH!

Lynn ran and kicked Swackhammer all over.

Foghorn Leghorn: Lets do, I say, lets have some fun!

He bashed him with a club.

Me: (Imitating Foghorn Leghorn) Swackhammer, I say, Swackhammer is lower than a snake full of buckshot!

Duplica: (Imitating Foghorn Leghorn) That is, I say, that is for sure there.

Me: You got that right

Duplica: (Giggles) (In her normal voice) That is for sure!

Viceroy: I knew you'd like this. You love Ditto too!

Duplica: (Giggles) You got that right.

Me: She sure does!

Qin: Yep!

Me: (Imitating Speedy Gonzales) YEEHAW YEEHAW! UNDELE!

I ran fast and bashed Swackhammer all over the place.

Pound tried to punch Girder but he turned his skin into metal.

KRABLANG!

Girder: (smirks) That's gonna hurt in the morning!

POUND SCREAMED IN PAIN AS HIS HAND WAS BUSTED UP BAD!

Me: OUCH!

Swackhammer got kicked by me in his face!

Agitos: FLASH KICK!

SMASH!

He flew fast and smashed him in his face!

Qin fired waves of fire and Missy Rodgers fired a Psychic energy ball.

The blasts hit Swackhammer and blasted him down.

Control Freak: Who do I summon for this?

Nicole: I got an idea!

She whispered and he summoned THE GOON SQUAD!

LeBron James: The Goon Squad!

Me: Well basketball is a game nonetheless.

Nico: True.

Control Freak: And this too.

He summoned Lego Luthor from Lego Batman 3!

Horsea squirted ink and blinded Swackhammer.

Kerbero, Control Freak, Vexen, Tri-Klops, Girder, Bane, Arbormon, Brass Knuckles, Myotismon and Tala and Dobermon, Thetismon, Trickmon, Climbmon, KoKabuterimon, Blossomon, MarineAngemon, PileVolcamon, Gokuwmon and Aurumon: TURBO BASKETBALL FURY BARRAGE!

They fired a massive energy wave and blasted him.

Maria Marsupilami: Like old times?

Marsupilami: HOOBA! Lets do it!

Maria and Marsupilami: COCONUT BARRAGE STORM!

They fired numerous coconuts and bashed Swackhammer all over!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH THOUSANDS OF COCONUTS!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF SWACKHAMMER TO NO END! NOW, THE BATTLE TO TAKE DOWN SWACKHAMMER WAS ON!

Lincoln, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Swackhammer, The Monstars, Dark Sebastian and his minions, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Swackhammer, The Monstars, and Dark Sebastian and his minions and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Swackhammer, The Monstars, and Dark Sebastian and his minions even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Swackhammer, The Monstars, and Dark Sebastian and his minions and they got hit hard. Plus, the blasts also hit Swackhammer, The Monstars, and Dark Sebastian and his minions, and they removed Dark Sebastian's mark on them.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Swackhammer, The Monstars, and Dark Sebastian and his minions and we all found ourselves not only in Heaven, but also, in space.

Maria Marsupilami was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Aurora Sunstar.

Maria: NO! We control the power. It doesn't.

They reigned in the powers of Liepard and Glameow and transformed and blasted and slashed him all over.

They reverted back.

Aurora Sunstar: OH YEAH!

Horsea: Pass me the ball!

I did so and she kicked Swackhammer.

Then Weather Wizard, Ranamon, Cavalier, Kite Man, Beautiful Gorgeous, Killer Croc, Hydros, Chillyfish, 10,000 Volt Ghost and Bizarro came.

Nico: Weather Wizard, Ranamon, Cavalier, Kite Man, Beautiful Gorgeous, Killer Croc, Hydros, Chillyfish, 10,000 Volt Ghost and Bizarro.

Swackhammer: WELL DON'T JUST STAND THERE! DESTROY THEM!

Their response?

10,000 Volt Ghost: NO!

ZAAAAAAAAAAPPPPP!

HE ELECTROCUTED HIM!

BASH!

Killer Croc bashed him in his face and sent him crashing into his stadium box!

Bizarro: Swackhammer is very polite!

Evil Solar Man: Translation: He is very rude.

Weather Wizard: What you said.

Ranamon: At least you guys are winning.

Me: We got them up against the ropes.

Cavalier: (to Nico) We heard you fought Haido and his knights.

Nico: We sure did.

Hydros: (to Azulongmon) You should take care of that Dracozolt

Azulongmon: I will.

Yokubarido then came.

Me: Up for another round I see Yokubarido?

Yokubarido: Yep I sure am.

Me: Cool cool.

Yokubarido: I hope you know what's next.

Me: We do.

Silverstream: My dad to shine tomorrow.

Me: Yep.

Qin: This is gonna be fun.

Nico looked at the timer.

20 minutes of Half Time left.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Shane Clarke, Galemon, Ring Man, Star Girl, Jake Holling, Zaina Zemperyous, Kathleen and Kerry Meel, Wendy Valerious, Rarity, Sapphire Ocean, Rarity (G5), Dioptase Angel Belle, Sweetie Belle, Water Skylanders, Silver Banshee and Livewire VS Weather Wizard, Uchoten, Etemon, Water Elementor, Thunder Kang, Water Kang, Super Shizuka of the Wind and Stormy Weather (Theme including Ring Man) - Nico's Rescue on Cnidaris and we battled Haido and his Knights

Weather Wizard was first.

Weather Wizard (to Shane): Nico's Rescue was on Cnidaris and we battled Haido and his Knights

Shane: Yeah you should have seen what it was like. It was a swamp planet and it was cool.

Galemon: Boy it sure was. Haido and his knights gave us an amazing challenge. But Dark Sebastian took our chance to have him captured for the Leaf. J.D. got it back. Oh I'm Shane's Galemon.

Weather Wizard: Pleasure and wow that must've been amazing.

Ring Man: It was.

Star Girl: Everyone had fun on that one.

Rarity: They sure most certainly did darlings.

Sapphire Ocean: Yeah and we recruited Temujin, Kamira, Ranke and Fugai into the M.O.E. And the Redemption Squad.

Lincoln, Belle Muldoon, Nico, and I went after Veran, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Veran, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Belle Muldoon did the same by firing brown and yellow, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Belle Muldoon, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Veran even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Veran and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln morphed the tips of his thirty-five massive and long brown tails into Cell's stingers and he stabbed them into Veran's chest, and he began absorbing her and he assimilated her Possession of regular beings, Dark magic, and Creating Dark Links, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Veran except for her clothes and Lincoln drained Veran's soul of energy and sent her to The

Lincoln (Smiles Warmly) You're welcome, Belle.

Me and Nico: Our pleasure, Belle.

Suddenly, Belle Muldoon wrapped her arms around Lincoln's waist, as her chest and large bust pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Belle Muldoon's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Belle Muldoon sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Caleb Maxwell: I'm surprised you and Nico didn't lose it and get sent flying via a Nosebleed Rocket when Belle transformed, J.D.

I then showed I had on my blind man glasses.

Me: That's because I had on my blind man glasses.

Nico: Same here.

Nicole: Clever.

Luna: But, not so for some of the other guys.

We saw that some of the guys had nosebleeds.

Cronus Chase: Aw man. Seriously, we should get blind man glasses or try to punch ourselves in the eye and give us black eyes.

Nicole: That won't work, you'll just regenerate from that.

Shroud: Seriously, how many girls has Lincoln attracted? And many of them are sexy voluptuous bombshells who send men flying. Can you hook me up with one of your future wives' relatives, Lincoln? Ones who aren't evil bitches or your Guardian Angels?

Caleb Maxwell: You want me to mount your ass over the fireplace, Chett?

Everyone: OOH!

Nicole: Yikes! (To Allie Maxwell) Hope any guys that you like don't earn your brother's wrath.

Patch: Uh, actually, Nicole, there's something we forgot to mention after the video.

We suddenly saw that Allie Maxwell was holding Mad Cat Max's right hand.

Lori: (GASPS) Did you guys literally hook up after you stopped Caleb in the video we watched?

Hex: They did a week later, and we had to hit Caleb in the head with a frying pan to keep him from going blood-crazed psycho.

Caleb Maxwell: And it was over a heated stove, damn you! Thank goodness I have regeneration powers or I swear I was gonna drag your asses to the police myself tied up and gagged!

Casey Antonio: Uh. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a garden grow and form and the symbol of Earth appear.

Lincoln: The symbol of Earth from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Azalea Bhuvana, Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Azalea Bhuvana, Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of earth, plants, leaves, and earth creatures of myth and legend. She's The Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, and she's the Earth Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of earth, plants, leaves, and earth creatures of myth and legend, and over time, he gained all the powers of earth, plants, leaves, and earth creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a vengeance and she vowed to trap her inside an enchanted tree for all eternity.

Nico: Yikes!

Me: Just like what we'd done to Looten Plunder.

Lincoln: Yep.

Poromon: Can we see the...?

Nebula Lanaia: Absolutely not!

Lynn Sr.: Lanaia heard the whole thing when she was visiting, and it was pretty nasty.

Kite Man: Well said, Rath.

Beautiful Gorgeous: This was was the best basketball game ever.

Me: YEAH! What a game!

Qin: THAT WAS AWESOME!

Xenia: IT SURE WAS!

Killer Croc: And I put the hurt on Swackhammer too.

Chillyfish: What now?

10,000 Volt Ghost: We celebrate!

Me: Burgers and sports fun food for everyone!

WE CHEERED!

Nico: That was awesome! WHEW! Great job today everyone!

Michael Jordan: You all did great!

LeBron James: Yeah you all sure did! We're proud of you all!

Me: You both did great too Michael and LeBron.

Lynn: But it was awesome having you both help us.

Me: If there are anymore fun basketball games like this we'll call you.

We shook hands.

Camie: So awesome.

Bugs Bunny: (To the viewers) Man this was an awesome game!

Nico: It was!

We went to Lynn's Table for some burgers and sports food.

We returned home, and hours later, night fell on the city. But, not far from the city's outskirts, a male figure was seen on a motorcycle.

Male Figure: Team Loud Phoenix Storm's gonna need a lot of help, it's not just Mantid they're going to face, but the intel of The Geek also warned of Evil Cozy Glow, and it's gonna be explosive. Time to get going.

The figure opened his necklace and inside is a photo of him with, Sam, Max, and The Geek.

Male Figure: Sam, Max, Geek, we've got a lot of catching up to do tomorrow.

The figure drove off.

Meanwhile in the world of the Spider Riders, Hunter Steele and friends were getting ready for our arrival.

Hunter Steele: This will be awesome having Silverstream and friends help us.

Corona: I can't wait.

Shadow: We're ready for Mantid.

Hunter Steele: Lets do it! ARACHNO POWER!

CALLING ALL SPIDER RIDERS!

They transformed and went at the screen and it froze.

Alright, and now, for tomorrow, the match-up is Silverstream, Shining Armor, and Bebe Bolton VS. Evil Cozy Glow for Phase 2

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to New York, but we're in for a big surprise: apparently, Lincoln's dream has shown him that someone has been sighted in the city and is not only on the side of good, but he also knows Sam, Max, and The Geek of The Freelance Police. The person's name is Andre Lupescu, a young man who had a tragic past. When he was only four, his parents were murdered and none of his relatives wanted to take him in and they wanted him to die alone and on the streets. That act of abandonment along with what'd happened reached the ears of Sam and Max, The Freelance Police, and they took him in, and over the years, he'd helped them out in many of their cases along with keeping the damage to a minimum. But, when he was eighteen, he found something that was locked away by Jimmy "Two-Face" Vatelo, one of New York City's most wanted criminals, and after Sam and Max took the criminal away, Andre went into his vault and found that "something" Vatelo kept locked away: they were powerful artifacts and relics snatched by that gangster. The first one is known as The Greatsword of The Morrigan, a massive greatsword with embedded purple gems and the animals of The Morrigan, The Black Crow and The Black Wolf etched on the 9'11" massive, wide, double-edged silver blade, large silver wolf heads with purple gems for eyes for the crossguard, large white angel faces built into both sides of the crossguard and large purple gems embedded in the foreheads and surrounding the white angel faces are The Elements of Harmony and The Unity Stones on top of The Element of the Magic of Friendship, long 8'6" midnight black handle, four large silver wolf heads with purple gems for eyes and inside their open mouths and below the gold silver wolf heads is a silver wolf head with purple gems for eyes and purple gem in its mouth for the pommel, the second is The Bracers of Fenrir, large silver arm Bracers with white wolf heads built in around the Bracers and blue gems in their foreheads, and the third artifact is The Boots of Diana, silver-armored boots that look exactly like The Cyclone Boots from Castlevania: Lords of Shadow.

These items once in the hands of someone with a pure heart would be granted superhuman strength, speed, agility, endurance, and stamina, and as soon as he put them on, he underwent a powerful transformation and he also received a powerful Divine Blessing from these three deities: thus giving him not only superhuman strength, speed, agility, endurance, and stamina, but also, immortality, invincibility, flight, and flight with angel wings, and Cosmic Umbrakinesis and Cryokinesis and the power to summon wolves, but like with the items in his possession, it could only be given to someone who has a pure heart and strong sense of justice. Now, we're going to meet with Andre Lupescu, and we're going after the person who murdered his parents when he was four, and that person's name is Damian "The Demon Wolf" Sanders, the son of New York gangster and crime lord, Devin Sanders, but fourteen years ago, Andre's dad who was a NYPD detective arrested Devin Sanders and was later sentenced to death upon being convicted in court. Damian Sanders who was seventeen at the time swore that he would get revenge, and a year later when Andre was four, he struck and murdered Andre's parents while Andre hid in the closet. Andre's going to avenge his parents and we're going to help him with that and send that bastard to The Black Abyss.

And we're going to meet Azalea Bhuvana, Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, she's Lincoln's Guardian

Angel from the world of Magic the Gathering and she's a powerful master of earth, plants, leaves, and earth creatures of myth and legend. She's The Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, and she's the Earth Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of earth, plants, leaves, and earth creatures of myth and legend, and over time, he gained all the powers of earth, plants, leaves, and earth creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Next up is Spider Riders and we're going to kill Mantid and make that monster pay.

See you next time.

SPIDER RIDERS VS BUGS OF EVIL

BUCKLE YOUR SEATBELTS! THIS IS GONNA BE AWESOME!

This chapter is based on Spider Riders

In the early morning hours at 12:12 AM, Lincoln had a dream, and he saw four figures hiding out and living in El Paso, Texas. But, there were no ordinary four figures, they were Kira Loud, daughter of Lincoln's future wife, Keito. Blades Chau-Loud, daughter of Lincoln's future wife, Knives Chau. Daisy Lavillant-Loud, daughter of Lincoln's future wife, Rose Lavillant. and Lark Couffaine-Loud, son of Lincoln's future wife, Juleka Couffaine. Lincoln woke up from the dream, but he wasn't the only one, Keito, Knives Chau, Rose Lavillant, Juleka Couffaine, Gerenal Jason Dragonzor, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Knives Chau: And it also means that we found out where our kids are at.

Me: They are at El Paso, Texas.

Nico: Oh god, no! That's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to El Paso, Texas, to rescue Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud, and Lark Couffaine-Loud, then suddenly, there was a knock at the door.

Keito: (Hisses and went to the door) Who would that be in the middle of the night?

Keito opened the door and saw a large and muscular White Tiger-Hawk hybrid who has white fur with black stripes and razor sharp claws, purple eyes, and blue large hawk-like wings with two large cannons on each wing and tail. He wears a blue helmet with a green visor, and a black bulletproof suit with a Light Element symbol on the chest. And a large humanoid dragon-like dinosaur completely composed of green plant matter swamp moss with large feathered wings, blue spike spines on his back and blazing red eyes. He wears a brown dragon-theme armor with a Life Element symbol on the chest. They were Light Tiger Fury and Dr. Swamp Dragon.

Light Tiger Fury: Greetings, Keito, Knives Chau, Rose also known as Pigella, and Juleka also known as Purple Tigress.

Keito: How do you know who we are?

Juleka Couffaine: And how do you know Rose's and my superhero names? Who are you guys?

Light Tiger Fury: I'm Light Tiger Fury.

Dr. Swamp Dragon: Call me Dr. Swamp Dragon, Protector and Guardian of the Green. Do these young kids belong to you four?

The four kids whore with Light Tiger Fury and Dr. Swamp Dragon, was a young and beautiful 13-year-old Jorogumo-human hybrid who has pale skin, purple eyes, spider-like fangs, and long shiny purple and white hair. she also has eight black and yellow striped spider legs on her back. She wears a light dress with black stripes, low-heeled sandals, and marine jewelry. A young and slim 12 years old Asian girl who has fair skin, blue eyes, and short black and white hair with red bangs. She wears black sleeveless shirt with the word "Loud" on it, black pants, and black ballet flats. She wields twin katana blades. A 12 years old girl who has slightly tanned skin, sapphire blue eyes, and short platinum blonde hair styled in a pixie cut. She wears pink shirt with vivid magenta and white stripes, pink skirt with two white edges, white leggings, and pink flats with brown soles. And a 13 years old boy who has pale skin, brilliant red eyes, and long frayed black, white and purple hair with four curves facing upwards. He wears black shirt, purple pants, and black high top sneakers with white soles. They were Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud and Lark Couffaine-Loud.

When Keito, Knives Chau, Rose Lavillant, and Juleka Couffaine saw them, they were stunned.

Rose Lavillant: (Stunned) How is that possible?

Dr. Swamp Dragon: Me and Tiger Fury found them in El Paso, Texas.

Keito, Knives Chau, Rose Lavillant and Juleka Couffaine ran up to Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud, and Lark Couffaine-Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, General Jason Dragonzor, and Black Alpha.

Me: Thanks, Light Tiger Fury and Dr. Swamp Dragon.

Dr. Swamp Dragon: Anything for a fellow hero.

Light Tiger Fury: (to Lincoln) Do you have something to say to them?

Lincoln: Of course. (to Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud, and Lark Couffaine-Loud) There's something you should know, Keito, Knives, Rose, Juleka, your mothers are one of my many future wives.

Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud and Lark Couffaine-Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Kira Loud, Blades Chau-Loud, and Daisy Lavillant-Loud with joy, while Lark Couffaine-Loud may be emotionless, but he throws a small smile to show that his glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud, and Lark Couffaine-Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Light Tiger Fury, and Dr. Swamp Dragon did in reuniting Keito, Knives Chau, Rose Lavillant, and Juleka Couffaine with their kids, and Kira Loud, Blades Chau-Loud, Daisy Lavillant-Loud, and Lark Couffaine-Loud now has a loving, strong, brave, and caring father in their life. As well as Light Tiger Fury and Dr. Swamp Dragon joined the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep

---

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem, and he had a dream, and his dream took him to New York, and as he was flying, he heard the roar of a motorcycle engine. Then, he spotted the person riding the motorcycle and as he got off, he removed his helmet and he finally came into full view of Lincoln from far away: the person he saw is a 10'6" tall man with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, long brown hair going down to his upper back with blue highlights in the bangs and blue phoenix fire ombre streaks in the back and he has a large gold halo with embedded blue crescent moon-shaped gems and around it is a ring of hands made of gold with blue gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold representing The Sun behind his head and four large gold rings orbiting around each corner of the halo with embedded blue crescent moon-shaped gems and around the four gold rings are four rings of hands made of gold with blue gems in the palms and around the rings of hands made of gold are four rings of fire and spikes made of gold representing The Sun, blue eyes, tanned skin, and he's dressed in a black long-sleeved shirt, black pants with white flames on the legs, silver-armored boots that look exactly like The Cyclone Boots from Castlevania: Lords of Shadow, and long white long-sleeved trenchcoat with stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels on the coattails and white fur trim below the coattails and on the back is a wolf howling and its head surrounded by the full moon and surrounded by a phoenix, angel, and wolf, and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a large blue gem with neon glowing blue lights equipped with recognition of him and fits an infinite number of items and component for his Miraculous, Familiars, and Bakugan to rest in.

He also saw the person has massive brown angel wings with blue tips on the large brown feathers with a wingspan of 36,999'0", and thirty-four sets of large brown angel wings with blue tips underneath the massive brown angel wings with wingspans of 34,999'0", 32,999'0", 30,999'0", 28,999'0", 26,999'0", 24,999'0", 20,999'0", 18,999'0", 16,999'0", 14,999'0", 12,999'0", 10,999'0", 8,999'0", 6,999'0", 4,999'0", 2,999'0", 1,899'0", 1,699'0", 1,499'0", 1,299'0", 1,099'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 89'0", 69'0", 49'0", and 29'0" and the shoulder blades of his massive brown angel wings and thirty-four sets of large brown angel wings underneath his massive brown angel wings have eyes with blue irises, and he has thirty-five large white and silver planets orbiting around his waist and thirty-five smaller white and silver planets orbiting around his waist. Lincoln: Just who is this guy? (Sensed his energy) But, whoever he is, he's really really powerful by the feel of his energy. Wait, what's that?

Then, Lincoln spotted a blue kanji with crescent moons in between the kanji below the howling wolf that said, "Andre Lupescu, Member of The Freelance Police, Loving Son of Mr. and Mrs. Lupescu, Adopted Son of Sam and Max, Slayer of Criminals and Evil-Doers Beyond Redemption, True Immortal, God, and Omnipotent Powerful Warrior of The Universe, Defender of Many, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Destroyer of Irredeemable Black-Hearted Villains, Destroyer of Evil, Destroyer of Demonic Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Amazing Member of Team Loud Phoenix Storm, Emissary and Champion of The Cosmos and The Heavens, Defender of Mankind, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, Great God of Friendship, Hope, Love, Courage, and Justice, True Immortal Hero, Emissary and Champion of The Morrigan, Fenrir, and Diana, and Master of Stars, Darkness, Ice, Wolves, Phoenixes, and Angels"

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: You're gonna be dropping your jaws when you hear this, Lily.

Lincoln explained everything, and his harem were stunned.

Selene Emperyous: Whoa! And Sam, Max, and The Geek forgot to tell us about this person after we'd met them in New York when Heather was running loose.

Melanie Emperyous: But, we'll be heading for New York on your rescue so we can meet this person, but when we tell everyone about this in the morning, Sam and Max have a lot of explaining to do.

Lincoln: We'll get an interrogation table ready, but we got to watch it, Max is psychotic and dangerous especially if he gets out any weapons.

Sam: (Off-Screen) I'll make sure he keeps his weapons holstered, Lincoln.

Laniya Emperyous: Yikes, that Irish Wolfhound's got some good hearing.

Lincoln: And I thought Charles was the only dog who had that sort of skill.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to New York.

Then, Lincoln explained everything, and when he was done, we were stunned.

Me: Whoa! So, you saw a potential new member for TLPS, Lincoln? Awesome!

Nico: And he knows The Freelance Police, eh?

The Geek came up.

The Geek: I knew it was a matter of time before he showed up.

Sam (Sam & Max): Allow me to explain, and no need to get the interrogation table ready.

Max (Sam & Max): Aw man, I was hoping it was gonna be a violent interrogation.

Sam (Sam & Max): Maybe later. Okay, that guy Lincoln saw is someone we knew from fourteen years ago, his name is Andre Lupescu, a young man who had a tragic past. When he was only four, his parents were murdered and none of his relatives wanted to take him in and they wanted him to die alone and on the streets. That act of abandonment along with what'd happened reached our ears and we took him in, and over the years, he'd helped us out in many of their cases along with keeping the damage to a minimum. But, when he was eighteen, he found something locked away by Jimmy "Two-Face" Vatelo, one of New York City's most wanted criminals, and after we took Vatelo away, Andre went into his vault and found that "something" Vatelo kept locked away.

Nicole: Based on what Lincoln told us, I know what they were: The Greatsword of The Morrigan, The Bracers of Fenrir, and The Boots of Diana, they're powerful weapons and artifacts, and once in the hands of someone with a pure heart, they would be granted superhuman strength, speed, agility, endurance, and stamina.

The Geek: But, then, once he acquired them, he underwent a powerful transformation and he also received a powerful Divine Blessing from them when he saw three wolves appear to him.

Nicole: The Black Wolf of The Morrigan, The White Wolf of Diana, and The Grey Wolf of Fenrir, and Dad's book said that once every 5,000 years, The Black Wolf of The Morrigan, The White Wolf of Diana, and The Grey Wolf of Fenrir would appear to someone who has a pure heart and strong sense of justice, and give them superhuman strength, speed, agility, endurance, and stamina, but also, he also gained immortality, invincibility, flight, and flight with angel wings, and Cosmic Umbrakinesis and Cryokinesis and the power to summon wolves and Andre had The Greatsword of The Morrigan, The Bracers of Fenrir, and The Boots of Diana in his possession as well.

Lincoln: Wow.

Suddenly, Lincoln had a premonition: it appears Duke Nodelki is running wild again.

Arzette: What's wrong, Lincoln?

Lincoln: It's Duke Nodelki, Arzette, the Grade A dirtbag who insulted you and your father, he's trying to take over The Kingdom of Faramore while it's still night out. I'll be right back, I got to take care of that bastard.

Lincoln teleported to The Kingdom of Faramore, and he saw it for himself: Duke Nodelki has gotten a massive army of soldiers and is planning to launch an attack on Arzette's father and take over the kingdom.

Lincoln: If you think I'm letting a selfish arrogant prick like you take over The Kingdom of Faramore, you've got another thing coming.

Lincoln went after Duke Nodelki, and he began slaughtering and slaying the massive army of soldiers under that arrogant duke's command, and even worse, he also ripped out and devoured their hearts and organs, and finally, he turned his attention to Duke Nodelki.

Duke Nodelki: YOU! HOW DARE YOU GET IN MY WAY! FARAMORE WILL BE MINE!

Lincoln: Oh shut up already!

Lincoln went at Duke Nodelki and he slashed off that arrogant bastard's arms off, and then, he sank his teeth down into Duke Nodelki's chest and ripped it open as his screams echoed throughout the kingdom and Lincoln yanked out his heart and devoured it along with his organs, and he let out a loud howl that echoed throughout the kingdom. Then, he left, and by the time the sun rose, Duke Nodelki and his army were all dead, and Lincoln banished their souls to The Black Abyss and after washing up, he came back home.

Arzette: Is it over?

Lincoln: It is, Arzette, Nodelki's gone for good along with his men, they tried to take Faramore during the nighttime, but I stopped them dead in their tracks and I ripped out their hearts and organs and devoured them.

Eli: Gross!

Lincoln: Eh, their hearts and organs weren't that bad tasting.

Eli: Yuck!

Nico: Hey, we hadn't forgotten a year ago when you went ballistic on The Harvester, Lincoln. You not only ate his heart, but you also ate his brains, lungs, and all his organs, you were a wild beast!

Me: Well, he is a werewolf-vampire hybrid, Nico.

Laney: A lot of thugs died at Lincoln's hands every night whenever a full moon was out, and we could still hear their screams.

Cage Blunt: Yeesh. Hope no thug runs into him in a dark alley.

Lincoln: That's happened before and they wind up meeting the same fate. Alright, let's finish breakfast and head out.

Nico: Got woke up to see Hisuian Braviary staring at her

Hisuian Braviary: Morning Silverstream!

Silverstream: Oh morning Braviary.

Hisuian Braviary: Time for breakfast!

She went and got dressed and went to the table and we were having pancakes.

She was really hungry.

We finished our breakfast, and we set out to take down the next villain for Nico's rescue.

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12965.3: The U.S.S. Valorous Phoenix is en route to the planet Montressor for another awesome and really fun rescue. Our mission is to battle whoever is there and make sure they pay for their crimes.

Jim Hawkins: It'll be awesome to see home again.

Qin: Yeah.

Camie: This will be so awesome and cool.

Varie: It sure will.

Me: I'll never forget all the fun times we had on Montressor. Especially the treasure hunts to find Treasure Planet.

Camie: Wow!

Nico: Yeah those were really fun.

Eli: They sure were.

Nico: Flame Man, I want to thank you, Commander Yammark, and your teams for coming.

Flame Man: No problem Nico. This will be so awesome.

Tyris Flare: I'm really excited for this too.

Iormu: We all are.

Nico: Tyris, what do you like to do in your free time?

Tyris Flare: I like training student in the arts of the sword and the power of the Fire Magic. Its been a really great and productive thing.

Eli: It sure is. You should see what she can do.

Nicole: The powers she has with fire are so awesome. Just like what happened in the game Golden Axe.

Tyris Flare: They sure are.

Qin: Wow!

Nico: That is cool!

Poromon: That's a good job to have

Tyris Flare: Yeah it sure is.

Qin: I agree.

Me: Yeah. WOOHOO! MAN What a game yesterday!

Anna Knudson: Boy we really showed no mercy!

Nico: YEAH! Man 20,000 to nothing and we showed Swackhammer not to mess with us.

Qin: Yeah what a blowout!

Nico: We scored a lot of points!

Me: 20,000 to 0? That's an absolute and totally and utterly humiliating embarrassment.

Camie: Yeah no kidding! Swackhammer is NEVER Going to live that one down.

Iormu: That is for sure!

Ymir: But man we really had fun! Especially with the great Michael Jordan and LeBron James.

Anna Knudson: And we got to help my heroes too.

Lynn: We sure did.

Paula: Yeah! Also my Akuma was a REALLY MANGLED UP MESS!

Me: All because your so-called mother pushed her off a cliff!

Nico: She was in no shape to fight.

Me: No she wasn't.

Qin: Yeah.

Laney: Cassie REALLY had it rough!

Paula: Yeah and she was maulled by a giant meatball.

Nico: YIKES! Man Paula no offense but your family has had a NASTY INJURY onslaught.

Paula: None taken but yeah.

Qin: Yeah.

Me: But at least we made her better. And she mashed Swackhammer.

Eddy: Ed's meatball was actually real!

Ed: Yeah!

Sakura Knudson: Swartz made it too.

Me: Yeah!

Eddy: Jeez Lumpy, your monsters that you told us about are all real.

Me: I know! The Mucky Boys, then the Mole Mutants and now the Meatball.

Ed: They sure are!

Qin: Yeah crazy.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Montressor!

Me: Planet Montressor.

Camie: Wow!

Ymir: Amazing.

Jim Hawkins: Home. I wonder how my mom is doing.

Me: We'll find out.

We got to landing.

We landed in front of the Benbow Inn.

Me: Boy been a while since we were here. The Benbow Inn is doing REALLY Well.

Jim Hawkins: It sure is.

We went over and Ed headbutted the door.

SMASH!

Ed: Ding dong.

Sarah Hawkins: Hey!

We pulled him out and went in.

Me: Hello.

Sarah Hawkins: Hey guys welcome!

Me: Hello Sarah. Sorry about Ed.

Sarah Hawkins: No worries but its been a while.

Nico: How have you been?

Sarah Hawkins: Busy as ever but not as much as you all have been. I heard you guys got rid of Xehanort finally.

Me: That was almost 6 months ago but yeah we sure did. Now we have a new big baddie. Anti-Monitor.

Nico: Yeah.

Sarah Hawkins: Wow! That is crazy.

Nico: I know. But we're doing really well.

Me: We killed I think 93 of his big baddies for this. I don't know I lost track. But who is counting.

Horsea: It's true!

Me: Yeah.

Sarah Hawkins: I know.

Nico: We were amazed ourselves.

Lincoln: Okay, guys, we're in for one awesome battle, we're here in Montressor, but here's the bad news: the mother, aunt, and cousin of Amira Farooqi have been sighted and they're out for revenge on her for being completely disinherited and dirt poor.

WE GASPED!

Amira Farooqi: What? But, how did Mom and my former aunt and cousin? (Realizes who'd be that low enough to do so) (GROWLS) Dark Sebastian!

The rest of the team's with us.

Lori: I can't think of any other person than him who'd be that low enough to do so, that filthy animal!

Lanaia: If that psycho thinks he's going to get away with that, he's got another thing coming!

Me: He's too psychotic and too insane, another reason as to why we must put him down for good.

Me: Yeah!

Trina Hawkins: Speaking of which that's exactly why I'm here.

She pulled out wanted posters of them. They had bounties of $900,000,000,000,000,000,000,000,000,000.00 on their heads.

Trina Hawkins: The Pakistan Government wants them thrown in jail for terroristic charges against Team Loud

Phoenix Storm. I was called in to collect their bounties.

Me: WOW! That's quite a hit.

Nicole: You are quite the bounty hunter Trina.

Trina Hawkins: It's good money.

Me: Bounty Hunting is very profitable.

Nicole: I am a bounty hunter too but I go after bullies.

Trina Hawkins: We'll get along great.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: And that snake and his minions are also on the way.

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Sarah Hawkins: Good luck guys.

Me: Won't need it Sarah. But thanks.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel

wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive

muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the mother, aunt, and cousin of Amira Farooqi) AHA! Gotcha! I just spotted the mother, aunt, and cousin of Amira Farooqi, but they're heading right for Amira to kill her!

Nico: Let's get going and stop them!

Amira Farooqi: They deserve to spend the rest of their lives in prison after we capture them.

DISTANT BOOMING MOTORCYCLE ROAR!

Me: WHOA! Caleb, was that your Uncle Christiano?

Caleb Maxwell: Nope, he left his motorcycle in the repair shop.

Sam (Sam & Max): (Harvey Atkin Voice) Then, that's got to be Andre Lupescu, no doubt that's his motorcycle.

Max (Sam & Max): (Robert Tinkler Voice) I still remember that day when he got that thing from the junkyard, he fixed it up and gave it a wolf-themed makeover.

Lincoln: If he's coming to give us a hand, then something's up. (Sensed Dark Sebastian and his minions) Oh shoot! I also spotted Dark Sebastian and his minions, they're also coming after us!

Nico: Let's get a move-on and fast! I don't want to wait for that demonic freakshow to show up.

Ebonwumon heard a Pokémon cry

Ebonwumon: (Irish Accent) Oh look here lads.

We saw a Golem.

Me: Cool a Golem.

Ebonwumon: Don't be scared lad. We won't hurt you.

Golem: I'm just hungry thats all.

Ebonwumon: Well here you go. {Second Head} Lets give him some apples. {First Head} That's what I was gonna do Gary McPicky!

He gave Golem apples and he ate them.

Me: Ebonwumon has arguments all the time with both his heads. But he is a great guy once you get to know him.

Golem: I can see that.

Ebonwumon: Want to come with us? {Second Head} I was gonna ask that.

Golem: Sure.

Me: Great! That makes 3 of the Sovereign with mascots right?

Baihumon: I don't have one…

Me: You'll get one soon Baihumon. It's only a matter of time.

Baihumon: Okay then.

Xenia: Yeah.

But then we saw a MASSIVE TORRENT OF WATER Shoot out of the ground and on top of it was PRIMARINA!

Me: WHOA! A Primarina!

Nico: How's that get here?

Me: I think it's one of Dark Gale's world.

Ariel: It might be.

Eli: Wait sis I sense that it's someone me and you know.

Ariel: Really? Lets see.

She used Telepathy and gasped!

Ariel dropped to the ground and was crying.

Me: Ariel are you okay? You look like you've seen a ghost!

Ariel: That's Primarina is my long lost sister Adriennia.

WE GASPED!

Eli: I haven't seen Adriennia since I was only 4.

J.D. 3: (Through My Crest) I remember her! She is a winged mermaid that got lost in the kelp forests of the ocean. She was captured by Ursula and turned into a Polyp!

Me: That monster hag!

Eli: Lets go help her!

Me, Eli and Ariel went to help.

Eli: Adriennia, calm down.

Ariel: It's Ariel and Eli.

All she did was use Hydro Pump on Horsea and it hit her.

SPLASH!

Horsea: HEY! (SPITS) Oh wiseguy huh!?

She fired a Hyper Beam Blast and blasted her down.

KRABBBBBBBOOOOOOOOOOMMMMM!

Me: WHOA! NICE!

Ariel: Lets help her.

We fired waves of water and energy and blasted her.

I snapped my fingers and reverted her back and she was a mermaid with a green tail and had brown hair and blue eyes and had Primarina on her forehead and tail and she had green angel wings. She had a cutie mark on her arm shaped like a winged mermaid and it had a green jewel on it.

We wrapped her in a blanket and had her in a ball of water.

Nico: There.

We brought her over.

Qin: Wow! That was amazing.

Maria: Horsea calm down. She only hit you with water.

She woke up to see Horsea's stern gaze

Adriennia: Huh?

Horsea: What's the big idea attacking me!?

Maria: Horsea calm down.

She picked her up.

Eli: Adriennia? Are you alright.

Ariel: Sister thank goodness.

Adriennia: Ariel? Eli! Wow!

She hugged them both.

Adriennia: Wow Eli you grew so much.

Eli: I had a growth spurt.

Me: You were turned into a Primarina by Dark Gale.

Adriennia: Dark Gale? I don't remember them. All I remember was being in Ursula's Castle as a polyp and then her spell broke and I was freed. Then next thing I remember was being turned into something.

Me: They must've gotten to you when you were a Polyp.

Nico: Yeah.

Eli: You don't have to worry about Ursula or her evil sister ever again.

Me: We killed them both and banished them to the Black Abyss.

Eli: Especially for all the atrocities they did against Atlantica.

Adriennia: What happened?

We told her everything they did.

SHE GASPED IN SHOCK AND HORROR!

Adriennia: Ursula killed mother and hired Davy Jones to do it!?

Me: Yeah we were beyond pissed she did that. Eli took it the hardest.

Adriennia: Oh man. At least you guys avenged her.

Nico: What do you do in your free time?

Adriennia: I was trying to find my way back home. But I am a dancer and singer like Ariel. I wasn't there because I was lost.

Me: Well at least you can make up for lost time with us. We will tell King Triton and all of Atlantica that you are safe.

Adriennia: Thank you.

Me: Lets have you walk in both our worlds too.

I snapped my fingers and gave her the power to turn into a human and mermaid at will.

I helped her up and she was having trouble.

Me: WHOA! Easy it's gonna take a while to get used to legs. But we can help you.

Ariel: Believe me it took a while for me to adjust too.

Me: Long story. But we'll help you.

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her new green and pink clothes.

Adriennia: Wow I look great!

Me: You sure do. We have so much to tell you later on.

Ariel: And we have a lot to catch up on.

Adriennia: We sure do.

Horsea: I think Ursula's spell broke on you during one of her deaths.

Adriennia: Really?

Me: Yeah we killed her many times. But I think it broke when we went through Sora's Adventure the first time.

Sora: That could be it.

Qin: Yeah.

Adriennia: Wow!

Princess Neri: But Ursula is gone for good and she and Morgana will never terrorize the seas again.

Gira: Or our world again.

Adriennia: Good.

Melody: I'm just glad that they are gone.

Ariel: Oh Adriennia, this is my daughter Melody.

Melody: It's awesome to meet you.

Adriennia: Oh Melody you too.

Eli: Melody is so much like her mother and she loves the sea just as much as she does.

Me: Yeah long story. We'll tell you everything later.

Adriennia: I've got a lot of catching up to do.

Me: Lets go after our target here.

Hymeno: She also invaded my Kingdom!

Adriennia: Really?

Me: Yeah ugly story. But we'll tell you more about it later.

Nico: Right lets go.

We took off into the air to take down the mother, aunt, and cousin of Amira Farooqi and send them to prison and send the next demon general of The Order of The Dark Universe to The Black Abyss and send those demonic freakshows back to Transylvania.

We were flying in the air, and we saw our targets: the mother, aunt, and cousin of Amira Farooqi, but far from their days in the family, they now have disheveled hair and tattered clothes.

Amira Farooqi: There they are!

Lincoln: I got this. (ECHOING VOICE) GATE OF ATLANTIS!

Lincoln fired a huge pillar of water that hit the mother, aunt, and cousin of Amira Farooqi and they got drenched.

Nico: That was Neptunemon's attack, Gate of Atlantis. Wait a minute, Lincoln, are you also...?

Lincoln: Yep, I'm also The Emissary of The Olympos XII.

Me: That means, you're The Emissary of The Royal Knights, The 10 Legendary Warriors, The Digimon Sovereign, The Olympos XII, and The Celestial Digimon, wow!

Lincoln's Magnamon: That's right.

Ranamon: That was really impressive, Linky, and we got those three steaming mad now.

We landed.

Amira Farooqi: Although it's good to see you three are still alive, that would be considered a big fat lie.

Amira's MetalSeadramon: That's for sure. I still remember what Amira had to go through because of your brutal fighting over Amira's grandmother's vast fortune, and she was a smart lady to disinherit you three greedy banshees, give all of her money to Amira, and kick you three out of the house.

Amira's Mom: You ruined everything for me, my plan to get Mom's fortune was finally going to be all mine!

Amira's Aunt: But, you! You had to ruin everything!

Amira's Cousin: I should've killed you long ago, Amira! I HATE YOU SO MUCH!

Amira gained a massive power boost!

Nico: Shut up already! All three of you are to blame because you're nothing but greedy and selfish monsters! (To Amira's Mom) You were supposed to love your daughter with all your heart, but no, you only saw her as a pawn in your scheme to get your mom's vast fortune and you hated your sister for a long time. You don't deserve to be considered a mother, and your mom was right in her decision to leave her vast fortune to Amira along with disinheriting and disowning you. (To Amira's Aunt) And you're also the same as your sister, you're just selfish and greedy and you also deserved to be disinherited and also disowned. (To Amira's Cousin) And you, you're the worst! You and Amira were once best friends once upon a time, but then, the thought of that fortune crossed your mind and you decided to kill your own cousin to get it, you know what, you're nothing more than a monster driven by greed, and you also deserved to be disowned by Amira's grandmother for good!

That pissed them off, but before they could get after us, we heard a wolf howl and wolves came out and slashed at their backs with claws.

Lincoln: That one wasn't me or J.D.

Nico: It definitely wasn't. But, who was it?

Far away from our location, Andre Lupescu was watching us. But, then, something appeared on his forehead: a wolf howling and surrounded by a Phoenix and Angel and a Third Eye opened up in the middle of his forehead with a blue iris.

Amira: You pissants are just nothing but a bunch of greedy monsters!

Amira's mom: You are an ungrateful brat! We suffered a lot because of you!

Me: You brought all that on yourselves!

Amira's cousin: That money was mine! I should have killed you long ago Amira!

Me: How much was your inheritance worth Amira?

Amira: It was a massive fortune of over $500,000,000,000,000.00! Which is equal to 138,775,000,000,000,000.00 in Pakistani Rupees!

WE GASPED!

Qin: WHOA! That's huge!

Me: No wonder their greed turned them into monsters!

Xenia: YEAH!

Amira's Mom: WE LOST EVERYTHING BECAUSE OF YOU AMIRA!

Me: No you did that to yourselves! If you had stopped being at war with each other instead of being greedy heartless assholes then you wouldn't have been forced to live on the streets and be disinherited! Amira earned her fortune fair and square!

MetalSeadramon: Because she was the kind-hearted one and you didn't care about her!

Eli: One thing is for sure, we are not going to let you hurt Amira anymore! In the name of the Galactic Senate of the Republic, (IGNITES LIGHTSABER) You 3 are under arrest!

Amira: You're going to jail!

Golem charged at them and rolled and smashed them down.

Me: Now this.

I flicked the switches for Planet Fiendronomica, Chernabog and Pitch Black and got a SCARY NIGHTMARE SWORD!

Me: THE NIGHTMARE SWORD OF 100,000,000,000 HELLS!

Nico: WHOA! SCARY!

Me: Watch this. 100,000,000,000 HELLISH NIGHTMARE STYLE NINJA ART: MASSACRE OF A MILLION HUNDRED ACRE WOODS!

I swung the sword and fired waves of darkness and it formed into a million versions of Blood and Honey Pooh and Friends and they smashed and cut and mangled them all over!

Me: YEAH!

Mascots: LOOK AT IT!

Shane got out his Gashat

Shane: Lets bring the storm!

He activated his Gashat.

Dragonair: Lets rain down the lightning!

Shane and Dragonair: LIGHTNING STORM STRIKER!

They fired waves of lightning and energy and blasted the three of them all over!

Nico: You three are not fit to be part of Amira's family! Especially with me!

Suddenly, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by an icy blue mist. Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings and forced out Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Nico: Oh great, it's our least favorite and absolutely demonic pain in the ass, Dark Sebastian, along with the other demonic dickheads.

Dark Sebastian: YOU SHUT YOUR MOUTH, YOU MISERABLE FILTHY APE! WE'LL SEE HOW LONG THAT SMARTASS MOUTH OF YOURS LASTS! AHRIMAN, DEMON GENERAL OF HELL, I SUMMON YOU TO BATTLE!

We saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out.

Alaister Necroshade: DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL ALONG WITH THE BITCHES! LEAVE NOTHING OF THEM IN YOUR WAKE!

Ahriman charged at us, but Lincoln charged at Ahriman and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Ahriman down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Ahriman, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Ahriman except for his loincloth and shorts and Lincoln drained Ahriman's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

Seeing what happened to Ahriman getting taken down and absorbed by Lincoln royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Damon Necroshade: LET'S TEAR THEM ALL APART!

Dark Sebastian: I WILL NOT LET THE PROPHECY COME TRUE! THIS TIME, YOU'RE ALL GOING TO DIE HERE AND NOW! LORD MALPHAS WILL PRAISE US WHEN WE DELIVER UNTO HIM YOUR HEADS AND ALL OF MANKIND AND LIFE ON EARTH AND THE UNIVERSE AND BEYOND WILL BE DESTROYED ONCE AND FOR ALL! (LAUGHING INSANELY)

Lincoln: Right, let's end this.

?: WE WILL NEVER STOP UNTIL WE PREVENT THE PROPHECY FROM COMING TRUE! DIE!

Suddenly, we saw Dark Sebastian and his insane cronies coming after us again, but Lincoln fired blasts of holy water that hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra, and Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra screamed in pain as steam came off of them as the holy water burned them like acid.

But, when the holy water blasts hit Dark Sebastian, he screamed in demonic anger and pain, and we saw his form suddenly destabilize as we saw the right side of his face suddenly transform into a black ooze with a demonic red eye and masses of demonic red eyes, but he managed to morph the right side of his face back to normal and he growled demonically.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You truly do not know when to give up and stay away, do you? This is getting old, and I hadn't forgotten what you did to Haido yesterday and James was right to have used Cell's absorption technique to suck out Haido's powers from you along with the powers of those whom we were supposed to destroy that you murdered in cold blood.

Suddenly, Lincoln grabbed Dark Sebastian by the neck with his left hand and he made Dark Sebastian look him in the eyes!

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) Let me make one thing clear to you, Dark Sebastian, you and your minions WILL NEVER destroy mankind and all life on Earth and the universe and beyond as long as we are here. You will never destroy another soul in this world ever again and we will make sure of it!

Then, the other Gods and Goddesses joined in.

God and The Gods and Goddesses of The Pantheons of The World: (Through Lincoln's body)(Multiple Divine Heavenly Godly Voices) You will always be nothing more than a worthless pile of garbage, you useless sack of sludge!

Lincoln punched Dark Sebastian in the face six times and knocked out his teeth and gave him two black eyes and he tossed him at Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra and he crashed into them!

Dark Sebastian glared at Lincoln, but then, when he saw his energy aura flare up extremely and he saw the symbol of

The Cross appear behind him along with the symbols of The Gods and Goddesses of The Pantheons of The World and The Symbol of the Nightflame Sun and The Phoenix and the many mythical beasts and creatures, that freaked him out!

Dark Sebastian: LET'S GET OUT OF HERE!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra ran into a portal he opened up and it led back to Hell and once they were in, the portal closed!

Nico: Nice one!

Me: Just like what I said to Kurata when I was beating the shit out of him! Alright, let's get those piles of trash!

Pizza Princess, Princess Bubblegum, Flame Princess, and Carla Jolokia: Alright, let's get them!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Pizza Princess, Princess Bubblegum, Flame Princess, Carla Jolokia, Sherlock Hound, Sly Cooper, The

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Carla Jolokia, Flame Princess, Princess Bubblegum, Pizza Princess, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making the mother, aunt, and cousin of Amira Farooqi even angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit the mother, aunt, and cousin of Amira Farooqi, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the mother, aunt, and cousin of Amira Farooqi.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of the mother, aunt, and cousin of Amira Farooqi, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, GO TO HELL, YOU PIECES OF SHIT!

Lincoln, Nico, and I did one final powerful energy slash that hit the mother, aunt, and cousin of Amira Farooqi hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the mother, aunt, and cousin of Amira Farooqi were on their last legs and they were really really mangled.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long cheese-colored and purple wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Pizza Princess, Flame Princess, Princess Bubblegum, and Carla Jolokia are permanent.

Amira Farooqi: It's over. Mom, you, my ex-aunt, and my ex-cousin have plagued me for the last time, now instead of throwing you three back on the streets, you three are going away to prison for the rest of your lives.

Then, Lincoln tied the mother, aunt, and cousin of Amira Farooqi up in rainbow energy straitjackets and the cops came and picked them up and threw them in the cars and drove away, and Andre Lupescu saw the whole thing.

Andre Lupescu: Impressive.

Then, he got on his motorcycle, opened up a portal to New York, and he rode back to the city as the portal closed.

Nico: That'll teach them. So, which prison are they going to?

Lincoln: They're going to the most harshest prison in The US, Attica Correctional Facility.

Caleb Maxwell: (GASPS) Attica Correctional Facility?!

Qin: Why are you that surprised?

Allie Maxwell: Qin, we've lived in New York all our lives and we know about the harshest prisons in the city and throughout The Five Boroughs: Sing Sing Correctional Facility, Rikers Island, Five Points Correctional Facility, Great Meadow Correctional Facility, Green Haven Correctional

Facility, Shawangunk Correctional Facility, Sullivan Correctional Facility, Upstate Correctional Facility, Auburn Correctional Facility, Fishkill Correctional Facility, and Wende Correctional Facility.

Captain Whitten: There are many more prisons in New York, but of all the notorious and dangerous prisons in New York, you chose the harshest prison ever.

Caleb Maxwell: Attica Correctional Facility, based in the western part of New York, that place is among the worst prisons in the state and the city. It's also where The Attica Prison Riot, or by its three other names such as The Attica Prison Rebellion, The Attica Uprising, and The Attica Prison Massacre took place in September 9th 1971 and ended on September 13th, resulting in the deaths of 29 inmates and 10 hostages and 89 others were wounded when the police fired 3,000 rounds into the tear gas haze after helicopters dropped tear gas into the prison.

Me: And some of the tough criminals to ever serve in Attica include serial killers David Berkowitz, Joel Rifkin, and Kendall Francois. To send them to a place like that, they're gonna be killed in less than a second upon stepping inside.

Nico: I still remembered hearing the story in New Jersey.

Trudy Lawrence: It was really brutal. But, why in all the prisons of New York did you choose Attica?

Lincoln: I got in contact with the warden at Attica who told me about those three greedy gargoyles, and he also told me they've also killed a lot of homeless people in New York and robbed them blind and they've also been assaulting others on the streets as well.

WE GASPED!

Me: So, the warden wanted them brought to Attica so they can experience Hell.

Lincoln: Yep.

Nico: Damn.

Eli: Oh no, they're not gonna survive!

Maria: You said a mouthful.

Lincoln: But, either way, they're doomed.

Nico: Triton's gonna be happy to see you again

Adriennia: I miss daddy.

Ariel: He'll be happy though.

Qin: Yeah.

Me: Amira we're sorry about what your family has become.

Amira: It's okay. They made their beds long ago.

Leni: Are they sleeping on them?

Lisa Loud: Leni that means that they suffered the consequences for their greed and paid the price for it.

Leni: Oh right I see what you're saying. I think.

Nico: Don't mind Leni. But nice job Golem.

Golem: Thanks. That was cool.

Me: It was.

Poromon: Want some beer?

Golem: Oh I can't drink beer. Makes me gassy.

Me: Oh.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: It's Show and Tell later!

Me: OOH! What are you going to show them?

Poromon: It's a surprise.

Nico: Okay.

Qin: Why do I get the feeling like something crazy is going to happen.

Flame Man: I got that feeling too.

Nico: Oh, Flame Man. What do you like to do in your free time?

Flame Man: I work as a steelmill worker and make steel by heating it all up.

Me: Whoa hot.

Qin: Yeah.

Flame Man: Yeah but it's good money.

Camie: Cool.

Iormu: That is true.

Lincoln: I agree. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Silverstream.

Silverstream: Another Me? Wow.

Lincoln: This means we're going to face another of Equestria's enemies, and we'll see if it's one who's been lied to by Queen Opaline or is beyond any redemption.

Me: That's of course left up to you, Lincoln.

Nico: Yep, as our chief clairvoyant and psychic in addition to being the planner and strategist and among the founding members of the team.

Eli: We got Another Commander Yammark, Dr. Psycho, Blazelion, Internet Troll, Stag spider monster Irio stag and Velociraptor Dopant.

Nico: Yep. And Flame Man, Tyris Flare, Solgaleo, Lailah, Fiona, Farah and Fi Cerebrus and Sira are up.

Qin: Cool.

Nico: THERE THEY ARE!

We saw Another Dr. Psycho, Blazelion, Internet Troll, Stag Spider Monster Irio Stag and Velociraptor Dopant!

Nico: COOL!

Qin: Awesome!

Another Dr. Psycho: (In a girls voice) It sure is.

They reverted back and were the gene-slammers of Perfectly Ultimate Great Moth, Gadarla the Mystery Dust Kaiju, Gale Dogra, Cross Sword Beetle, Cold Enchanter, and Ice Master!

Caia Cryos: Friendly and they are awesome.

Qin: Cool!

Me: Awesome

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) HORNET EXPLOSION FORCE!

She summoned Blast Hornet, Lieutenant Berne, Beast Dralgo, Jacknab, Hambroomer and Dark Eyed Owl!

Me: YEAH!

Qin: Now we wait.

Lola: Yep.

Nico: Do you remember Flounder?

Adriennia: How can I forget. He is a silly guppy.

WE LAUGHED!

Eli: But he is a great guppy.

Camie: Yeah.

Me: Also I resurrected your mother and healed Triton and Atlantica.

Melody: It's true.

Adriennia: Wow! That is amazing!

Me: It is.

Camie: Yeah.

Then we saw Another Commander Yammark and Silverstream!

Me: WHOA! There they are.

Nico: Yep.

Another Commander Yammark: (In a girls voice) This will be fun.

She reverted back and was the gene-slammer of Blizzard Princess!

Nico: Princess Bianca Blizzard! Wow!

Princess Bianca Blizzard: Good to see you again Nico.

Me: Wow! The gene-slammer of Blizzard Princess.

Nico: Yep. And the Princess of the Forgotten Kingdom of Cryos. She is immortal and lived for over 5,200 years.

All of us: WOW!

Jessie Knudson: Wait! I've read about the legendary kingdom of Cryos. They were an Amazon kingdom of Ice Mages and use the powers of ice and use it in battle.

Nico: That's right.

Me: WHOA! That is amazing!

Princess Bianca Blizzard: It sure is and I have Commander Yammark's powers too.

Me: Cool!

Commander Yammark: Just like me.

Nico: Who's your friend?

Another Silverstream: A great friend of Silverstream.

She reverted back and was a Centaur Girl with orange fire fur and had fire angel wings and had a cutie mark in the shape of a sun with fire angel wings.

Silverstream: (GASP) Phoenix Flamestorm!

They went and hugged.

Silverstream: I'm so happy to see you.

Phoenix Flamestorm: Me too Silverstream.

Me: You know her?

Silverstream: I sure do. Phoenix comes from a kingdom of Pegasus Centaurs in Southern Equestria. She and I would always talk when I was a seapony.

Phoenix Flamestorm: We talked a lot about so much and it was cool.

Me: Wow! That is awesome!

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead

They got weapons from said teams.

Princess Bianca Blizzard: No he didn't. I froze him in a block of ice and we ran.

Phoenix Flamestorm: That was awesome.

Me: Wow! Talk about getting the cold shoulder.

Sougo: (gets out Boonboomger Ridewatch) You should be proud of Silverstream

Geiz: (Gets out King Ohger Ridewatch) She's come a long way

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Phoenix Flamestorm: I am proud of her.

Me: Yeah we are. Lets separate you first.

We did so.

Me: Lets do it!

Nico: (gets out Commander Yammark's Ridewatch) Time for dragonfly power!

May: (Gets out Blazelion's Ridewatch) RED LION FIRE!

Maria: (Gets out Stag spider monster Irio stag's ridewatch) This beetle is a powerhouse!

Tyris Flare: (Gets out Dr. Psycho's Ridewatch) Time for fire and pain!

They used the powers of Commander Yammark, Dr. Psycho, Blazelion, Internet Troll, Stag spider monster Irio stag and Velociraptor Dopant and blasted the anothers all over.

Then SRF Phantom Gent Baruga, CKD Phantom Controllers, Saitako Kaito Ride Pass, Another Den-O, 2016 Charmcaster, and Wooden Horse Phantom Locky Force came.

Nico: WHOA! Nice team Baruga!

SRF Phantom Gent Baruga: Thanks Nico.

Me: Magic Man and his team are up

Magic Man: We sure are!

Me: Yep.

But then a massive jet of pink fire exploded out of the ground and then out came Evil HERO Infernal Princess!

Me: WHOA! Evil HERO Infernal Princess!

Nico: Hot!

Evil HERO Infernal Princess: It sure is hot.

Nico: Princess Celefire!? Whoa!

Princess Bianca Blizzard: Sister!?

She reverted back and was a girl with neon pink hair, pink eyes, pink clothes and pink fire angel wings and had Evil HERO Infernal Princess on her forehead, shirt, skirt and arm and had a pink fire sword.

Princess Celefire: Hello sister and hello Nico. Good to see you.

Jessie Knudson: WHOA! The long lost princess of the Inferno Kingdom!

Princess Celefire: That's right. 5,200 years ago me and Bianca were sisters and our kingdoms were locked in a horrible war. We ran and left both kingdoms in ruin and we are the last of our kingdoms.

Me: WHOA!

Princess Celefire: I got this. HOT PINK INFERNO BLAST!

She fired a massive wave of neon pink fire and it hit both Anothers and blasted them down. I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Me: Yeah! Your highnesses we're so glad you both are safe.

Princess Bianca Blizzard: We are too.

Princess Celefire: We ran away because we were fed up with our kingdoms fighting. So we left and went where the wind took us. For 5,200 years we walked this world until we found Nico.

Me: Amazing!

Qin: Wow!

Me: I'm sorry you had to go through all that ages ago.

Princess Bianca Blizzard: Thank you.

Tyris Flare: Do you have a good memory of Nico?

Princess Celefire: I sure do. When me and Nico found out more about the war with the Ice Kingdom. The reason was because we were fighting because our parents wanted us to marry their sons. We refused and that started the war.

Me: That is not right.

J.D. 2: It's like what happened with my ancestors all over again.

Nico: Wow! Yeah that was nuts.

Me: Yep.

They hugged.

Nico: I've missed you.

Princess Celefire: Same here.

We later went back home.

The person's name is Andre Lupescu, a young man who had a tragic past. When he was only four, his parents were murdered and none of his relatives wanted to take him in and they wanted him to die alone and on the streets. That act of abandonment along with what'd happened reached the ears of Sam and Max, The Freelance Police, and they took him in, and over the years, he'd helped them out in many of their cases along with keeping the damage to a minimum.

But, when he was eighteen, he found something that was locked away by Jimmy "Two-Face" Vatelo, one of New York

City's most wanted criminals, and after Sam and Max took the criminal away, Andre went into his vault and found that "something" Vatelo kept locked away: they were powerful artifacts and relics snatched by that gangster. The first one is known as The Greatsword of The Morrigan, a massive greatsword with embedded purple gems and the animals of The Morrigan, The Black Crow and The Black Wolf etched on the 9'11" massive, wide, double-edged silver blade, large silver wolf heads with purple gems for eyes for the crossguard, large white angel faces built into both sides of the crossguard and large purple gems embedded in the foreheads and surrounding the white angel faces are The Elements of Harmony and The Unity Stones on top of The Element of the Magic of Friendship, long 8'6" midnight black handle, four large silver wolf heads with purple gems for eyes and inside their open mouths and below the gold silver wolf heads is a silver wolf head with purple gems for eyes and purple gem in its mouth for the pommel, the second is The Bracers of Fenrir, large silver arm Bracers with white wolf heads built in around the Bracers and blue gems in their foreheads, and the third artifact is The Boots of Diana, silver-armored boots that look exactly like The Cyclone Boots from Castlevania: Lords of Shadow.

These items once in the hands of someone with a pure heart would be granted superhuman strength, speed, agility, endurance, and stamina, and as soon as he put them on, he underwent a powerful transformation and he also received a powerful Divine Blessing from these three deities: thus giving him not only superhuman strength, speed, agility, endurance, and stamina, but also, immortality, invincibility, flight, and flight with angel wings, and Cosmic Umbrakinesis and Cryokinesis and the power to summon wolves, but like with the items in his possession, it could only be given to someone who has a pure heart and strong sense of justice.

Now, we're going to meet with Andre Lupescu, and we're going after the person who murdered his parents when he was four, and that person's name is Damian "The Demon Wolf" Sanders, the son of New York gangster and crime lord, Devin Sanders, but fourteen years ago, Andre's dad who was a NYPD detective arrested Devin Sanders and was later sentenced to death upon being convicted in court. Damian Sanders who was seventeen at the time swore that he would get revenge, and a year later when Andre was four, he struck and murdered Andre's parents while Andre hid in the closet. Andre's going to avenge his parents and we're going to help him with that and send that bastard to The Black Abyss.

And we got all of TLPS and The M.O.E. here and we saw the place is a mess.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're gonna be meeting the person I saw in my dream last night.

Sam (Sam & Max): (Harvey Atkin Voice) Andre Lupescu's no doubt coming, he's got something urgent from The Commissioner.

Max (Sam & Max): (Robert Tinkler Voice) Whoever it is, there's gonna be tons of violence about to be unleashed on the guy.

DISTANT BOOMING MOTORCYCLE ROAR!

Me: UH OH!

Sam (Sam & Max): (Harvey Atkin Voice) Yep, here he comes now!

Then, we saw a big black wolf-themed motorcycle heading right for us along with its rider. Andre Lupescu: Ah, Team Loud Phoenix Storm, you got here just in time.

Sam (Sam & Max): (Harvey Atkin Voice) That we did, Andre. So, what did The Commissioner say about the target?

Max (Sam & Max): (Robert Tinkler Voice) And do we have the option of dangling him from the roof?

Andre Lupescu: Now, hold it, Max, we're not going to dangle this guy off the roof. Do you remember what happened fourteen years ago when you and Max took me in, Sam?

Sam (Sam & Max): (Harvey Atkin Voice) Wait, they found the guy who killed your parents?

Andre Lupescu: Yes, they did.

Me: Oh man, who was he?

Andre Lupescu: The man's name is Damian "The Demon Wolf" Sanders, the son of New York gangster and crime lord, Devin Sanders. Fourteen years ago, my dad who was a NYPD detective arrested Devin Sanders and was later sentenced to death upon being convicted in court. Damian Sanders who was seventeen at the time swore he would get revenge, and a year later when I was four, he struck and murdered my parents while I hid in the closet.

WE GASPED!

Flame Man: Jeez.

Andre Lupescu: Eventually, I was found by the NYPD and when they got in contact with some of my relatives, they were disgusted to find out none of my relatives wanted to take me in and they wanted me to die alone and on the streets.

Nico: What the Hell?!

Andre Lupescu: But, that act of abandonment along with what'd happened reached the ears of Sam and Max, and they took me in, and over the years, I also helped them out in the field many of their cases along with keeping the damage to a minimum. But, when I was eighteen, I found something that was locked away by Jimmy "Two-Face" Vatelo, one of New York City's most wanted crime lords. After Sam and Max took him away, I went into his vault and found what Vatelo had kept locked away: powerful artifacts and relics snatched by that gangster. The first one you see on my back is known as The Greatsword of The Morrigan, the second on my arms is The Bracers of Fenrir, and the third is The Boots of Diana.

Nico: Nicole told us those artifacts once in your possession since you have a pure heart, you were given superhuman strength, speed, agility, endurance, and stamina as soon as you put them on.

Andre Lupescu: Yes, but then, I underwent a powerful transformation and I also received a powerful Divine Blessing from these three deities: thus giving me even more incredible superhuman strength, speed, agility, endurance, and stamina, but also, immortality, invincibility, flight, and flight with angel wings, along with Cosmic Umbrakinesis, Cryokinesis, all of the powers of the night, and the power to summon wolves, but like with the items in my possession, it could only be given to someone who has a pure heart and strong sense of justice.

Lincoln: And the transformation you mentioned, judging from what I saw, you transformed like many of us.

Andre Lupescu: Which also attracted Sam and Max's attention as well.

Sam (Sam & Max): (Harvey Atkin Voice) You got that right, and once that happened, let's just say that when you took to the field, the only thing criminals were going to hear is the howl of the wolf.

Max (Sam & Max): (Robert Tinkler Voice) Along with the roar of your motorcycle.

Andre Lupescu: And I also got some intel to tell you all. It's not just Mantid you'll be facing, but I got word from The Geek that Evil Cozy Glow is back.

WE GASPED!

Twilight Sparkle: Oh man.

Lincoln: I knew she was next, and since she's beyond any form of redemption, she like The Storm King is going to The Black Abyss after we weaken her and I drain her dry of all her powers and magic.

Nico: Right. But, that's for later. Right now, we better get after Damian "The Demon Wolf" Sanders.

Andre Lupescu: Yes, I intend to kill him and avenge the death of my parents, and he's hiding out in the East Bronx. Let's go.

Andre Lupescu got on his motorcycle, Sam and Max got in The DeSoto, and we took to the air and we headed for the East Bronx. Minutes later, we arrived at the East Bronx and we went in an apartment in the East Bronx and we went to the door.

Sam (Sam & Max): (Harvey Atkin Voice) This is it. Damian Sanders' room. You guys ready?

Max (Sam & Max): (Robert Tinkler Voice) Ready.

Nico and I got near the door.

Sam (Sam & Max): (Harvey Atkin Voice) Okay, on my signal. Three...two...(Gets out his trusty gun) OPEN THE DOOR RIGHT NOW!

We busted the door down!

Max (Sam & Max): (Robert Tinkler Voice) (Gets out his gun) CHILL, LOWLIFE!

Sam (Sam & Max): (Harvey Atkin Voice) FREEZE, DIRTBAG!

Then, we got in the room and it was dirty as Hell, but then, we saw our target: Damian "The Demon Wolf" Sanders, and he definitely looked like a real lowlife. He was a man with wild black hair, black eyes, and dressed in the clothes of a punk of the 1980s and 1990s.

Damian Sanders: WHAT THE?! Who the Hell are you?!

Me: We're your guides to Hell, dirtbag!

Nico: And speaking of, say hello to an old friend from fourteen years ago.

Then, Andre Lupescu walked up and when Damian Sanders saw him, his face went pale.

Damian Sanders: N-no! It can't be!

Andre Lupescu: That's right, I am Andre Lupescu, the son of the man who got your father arrested fourteen years ago and sentenced to death. That day, you went after my parents and slaughtered them like animals, and I wanted to make you pay for it, Damian. And now, the time has arrived, it's time for you to face your judgement.

Andre Lupescu unholstered his massive Greatsword of The Morrigan, but then, all of a sudden, his massive Greatsword of The Morrigan and all the greatswords and swords that he was supposed to get upon joining us began merging together and was surrounded by a massive kaleidoscope of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels, and when it emerged, it transformed into Andre Lupescu's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf Seraphim Phoenix God Archangel

Me: Wow!

Nico: Uh oh, this is only part 1, here comes part 2!

Andre Lupescu: That's right.

Suddenly, Andre Lupescu's blue eyes turned neon blue, and he was surrounded by a white and silver, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and immense rainbow protective aura with all the elements swirling around it, and then, silver wolf head stud earrings appeared on his ears with blue gems for eyes and the Star, Dark, Ice, Cosmic, Universe, God, Xelnaga, and Eternity Kanjis on its heads and a Crystal Necklace of The Buddha with blue gems on silver crescent moon links and blue crystal links and blue wolf-shaped Element of Harmony and on the bottom of The Element of Harmony is a wolf with blue gems for eyes and the Star, Dark, Ice, Cosmic, Universe, God, Xelnaga, and Eternity Kanjis in its paws for the pendant and white and gold accented choker appeared on his neck.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Damian Sanders and forced him outside and we followed outside!

But, before we could attack him again, a massive garden grew and attacked him with fruit thrown at him, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair with green flower in her hair, green eyes, massive green angel wings, the Tree symbol tattoo on her right arm and Tree symbol on her forehead, green short-sleeved blouse, green short-sleeved frilly shirt, white gloves, green skirt with the Tree symbol, green knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, trees, earth, plants, leaves, phoenixes, and angels on the coattails, and on the back is the symbol of The Tree from Magic The Gathering, she has a nature greatsword in her right hand, and with her are the four girls.

Lincoln: (GASPS) Azalea Bhuvana, Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering.

Azalea Bhuvana: That's right, and not only did I get the girls away, but take a look.

We then saw that Azalea Bhuvana tied up Devin Sanders' men with vines.

Me: Awesome!

Nico: Wicked. Now, to get rid of this dirtbag!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Damian Sanders, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE ASSHOLE! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE ASSHOLE WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT DAMIAN SANDERS AND HE WAS BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we finally kill you.

Then, Andre Lupeau went after Damian Sanders and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Lincoln, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Damian Sanders, and they fired extremely powerful blasts of rainbow, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and they got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to his crotch, and he was pissed off big time.

Adrian Morrigan went after Damian Sanders, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at the asshole which hit him hard.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and the asshole didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash the asshole all over the place!

Qin: He didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at Damian Sanders and he got beaten up real good and he was mangled!

Andre Lupescu: It's finally over. Mom, Dad, I hope now you can finally rest in peace.

Sam (Sam & Max): (Harvey Atkin Voice) You did good, Andre. I'm sure your parents are smiling from their eternal resting place in Heaven, you did them justice and avenged their murders.

Andre Lupescu: You're right about that. But, I'm still going to help defend the innocent and keep the city safe.

Max (Sam & Max): (Robert Tinkler Voice) Yep, you've since become part of our family since you were four, and you're with us for eternity.

Suddenly, Azalea Bhuvana had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Azalea Bhuvana was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Matilda Roo: (Australian Accent) Same here.

Azalea Bhuvana: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Azalea Bhuvana and hugged her, and Azalea Bhuvana is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Azalea Bhuvana: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Azalea Bhuvana, Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of earth, plants, leaves, and earth creatures of myth and legend. She's The Queen of The Elemental Plane of Earth and Avatar of The Earth and Ivy Elementals of Magic The Gathering, and she's the Earth Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of earth, plants, leaves, and earth creatures of myth and legend, and over time, he gained all the powers of earth, plants, leaves, and earth creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a vengeance and she vowed to trap her inside an enchanted tree for all eternity.

Me: We already got rid of that old goat and sent her to The Black Abyss.

Azalea Bhuvana: Thank goodness.

Anna Anyanova: You have no idea how much trouble that old goat has caused in the past, and we also recently got rid of her twin sister, Mopes, who's just as bad.

Azalea Bhuvana: What?! Aw man! I should've been there to see her get her just desserts.

Laney Emperyous: We got a video of it for you to see.

Azalea Bhuvana: Perfect.

Sam (Sam & Max): (Harvey Atkin Voice) Still, I can't believe that a little old lady would cause that much trouble.

Rita: She's been trouble ever since she was born and she hasn't slowed down with age at all, and just became a lot worse.

Lynn Sr.: She also has a criminal record that's twelve football fields long!

Lynn: It's actually much longer than that, Dad.

Lanaia: And let's not forget what she did in murdering Claudia. When I heard it and Lincoln's cries of pain and anguish along with hearing that witch's cackling, I swore if I ever saw her again, I was gonna kill her.

Max (Sam & Max): (Robert Tinkler Voice) She did what?! Ooh, if we didn't hear that you guys gave her The Black Abyss, we'd find that old shrew and dangle her wrinkled-covered hide out the window and threaten to drop her onto the pavement, and I'm known for my white greasy butterfingers.

Sam (Sam & Max): (Harvey Atkin Voice) It's true, you should see him try to tie an ascot.

Andre Lupeau: And you also dropped a bowling ball on a crook's head when he tried to break into the car.

Lincoln: Oof, nothing's worse than getting hit by a heavy object held by someone with a bad case of greasy butterfingers, and now that you're here, Azalea.

Lincoln with his massive muscular arms still wrapped around Azalea Bhuvana's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Azalea Bhuvana: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Azalea Bhuvana with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Azalea Bhuvana: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Azalea Bhuvana.

Azalea Bhuvana had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Azalea Bhuvana's waist, and he leaned down to her face and kissed her on the lips, and with Azalea Bhuvana's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Azalea Bhuvana had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Azalea Bhuvana: (In Heaven) My God. Oh, Lincoln, you better tell the guys to hide in their rooms! The four girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood. The four girls are Mira Tsubakihara from Master Piece, Haruka

Fujisaki and Yuzuki Sarashina from Natural Vacation, and Meg from Dead or Alive.

Lincoln: Oh whoa, it's Mira Tsubakihara from Master Piece, Haruka Fujisaki and Yuzuki Sarashina from Natural Vacation, and Meg from Dead or Alive.

Nicole: Holy moly! So, those were the girls Azalea helped to get away from that dirtbag, and she, Travis, and Red were right to have warned Dad and the other boys to run to their rooms, these girls are really sexy and voluptuous.

Lincoln: And it's been a long while since that happened, and you know, I'm still stunned J.D. knew that I saw potential in Kamira, Ranke, and Fugai and that they'd be perfect for my harem.

Nicole: Even I was stunned, but Dad's always picked up on the feelings of his family and friends and easily deduces those said feelings.

Lincoln: Exactly. Are you girls okay?

Mira Tsubakihara: Yes, we're okay, thanks to you.

Then, when Mai Tsubakihara and the other three girls saw who it was that saved them from Damian "The Demon Wolf" Sanders, their faces turned atomic red upon seeing the 10'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the

Mira Tsubakihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mira Tsubakihara: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mira Tsubakihara, Haruka Fujisaki, Yuzuki Sarashina, and Meg with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was one awesome crime-busting adventure in the seedy part of New York.

Caleb Maxwell: Hey, the East Bronx may have its bad reputation, but it's still part of New York.

Lincoln: Still, the East Bronx is a pretty dangerous part of New York and the crime rate there is pretty high.

Nico: Too true.

Me: And a lot of the NYPD cops take a serious risk when it comes to the East Bronx and the Bronx in general.

Andre Lupescu: Well, I've taken that risk and I've taken down a lot of crooks and sent them to the NYPD precinct to be booked and jailed.

Jack Howard: With lone wolves like you and Caleb out there, there's bound to be more blood on the streets.

Caleb Maxwell: Next crack I hear out of you, I'm gonna shove a bucket of ice down your pants, Jack.

Roxy Drake: You of all people should know you can't even do that, Caleb, because Jack always wears leather pants, and any of your repeated attempts to do so always ends with you getting caught and covered head to toe in barbecue sauce.

Me: (Snickers) W-wait, what? You guys actually...?!

Jack Howard: (Smirks) Yep.

Suddenly...!

NICO AND I BUSTED OUT LAUGHING HYSTERICALLY WHILE ON OUR BUTTS!

Caleb Maxwell: Jack Howard, you better start running because when I catch you, you're gonna get covered head to toe in molasses and feathers!

Jack Howard: Ooh, I'm so scared. (Smirks) But, I think you forgot one thing.

Suddenly, Jack Howard lifted Caleb Maxwell up with his left hand!

Jack Howard: You forgot that I transformed when we were on Chikyu.

Cage Blunt: And a lot of us have also transformed, well, except for Cuffs, Buffy, Vessie, Peace, Leela, Allie, and finally, you.

Captain Whitten: I think you should put Caleb down, Jack.

Jack Howard did so.

Caleb Maxwell: Great, now I feel like I've been chewed up and spat back out.

Suddenly, Andre Lupescu felt the air grow cold.

Andre Lupescu: Why did I just feel cold air and caught the smell of death in the air.

Ash Williams: Oh no. If they summoned the you-know-what into our world, I'm going down to Hell and blow their heads off.

Sam (Sam & Max): (Harvey Atkin Voice) Yep, the smell of death's in the air along, but I didn't pick up the scent of slapstick. Plus, from what we heard, Brittney locked up The Necronomicon Ex-Mortis after you guys took care of your evil Deadite self, Ash.

Ash Williams: Oh right, now I remember.

Lincoln: Whatever's out there, I'm gonna take care of that.

After Lincoln and all of us Andre Lupescu and we'd taken down Damian "The Demon Wolf" Sanders and Andre Lupescu sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Azalea Bhuvana saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Azalea Bhuvana: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Azalea, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Azalea Bhuvana: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've

gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Azalea Bhuvana: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm rang and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Gargos from Killer Instinct, he's back from the dead and on the loose.

Kim Wu: It's Gargos.

Lincoln: It's been two years since we fought him. That's it, I'm going to absorb him and I have a feeling the life forces and souls of the other Guardians and Ichoerians that he stole and absorbed into his body except for the Dragon Guardian, Yeouijuin, inside your nunchucks and The Tiger Spirit in Jago are going to merge with me.

Talia Houou Flameheart: (Irish Accent) Just like when I underwent the ritual 7,700 years ago.

Lincoln went out and confronted the evil Ichorien.

Gargos: You have ruined my plans to rule the Earth, and for that, I will destroy you and all of Team Loud Phoenix Storm for this humiliation.

Suddenly, Lincoln fired chains of heavenly golden light that chained Gargos and he was unable to fight back and Lincoln slashed Gargos open and freed the lifeforces and souls of the other Guardians and Ichoerians who watch on.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into Gargos' chest, and he began absorbing him and he and all of us assimilated Gargos' vast godly Demonic powers, Power creation, Soul absorption, Summoning demonic minions at his command, Resurrection, Healing factor, and Great strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Gargos and Lincoln drained the evil Ichoerian's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Suddenly, the lifeforces and the souls of the other Guardians and Ichoerians entered Lincoln's body one by one and their lifeforces, lives, and spirits merged with Lincoln and his power skyrocketed to incredible heights of power.

Kim Wu: The spirits of the other Guardians and Ichoerians Gargos had slain have merged with Lincoln and he now has all of their powers as well along with absorbing Gargos and assimilating all of his powers as well.

Lincoln came back inside and he continued working out with us.

Nico: Looks like we got rid of Gargos for good, but this also means...!

Nicole: The villains of Killer Instinct are also coming back as well. But, you took out the main bad guy, Gargos, and you not only absorbed him and you and all of us assimilated all of his powers, but you freed the spirits and lifeforces of the other Guardians and Ichoerians he'd slain and absorbed into him and they merged with you.

Lincoln 2: (Through Lincoln's Third Eye) And we should say this, but we also gave Lincoln the power to merge the spirits and lives of powerful warriors into his body gaining even more incredible power and their powers, strengths, skills, and abilities as well, but only if they're on the brink of death.

Me: Wow...

Nico: Just like with the ritual Talia went through.

Lincoln: Yes, and everything Lincoln 2 said was true. He and the other counterparts of myself have given me the power to merge the spirits and lives of powerful warriors into my body gaining even more incredible power and their powers, strengths, skills, and abilities as well, but only if they're on the brink of death.

Eli: That's heavy.

Andre Lupescu: Indeed.

We noticed that Andre Lupescu was being glared at by Andre Delacroix.

Caleb Maxwell: (To Andre Lupescu) I hate to say this, but my friend, Andre Delacroix, is glaring at you with hatred in his eyes. I don't even know why.

Andre Lupescu: I think I know why, it's because my family has had problems with Andre's blood since the early part of The Middle Ages. The Delacroix Clan of France's reputation for being a powerful clan of white magic users and werewolf hunters only began in 1573 after Jacques Delacroix killed Gilles Garnier, but their reputation is actually much darker going back to The Dark Ages.

FLASHBACK TO THE EARLY PARTS OF THE MIDDLE AGES A.K.A. THE DARK AGES

Andre Lupescu: (Narrating) The Delacroix Clan of France had their reputation for magic, before the white magicians and werewolf hunters of 1573 and onwards, the early ancestors of their clan were black magicians, wizards, warlocks, witches, and heretics, and they'd brought terror to France and the whole of Western Europe. My clan, The Lupescu Clan of Romania, were powerful white magicians, mystics, and warriors, who've practiced the holy arts of white magic and the symbol of our clan is the White Wolf, a symbol of purity.

THEN, SCENES OF FIERCE BATTLES HAVE TAKEN PLACE!

Andre Lupescu: (Narrating) For centuries, my family defended Western and Eastern Europe from the black magicians, wizards, warlocks, witches, and heretics and that also included the early ancestors of The Delacroix Clan, and they hated us all with a blazing passion. In the year 1102, my ancestor, Nicholai Lupescu, the greatest white magician, mystic, and warrior of our family's history faced Andre Delacroix's medieval ancestor, Louie Delacroix, the most evil black magician in France in the fields of Romania. That man sought to plunge Europe into chaos and made a deal with a dangerous vampire lord to do so, but in the end, Nicholai Lupescu triumphed and cut off Louie Delacroix's head and then, he used a holy magic ritual that destroyed Louie Delacroix's heart and organs along with his entire body, that way, no dark magic could bring him back from the dead, and thus, because of Louie's dark actions, over the centuries, The Delacroix Clan's line had been forever tainted by darkness and they forever associate them with Louie Delacroix.

FLASHBACK SHOWS LOUIE DELACROIX SLAIN BY NICHOLAI LUPESCU AND USING A HOLY MAGIC RITUAL THAT DESTROYED THE SLAIN BLACK MAGICIAN AND THE OTHER BLACK MAGICIANS OF THE DELACROIX CLAN BANISHED FROM FRANCE FOREVER AND THE FLASHBACK ENDS

Andre Delacroix: And in the aftermath of that battle, you Lupescu scum banished my ancestors to the darkness forever. We've worked so hard to erase that dark part of our family's history and we became part of a legacy of white magicians and werewolf hunters in 1573, but you decided to bring that part of our dark past back from the dead! I should've killed you by the time I saw your face!

Caleb Maxwell: What did you just say, Andre Delacroix?! So, you're still that sore about Mr. Lupescu digging up a dark part of your past, I knew your family had a dark history, but I never guessed it's THAT dark or that your early ancestors from The Dark Ages were absolute heretics!

Andre Lupescu: Now, don't get too furious, Caleb, or you'll probably say something to him that you're gonna regret.

Caleb Maxwell: (Sighs) Okay, I won't say something that I'll regret, but Andre Delacroix, you're on thin ice with me.

Allie Maxwell: Same with me, even if you're part of a line of white magicians and werewolf hunters, after what we heard, that dark mark of the past has come back to bite you in the ass, Delacroix!

Andre Delacroix: Why, you...!

Caleb Maxwell got out his guns and aims them at Andre Delacroix.

Caleb Maxwell: Your hand so much as goes for that whip, you're getting two bullets right between the eyes.

Ash Williams: Ooh, he ain't kidding, I'd take that hand off that whip if you know what's good for you.

Andre Delacroix: Damn it...! Fine.

Andre Delacroix got his hand away from his whip.

Nico: Well, that was awkward, you exposed Andre Delacroix's dark family history and even exposed a darkness his family had.

Andre Lupescu: Sorry about that, but it had to be done. I couldn't stand seeing him glare at me with hatred.

Sam (Sam & Max): (Harvey Atkin Voice) True, and that's one thing we're not gonna stand. If any sort of trouble starts again, you tell us, Andre, we're not gonna let that Delacroix punk hurt you.

Andre Lupescu: Okay.

Ash Williams: Oh, that reminds me, you up for another night of Poker, Sam?

Sam (Sam & Max): (Harvey Atkin Voice) Always up for it. We'll meet at one of the new casinos that's opened up in the city.

Lincoln: Thanks to Lana and the Mascots winning big in the casinos in Las Vegas, someone decided to open up a casino here.

Andre Lupescu: I'd better go too, something smells fishy about that casino.

Caleb Maxwell: I'll also go too, if there's a crooked casino owner, his head's getting a heavy dosage of silver bullets.

Me: Uh oh.

Nico: That's a good idea you and Andre Lupescu are going, Caleb, something smells fishy about that casino that's opened up, and if the owner there is a criminal or a supernatural monster, you guys be ready to spill some blood.

We got a shower, and then, Lincoln, Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono are heading to Seaside Hill.

Lincoln snapped his fingers, and the 10'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Sayaka Maizono is also one of Lincoln's Childhood Friends and he promised that he will bring her back to life, and that he was in Hope's Peak Academy's 78th Class and was known as The Ultimate Planner and was one of the few students that survived, but the others not so much.

Sayaka Maizono: Wow, we're here in Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Sayaka, and it's perfect for our first date, shall we?

Lincoln, Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Sayaka Maizono: (Swooning) My God, Lincoln's really grown that much from the little boy that I met at Hope's Peak Academy, and I missed out on so much when I died, he's become a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and

Sayaka Maizono and hugged them in their abnormally massive and powerful muscular arms, and Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono are now in your harem, Linky.

Leafos, Lien Neville, Lieselotte Sherlock, Clover Dew, Monaca Towa, Kotoko Utsugi, Komaru Naegi, and Sayaka Maizono showed the marks Lincoln made on the right sides of their necks.

Me: I'm still stunned about the story of how you met Sayaka Maizuno, Lincoln.

Nicole: And that you were in Hope's Peak Academy's 78th Class and you're one of the few students that survived, but the others not so much.

Lincoln: Yep, it's all true, I was known as The Ultimate Planner and I survived Hope's Peak Academy's 78th Class, but the others didn't and it included Sayaka Maizuno, and I swore that I'd bring her back to life, and I never back out on a promise.

Jenna: You girls had no trouble at all.

Leafos: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and thirty-five massive and long wolf brown tails, and we were

really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the

extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lola, Flare and Kimi's final mission.

Nico: Anyone else want to go with Lola, Flare Firestar, and Kimi Lao? Besides Mikey Kudo, Michael, and Flurry Heart?

Mandee: You know I'm going.

Metal Sonic: So will I.

Twilight Sparkle: Me and my friends will go too.

Flurry Heart: All right Aunty!

Lincoln: And me and my siblings will go too.

Me: Okay then.

Nicole: I'll go as well. I have a feeling I am going to know the next Dark Gale gene-slammer.

Me: Okay.

We were off.

We arrived.

Rei: Hey guys!

Lola: Guys, meet Mikey Kudo, Michael, and Flurry Heart

Mikey Kudo: Hey there. I'm Mikey Kudo, leader of the Fusion Fighters.

Michael: I'm Michael, a Pokemon Rescuer.

Nicole: Same here. I'm Nicole Knudson, J.D. is my dad.

Me: Yep.

Lincoln: I'm Lincoln Loud, Lola's big brother.

Rei: (GASP) The famous Lincoln Loud!? I've heard so many incredible things about you and everything you have done with everyone. It's an honor.

Lincoln: It's a pleasure too Rei. And these are my siblings.

Nebula Lanaia: I'm Nebula Lanaia Loud the Eldest.

Lori: I'm Lori.

Eli: And this little guy in my arms is Leo.

Leo: Uwa.

Rei: Wow it's such an honor to meet you all.

Michael: And this is Eevee.

Eevee cooed.

Rei: Aww.

Flurry Heart: Michael and I have rescued lots of Pokemon and even purified them from being Shadow Pokemon.

Me: Long story but that was cool.

Kimi Lao: It sure was.

Rei: I can see that. Lincoln I heard from the other Ultraman teams that you were chosen to bring down Chase Young.

Lincoln: That's right. It's a prophecy that is centered around me.

Me: Lincoln is the Reincarnation of Amaterasu, the Goddess of the Sun in Japanese Myth and he was chosen as part of the prophecy to kill Dark Chase Young. For over 1,500 years he has caused ALL KINDS of horrible atrocities around the world. Not just on Earth but all over the universe too.

Lincoln: It's true.

Rei: Oh man!

Me: Yeah. When Kimiko has her big day we're going to kill him and make him pay for all the things he has done. Lincoln and his family have 400 years of retribution to dish out on him.

Lincoln: The reason? He and Morag's ancestor drove out my ancestors and killed them to stop the prophecy. But they failed.

Me: Yep. And when that day comes we're going to be ready for him.

Nico: Morag will be dealt with seperately.

Me: Yep.

Rei: Who was Morag?

Me: Well she is one of the minor helpers of Team Dark Phoenix Storm. Her name is Morag McLaughlin. Have you ever heard of the battle we had with Team Dark Phoenix Storm?

Rei: (GASP) You mean that huge battle where you went all over the world and stopped Mr. Mind and his forces?

Me: Bingo.

Nico: And my partner and one of the mascots Poromon, Ate Mr. Mind.

WE LAUGHED!

Me: Poromon said he tasted like chicken.

Applejack: (LAUGHS) That was funny.

Twilight Sparkle: (LAUGHS) It sure was.

Nico: Yeah.

Rei: So, Kimi. Tell me more about yourself.

Kimi: Well, I actually don't have a childhood with Nico

Nico: Kimi is still one of my friends but we didn't have a close childhood together.

Kimi: But we did get along great.

Nico: We sure did.

Eli: Yeah.

Kimi: I'm actually a welder.

Rei: Wow that is cool.

Kimi: It sure is. And my powers as a Pyronite Gene-slammer are perfect for it.

Me: That is awesome and neat.

Nico: It sure is.

Kimi: Yep.

Rei: Awesome. Lincoln just so you know, that you have our support to help you bring down Dark Chase Young and his evil forever.

Lincoln: Thanks. I appreciate that.

Nico: Cool.

Me: I have a feeling that this is gonna be a brutal fight of epic proportions.

Rei: I do too.

Nico: Yep. Any of your enemies running around?

Rei: So far nothing.

Lincoln: Hmm. (GASP) Oh man! I just had a premonition. We're going to battle Sunny Starscout's Akuma, Eclipse Starstorm! The Hypothetical Akuma of Sunny Starscout and a master of magic and the elements. She is a Centaurette Alicorn Girl and she is also a powerful force of nature. She is still the legacy of Twilight Sparkle and was made because of the crimes and atrocities of Opaline Arcana. She vowed to make that monster pay for her crimes in destroying everything Twilight her hero worked so hard to accomplish!

WE GASPED!

He showed a sketch of her and she was a purple Alicorn Centaurette with an Eclipse Comet Cutie Mark.

Me: WHOA! That one is cool!

Nico: See, this is why the security in the Black Abyss is strengthened. So Xehanort doesn't get lucky and break out like Opaline did!

Me: Nico don't worry about that. Xehanort and everyone are not getting out of the Black Abyss ever. Opaline got out because of Morgana Midnight Sparkle's Dark Magic.

Rei: I heard that Opaline is back because of that. I know you all can kill her.

Eli: Yeah.

Me: Besides this was the Opaline from her world.

Nico: Oh.

Me: Yeah.

Nico: Where is she?

Eli: (Concentrates) Over by a meadow by Mount Fuji.

Me: Whoa! We better get over there now.

Michael: Come on out, Fearow!

He called out Fearow!

Me: YEAH!

Nico: Lets head out!

We were off!

We were flying and arrived.

We saw her! We saw ECLIPSE STARSTORM!

Me: WHOA!

Eclipse Starstorm: Good to see you all are here.

Me: I got ot admit this is amazing.

Nico: Sunny is that you?

Eclipse Starstorm: Yes Nico it's me. I heard that the Opaline of this world is back.

Me: She is and we got an Omen to let us know. But the good news is she is significantly weaker than when we faced her a year and a half ago.

Twilight Sparkle: It's true. Also there's a prophecy involving me and J.D. on my day to shine.

Me: An EXTREMELY Rare Planetary Alignment is coming up and on that day it will be the decisive factor with how we kill her. I am the only one that will kill her. My sword is the key.

Eclipse Starstorm: Wow!

Me: I know.

Nico: First, we still have to find Applejack and Rainbow Dash

Me: The ones from Sunny's world. We still got plenty of time though. Our space scanners will let us know when the alignment is approaching.

Rei: So you guys have 2 prophecies to fulfill coming up.

Me: Yep. We're going to be REALLY Busy.

Nico: We sure are.

Eclipse Starstorm: I know you guys can do it.

Me: Yeah.

Lincoln went up to her.

Eclipse Starstorm: Hey there Linky.

Suddenly, Eclipse Starstorm wrapped her front legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and ten-pack abs.

But, he knew what was coming as he wrapped his massive arms around her waist, and then, he kissed her deeply on the lips which made her hair fly up into the air! He had her outsmarted at her own game of seduction and had her pinned to the ground as they continued to kiss deeply and passionately.

Rei: Whoa.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Eclipse Starstorm's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Eclipse Starstorm: (Swooning) (In Heaven)
What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Eclipse Starstorm with red gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Eclipse Starstorm making out with him.

Rei: Whoa uh what just happened?

Me: Lincoln has been known to be quite the charmer.

Nico: He does this to all his Future Wives.

Eli: It's true.

Nico:...you know we still have to fight you, right?

Me: Yeah.

Eclipse Starstorm: (Clears Throat) Sorry. But yes.

Me: Yeah. Anyway lets get it on!

I fired waves of fireballs and blasted her all over.

Eclipse Starstorm fired waves of star blasts and we dodged them.

Eli fired waves of Force Lightning and electrocuted her.

Lincoln fired waves of lightning and blasted her.

Flurry Heart got out her Gashat.

Michael and Mikey too.

Twilight and friends got out their Gashats.

Me: Oh Rei here is your Legend Items!

I gave him his Legend Items. His Archenemy is going to be Youkai Beast's Busuma.

Rei: COOL! Lets see what these can do.

He activated it and it was called Rei's Fight of the Flying Squirrel!

Lincoln and his siblings activated their Gashats and Nicole activated hers and we fired waves of energy and elements and blasted and smashed and pulverized her!

Me: YEAH!

Eclipse Starstorm: My turn!

She fired a massive barrage of stars and we dodged them and they hit the ground and exploded all over the place!

Me: WHOA! What power!

POW! Nico punched her!

Then a massive star blast flew in and blasted her down.

Me: WHOA!

We saw a Cosmog!

Me: A Cosmog,

Nico: How did that get there?

Nicole: It must be one of Dark Gale's work. Lets see.

She used telepathy and gasped!

Nicole: Oh man! It's my friend Zepphyra Allodala! She's from the planet Rheannya.

Nico: WHOA! The Rheannyaneans? The Saiyans battled them ages ago and defeated them every time. They get stronger just as much as we do and always outclassed my people years ago before the fall of Vegeta.

Me: WHOA! I didn't know about that.

Nicole: Yep. Lets go help her dad!

We went to face her.

Nicole: Zepphyra it's okay. It's me Nicole.

All she did was charge at her and we dodged her.

Me: Okay then.

We fired stars and blasted her down.

Then I snapped my fingers and she reverted back. She was a girl with purple hair and had purple eyes and magenta sclera and had Cosmog on her forehead and had purple star angel wings and also had a cutie mark shaped like an angel in a purple jewel.

Nicole wrapped her in a blanket.

Zepphyra Allodala: (Groans) What happened?

Nicole: Zepphyra are you okay?

Zepphyra Allodala: Nicole? (GASP) It is you!

She hugged her.

Zepphyra Allodala: Thank goodness you are here.

Nicole: I was worried about you. Also you were turned into a Cosmog by Dark Gale.

Zepphyra Allodala: (GASP) I remember!

She was in a purple suit and injected and then in a vortex of stars she turned into COSMOG! She flew out.

FLASHBACK ENDS

Zepphyra Allodala: It was awful.

Me: I know. But we destroyed Dark Gale forever. By the way what do you do on Sonya's Team?

Zepphyra Allodala: I am a star angel ambush specialist and use the stars and fly in and blast our enemies from the sky.

Me: Whoa!

Zepphyra Allodala: Yep. Outside the team I'm an airplane mechanic and it's cool.

Me: Yep. We're in the middle of a battle now.

Rarity: Lets give you some new clothes darling.

Rarity and me gave her awesome purple clothes and she looked cool.

Zepphyra Allodala: Wow! I look awesome!

Nico: You sure do.

Zepphyra Allodala: Wait Nico you're a Saiyan?

Nico: Yeah but I'm leading them on the road to redemption. Long story.

Zepphyra Allodala: Okay then.

Zepphyra fired waves of stars and blasted Eclipse Starstorm down.

But then a massive blast of ice hit Eclipse Starstorm and froze her in a block of ice!

Me: WHOA!

We saw a girl with blue hair and red eyes and black clothes and wings and a tiara with Ultimate Arctiguana on it.

Me: (GASP) Arlia Arctiguana!

Nico: Ultimate Arctiguana's embodiment.

Arlia Arctiguana: (Grunts) Good to see you J.D. and yes it's awesome.

Me: Is it cold in here or is it just me?

Arlia Arctiguana: Good memory.

Arlia lost control and fired a massive blast of ice at Metal Sonic

Metal Sonic ran fast and dodged it and it hit Nico and froze him!

Nico: (Frozen) THE YUTZ WITH THE HORSE!

I fired the cure ray and injected her.

Me: There.

Arlia Arctiguana: (FERAL GROWLING) NICO YOU ARE A FATASS!

Nico: (HADES RAGE SCREAM)

He exploded out of the ice!

Mandee charged at her and fired waves of fire.

Mandee activated her Gashat and fired waves of fire and blasted her.

Metal Sonic ran fast and bashed her all over.

Me: YEAH!

Nicole: Like old times?

Zepphyra Allodala: You know it!

Nicole and Zepphyra: STELLAR SKY DRAGON STORM!

They fired waves of stars and energy and it formed into a deadly dragon and blasted her down and then the antidote took effect and she had her blue eyes back to normal.

Arlia Arctiguana: (Groans) What hit me?

Me: Ugly story.

Rei: That was awesome!

Lola: YEAH!

Me: It sure was!

Eli: YEAH!

Rei: Lola, ever since I met you, Flare, and Kimi, I've seen you as sisters.

Lola: Really? Oh Rei!

They hugged him!

Lincoln: Aww.

Rei: Oh bring it in!

They hugged him.

Me: Aww. So awesome!

We later went back home.

We later arrived.

May: Hey guys!

Maria: How did it go?

Me: Awesome!

We told them everything and it was cool.

Sunny Starscout: WHOA! You guys battled my Akuma? That is amazing!

Xenia: It sure is!

Nico: Lisa, you, Jared, and Leanne Nikos are next for Ambassador missions

Lisa Loud: Splendid! I'm really looking forward to this diplomatic endeavour.

Me: We are too.

Jared: Yeah!

But then...

BLOODCURDLING SCREAM!

Me: UH OH! That scream doesn't sound good!

---

20 Minutes Earlier, at the preschool, it was show and tell.

Poromon: We got a special surprise for show and tell today!

Kid: What is it?

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

AND THEN...

BLOODCURDLING SCREAM!

Tarantulas: Lincoln, I hope you realize that there are villains just as bad as Dark Chase Young still out there.

Lincoln: I know.

Then the phone rang.

Me: I'll get it.

I answered.

Me: Team Loud Phoenix Storm Estate?

It ws the principal of the preschool.

PHONE BABBLE!

Me: Yes? The Mascots did what!?

UH OH!

We went to the school!

Later me and Nico were in the principals office.

Principal Diane: The Mascots showed a really disturbing trailer to everyone and it scared the children!

Me: Wait. Don't tell me. They showed the kids the trailer for Winnie the Pooh Blood and Honey.

Principal Diane: That's right! Wait you guys hate that movie too?

Me: Hate it? We LOATHE it with EVERY FIBER of our being!

Nico: That movie is a disgrace to everything we love about Pooh!

Principal Diane: I hate that movie too! Let me show you.

She went to a wall and pulled a book and then we saw a door open to a secret room and it had a MASSIVE COLLECTION of Anti-Childhood Destroyer Memorabilia!

Me: WHOA! You amassed a collection of Anti-Childhood Destroyer Movie stuff.

Principal Diane: I sure did. Those movies are a menace to the world and our childhood movies.

Me: You got that right.

Nico: The Mascots destroyed the real things a couple of weeks ago.

Principal Diane: That is amazing.

Me: It sure is.

Principal Diane: How come you guys haven't destroyed the men that made it and sent them to the black gates?

Me: Believe me we get asked that all the time when we have big day missions and we get asked that very question. And I say we can't do it because it's against our code. It's because they are innocent people and our code prohibits us from killing the innocent.

Nico: So we went with Blu's idea and launched that lawsuit.

Principal Diane: I remember seeing that. But they are still showing those movies.

Me: I know. The Mascots use the trailer in many of our battles and its proven to be quite the weapon that scares the living daylights out of bad guys.

Principal Diane: I can see that.

Me: Yep.

Nico: We are truly sorry about this.

Principal Diane: The mascots scared lots of kids.

Me: We heard them scream from our estate a few minutes ago. Also at least the Mascots didn't show a Robot Chicken Sketch or give them beer.

Principal Diane: That is true.

Me: We're sorry this happened though.

Principal Diane: Well since it's one of your teammates big days, I'll let them off with a warning.

Me: Thank you. We'll give them a good punishment for it accordingly.

Nico: Yeah.

Poromon: Are we ready to go on your big day now?

Silverstream:..,you know, for cute mascots, you guys can be dumbasses sometimes

Poromon: Huh?

We came in and had a stern expression on our faces.

Me: We're going to talk when we get home.

We got back home and LETS JUST SAY WE WERE NOT HAPPY!

Nico: Did you guys really think you would get away with it?!

Nicole: Yeah!

Me: Oh is damage control done?

Varie: Yes all those kids are wiped of the trauma.

Me: Good. Now where were we? Oh right.

Poromon: Guys we're sorry we just wanted to spread the message about Blood and Honey!

Me: We know but at that young an age it will scar them for life! It'll be like Luan killing Lincoln with one of her pranks!

Luan gasped.

Me: Oops sorry Low Blow.

Horsea: At least we didn't offer beer with a Robot Chicken Sketch.

Dead End: And this is better?

Nico: I'm laying hard boiled eggs because of this!

Leni: Are you really doing that Nico?

Nico: It's just an expression!

Me: Nico calm down it's just Leni being Leni.

Camie: Yeah.

Horsea: But still.

Me: We said the same thing to the principal. But we still have to punish you guys.

Kup: Should we spank them?

Nico: No. I got something better. For the next 3 weeks you are going to give Sunny and friends and Lori, Lynn, Luan, Lisa and Lola manicures, pedicures and massages.

Lilja: And me too!

Me: Fair enough.

Poromon: Okay then.

Me: You guys do good spa treatments.

Fluttershy: That is true.

Poromon: We're sorry.

Mascots: Yeah we're sorry.

Finn (Jackie Chan): Now, I hope you guys learned an important lesson

Poromon: We have.

Xenia: Good.

Lola: You can start the massages now

They got to work and it was relaxing.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our ultimate final showdown with Mantid, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Mantid, he's on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Mantid.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Mantid, he's on the move and causing havoc.

EVERYONE GASPED!

Silverstream: I knew it, I knew he'd be on the move.

Shining Armor: Now, we can deal with him for good.

Bebe Bolton: And send him to The Black Abyss.

Lincoln: We got to watch it though, even though Dark Sebastian and his minions are in Hell and are not coming out until May 5th, Mantid's not only got a lot of soldiers and all of them are well-equipped with weapons, but there's no doubt Dark Sebastian still has some nasty traps set up.

Nico: That'll be left to Selena to disable and you to absorb Mantid's soldiers and weapons as well.

Me: Better be very careful though, there's also the matter of Evil Cozy Glow.

Lincoln: Don't worry, that'll be left to our "distractions".

Nico: Uh oh. Alright, guys, let's go, we're heading out to help The Spider Riders get rid of Mantid.

Lincoln: His reign of terror ends here.

The previous group came.

Cavalier: Can me, Weather Wizard, Ranamon, Kite Man, Beautiful Gorgeous, Killer Croc, Hydros, Chillyfish, 10,000 Volt Ghost and Bizarro go with you guys?

Nico: Yes you all can come with us.

Kite Man: We heard the Mascots got into terrible trouble.

Me: Yeah.

Klaus Von Herzon: Nico, which Gene Slammer do you think you'll meet next?

Sirenoid: Is it someone powerful?

Nico: It is. Evil HERO Malicious Edge.

Me: Sharp and deadly.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Evil Cozy Glow, she's back from the dead and wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: I knew she'd show up here!

Me: Lincoln, was that?

Lincoln: Yep, it's our old enemy, Evil Cozy Glow, she's back from the dead and she still wants revenge on us. But, like I said this morning, we weaken her first so that way I drain her dry of her powers and magic, and then, we finish her off.

Silverstream: Good idea. Now, let's get going, Mantid, your time's up. Hunter, hang in there, we're coming.

Nico: Hey, that's my line.

Silverstream: Sorry, Nico.

Me: But, we got the idea.

Lincoln: Yep, and once we get done with Mantid, your time is up, Evil Cozy Glow, your reign of terror will end permanently.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to meet up with Hunter Steele and The Spider Riders and then, we head out to destroy Mantid for good, and once we're done with him, we're going to destroy Evil Cozy Glow and send her straight to The Black Abyss.

We were off to the Inner World of Arachna.

We arrived.

Me: Aweesome to be here.

Camie: It sure is cool!

Weather Wizard: Let's call Goro.

Me: Good idea.

Goro came.

Goro: I'm ready.

We went to find them and we found them in the castle.

Hunter Steele: Hey guy guys made it!

Me: We sure did.

Hunter Steele: I'm so glad you all made it on time. But, it seems too quiet.

Nico: I think we should explain. On Lana's big day mission to Chikyu, we had trouble.

Lincoln showed The Spider Riders on his sketchbook The Symbol of Apophis and The Sigil of Malphas.

Corona: Whoa, those are some evil looking symbols, what are they?

Lincoln: That's The Symbol of Apophis, Egyptian God of Chaos and The Sigil of Malphas, Demon Prince of Hell, and the calling cards of The Order of The Dark Universe and The Dark Church of Malphas.

Me: And their members are seriously bad news. The first one is a very dangerous and very demonic enemy of ours, his name is Dark Sebastian, he's the dark side of Sebastian Mendez, he came into our world thanks to his parents who were Satanists, and they attempted to bring Malphas to our world to destroy us many years ago, but the spell backfired and brought Malphas' creation, The Black Ooze of The Eldritch, into our world. Long ago, it killed the parents of Sebastian and Selena Mendez, Leader of The Hunters of The Nightflame Sun, and Sebastian wound up getting possessed by it and turned into that murderous and dangerous monster. Selena got her powers from the Nightflame of Nyx and she drove Sebastian away and into the darkness, and no matter what we did to try and keep the evil at bay, the evil kept coming back even worse than ever.

Lincoln: That was until we found the answer in a book in Hell: The Holy Hands of Virtue.

Rainbow fire and energy surrounded Lincoln's hands and my hands as well along with heavenly light.

Aqune: Wow.

Me: Yep, it's that powerful and we used it to permanently purify and free Sebastian from The Black Ooze of The Eldritch, but it transformed into Dark Sebastian, and on May 5th, we're going to war with him and The Dark Church of Malphas, an evil Satanic Cult whom I destroyed long ago when I killed its 600 plus members years ago, along with The Order of The Dark Universe, they're an evil Satanic Cult that made Sebastian worse than ever, they imbued Sebastian with the powers of the evil god Apophis in order to destroy the entire universe and remake it in their own image into an evil universe where only evil reigns supreme.

The Spider Riders gasped.

Selena Mendez: The ritual worked and Sebastian was imbued with the powers of Apophis, but in a cold-blooded act of cruelty, he killed Astaroth Voldemorte, the former leader and founder of The Order of The Dark Universe, and he took his powers of darkness and sent his soul to Hell and he became the new leader of The Order of The Dark Universe, and the ritual made him even worse than ever: now, he truly was out for destruction and chaos.

Camie Elextor: And they're also equally dangerous.

I took out the photo of The Necroshade Siblings.

Me: That's right, Alaister Necroshade is the high-ranking leader and founder of The Dark Church of Malphas and the nine other high-ranking members are his brothers and sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade. They were the worst of the worst Satanists ever, they were from my old high school in Colorado, and they were just as bad as Damian Alaister and his friends who formed The Church of Necrom, but they were even more bloodthirsty and destructive!

Then, Selena Mendez took out the photo of The Order of The Dark Universe members.

Selena Mendez: And the members of The Order of The Dark Universe are just as twisted, their names are Michael

Ondrushko, 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves, Demon Summoner of Darkness, Reagen Lestranfe, Black Magic Spellcaster of Darkness, Owen Thatcher, Satanic Ritual Master of Darkness, Alex Creighton, Hellfire Master of Darkness, Windsor Grimm, Hell's Winter Mage of Darkness, Ryan McCabe, Demon Wind Master of Darkness, Aragon Cochran, Demon Earth Master of Darkness, and Nergal Glaphyra, Demon Lightning Master of Darkness.

Hunter Steele: Jeez.

Nico: And eight years ago, The Hunters of The Nightflame Sun defeated Sebastian and The Order of The Dark Universe, and after he fled to The Netherworld, Selena had imprisoned the members of The Order of The Dark Universe in an abandoned castle in Transylvania, where they died of starvation two months later. But, eight years later, on Lana's big day mission on Chikyu, Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade performed a resurrection ritual and they resurrected Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

They gasped in horror.

Hunter Steele: That madman.

Lincoln: And for the past few days, they've been nothing but trouble, but on May 5th, we're going to war against The Forces of Darkness and we'll send them all to The Black Abyss forever, but we don't have to worry about them, during Nico's rescue, I scared those jerks so bad, they fled to Hell and they aren't coming out until then.

Lumen: That's good. But, we also got bad news, an evil girl that looked like Cozy Glow is here.

Cozy Glow: That's my evil self and she's an evil powerhungry Pegasus turned into an Alicorn.

Hunter Steele: And we heard the sounds of monsters and demons.

Selena Mendez: Great, even after Lincoln sent them running to Hell, those pack of snakes are still causing us trouble. Leave that to us.

Nico: Right. It's time to get after Mantid.

Lincoln: And I'll absorb his men while we're at it. But, first, Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Mantid is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Mantid saw it, and he let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, asshole!

Nico: Okay, now we can get after the bastard without any nasty surprises from those pack of snakes.

Me: After we have a good talk.

We went into the palace.

Laxus: We want to thank you guys for helping us against Kamejim

Me: We owe you big time for that.

Corona: Think nothing of it.

Magma: That was fun.

Camie: Yeah it was!

Qin: Yep.

Gira: That was so cool that you guys did that.

Jeramie: It sure was awesome.

Corona: We're glad we can help out.

Beautiful Gorgeous: Do you guys own a crab spider?

Hunter Steele: No we don't know sorry.

Me: Oh.

Qin: Mantid is going to pay for his crimes in blood.

Cozy Glow: Same with my evil self.

Thetis: That's right. We should explain about Evil Cozy Glow

Me: This was the Cozy Glow that we fought during the 20 Days of Darkness and the April 12th War.

I went over her history

Cozy Glow is one of the main antagonists of the 2010 animated series My Little Pony: Friendship is Magic.

She was once a friend of the Cutie Mark Crusaders and the Young Six, and the former top student of Twilight Sparkle's School of Friendship as well as her personal Friendship Assistant and now third arch-nemisis. However, she revealed to also be Lord Tirek's protégé, who plotted to get rid of Twilight and her friends so that she can take her school and use it to rule Equestria. After she was stopped and exposed, she was then expelled from the school and imprisoned in Tartarus alongside her mentor. Then they were released by "Grogar", (who was actually Discord in disguise) to join the Legion of Doom, but were ultimately defeated and petrified by the end of the series.

She is voiced by Sunni Westbrook.

Not much of Cozy Glow's past is known. What is known is that she was a young, but evil pegasus orphan who uses her wits and charm to get whatever she wanted. At some point, she got enrolled at Princess Twilight's School of Friendship with sinister motives.

Cozy Glow first appeared in "Marks for Effort" where she was crying outside the Cutie Mark Crusaders' clubhouse. The Crusaders approached her and asked what's wrong. Cozy answers that she is having difficulty with her lessons at the School of Friendship and fears flunking out. The Crusaders, wanting to attend the School of Friendship too, decide to help Cozy with doing her homework and assignments.

The Crusaders teach Cozy how to be friendly while doing nice deeds for Sweetie Drops, Mrs. Cake, and Big Macintosh. After Cozy gets an "A" on her assignment, the Crusaders assist her further by helping her study for an upcoming friendship exam, during which she learns about the values of friendship represented by the Elements of Harmony. However, Cozy fails the test and runs away, which causes Twilight to accuse them of intentionally tutoring badly out of spite for not being allowed into the School of Friendship themselves.

After Cozy saw what she did to the Crusaders, she decides to go to the school's guidance counselor and confesses that she failed the exam on purpose so that the Crusaders would be allowed to enroll at the School of Friendship. When the truth was revealed, Cozy finally apologized to the Crusaders for what she did to them. Finally, the Crusaders were accepted at the School of Friendship; not as students, but as tutors. Cozy is last seen leaving with her new friends as they set out to tutor more students.

Cozy Glow makes a background appearances in "A Matter of Principals".

She makes another background appearance in "The Hearth's Warming Club" just as Twilight dismisses the students for the holiday break.

Twilight and Rarity don't realize that Cozy Glow is the one who gave Flim and Flam the School of Friendship lesson plans.

She appears again in "Friendship University", giving Twilight the flyers that inform her about Friendship U, and later appears after Rarity questions how Flim and Flam could have gotten a hold of the School of Friendship's lesson plans.

Cozy Glow also appears waiting in line for Starlight's counseling in "Road to Friendship".

She makes a background appearance in "A Rockhoof and a Hard Place".

In "What Lies Beneath", Cozy stays behind to help Twilight organize the library when she notices the Young Six having a difficult time studying for a friendship test. She manipulates them into doubting their confidence in their friendship by saying terrible things about each of their races and claiming that friendship "isn't in their nature." She then leaves to fetch her study notes to help them. At the end of the episode, the Young Six meet Cozy upon completing their journey underneath the school, where she learns about the Tree of Harmony's test on their friendship skills, which worries her. When they consider telling Twilight, she begs them not to out of fear of getting in trouble for making them doubt themselves, which they agree to. As the Young Six drift off to sleep in exhaustion, Cozy ominously looks at the vent where the Tree of Harmony is hidden.

By the season finale episode "School Raze", Cozy Glow had become Twilight's top student and official "friendship assistant", helping her out with several tasks such as reorganizing the school's artifacts. But then all the magic in Equestria begins to disappear, and within 3 days, all of it will be gone forever. By Cozy's theory, Twilight assumes that the magic-stealing centaur, Lord Tirek is responsible, and decides to go with her friends to Tartarus to investigate. Cozy Glow believed that Twilight will leave her in charge in her own absence, but instead gives control to Starlight Glimmer, to which she agrees to.

However, the next day, Cozy informs the rest of the school that Starlight had left to join Twilight in her quest and has left her in control. When the Young Six question this, Cozy punishes them with extra homework. That night, they witness Cozy exiting the vent that leads to the Tree of Harmony's roots and they decide to follow her. When they reach the main office, they discover Chancellor Neighsay sitting in Twilight's chair as he assumes control over the school. He imprisons the Young Six save for Sandbar, who goes to the Cutie Mark Crusaders to help stop Neighsay. He suggests that they convince Cozy Glow to also help, but when they follow her down the same vent as before, they discover the horrible truth: She was the one responsible for Equestria's disappearing magic by stealing the school's artifacts and using them as a magnet to gather it all and send it away into another realm, thanks to advice from letters she's received from her pen pal, who was none other than Tirek, and even trapped Starlight in the vortex. She then explains that it was all part of her insane plan to get rid of Twilight and her friends so that she can take control of the School of Friendship and establish herself as the "Empress of Friendship".

Cozy attempts to convince Chancellor Neighsay to leave the school, but he refuses, so she orchestrates a student uprising to take back her position as a school headmare. Locking him in chains in the office, she then brags to the disgraced Chancellor how becoming head of the Twilight's school will allow her to become the most powerful pony in all of Equestria. As she leaves the office, the Cutie Mark Crusaders try to distract Cozy while the Young Six free Neighsay and Equestria's magic, but then locks them in a hall closet, as she was already aware of their deception.

She then leads her student army to the room with the magic vortex, where they find the Young Six, and lies to the students that they are attempting to destroy the school. In the scuffle that followed, Gallus gets trapped in the vortex and the others try to save him, only to be trapped as well. Then the portal opens and Starlight and the Young Six are dragged in with Equestria's magic. Seeing their willingness to save one-another, the students question if they should save them, but Cozy insists that they be left to their fates. But as they leave, the Tree of Harmony, which had been empowered by the Young Six's friendship, saves them all and frees the Young Six so that they can stop Cozy's vortex, much to her shock. Sandbar instructs the others to get clear of the resulting blast and they listen, despite Cozy's demands for them to stop.

When all the magic has been returned to Equestria, Cozy Glow, having been slightly singed by the blast, curses the Young Six for foiling her plans. At that moment, Twilight and the others appear and show their anger at the student who betrayed them all. Cozy tries to save face, but the Mane Six and Spike reveal that Tirek had told them everything and Twilight admonishes her for believing that power was all that friendship was about. Cozy shows no remorse for her actions and tries to escape, but she is caught between the other students, the princesses, and Chancellor Neighsay, and the royal guards, forcing her to surrender. For her crimes and is figured to be too dangerous to wander around other places, not only was she expelled from Twilight's school, but she was also sentenced to imprisonment within Tartarus. There, she tries to make friends with Tirek as she smiled evilly.

In "The Beginning of the End", while still imprisoned with him, Cozy Glow annoys Tirek by continuing to try and befriend him, before the both of them are suddenly transported out of Tartarus. Emerging within a mysterious cavern, Tirek and Cozy Glow are met by Queen Chrysalis, who immediately accuses them of summoning her, though Cozy Glow assures her that they thought she freed them. As this happens, King Sombra suddenly appears, causing the three to accuse him of summoning them, only for Discord (disguised as the ancient tyrant Grogar) to reveal himself to be the one who was responsible for summoning them. Tirek, Chrysalis, and Sombra are shocked to see him, as they believed he was only a legend, though "Grogar" assures them that he is real and states that he summoned them as part of his plan to rid Equestria of Twilight Sparkle and her friends.

Seeing that Cozy Glow does not know who he is, "Grogar" decides to demonstrate his power by giving Tirek a sample of magic that revives much of his strength. Tirek then tells Cozy Glow that "Grogar" is ancient and extremely powerful, as well as the former ruler of what would become Equestria, claiming that he had heard stories of his tyranny when he was younger. "Grogar" then tells the villains of how he created monsters that roamed the land and took whatever they wanted under his rule, before Chrysalis remarks how he was banished by Gusty the Great, although "Grogar" claims that he was only temporarily weakened when she took his bell; however, Cozy Glow points out that, since he has been weakened before even Tirek was born, he has a very different idea of what "temporarily" means, much to his annoyance. In reality, Gusty the Great really did banish the real Grogar into limbo, from where there is no return.

"Grogar" proceeds to tell the group that he has watched them and their failures to take over Equestria, and asks them why they have always been defeated by the same six ponies each time, with Cozy Glow stating that she's just a kid. "Grogar" rebuffs their answers and claims it is because their enemies work together as a team, demanding that the villains join forces with him to take over Equestria. Sombra, however, refuses to serve "Grogar" and arrogantly proclaims that he will take over the Crystal Empire by himself, causing "Grogar" to send him off to the Empire on the conditions that, if he fails, he will serve him or be destroyed again. After this, "Grogar" tells the others to prepare to work together and leaves. Cozy Glow immediately compares working together to making friends, telling Tirek and Chrysalis that they are in luck since she knows "all about that", though the former only flicks her away in annoyance.

Cozy Glow tries to get Tirek and Chrysalis to work together by having them each says nice things to each other, though this falls apart when Chrysalis refuses to say anything nice about ponies. "Grogar" then approaches them and states that he hopes the three of them will be enough to help his plans along, causing Tirek and Chrysalis to ask about Sombra. "Grogar" shows them that Sombra had failed in his plans to conquer Equestria and had again been defeated by the Mane Six, remarking that he will at least serve as an example to them as what will happen if they don't submit to his plans. Having seen this, Tirek, Chrysalis, and Cozy Glow unanimously agree to serve "Grogar", though they are seemingly left nervous by the thought.

Cozy Glow does not appear in "Uprooted", but she is indirectly mentioned by Yona when she recalls how she and her friends defeated Cozy Glow.

Cozy Glow also does not appear in "She's All Yak", but she is directly mentioned by Sandbar when he lists her and Sombra as two ponies worse than Yona.

In "Frenemies", as "Grogar" is working, Cozy Glow approaches him and tattles on Tirek for leaving food out, Tirek quickly approaching "Grogar" and telling him not to trust anything she says afterwards; though "Grogar" is quick to point out that he already doesn't trust anything that they say. After being annoyed by Chrysalis, "Grogar" informs the villains that he is leaving and demands that they all stop fighting and find a way to work together so that they can accomplish their goals. Cozy Glow assumes herself in charge and plans a team meeting. She approaches Tirek about it, which he agrees to go so long as she leaves him be. Cozy then approaches Chrysalis, who also agrees to go as long as there are cupcakes. At the meeting, Cozy Glow encourages the fact that they all need to trust one another, which Chrysalis finds hard to do as Tirek is trying to steal her magic. Tirek firmly denies doing such a thing (returning the magic he actually had stole to a cupcake that Chrysalis devours) and calls her out for constantly ranting to her log, before joining Chrysalis in telling Cozy Glow that she wasn't left in charge. Cozy Glow then tries to get them all to agree with one another over their common goals, leading them all into singing "Better Way to be Bad" with one another, only for them all to devolve into bickering.

"Grogar" returns to see this, and, upset to see they have not yet resolved their differences, decides to send them off on a mission to retrieve his Bewitching Bell from Mt. Everhoof so that they can learn to work together. Cozy Glow and the others fight over who should lead the mission based on their previous feats, only for "Grogar" to angrily overpower and remind them that they all failed before and cannot work alone. Upon arriving at the foot of the mountain, all of the villains immediately split off and begin to find their own ways of getting up; Cozy Glow trekking up the mountain path until she comes across the residence of

Rusty Bucket. She tries to pretend that she's a lost little filly in order to get Rusty to take her to the peak of the mountain but he refuses. This causes her to lose her temper but Rusty tells her to stay quiet or she will cause an avalanche. She tries different ways of getting past but keeps failing. This causes her to become angry which causes a giant snowball to fall on her and take her back to the bottom. Cozy Glow returns and finds that Tirek made a camp for himself. He proceeds to laugh at Cozy Glow upon seeing her return and explains to her that he had already deduced that getting up the mountain by himself would be impossible, and so had planned to wait for her and Chrysalis to fail so that he could take what they learned and use it to his advantage. Cozy Glow and Tirek proceed to bicker — Tirek calling her out for her fake cutesy persona and constant manipulations, and Cozy Glow criticizing his arrogance, while also mocking him for talking to his "Gram Gram" in his sleep — until they are approached by an Ophiotaurus, which they both blame each other for attracting. Suddenly, a female Ophiotaurus arrives and seduces the other one, Tirek quickly realizing that the former is actually Chrysalis in disguise, who admits that she needs their help, causing Tirek to gloat about his own strategy.

That night, Cozy Glow and the others proceed to bond with each other over their previous endeavors; her remarking about how she almost caused all of Equestria's magic to disappear and it would have been worthwhile if it meant seeing Twilight and her friends defeated, also admitting that working with Chrysalis and Tirek may not be such a bad thing. The next day, the three villains proceed to combine their abilities in order to scale the mountain, only to find that the cave at the top is protected by a magical barrier, which Tirek cannot absorb since he can only take magic from living beings. With some convincing, Chrysalis allows

Tirek to take her magic to become powerful enough to create an opening in the barrier, allowing Cozy Glow to enter the cave and retrieve the bell. Tirek then returns Chrysalis' magic, stating that he wasn't sure he would do so and that it seemed smarter to work with her than fight. The villains begin to reflect with one another over how it felt to rely on others for a change, before Chrysalis snaps them out of it, not wanting the friendship to infect her like it did her hive. Realizing that they almost reformed, the three vow to remain focused.

The three then concur that "Grogar" has grown too powerful and decides to betray him together, and Cozy Glow agreeing due to her love of backstabbing before wondering what they can do with the bell. She and the others later return to "Grogar's" lair and fool him into thinking that they failed while yet still becoming allies, though in reality have kept the bell for themselves.

In The Summer Sun Setback, Cozy Glow sees "Grogar" leaving and asks where he is going. He reveals that since his minions "failed" to recover the Bewitching Bell for him, they will need another source of power to defeat Twilight and her friends. After "Grogar" leaves, Cozy Glow informs Chrysalis and Tirek that he is gone. The villain's voice that they don't trust "Grogar" and try to figure out how to use his bell-like ringing it but nothing happens. Cozy Glow then points out that Twilight mentioned that the Archives in Canterlot has a restricted area and the villains set off on their "road trip".

The three villains hide in Canterlot and only Chrysalis and Tirek notice so many ponies out in the night. Cozy Glow reveals that it's the Summer Sun Celebration with Chrysalis asking how many holidays these ponies have. She believes that it will be easy to get in until Tirek points out that

Canterlot has increased security. After Chrysalis fails to enter through the main doors, she returns to her allies and informs that it will be more challenging. The villains then overhear Twilight's friends and Discord talking about their responsibilities for the holiday. Tirek believes it to be impossible since the security is increased with Twilight's friends "bumbling about". However, Chrysalis sees it as an advantage to using as a distraction since they heard everything and gives instructions to Tirek and Cozy Glow.

While Chrysalis and Tirek secretly sabotage the unicorns and Earth ponies, Cozy Glow sabotages the Pegasi by tricking Feather Flatterfly into letting her handle the "small stuff" while he focuses on the "big picture" and he allows her to handle the weather changes delicately. But instead, she makes several intentional mistakes that cause the weather to spiral completely out of control and the pegasi to become overwhelmed trying to contain it.

The villains watch all the panic and chaos unfold before deciding to incapacitate the security. Cozy Glow distracts a guard while Tirek steals his magic and Chrysalis uses his star badge to the main doors for them to enter. They search for the archives which also wakes up a security goose that follows them. However, Chrysalis disguises herself as another security goose to get it to leave and the villains finally find and break into the Archives. They search through the Archives until Cozy Glow finds a book about how to use the Bewitching Bell and uses another book to break it out of its chains.

This gives the villains time to leave Canterlot back to "Grogar's" lair while Twilight and her friends are able to fix the holiday. "Grogar" also returns tells his cohorts that he has found success where they all find "failure". He reveals that he located what he wanted and will retrieve it the next day before they begin his plan to take over Equestria. Tirek is still sulking that he had to give the magic of the Earth ponies back to them, in which Chrysalis and Cozy Glow tell him to stop doing and remind him that "Grogar" would become suspicious if he found out about their "road trip" in which Tirek claims that he doesn't have to like it. Cozy Glow reveals that she didn't like it when the Mane Six managed to fix the holiday until Chrysalis reveals that the goal was not to destroy but to distract in order to get the book. Tirek reminds them that they can't waste any more time because they must master the bell before "Grogar" returns. Chrysalis reveals that they managed to stay ahead of everyone so far until Cozy Glow remarks how easy it was to turn the Earth ponies, unicorns and Pegasi against each other, in which Chrysalis decides would be something to think about.

Cozy Glow turns pegasi against earth ponies and unicorns before she, Chrysalis, and Tirek use Grogar's bell to absorb his old magic, turning Cozy Glow into an alicorn. When "Grogar" returns, they drain his magic into the bell, discovering him to be Discord. When Chrysalis and Tirek debate whether to absorb Discord's magic, Cozy Glow volunteers to test this, to which Chrysalis and Tirek immediately agree. Cozy Glow is transformed into a giant demonic alicorn, but as she is unable to control Discord's magic she has Chrysalis and Tirek take it back into the bell, before they set out to conquer Equestria.

Cozy Glow goes after Celestia and Luna at Canterlot, and when they try to banish her in a similar style to King Sombra, she drains their magic into Grogar's bell. The Mane 6 gain the upper hand on Cozy Glow before Chrysalis and Tirek come to her rescue. They destroy half of Canterlot and try to kill Twilight together, but Rarity throws a chunk of rubble at them. They quickly recover and shoot a combined magic blast at Twilight, but the other Mane 5, Spike, Celestia, Luna, and Discord hold it back so Twilight can escape and think of a plan.

The other Mane 5, Spike, Celestia, Luna, and Discord are imprisoned in the caves beneath Canterlot along with Starlight Glimmer and the Pillars of Equestria. Cozy Glow sadistically plans to kill them but Chrysalis argues they should torture them and show Equestria that they've broken its heroes, while Tirek insists they should hunt down Twilight. Cozy Glow tries to take Celestia and Luna's magic with the bell, leading to an argument with Chrysalis and Tirek. Discord tricks Tirek and releases the others, and the other Mane 5 and Spike run off to get Twilight while the others fight Cozy Glow, Chrysalis, and Tirek as a distraction.

After their opponents are reimprisoned, the Windigos appear, to which Cozy Glow doesn't feel like doing much in the cold they cause. The Mane 6 and Spike return, and during a fight to try to get the bell back, Cozy Glow chases after Rainbow Dash, who was part of the distraction, and to protect the bell, she taunts Fluttershy and blasts her. When Chrysalis threatens Spike, the villains nearly destroy the Mane 6, but the unicorns protect them with a barrier, and most of their allies enter the battle.

In the end, the Mane 6, Spike, the Young Six, and the Pillars unleash a rainbow which destroys the Windigos and drains Grogar's magic from Cozy Glow, Chrysalis, and Tirek. After Pinkie Pie drops a giant cupcake on them with Discord's magic, which, along with the alicorns' magic, is returned to their owners, Celestia, Luna, and Discord turn Cozy Glow, along with Chrysalis and Tirek, to stone forever as punishment for their crimes, ending their threats for good. Thus, Cozy Glow was finally defeated for good.

The statues of Cozy Glow, Tirek, and Queen Chrysalis, briefly appear in a newspaper Twilight Sparkle shows to Spike. When asked what was done with them after they were turned to stone, storyboard supervisor Jim Miller stated that they were most likely moved to the Canterlot Gardens much like DIscord's statue. In response to a question as to whether she would be all right, Jim Miller said "Cozy's fine. Just in suspended animation." Indicating she, as well as Chrysalis and Tirek, are asleep for their stoning, unlike Discord who was conscious the entire time.

When I was done everyone was shocked!

Hunter Steele: Oh man!

Qin: Yeah! She became this way because of her mother dying of a terminal disease.

Nico: She snapped.

Lola: Yeah.

Flurry Heart: We purified her and separated the darkness from her a while back.

Hydros: This one we can actually kill

Me: That's right. Normally for someone like her it would be against our code to kill her. But this is one of those really rare occurrences.

Corona: She is evil and deserves to be destroyed.

Raven Bishop: That's right! That monster is not my sister. She is a demon in pony skin.

Cozy Glow: YEAH! What she did was horrible!

Hunter Steele: She will get what's coming to her.

Hak Foo: And there's the fact that she's an evil clone.

Me: Yeah but she is still the same evil version of her that we fought during the April 12th war.

Igneus: I can see that.

Me: Yeah. Also we found out that she was among those that were duped because of Opaline Arcana.

Tirek: That's right. I was promised eternal life and eternal youth if I could steal all the magic for her.

Cozy Glow: I was promised a family if I could bring the magic to her.

King Sombra: I was promised to be the superior force of my kingdom if I could rule it with fear.

Me: Too bad it didn't work well.

Hunter Steele: What about the Storm King?

Me: No he wasn't promised anything. He was working independently.

10,000 Volt Ghost: And he's dead already.

Me: Yeah. Chrysalis unfortunately we don't know anything about yet.

Nico: Yeah.

Me: We'll find out soon. It's just a matter of time.

Corona: I know you guys will find out what it is.

Laney: Lets not forget that Opaline promised Cinch fame and glory by having Twilight Sparkle of the Human World get all that magic during the Fnendship Games.

Me: Yeah too bad that backfired on her.

Konan: No kidding!

Me: Yeah. But Opaline doesn't know that there is a Prophecy. I am the chosen one that will help undo all the damage she dealt.

Hunter Steele: What is the prophecy?

Me: An EXTREMELY RARE Planetary Alignment is going to happen soon and I was chosen to destroy Opaline.

I went over what it was and it was incredible!

Corona: WHOA! That is intense!

Hunter Steele: Wow! You killed her before and you can do so again.

Me: Yep. But we still have Applejack and Rainbow Dash of Sunny's World to find. So we're not ready yet but we will be.

DANCE OF THE SUGAR PLUM FAIRY PLAYS!

Poromon came out in a fairy costume with 4 bottles of beer

Poromon: (to the Spider Riders) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Bizarro: Shadow can't drink too!

Hunter Steele: (Confused) Huh?

Evil Solar Man: He means that Shadow can drink one too.

Me: (Whispers to Hunter) Bizarro talks in opposite. On his world everything is all topsy turvy. Long story.

Corona: Poromon looks so cute in a fairy costume.

Me: He sure does.

Poromon: Yeah.

Hunter Steele: I can't drink beer unfortuneately. I'm too young.

They agreed.

Poliwag: (Does Puppy Eyes) Aw pwetty pwease?

Nico: Poliwag that's enough.

Sasame Fuma: So, none for Shadow?

Shadow: I'm afraid spiders can't drink though.

Me: Oh. I don't think spiders like beer.

Hunter Steele: Yeah. Anyway J.D. is Gotham Royal York awesome?

Me: It sure is. It's amazing. Also it has good movies. Except for a REALLY BAD ONE!

Corona: What bad movie?

Me: And Cue Mascots craziness in 3...2...1...

Horsea: THIS BAD MOVIE! (shows trailer close to Hunter's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Chillyfish: Now this is the type of people to show that too

Me: Yeah but for fucks sake!

I spun my Magisword Bracelet.

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Me: What you saw was the trailer for the 2023 movie Winnie The Pooh Blood and Honey. It's a dark version of Winnie The Pooh where Christopher Robin goes off to college and Pooh and friends turn into savage ruthless bloodthirsty killing machines.

Hunter: And let me guess. You didn't give the creators the Black Gates because they're supposedly innocent, right?

Beelzemon: Got it in one.

Me: That's right. The movie is not real but we battled the real things on Chikyu and destroyed them. The guys that made the movie are innocents.

Qin: Yep.

Corona: Also let me guess the mascots showed their classmates the trailer and got in trouble for it.

Killer Croc: How did you know?!

Spiderman: (Whistles innocently)

Me: You told them?

Spiderman: I filled them in on what happened.

Camie: Oh.

Nico: Yes, it's true.

Manaphy: At least that's all we did!

Me: We punished the mascots for it.

Qin: We won't go into the details.

Me: It should be time for the Akuma next.

Lincoln: WHOA And I know who it is. It's Queen Firestream! The Hypothetical Akuma of Silverstream and she is a Hippogriffon with wings of fire and she is not only a master of fire but she can turn into a MERMAID OF FIRE! She was made because of the Storm King driving away her people. She vowed to destroy him with the fury of a thousand volcanoes

We gasped!

He showed a sketch and it showed her as a Fire Wing Hippogryph and she can turn into a fire mermaid with fire angel wings!

Me: WHOA! Look at that!

Camie: An Akuma that can change forms. That is amazing.

Ymir: Boy it sure is.

Iormu: I'll say!

RD Sam Sharp Loud: She's hot like me!

Sam S.L.: No kidding dudes.

Me: Yeah!

Qin: Wow!

We heard an Eagle Screech!

We went outside and saw her! It was QUEEN FIRESTREAM!

She was in her Hippogriff form! She landed and then in a massive vortex of fire she turned into her Fire Mermaid Form!

Me: WHOA! A Fire Mermaid and a Hippogriff in one. That is cool!

Queen Firestream: Thanks. I think so too.

Kite Man: SIlverstream? Is that you?

Queen Firestream: It's still me.

Me: Wow you look awesome being a creature of fire.

Queen Firestream: Thanks.

Me: I take it you heard about how we killed the Storm King right?

Queen Firestream: I sure did.

Me: We doused him in Kerosene and I fired a Flare Gun and lit him on fire and burned him to death.

Nico: It was brutal.

Queen Firestream: WOW! Well done J.D. Firefly gave you all that?

Me: Yep. He had a lot of fire weapons

Nico: You need to calm down

Queen Firestream: Challenge me in Mortal Kombat.

Lynn: I will do it.

Me: Okay then.

Goro: Lynn is doing amazingly well!

Me: She learned from the best including Liu Kang and all of us.

Goro: But Mortal Kombat is my thing too!

Goro went at her and punched Queen Firestream all over!

Queen Firestream fired waves of fire and Lynn dodged them!

Lynn: HEEEEEEYAH!

SHE KICKED HER HARD IN HER HEAD AND KNOCKED HER OUT WITH A BRUTAL KICK!

Lynn: Flawless Victory!

Anemone: She's not getting a Fatality.

Me: No she's not worth the kill.

Johnny Cage: That was awesome and well done Lynn!

Sonya Blade: I'll say! You did great.

Lynn: Thanks guys.

Vargoyle: I sure am.

Me: Cool!

Vargoyle: Nice job taking down Evox. Or is it really Venjix?

William: (sighs) Try not to get confused with the whole thing.

Me: They were actually both one in the same. Venjix was Evox and Evox was Venjix and vice-versa.

Vargoyle: I get it now.

Me: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Me: Great.

Nico: Lets get a move on. Get ready Mantid and Evil Cozy Glow... (EYES GLOW RED) Your final hours are here!

Me: (EYES GLOW RED) IT'S TIME FOR YOU BOTH TO DIE!

WE WERE OFF!

We arrived at Mantid's fortress and it was horrifying and scary.

Me: This is it.

Nico: Yep.

We went to the entrance and saw BUGUESE!

Spiderman: Well well well Buguese. Nice to see you.

Buguese: Nice to see too webhead.

Spiderman: HEY! Only my rogues can call me that!

Buguese: If you want Mantid, you'll have to go through me!

?: You won't be a problem!

Me: I that voice!

Out came

Riku Asakura!

Riku Asakura: I'll handle him!

Me: Thanks Riku we owe you!

Lincoln: Me, Stacy, and Octavia Melody will help too!

Riku Asakura: Great! We'll help with the rest when we're finished here.

Lincoln: Okay! We'll be in shortly.

Me: Okay.

We immediately got a move-on, and there we saw it: Mantid and his men are getting ready for battle, and they're soon moving in to attack. Badrat and Aultcray Melromarc XXXII came.

Goro (to Badrat and Aultcray Melromarc XXXII): Thanks for coming, guys.

Badrat: Anytime guys.

We hid and Goro and the three of them went up to MANTID AND EVIL COZY GLOW!

Mantid: Goro, Badrat and Aultcray Melromarc XXXII. Glad you all came.

Mantid: You fools are just in time to watch me wipe out the Spider Riders!

Me: There's Mantid.

Nico: Looks like they're mobilizing for battle.

Back with Lincoln and everyone...

POW!

Riku punched Buguese

and knocked him out.

Riku: What should we do now?

Lincoln: We meet up with everyone.

They went in and caught up with us.

Me: (Whispering) I knew it was gonna be quick with you guys.

Lincoln: I know. (Sensed Evil Cozy Glow) Uh oh.

And we looked to the center, and we saw our secondary target: Evil Cozy Glow, and she has an army of zombies, monsters, and demons that she forced to serve her.

Eli: That little monster, she's forced some monsters and demons to serve her, no doubt, they're also Dark

Sebastian's minions.

Lincoln: No, they're not, they're the servants of Dracula. Either way, I need to end them. But, first.

Lincoln made portals and he turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the chests of the Invectid troops. Then, one by one, Lincoln began absorbing them and sucking them all dry of their strength and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Growls)

Then, when Lincoln was done and the tails retracted and the stingers changed back, nothing was left of the Invectid troops, and then, he turns his attention to the armies of monsters and demons that Evil Cozy Glow has in her forced command and with a single thought, the armies of monsters and demons scream as something came out of their chests: they were none other than their souls and their souls along with their lifeforces began flying towards Lincoln who then absorbed their souls and he also gains the abilities and powers of the monsters and demons leaving the monsters and demons with Evil Cozy Glow as empty husks that crumbled to dust.

Hunter Steele: That'll deal a blow to Mantid.

Lincoln: Not done yet.

Lincoln used his technomancy powers and brought the weapons of the Invectids to him and he also had them absorbed into him.

Corona: Okay, now we can get Mantid and stop him.

Silverstream: And once he's done, Evil Cozy Glow is next.

Goro: I'm afraid our friends wouldn't like you defeating them.

Evil Cozy Glow: What friends?

Then the spirits of Spiders came and swirled around them and then converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

A massive fiery explosion went off above them and a phoenix cry and thunderbird screech was heard and then we came.

Me: SURPRISE!

Mantid: TEAM LOUD PHOENIX STORM!

Me: That's right! And we're your executioners!

Hunter Steele: The only one that's getting wiped out is you!

Me: YEAH! Like the threatening message I sent to you?

Mantid: THAT WAS YOU!? YOU MOTHERFUCKING PISSANT FREAK!

Me: You're one to talk! Especially for all the crimes you committed!

Evil Cozy Glow: My old friends!

Silverstream: We were never friends, you brat!

Me: Especially for all the shit you pulled and made Cozy Glow do all those horrible crimes!

Cozy Glow: You made me into a monster and I almost committed suicide because of you!

Evil Cozy Glow: You don't deserve friends and all tha...

Cozy Glow: SHUT UP! I AM SICK AND TIRED OF YOUR MOUTH!

Mantid: Putrids!

An army of Putrids appeared.

Me: PUTRIDS! Now we're talking!

I fired waves of energy and elements and blasted them all over the place with incredible force and fury and massive fiery explosions blasted off.

MASSIVE FIERY EXPLOSIONS!

The Putrids jumped the Spider Riders and held them down.

The Spider Riders lay defeated at the hands of the Putrids

Mantid: (laughs evilly) Don't worry. After you're all dead, I'll take good care of your spiders!

I Teleported and kicked him down!

Me: LIKE HELL YOU WILL!

Horsea: (squirts ink at Putrid) Oh no! What do we do?!

Silverstream, Shining Armor, and Bebe got an idea

Silverstream: (to everyone watching) Everyone out there! Lend the Spider Riders your strength!

Shining Armor: They get stronger with your support!

Bebe: When we go "1, 2", shout "Calling all Spider Riders"! Okay? 1, 2...

All: CALLING ALL SPIDER RIDERS!

Shining Armor: One more time! 1, 2...

All: CALLING ALL SPIDER RIDERS!

Silverstream: Louder! 1, 2...

All: CALLING ALL SPIDER RIDERS!

Jamesdean5842: CALLING ALL SPIDER RIDERS!

At this, Hunter Steele found the strength to get up

Hunter Steele: You're not laying a hand on our spiders!

Hunter then punched a Putrid, knocking it to the ground.

Mantid: WHAT!?

Evil Cozy Glow: IMPOSSIBLE!

Hunter Steele: Thanks for the help, guys.

Corona: I didn't think that many people would be cheering for us

Me: Not just here but on Earth too!

Igneus: Well, I'm not complaining.

Lumen: Are our Spiders ready?

Sparkle: They sure are.

Magma: Then it's time to end this!

Mantid: You miserable Spider Riders! I will destroy all of you if its the last thing I ever do!

Evil Cozy Glow: You all ruined my ambition of finally conquering all of Equestria and ruling it with an iron fist! Now, you will all die!

Evil Cozy Glow fired a beam of red magic from her horn, but Lincoln absorbed it and it made him even stronger.

Silverstream: Not a chance, you psychotic powerhungry monster.

Shining Armor: We're not the same as we were years ago.

Bebe: And now, we'll see to it that you three pay the price for your crimes!

Mantid: Attack!

Daiki: Time to follow suit.

With that, Daiki pulls out a card bearing an image of his Rider suit's head and his gun. Daiki slides the card into a gap in the side before extending the barrel out forward, revealing the back of the card

Daiki: Henshin! (Pulls the trigger)

Diendriver: Diend!

As the trigger is pulled, Daiki is surrounded by red, green, and blue copies of his armor, over which stands a blue barcode like symbol. Eventually, the armor copies consolidate onto him, at which point the barcode applies itself to Daiki's head, giving the blue color to the rest of the armor.

Silverstream: You make me sick to no end, Mantid, you've caused so much trouble for The Spider Riders and you've tried to take over The Inner World many times before, and this is something we cannot forgive.

Bebe Bolton: And for that, you're gonna pay dearly for this. And as for you, Evil Cozy Glow, you're gonna pay for what you've done in the past, and we'll make sure you die here and now, and you will never return.

Izzy's Cutie Mark glowed powerfully!

Pipp stood there with her wings spread.

Pipp Petals: "I'm a stylish pop star princess and the Legacy of Rarity. My voice makes me strong. When my cutie mark comes to life, confidence is my song!"

Her Cutie Mark glowed.

Misty Brightdawn: I might seem a little quiet as the Legacy of Sunset Shimmer, but my strength is very real. When my cutie mark comes to life, my heart helps me feel!"

Her Cutie Mark Shined powerfully and light shined intensely

Hitch Trailblazer: "I'm the pony of the law as the Legacy of Applejack. Coolest dragon dad you know. My cutie mark comes to life, and my kindness overflows!"

Leaves and grass swirled around him

Comet (G5): I am a pony of wisdom of the stars and the Legacy of Starlight Glimmer, Wise Master of Starlight Magic we know. My Cutie Mark comes to life, my Wisdom overflows!

Stars and energy swirled around him

His Cutie Mark starts glowing and used his Earth Pony Magic to grow some plants.

Sunny Starscout: "I'm all three pony kinds wrapped up into one as the Legacy of Twilight Sparkle and fun. My cutie mark comes to life with hope bright at the sun!"

Her cutie mark glowed powerfully.

LINCOLN, ME, AND THE GUARDIANS OF HARMONY THEN GLOWED IN A MASSIVE AND INTENSELY POWERFUL VORTEX OF RAINBOW LIGHT AND ENERGY AND THE MAGIC WAS INTENSELY STRONG AND POWERFUL! IT WAS STRONG AND POWERFUL BEYOND ANYONE'S IMAGINATION, NOT ONLY DID IT MAKE TWILIGHT'S ENEMIES ALL SEEM LIKE A JOKE, BUT THE FURY AND POWER COMING OFF IT SUDDENLY CAUSED EVIL COZY GLOW TO SCREAM EVEN MORE IN PAIN!

Nico: WHOA MAN! WHAT POWER!

Lincoln, Me, Twilight Sparkle and her friends, and Sunny Starscout and her friends: THIS IS THE END FOR YOU, EVIL COZY GLOW! Goro jumps onto Evil Cozy Glow, grabs both her arms and legs with his four arms and rips them all off at once, still standing on her.

Goro: Fatality!

Me: FLAWLESS VICTORY!

But she was not done yet!

Then, her evil spirit appeared!

Suddenly, the bell of judgement rang in her ears meaning her time was finally up! Then, the spirits of all those she'd hurt appeared and grabbed her.

The spirits found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead and she was being consumed by the black flames of The Black Abyss and she began to fade away: Evil Cozy Glow is finally being erased by The Black Abyss!

Evil Cozy Glow: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! CURSE YOU! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU EVIL ALICORN WANNABE MONSTER, AND DON'T YOU DARE COME BACK, YOU BLACKHEARTED POWERHUNGRY MONSTER OF ABSOLUTE TYRANNY AND CHAOS!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tails and longer white horn, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Silverstream, Shining Armor, and Bebe Bolton are permanent.

Silverstream: And that's that.

Shining Armor: Another of Equestria's truly irredeemable enemies has been sent to The Black Abyss for good.

Me: That's for sure.

Nico: Evil Cozy Glow got what she deserved, and now, she's gone for good and she's never ever coming back.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the moon appear in the skies and we saw the symbol of darkness appear.

Lincoln: The symbol of Darkness from Magic The Gathering!

Laniya Emperyous: Awesome, and there's only one person whom we're meeting tomorrow for this one: Valerie Wolfbriar, Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering.

Claire Nantosuelta: I knew it was her, and you guys are going to love meeting her, Valerie Wolfbriar, Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering, is Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of darkness, fusing elements, wolves, and dark creatures of myth and legend. She's The Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering, and she's the Dark Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of darkness, fusing elements, wolves, and dark creatures of myth and legend, and over time, he gained all the powers of darkness, fusing elements, wolves, and dark creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a vengeance and she vowed to have them mauled by packs of wolves.

Me: Those dirty gorillas.

Nico: Well, when we go after them on the big day, we'll make sure they suffer big time before we kill them.

Me: Big time.

General Schwarz: That's the end of Mantid.

Me: And Evil Cozy Glow.

Cozy Glow: Good riddance.

Mortal Kombat Scorpion: (to Goro) It's been a while since you did a Fatality.

Me: It has been a while.

Stratos: (to the Geed team) You guys helped too.

Riku: We sure did.

Hunter Steele: We'll see you guys in May 7

Riku: We look forward to it.

Hunter Steele tried to give Riku a high five but ends up tumbling to the ground.

FWOMP!

Ice Demon: You okay?

Hunter Steele: I'm fine.

Me: He just used up a huge amount of energy.

Riku: (helps Hunter Steele up) Let me help you up.

Hunter Steele: Thanks.

Puppetmon: Well, that was a little awkward.

Me: Yeah but we did it guys.

Silverstream: We sure did!

Me: Yep.

Nico: Yeah. Silverstream, Shining Armor and Bebe's mission is done. Great job today everyone.

Me: Yeah!

Hunter Steele: (To the viewers) This was an awesome and fun adventure for us!

Me: It sure was!

We went and celebrated at Lynn's Table.

We returned home and we helped Hunter Steele and The Spider Riders settle in to their new home at The World Tree Estate, and hours later, night fell on the city. Then, Andre Lupescu and Caleb Maxwell went with Sam, Max, and Ash Williams. According to the intel, a casino's opened up here in the city, which was rather suspicious, so they also have The NYPD Nightshift and The GRYPD hiding out as well.

Andre Lupescu: Okay, you three. We'll keep an eye out while you're at the poker table.

Sam (Sam & Max): (Harvey Atkin Voice) Okay then.

Max (Sam & Max): (Robert Tinkler Voice) We're on it.

While Sam, Max, and Ash Williams were at the Poker Table, Caleb Maxwell was keeping an eye out in the east along with Andre Lupescu looking out in the west of the casino.

Andre Lupescu: Okay. Now, to keep an eye out for the casino owner.

Caleb Maxwell: Hmm.

Suddenly, Andre Lupescu saw the person come out, same with Caleb Maxwell, it was notorious card shark and cheat, Martin "Card Shark" Evans.

Caleb Maxwell: You've got to be kidding me, so that's who's opened the casino.

Andre Lupescu: I thought he was thrown in prison.

Andre Lupescu sent the message to Sam and Max and Ash Williams and Caleb Maxwell then sent a message to The

NYPD Nightshift and The GRYPD. Then...!

BANG!

THE NYPD NIGHTSHIFT AND THE GRYPD BUSTED THE DOOR DOWN WITH GUNS DRAWN!

Jack Howard: HANDS WHERE WE CAN SEE THEM!

Everyone panicked, but then, Martin Evans tried to escape, only to get ambushed and beaten down by Andre Lupescu, Max, Sam, and Caleb Maxwell and they cuffed him and threw him to the cops who took him away.

Max (Sam & Max): (Robert Tinkler Voice) Well, that's one scumbag who's looking at hard time in the clink and he'll be sent up the river. Provided I don't spit my bad breath at him!

Sam (Sam & Max): (Harvey Atkin Voice) (Laughs) You crack me up, little buddy.

Ash Williams: Damn..., that guy was about to scam everyone in the city. Thank goodness Andre's instinct was right about this.

Andre Lupescu: And now, that jerk's heading for prison for the rest of his life.

They returned home and the casino's been closed down thanks to the arrest of Martin Evans who was taken to the precinct and put in jail until tomorrow morning where he'll be taken to court to face trial for his crimes.

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem, but then, he'd gotten a spiritual message from Eagle from Killer Instinct calling him for help: he's fighting Fulgore and Kilgore, the two cyborgs created by Ultratech. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I got an emergency, Lily.

Lincoln explained everything, and his harem were stunned.

Black Orchid: Eagle's going to need your help, Lincoln.

Lincoln: I know, I have to go.

Lincoln got dressed and he headed out, and he found Eagle's location: Seven Devils, Idaho, and then, he found Eagle fighting the two cyborgs, Fulgore and Kilgore.

Lincoln: Time to give you two cyborgs what for.

Lincoln transformed into a Thunderbird and let out a loud screech and he flew down at Fulgore and Kilgore with lightning infused into the wings and electrocuted them, and then, he changed back as he landed near Eagle.

Eagle (Killer Instinct): You've made it, Champion of Hinon. Ultratech is at it once again.

Lincoln: As I suspected, and it was thanks to Morgana's meddling that led to Ultratech's members and the other villains you and the others had fought against in the past to return from the dead. Once we deal with those two cyborgs, you'll need to tell me what ARIA is planning.

Eagle nodded, and Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Justice and transformed into Super Seraphim God Archangel-Ebonwu-Thunderbird-Alicorn-Vampire-Werewolf-Buffalo-Dragon-Demon-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel of Divine

Then, they charged at Fulgore and Kilgore and fired arrows, energy blasts, and elemental forces at the two cyborgs and they exploded as they hit them. Then, Lincoln morphed the tip of one of his thirty-five massive and long brown wolf tails into Cell's stinger which opened up into a large sucker and he latched it onto Fulgore's head and subdued him. Then, Lincoln sucked him into his body and he absorbed the cyborg, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger as he assimilated Fulgore's Oki-Techa fighting style, Plasma Claws, cloaking device, eye lasers, teleportation, reflector, Turrets, nuclear reactor, and Devastation Beam.

Lincoln holstered his massive greatsword on his back and powered down.

Lincoln: There we go. Now, Eagle, we need to talk. What's Ultratech up to now?

Eagle (Killer Instinct): ARIA is planning to launch an attack on the entire city of Gotham Royal York as revenge on you for ruining her plans years ago. But, we hadn't expected Gargos to return as well, but thanks to what you did in getting rid of Gargos yesterday, ARIA has already lost her nerve, and she's also sending Cinder to kill you all as well.

Lincoln: We'll make sure Cinder is also dealt with as well. Then, we can launch our attack on ARIA and all of Ultratech in the future. But, there's also a chance we'll also run into Kan-Ra, Mira, and Sadira, and they'll also side with Ultratech as well.

Eagle (Killer Instinct): Knowing those three, there is no doubt. Until we meet again, Champion of Hinon.

Lincoln: Yes.

Lincoln teleported back to his room and explained everything.

Black Orchid: So, that's what ARIA is up to. Eagle's already going to get everyone else together to go after her and Ultratech, but that'll also include going after Kan-Ra, Mira, and Sadira, so we'll be ready for them as well.

Kim Wu: Those three are going to meet the same end as Gargos.

Lincoln: You said it.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to New York.

Then, Lincoln explained everything, and when he was done, we were stunned.

Me: Whoa!

Nico: So, Ultratech is back in action, eh, and they're rebuilding their forces to attack us and the city as revenge on us for destroying them? Now, they've really called down the wrath of Heaven and Hell on their heads.

Lincoln: That's for sure. I already absorbed Ultratech's two cyborgs, Fulgore and Kilgore, and brought their forces down. Eagle is already recruiting the other heroes who are fighting off Ultratech's forces, and soon, we'll take the fight to ARIA, and there's also no doubt that Spinel, Mira, Sadira, and Kan-Ra will also be there.

Eli: We'll also destroy them as well.

Nicole: And we'll get rid of Cinder later on today after our mission.

Andre Lupescu came out.

Andre Lupescu: Guys, we got some serious trouble: it appears Andre Delacroix has left.

We gasped.

Caleb Maxwell: What? Did he give a reason why he left?

Andre Lupescu: No, he left no letter as to why he left. But, I found his journal on his bed and you're not gonna like what I found.

Andre Lupescu took out Andre Delacroix's journal and he opened it to a page he'd written in last night after our mission with The Spider Riders. Apparently, Andre Delacroix had a horrible premonition and it was also a warning about his brother, Antoine Delacroix, who like Andre is from the same bloodline of white magicians and werewolf hunters, but unfortunately, he's just like the evil medieval ancestors of their bloodline and he embraced darkness and evil and uses the forbidden Black Arts of his family to cause havoc. But, it gets worse: the entry also describes he intends to use the forbidden Black Arts of his family to bring back his ancestor, Louie Delacroix, the most evil black magician in France during the early Middle Ages in a Satanic ritual that only his family knew of: one that required the blood of a slaughtered innocent to be used in the place where the evil one rests.

When we were done reading it, we were horrified.

Me: Oh no. This is bad!

Nico: Andre Delacroix running off is bad enough, but to go off on his own to kill his brother, that's just an act of recklessness and suicide that borders on insane.

Caleb Maxwell: More than that, Andre Delacroix may have the powers of light, but Antoine has the powers of darkness on his side, and he's incredibly cold-blooded and blackhearted to an extreme degree. His parents disowned him and he was forced out of France, and this was long before both of them got killed by Jaune Garnier, but I soon found out Antoine was also a conspirator in this as well, he was in league with the werewolves the whole time.

Maria: But, why did Antoine wait until now to make his move?

Lincoln: (GASPS) Andre Delacroix. Of course, he knew that as long as Andre Delacroix is with us, his evil brother can't do anything to him, but thanks to his premonition last night and with the sudden revelation of his early ancestors being black magicians, wizards, warlocks, witches, and heretics who brought terror to France and all of Western Europe led to him rebelling and going off on his own to attack Antoine.

Andre Lupescu: He's going to get himself killed. He may have undergone the same training as all of you and gained even more power, but he hasn't transformed, I need to get him back here at once.

SNAPS!

Lincoln snapped his fingers and two flashes of light appeared and Andre Delacroix was back, but he was also fighting and dragged back with him a man who looked like Andre Delacroix, but he had dark brown hair and he had on a black version of Andre Delacroix's clothes, and instead of a red cross, he had a blood red pentagram on the back, it was Antoine Delacroix.

Me: So, that's...!

Caleb Maxwell: Antoine Delacroix, Andre Delacroix's former younger brother.

Andre Lupescu: And the descendant of Louie Delacroix, the most evil black magician in France back in the early parts of The Middle Ages.

Antoine Delacroix: You miserable Lupescu scum, I will have vengeance on you and your clan for what you did to our ancestor, and you and all of Team Loud Phoenix Storm and all of humanity will perish in a sea of Hellfire!

Suddenly, Andre Delacroix slashed Antoine Delacroix with his bladed whip and left a bleeding scar on his back.

Antoine Delacroix: (SCREAMS IN PAIN)

Andre Delacroix: That's for your equal part in Mom and Dad's murder all those years ago.

Andre Delacroix passed out and Antoine Delacroix was still screaming like a demon, but then...!

SLASH! BANG!

KILLING HIM AND SENDING HIS SOUL ALONG WITH THE SOUL OF HIS ANCESTOR AND HIS OTHER EVIL ANCESTORS TO THE BLACK ABYSS FOREVER!

Andre Lupescu holstered his massive greatsword on his back and his gun on his left hip and powered down and then, he fired blue wolf fire at the dead body and head and they were incinerated.

Luna: That was definitely overkill, dude.

Andre Lupescu: Perhaps, but it got the job done.

Andre Delacroix is taken to the infirmary.

Lincoln: Looks like Andre Delacroix's out for today, but it serves as a lesson not to go off alone next time. Alright, let's finish breakfast and head out.

Nico: Got it.

Flare Corona woke up to see Magmar staring at her.

Magmar: Morning Flare.

Flare Corona: Morning Magmar.

Magmar: Time for breakfast.

Flare Corona: Oh boy! Spicy Pancakes!

She went and got dressed and we had Spicy Pancakes.

We finished our breakfast, and we set out to take down the next villain for Nico's rescue.

Me: Been a while since we were in the Valley.

Qin: Yeah no kidding.

Laney: It has been a while since we were here.

Varie: It sure has.

Camie: Wow!

Lola: Yeah last time we were here was when we were here to redeem Dragon and defeat Baboon and his Ninja Monkeys.

Camie: Wow! That is cool!

Laney: It was and Bastion was having problems to.

Ymir: What was wrong with him?

Laney: I forget that part.

Me: Oh.

Nico: Magic Man I want to thank you, SRF Phantom Gent Baruga and your teams for coming.

Magic Man: No problem Nico. This will be fun and awesome.

Me: Yeah it will.

Nico: Zatanna, you must put a lot of work in your backwards spells

Zatanna: That and it's a lot of work learning how to do magic like that.

Me: That is true. Magic comes in all shapes and forms.

Twilight Sparkle: It sure does.

Constantine: I agree there too. But you have to really watch out for the magic from Hell.

Me: I agree.

Brittney: Especially Dark Magic. You have to be careful with that.

Varie: Yeah.

Zatanna: Yeah. But I was able to help the Justice League from time to time and it was great.

Me: That is awesome.

Nico: But those spells are worth it in the end

Zatanna: It sure is.

Qin: I agree there.

Camie: Yeah.

Ymir: Me too.

Iormu: That is for sure.

Zatanna: But it has a lot of rewards in the end.

Lola: Too true.

Me: Yep. WOW! Yesterday was so awesome!

Nico: It sure was! The Spider Riders are now rid of Mantid.

Spiderman: And they are rid of Evil Cozy Glow too.

Johnny Cage: Seeing Goro's Fatality brings back memories

Lynn: It sure does.

Qin: Yeah!

Me: Always love seeing those Fatalities.

Nico: Me too.

Varie: That is awesome.

Silverstream: My Akuma was a Mermaid that can turn into a Hippogriff which was so cool!

Qin: It sure was!

Nico: Infernal and cool.

Blitzwing: Like a Triple Changer.

Nico: Very much like one.

Silverstream: And I have the power to do the same thing too.

Nico: Really?

Silverstream: I sure do. I have the power to turn human, Hippogriff and a Seapony and Mermaid.

Nico: WHOA! A Quadruple Changer.

Silverstream: Exactly.

Qin: Yeah!

Iormu: That is cool!

Eclair: It sure is! I'm glad we've seen the last of Evil Cozy Glow.

Apple Bloom: Me too.

Me: That's another one of Equestria's big bad enemies gone.

Nico: Yep.

Qin: I know.

Nico: Chrysalis is still out there though

Me: We'll worry about her when the time comes.

Nico: Yeah.

Me: Oh guys I've been doing some digging on Eclair's village the Fire Village, and found out that it was built to prevent a deadly evil Phoenix from returning.

Eclair: It's true. I have half of the Phoenix Stone with me.

She showed the Phoenix Stone half she had.

Nico: Where's the other half?

Eclair: I don't know.

Me: But I found that they separated it for a really good reason. The Phoenix is Evil!

WE GASPED!

Me: Years ago they sealed the Phoenix into this very stone and separated the two halves. If the two halves come together the Phoenix will be released and destroy everything.

Nico: Seriously, they're giving our Symbol a bad name!

Me: Well not necessarily. This version of the Phoenix contrary to the one we are familiar with and know, is more feral and destructive and destroys everything in sight. Here's what I found out.

I went over its history.

Over four hundred years ago, the Phoenix was once a dangerous monster roaming free until the people of the Fire Village sealed it into a stone at the cost of numerous lives. The resulting imprisonment caused the Phoenix to shed tears that would grant anyone who drinks them to become immortal. Both the tears and both Halves of the stone were guarded by the Fire Villages until they were attacked by those who sought the Phoenix's power. One half was stolen while the other was taken by the village Priestess who had also ingested the Phoenix tears in the hope of destroying the stone to prevent the Phoenix's awakening

---

When I was done everyone was shocked!

Eclair: It's true. I've lived for over 400 years because of ingesting the tears of the Phoenix. But My village was destroyed by warriors that sought the power of the Phoenix to get eternal life.

Me: That is a grave mistake they are going to regret. Eclair did you find out who they are?

Eclair: No. I didn't.

Me: I'll have to look into it.

Nico: Seriously, Phoenixes are supposed to be for good!

Qin: YEAH!

Xenia: No kidding!

Eclair: But I will gladly help you guys out bring justice to my attackers. Looking back I don't know what my people were thinking worshipping a monster like that.

Me: Me neither. But you have our word.

Pinkie Pie: Do you Pinkie Promise?

Me: Cross my heart, hope to fly and stick a cupcake in my eye.

Horsea: You got a deal!

Eclair: Thank you guys so much.

Me: You're welcome. For now lets just take in the sights and splender of the Valley.

Nico: Okay.

We walked around.

Nico: Ah, it's good to be in The Valley, we haven't been here in a long while.

Me: You said it.

Eli: It sure is awesome.

Me: I wonder how Panda and Skunk and everyone are doing here.

Poromon: They're probably doing good

Me: Yeah.

We saw Panda, Skunk and everyone.

Panda: Ah good to see you all here everyone.

Me: (BOWS) Been a while Panda-sensei.

Nico: Good to see you too.

Panda: The Valley is doing really well since Dragon has been redeemed.

Nico: That's great.

Rabbit: It still is boring without Ninja Monkeys to beat up.

Me: I know. But I have a feeling they will return.

Nico: Along with Baboon too.

Ymir: I don't know the full extent of what happened back then.

Camie: Me neither.

Nico: Oh right many of you haven't heard about this.

Lynn: I actually signed Bastion up!

Me: Bastion was having problems with his confidence. So we came here and Panda taught him.

I went over what happened in chapter 818 and it was fun and cool.

When I was done everyone that hadn't heard about it was amazed!

Dragon: Ahh good memories.

Camie: Wow! That is cool!

Ymir: It sure was!

Eclair: Wow!

Qin: and it all started with my ex-boyfriend.

Me: Yeah.

Qin showed a scar on her back.

Camie: Oh man! How did you get that?

Qin: He slashed me across my back with a sword.

Nico: Yeah what a jerk!

Xenia: Yeah!

Panda: What he did was truly dishonorable.

Camie: Yeah! What a jerk!

Me: But anyway I think we should get started here.

Lincoln: And there's also someone I want you guys to meet.

The rest of the team's with us.

Anna Anyanova: She should be arriving...right...now!

Suddenly, we saw a girl with short purple hair, purple eyes, purple kung-fu clothes, phoenix angel wings, and the dragon on her forehead, right arm, and skirt appear and she had the Hidden Dragon Keyblade in hand.

Lincoln: (GASPS) Chen Li Draco, Keyblade Knight of The Valley.

Me: No way, The Valley has a Keyblade Knight?!

Nico: Too awesome!

Skunk: I knew you'd be here, Chen Li.

Rabbit: Our awesome friend and even awesome defender of The Valley's here at last, nice.

Nico: Looks like we got a lot to hear from her. Care to do the introductions?

Anna Anyanova: Sure, everyone, this is Chen Li Draco, Keyblade Knight of The Valley, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's The Keyblade Knight of The Valley, and a protector of all the creatures great and small. She's also good friends with Skunk, Panda, Fox, Rabbit, Snake, Ox and Pig and many more, and hold on to your hats for this one:

she's also the daughter of the former protector of the Valley, Dragon!

Me and Nico: SAY WHAT?!

BOTH ME AND NICO OPENED OUR MOUTHS SO WIDE, OUR SKELETONS CAME OUT ONLY FOR LINCOLN TO CATCH THEM AND PUT THEM BACK IN OUR MOUTHS!

Me: Dang it, I hate it when that happens!

Nico: And we both did it at the same time. So, Chen Li's the daughter of Dragon?! Holy cannoli!

Sabrina Lorelai: We were stunned ourselves.

Anna Anyanova: Yep, and she has all of his powers over water and fire and they're stronger than anything he knows. She can do anything with her magic. She's also a master of over 100,000,000 styles of Kung Fu, Judo, Shaolin, Jiujitsu, Karate and many more and can even use the powers of lightning, wind, earth, metal, wood, crystal, ice, light, and darkness.

Me: Whoo! Impressive!

Nico: Dang!

Anna Anyanova: And for years, she defended the Valley from the evil hordes of Dragon, and Baboon and his Ninja Monkeys. When she was a baby, her father was punished by Heaven for his Arrogance and he blamed the animals for it, even though they didn't do anything to him, and she made it her mission to save her father from this monster he turned into.

Nico: Afraid we did just that when we met Skunk and the heroes of The Valley years ago.

Chen Li Draco: I heard from Lincoln, and I'm so glad my father's back.

Me: And it was Overlord that did this to your father, when I see him...!

Anna Anyanova: Actually, you're gonna be pissed off even more when you hear the real truth. Chen Li did some digging and found out that it wasn't Overlord himself who framed Dragon because he was long dead, it was REALLY CHASE YOUNG IN DISGUISE he used his powers to make it look like Heaven falsely punished Dragon and he was turned into that monster he became!

WE WERE EXTREMELY MEGA SUPER PISSED OFF!

Me: OF ALL THE FUCKING NO-GOOD SCUM-SUCKING MISERABLE...! (SAVAGE WOLF ROAR) THAT IMMORTAL DRACONIC NIGHTMARE IS REALLY STARTING TO PISS ME OFF EVEN MORE!

But, it wasn't just us, but Skunk, Dragon, Panda, Ox, Fox, Pig, and Rabbit were also super pissed off!

Dragon: So, all this time...! It was Dark Chase Young who did it, he fooled Heaven itself! That evil monster!

Skunk: He was the one who...! That's it, the moment he returns, all of us will end him once and for all!

Anna Anyanova: That'll be on Kimiko's big day, Skunk. Anyways, Chen Li also trained all the animals in everything she knows to conquer the armies of Dragon, and Baboon and his Ninja Monkeys. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her powers and moves and he gained and mastered the powers of water, fire, lightning, wind, earth, metal, wood, crystal, ice, light, magic, and darkness and also mastered over 100,000,000 styles of Kung Fu, Judo, Shaolin, Jiujitsu, Karate, and many more, and she also helped him bulk up in muscle, and she also taught Lincoln's sisters all of her skills too, and she hates all of Lincoln's enemies with a vengeance and she vowed to kill Dark Chase Young and all of Lincoln's enemies.

Rabbit: So, all this time, the one truly responsible for Dragon's fall was Dark Chase Young, he fooled Heaven itself.

Panda: Indeed, this is a serious crime that we cannot forgive.

Fox: That's for sure. With every revelation we heard about Dark Chase Young, the more we find out just how much darker, deeper, and blacker his sins truly are.

Lincoln: That is exactly why when Kimiko's big day comes, I'm going to end him for good by stabbing that monster in his black heart with my sword and avenge the lives of those he'd destroyed and torn asunder over the centuries.

Chen Li Draco: Just as The Prophecy of The Reincarnation of Amaterasu foretold.

Lincoln: And we're going to undo the damage he'd done back in 1621 by taking down Morag for good on my big day, but Morag isn't worth killing anymore, I'm going to send her to a very secure prison after I hit that witch with my brand-new deadly Lovecraftian Curse and kill her ancestor, Aggie McLaughlin and send her to The Black Abyss.

Twilight Sparkle: And he'd already freed all of Dark Chase's Ancient Warriors who gave him all their skills, powers, and strengths before passing on to the next world and killed Killjoy Huggins, and got rid of the Dark Sides of Lori, Luan, Lynn, Lola, Lisa, and Luan.

Lincoln: That's for sure. (Suddenly gets a premonition) Uh oh, now here comes the battle for today: the villains were going after are none other than our old enemies, the evil version of Dragon, Baboon, and the Ninja Monkeys, they're back from The River of Fire and are coming to attack The Valley and get revenge on us.

WE GASPED!

Nico: Oh man!

Me: It's been so many years since we'd faced them, but they're in for a big surprise, we've gotten a lot more stronger and more powerful since then.

Luna: That's for sure.

Lynn: Well, they're in for one nasty surprise.

Me: Oh, that they are, Lynn.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: Even after you sent those fucking snakes running to Hell yesterday, they still want to cause a lot of trouble for us. Those bastards and bitches are an absolute pain in the ass.

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Dragon, Baboon, and The Ninja Monkeys) AHA! Gotcha! I just spotted Evil Dragon, Baboon, and The Ninja Monkeys, but they're heading right for us!

Nico: Let's go, it's time we end this.

Andre Lupescu: Understood.

Lincoln: (Sensed the next demon general) And the next demon general sent by those snakes is also coming right for us, but the best part, those snakes are going to watch as their next demon general is also absorbed by me.

Me: (Smirks) That'll piss them off big time.

Nico: (Smirks) Here's hoping Hell doesn't kick them out if they go ballistic.

But, The Keyblade Knights of Hell, The Malefic Sisters, and The Seven Queens of The Netherworld had a smirk on their faces.

Chen Li Draco: Uh oh, I know those demonic smirks on their faces, if those snakes go ballistic, they'll no doubt send their own armies of demons to rip them apart and piss off Malphas himself.

Lincoln: Now, that's something I hope to see once again.

Weiss heard a Pokemon cry.

Weiss: Whoa look!

We saw a Cyndaquil.

Me: Cool a Cyndaquil.

Weiss: Oh the poor thing.

Cyndaquil: I'm just hungry.

Weiss gave her apples.

Cyndaquil: Thank you.

She ate them.

Weiss: Wanna come with me?

Cyndaquil: Sure. And if I see your so-called father I'll bite him in his crotch and burn his eyes out!

Weiss laughed.

Weiss: You have a great hatred for my so-called father. You and I are gonna get along great.

Poromon: YAY!

Laney: WHOA! Look up there!

We saw a MEGA MOLTRES!

Me: WHOA! Mega Moltres!

Nico: How'd that get there?

Me: I think it's one of Dark Gale's work.

Eclair: Let me see.

She used her Telepathy and GASPED!

Eclair: Oh my god!

She dropped to her knees like she saw a ghost!

Eclair: It is her! It's my sister Varnya Hououfilia.

Me: WHOA!

Eclair: She's my older sister and she is also a great dancer.

Me: Wow! So she has the same powers like you do Eclair.

Eclair: That's right.

She flew around and saw us.

Me and Eclair flew up to her.

Eclair: Varnya it's me Eclair!

Horsea: Please don't attack me. Please don't attack me.

Mega Moltres: (GASP) Eclair!? Is that you!? You're alive!

Me: She can talk! Wait look!

We saw that she had the OTHER HALF of the Phoenix Stone!

Me: She has the other half of the Phoenix Stone!

We saw her revert back and was a girl with red hair and red eyes and had fire angel wings and red clothes and had Mega Moltres on her skirt, shirt and forehead and had an Elemental Phoenix Cutie Mark on her arm and a Phoenix Sword in her hand.

Varnya Hououfilia: Eclair!

She went and hugged her.

Eclair: Oh sis! I'm so glad you're safe!

Varnya Hououfilia: Me too! Eclair I've been looking for you for centuries.

Eclair: We have a lot to talk about.

We went down and sat down.

Horsea: WHEW!

Me: You had the other half of the Phoenix Stone the entire time?

Varnya Hououfilia: Yes I do. There's a story behind it.

Horsea: I'm just glad I wasn't attacked!

Poliwag: Don't jinx it, babe

Horsea: Sorry.

Varnya Hououfilia: I know who was responsible for attacking our village.

Me: You do?

Varnya Hououfilia: Yeah. It's Duke Cream.

Nico: Who is he?

Lucy Heartfilia: I know him! He is the ruler of the Kingdom of Veronica. His ancestors orchestrated the entire attack on the Fire Village to get the Phoenix Stone to gain immortality.

Me: So he's responsible for it! Now we know who is to blame for it.

I pulled up his history and saw it.

Duke Cream was the secondary antagonist in the anime film "Fairy Tail: Phoenix Priestess".

He was voiced by Koki Miyata in Japanese and English Dubbed by Scott Zenreich. He is a corrupt person that wanted to awaken the phoenix just to gain eternal life in return, not caring whatever happens to everything else.

In the movie, Cream attempted to have Eclair kidnapped, because she had something that would reawaken the legendary phoenix. After Dyst and the group retrieved her, Cream took the half of the stone and abused Eclair with a knife. Later, he planned to burn her at a stake and unite the halves together to awaken the phoenix and obtain eternal life. However, Dyst stepped in and betrayed Cream by using the stone for himself and awakened the phoenix. After the chaos subsided, Duke Cream was seen standing around the site.

When I was done we were shocked!

Me: That son of a bitch! Now we know who we have to go after. The Coordinator is a secondary target.

Nico: Yeah!

Varnya Hououfilia: He is gonna get it.

Me: Yeah. I'll have to explain my plan when we get to Fairy Tail Guild later on. Also you were turned into a Mega Moltres by Dark Gale.

Varnya Hououfilia: I know. I remember.

She was in a red suit and injected and then in a massive burst of fire she turned into Mega Moltres and flew out!

FLASHBACK ENDS

Varnya Hououfilia: It was awful.

Me: I know but we destroyed Dark Gale.

Varnya Hououfilia: Good. And I learned how to control the power of Mega Moltres through my consciousness and will power. We work together well.

Me: Wow!

Sonya: Varnya is a special one because of that.

Nico: Your role in Sonya's Team?

Varnya Hououfilia: I am the Phoenix Mage of the team and I use my intense fire powers to burn our enemies. Also outside the team I search for my sister.

Me: We found her. Well actually she found us.

Varnya Hououfilia: Really?

Sakura Avalon: She appeared to us after I sang a song I knew when we were on Bird Island.

Me: Long story.

Lucy Heartfilia: She became part of Fairy Tail after we helped her the first time.

Me: Yeah

Horsea: Thank you for not attacking me!

Maria: We've had a few instances where Horsea got attacked.

Varnya Hououfilia: I can tell.

Qin: Yeah.

We took off into the air to take down Evil Dragon, Baboon, and The Ninja Monkeys and send them to The M.O.E. and send the next demon general sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss.

We were flying in the air, and we saw our targets: the evil version of Dragon, Baboon, and The Ninja Monkeys, and they're approaching The Valley.

Baboon: ATTACK! TODAY, THE VALLEY WILL FALL!

Me: WHOA! DAMN!

Nico: Holy shit, just how strong is this guy?!

Lincoln: When we saw him transform against that thug, Damian Sanders, yesterday, he's at the same level of strength and power as us, but like us, he's been getting even stronger still, and he's pissed off Evil Dragon, Baboon, and The Ninja Monkeys.

That also pissed off Evil Dragon, Baboon, and The Ninja Monkeys, but before they could attack, Andre Lupescu summoned wolves who attacked them scratching and biting them all over the place!

Skunk: Ooh! That's gonna leave a mark!

Panda: Mess with a lone wolf, and there's going to be nothing but karma.

Rabbit: That's not a lone wolf they're messing with, it's a whole wolf pack wrapped up in one person.

We landed.

Me: You've got some nerve coming back from The River of Fire, Baboon, you, Evil Dragon, and The Ninja Monkeys.

Nico: We thought we were done with you lot, but it looks like we were wrong.

Lincoln: And we're not the same as we were when we first destroyed you all years ago and sent your souls to The River of Fire.

Evil Dragon: It matters not, you will never win against us! The Valley will be destroyed!

Everyone on TLPS and The M.O.E.: UH OH!

Nico: He's in deep doggie doo-doo trouble now!

Me: YEAH!

Baboon: ATTACK!

THE NINJA MONKEYS CAME AT US!

We really let them have it!

Me: PHOENIX FLAME STYLE NINJA ART: FIRESTORM INFERNO FEATHER STORM!

I fired a massive wave of fire and it formed into feathers of fire and they hit the Ninja Monkeys and exploded all over with intense fire and explosions!

By interfering with the natural energy using its immeasurable amount of chakra, the Ten-Tails is able to simultaneously create a variety of natural disasters that devastate the surrounding area, with itself acting as their epicentre. The phenomena involved in this technique include: earthquakes, floods, thunderstorms, and tornadoes. These concurrent events result in a blast akin to a nuclear explosion, even forming a vast mushroom cloud.

THEN A MASSSIVE VORTEX OF CHAKRA EXPLODED OUT AND NUMEROUS DEVASTATING EARTHQUAKES, TORNADOES, FLOODS, AND THUNDERSTORMES BLASTED OUT ALL OVER THE PLACE AND THEN A MASSIVE EXPLOSION BLASTED OUT AND DEVASTATED THE AREA WITH INTENSE POWER!

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out.

Cocytus Malefic: Oh great, they sent Adramelech, another demon general of Hell to attack us.

Lincoln: Hmm. (Sensed more demonic presences that had a hand in his summoning) Oh, you've got to be kidding me, Adramelech wasn't just summoned by those snakes, but I also picked up on the presences of our old enemies, the Satanic-worshipping greasers, Tony Reno, Vinnie Ritacco, and Sean Patrick.

Morgana De Rose: What the?! (GROWLS) If that Satanic-worshipping greaser and his friends think they are going to get away with this, he's got another thing coming.

Adramelech charged at us, but Lincoln charged at Adramelech and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Adramelech down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Adramelech, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Adramelech except for his loincloth and shorts and Lincoln drained Adramelech's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

Back in Hell, seeing what happened to Adramelech getting taken down and absorbed by Lincoln royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Baboon: What the Hell?! Are you crazy?!

James Blunt: He is. (Smirks) But, then again, you're just an evil monster who tried to destroy this peaceful valley, so you obviously needed to be taught a lesson.

Baboon went ballistic, but Andre Lupescu fired at him with one of his silver-plated guns in his left hand while he holds his massive greatsword slung over his shoulder and Baboon shrieked as he saw the incoming bullets and dodged them.

We were amazed by the transformations of Sakura Shinju, Dragon, Skunk, Panda, Ox, Fox, Rabbit, and Kara Bowen Einon, and that pissed off Evil Dragon, Baboon, and The Ninja Monkeys.

Baboon: ATTACK!

Six of The Ninja Monkeys charged at us, but then, something grabbed them by their necks, and we saw that Andre Delacroix was awake and that it was his bladed whip that's around their necks.

Caleb Maxwell: Andre, what the Hell are you doing?! Put them down now!

For a moment, Andre Delacroix looked at Caleb Maxwell, but then, his face twisted into a cruel and extremely malicious grin and his blue eyes changed to blood red filled with evil and cruelty, and then, without warning...!

ANDRE DELACROIX PULLED HIS SILVER BLADED WHIP BACK AND THE BLADES SLIT THE THROATS OF THE SIX NINJA MONKEYS AND THEY GOT KILLED AND THE BLOOD FLOWED INTO THE GROUND! WE WERE HORRIFIED: ANDRE DELACROIX MURDERED SIX POTENTIAL MEMBERS OF THE M.O.E AND COMMITTED THE DARKEST CRUELTY EVER!

Me: What the fuck!

Caleb Maxwell: WHAT?! YOU GODDAMN...!

Suddenly, we heard the sound of demonic shrieks coming out of the pools of blood, and three figures first came out of the pools of blood: they were none other than the Satan-worshipping greaser thugs, Tony Reno, Vinnie Ritacco, and Sean Patrick from Sometimes They Come Back...Again.

Morgana De Rose: Tony Reno, Vinnie Ritacco, and Sean Patrick, I should've known you three Satan-worshipping demonic greaser thugs would come back!

Tony Reno: And we're back with a fucking vengeance, bitch!

?: And so are we! You're gonna pay for killing us!

Then, we saw three more figures emerge from the pools of blood, they were none other than the greaser thugs, Richard Lawson, Vinnie Vincent, and David North from Sometimes They Come Back.

Lincoln: And Richard Lawson, Vinnie Vincent, and David North, I should've known you greaser thugs would also come back as well!

Richard Lawson: We're gonna kill you fuckers and you're all gonna go to Hell with us!

Morgana De Rose: SCREW YOU, LAWSON! YOU AND YOUR FUCKED-UP THUGS! SAME WITH YOU, RENO! YOU AND YOUR SATAN-WORSHIPPING THUGS!

They all let out a horrific and demonic roar and they turned into their demon and ghoul forms! Then, Lincoln brought the six slain Ninja Monkeys back from the dead with a snap of his fingers and healed their injuries.

Lincoln: (To Evil Dragon, Baboon, and The Ninja Monkeys) Excuse us for a second, we've got six undead and demonic greaser thugs to send back to Hell for good along with a monster to punish!

We turned our attention to Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, David North, and Andre Delacroix who was laughing insanely at the cruelty and madness he brought back to our world.

Lincoln: You've really crossed a serious line, Andre Delacroix! You've let the darkness of your family's medieval past corrupt you, and now, you must face the punishment for your crimes, and as for you, Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, and David North, you six greaser thugs are heading right back to Hell forever.

Richard Lawson: Next time, man, there's always next time!

Suddenly, the symbol of The Cross appeared behind Lincoln along with the symbols of The Gods and Goddesses of The Pantheons of The World and The Symbol of the Nightflame Sun and The Phoenix and the many mythical beasts and creatures: JUDGEMENT DAY HAS COME, BITCHES! TIME TO PAY FOR YOUR SINS AND ROT IN HELL FOR ALL ETERNITY!

Tony Reno: NO! IF WE'RE GOING DOWN AGAIN, YOU'RE GOING DOWN TO HELL WITH US! (DEMONIC ROAR)

Me: Oh, shut the fuck up, Tony Reno!

Lincoln went after Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, and David North, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, and David North, and they exploded with incredible power as they hit them.

Then, he attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-armored dragon claws claws and his two massive greatswords and he even fired red and blue wolf fire at them, and Lincoln attacked the greaser thugs hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, and David North even more angrier than ever.

HOLY JUDGEMENT STYLE: JUDGEMENT OF THE DAMNED!

The symbol of The Cross appeared behind Lincoln along with the symbols of The Gods and Goddesses of The Pantheons of The World and The Symbol of the Nightflame Sun and The Phoenix and the many mythical beasts and creatures as he fired six powerful beams of holy light that hit Tony Reno, Vinnie Ritacco, Sean Patrick, Richard Lawson, Vinnie Vincent, and David North, and they screamed in agony and pain as they lost their powers, and they were also turned to ashes and their evil souls were sent to The Black Abyss forever never to return again!

Me: Incredible.

Veronica Keiron: He's used one of the Holy Judgement Style Ninja Arts, these are powerful Ninja Art techniques that are inspired by the holy judgement of Heaven, and they're so powerful, they destroy the guilty in less than a second as they lose their powers and their evil souls are banished to The Black Abyss forever.

Qin: Heaven's judgement is indeed that powerful.

Then, we turn our attention to Andre Delacroix who was now beyond enraged for what Lincoln did.

Andre Delacroix: No! No! DAMN IT! I was so close, you ruined my chance to get revenge on you, you Lupescu Scum!

But, before any of us could go after him, Lincoln approached Andre Delacroix.

Andre Delacroix raised his blood-stained silver-bladed studded whip to attack Lincoln, but then...!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired a powerful beam of light that hit Andre Delacroix and he screamed in terror as he was forced to see his own reflection and he convulsed in pain as we saw something moving inside him, and we saw him covered in a dark energy aura, but we sensed good dwelling in him and Caleb Maxwell recognized it and he held out a mirror he got out.

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Thanatos True Immortal Death Harbinger Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let them out!

Then, it was becoming more clear: what was dwelling inside Andre Delacroix was not only the evil in his heart that he was born with, but he'd also killed innocent souls along with werewolves, but that was under the influence of the evil of his family's dark medieval past, and their arms tore his black shirt and coat apart and we saw it: the faces of innocent souls that got killed by him when he was under the influence of the evil of his family's dark medieval past.

Nico: What the?!

Luan: Those are the innocent souls that got killed by him when he was under the influence of the evil of his family's dark medieval past. Lincoln's using the tactic...!

Nicole: Alice Johnson used to free the souls of the Elm Street Children when Kreuger came back in the fourth Nightmare on Elm Street movie, and Caleb knew about it, so he had a mirror hidden in his coat to use the words in case this happens.

More beams of light fired from the mirror and the souls of his victims continued to fight back as they pinned him to the wall and we're holding him to the wall keeping him from escaping and with more beams of light being fired at him, the souls were heading up to the surface, and one of their arms held his jaw open, and he let out a loud scream as the souls of his wrongfully murdered innocent victims came out of his mouth and they were freed and Lincoln sent them to Heaven, and the darkness in his heart also came out, but instead of being sent back to Hell, he was sent to The Black Abyss.

Lincoln holstered his massive greatsword and powered down and Andre Delacroix fell to the ground, but we both know he's going to be pissed at us big time, but Caleb Maxwell had a nasty surprise for his former friend. Then, we turned our attention to Evil Dragon, Baboon, and The Ninja Monkeys.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Sakura Shinju, Dragon, Skunk, Panda, Ox, Fox, Rabbit, Kara Bowen Einon, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Evil Dragon, Baboon, and The Ninja Monkeys even angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Evil Dragon, Baboon, and The Ninja Monkeys, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Evil Dragon, Baboon, and The Ninja Monkeys, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, GO TO HELL, YOU PIECES OF SHIT!

Lincoln, Nico, and I did one final powerful energy slash that hit Evil Dragon, Baboon, and The Ninja Monkeys hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Evil Dragon, Baboon, and The Ninja Monkeys were on their last legs and they were really really mangled.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long black wolf tails, eleven massive and long red dragon tails large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings, massive red dragon wings, and massive golden yellow dragon wings, and twenty-four sets of large colored angel wings, red dragon wings, and golden yellow dragon wings underneath the massive colored angel wings, red dragon wings, and golden yellow dragon wings of Sakura Shinju, Dragon, Skunk, Panda, Ox, Fox, Rabbit, and Kara Bowen Einon are permanent.

Then, Lincoln tied Evil Dragon, Baboon, and The Ninja Monkeys up in rainbow energy straitjackets and sent them to The M.O.E.

Me: That should do it.

Nico: Yep.

Chen Li Draco: That'll teach them. Now, we got one last person to take care of.

We then turned our attention to Andre Delacroix who'd gotten back up, and he was absolutely pissed off and his red eyes changed back to blue, but they harbored eternal hatred and madness.

Andre Delacroix: YOU! YOU! You all ruined my revenge and you took all my prisoners away from me, they are mine forever!

Caleb Maxwell aimed his guns right at Andre Delacroix, and he glared at him hard: he was pissed off to no end and Lincoln stripped him of his powers of light and also destroyed the emerging powers of darkness that were about to emerge.

Caleb Maxwell: Not another word. I can't believe how far you've fallen, I thought you were different from your medieval ancestors and I truly saw it for myself, you were just like your ancestor, Jacques Delacroix, the legendary werewolf hunter and savior of Paris who executed Gilles Garnier in 1573 and your family fought against the werewolves as the centuries passed and kept mankind safe.

But, I had no idea of just how dark your family's past truly was until Andre Lupescu told us especially after I saw you glaring at him with hatred in your eyes yesterday, and I was right to have asked that question as soon as I saw it.

Andre Delacroix: Caleb...?

Caleb Maxwell: I truly thought you were a good friend of mine, but I was wrong, you proved to me that you are just like those who I once considered my friend only to commit an act of betrayal so evil, it left a scar on those around you. Your actions just now with bringing back those greasers, Richard Lawson and his friends, and those Satan-worshipping greaser thugs, Tony Reno and his friends along with yesterday's revelation of your medieval ancestors' dark history as black magicians, witches, wizards, warlocks, and heretics who caused havoc in France and Western Europe have just sealed your own fate. I told you that you were on thin ice yesterday, but now, you've left me no choice.

Andre Delacroix: (Already afraid) What are you trying to say?

Andre Delacroix was now afraid, despite that he'd slain many werewolves, he was afraid of incurring Caleb Maxwell's anger as he knew of the many things that can piss him off, and this was one of them.

Caleb Maxwell: You have become an eternally damned being, and your family's silver-bladed studded whip, the legacy of your family, has been tainted by innocent blood that you've spilled and you can never be forgiven. Your family's legacy has now been eternally damned for good because of your act of cruelty and hatred, and nothing you can do or say can change that. Andre Delacroix, because of your act of cruelty and hatred, you are no longer a friend of mine, you have now joined the list of those I once considered my friend only to not only betray me, but also, all of us in the cruelest way imaginable. I'm cutting all ties with you forever, I don't want to be friends with someone like you, and since you've lost all your powers of light and many other powers you'd gained thanks to your training with us, there is only one punishment awaiting you. You still remember The Nightmare Realm?

Andre Delacroix: What?! You mean to imprison me in there?! You wouldn't dare! You don't have the balls to...!

BANG!

Caleb Maxwell fired and the bullet grazed Andre Delacroix in his right cheek and dark red blood came pouring out.

Caleb Maxwell: I would dare, and you of all people should know of the kind of person I am! Now, it's time I put this to rest forever.

Caleb Maxwell let his guns go as they levitated above ground, and then, he took out a knife and slit his right palm as blood flowed out and he threw it in many directions and the blood splashed onto Andre Delacroix and on the ground and he screamed as he got burned and when he was done, we saw what it looked like from the air: it was a magic circle with banishment runes and words in Latin in the outer circle and inside the circle were symbols of the Sun and Moon and a cross.

Juniper Lee: That's one strange looking magic circle, I'll talk to Ah Mah about that later.

Then, Caleb Maxwell began to recite an incantation and the circle glowed.

Caleb Maxwell: Spirits of The Day and The Night, I pray to thee to ask for your help for this task that must be done. I ask that you open the portal and banish Andre Delacroix mind, body, and soul to The Nightmare Realm, for he has committed an act of cruelty and betrayal that has brought back the dark memories of Louie Delacroix's reign of terror back in the early Middle Ages.

Suddenly, the banishment circle glowed with red energy and Andre Delacroix was shackled by red energy chains.

Timothy Maddock: That banishment circle. Now I remember, that banishment circle is another power Caleb, Allie, Marlene, and members of Marlene's family have, and it's used for those who'd committed the darkest of sins and betrayals, I never thought I'd see it again.

Then, underneath Andre Delacroix's feet, the Sun and Moon and cross in the center of the circle had glowed even more, and the banishment circle formed into a portal that led to a realm of nightmares and demonic hands reached out and grabbed Andre Delacroix and started dragging him down into the portal and into The Nightmare Realm.

Andre Delacroix: This isn't over, Caleb! I will one day return and I will have my revenge on you, you and everyone around you will die!

Caleb Maxwell: I wouldn't count on it.

Finally, Andre Delacroix screamed in pure anger as he was finally dragged down into The Nightmare Realm for eternity and the portal closed and the banishment circle turned to dust, and the only thing left was the silver-bladed studded whip and the four guns of Jacques Delacroix, but now, they've been tainted by Andre Delacroix's hands.

The banishment ceremony was completed, but Caleb Maxwell was hurt deeply by the betrayal of yet another person he once called his friend, and all those painful memories came back to hurt him once more.

We went to Caleb Maxwell, but James Blunt was the one who went up to him and placed his left hand on Caleb's right shoulder.

James Blunt: Are you alright, Caleb?

Caleb Maxwell: No..., I just..., I couldn't believe it, Andre Delacroix, my old friend and a well-known werewolf hunter from a legacy of heroism...could be capable of betraying not only me, but all of us in the very way those I once considered my friend only to betray me in a cruel manner...! I thought I'd never have to deal with those nightmares again after my death in 1984, but..., it came back once more.

Nico: Caleb...

Suddenly, Caleb was about to break down, but he held on, and then, he looked at the silver-bladed studded whip and the four guns of Jacques Delacroix, but now tainted by innocent blood Andre Delacroix spilled in the past.

Caleb Maxwell: And the very weapons Andre Delacroix's ancestor used to slay Gilles Garnier back in the late 16th Century, he tainted them when he spilled innocent blood in the past, and he hid that from me, they're now nothing more than a symbol of fear.

Andre Lupescu: Those weapons' meaning is only based on the person who wields them. Before this whole ugly mess, Andre Delacroix had proved himself not only to be a great warrior like his ancestor, Jacques Delacroix, but also, a great hero. But, he allowed himself to fall into darkness when the evil he was born with take over and spilled innocent blood in the past, but the choice is up to you, Caleb, do you intend to throw those ancient weapons into the sea forever, or keep them and hope another true hero can wield them.

Then, as if his mind was clear, Caleb Maxwell grabbed the silver-bladed studded whip and the four guns of Jacques Delacroix and had them locked away in a case in the Estate.

Caleb Maxwell: Only a true hero can wield them: only someone who's still pure of heart, but with the banishment of Andre Delacroix, hopefully another will come to take his place.

Lincoln: And if Andre Delacroix does come back for revenge, we'll be ready for him, Caleb.

Caleb Maxwell: Thanks.

Nico: Is that blueberry pie part true?

Panda: Oh yes it's true. Dragon hates Blueberry Pie with a vengeance.

Xenia: Yikes.

Dragon: Yeah it's true.

Nico: Nice job, Cyndaquil

Cyndaquil: Thanks! Got any beer?

They split into three and reverted back and were the Keyblade Knights of Exificalus Prime, Amphibia and Horusra.

Lincoln: (GASP) Eclairus Exifcalus, Annabelle Boonchuy and Hailey Horus!

Eclairus: Good to see you Linky.

Annabelle Boonchuy: Yeah.

Anna Anyanova: Sure. The girl with the dragon wings is Eclairus Exifcalus, Keyblade of Exificalus, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's not only The Keyblade Knight of Exificalus, but she's also The Avatar of Ghidorah and The Reincarnation and Gene-slammer of King Ghidorah. She has all the powers of King Ghidorah from 1964 on up and she's also intensely strong! She has the intense power to destroy entire planets in massive fiery onslaughts and it's intense!

She also is the Goddess of The Exif. She hates the evils of her people, the Exif, and she absolutely despises what her people were doing to so many people all over the galaxy. She banished them from Exifcalus for eternity and vowed that if she sees any of them, she would destroy them without a single shred of remorse, guilt, or anything. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her powers and moves and he gained and mastered the powers of King Ghidorah from 1964 on up and also gained the intense power to destroy entire planets in massive fiery onslaughts, and she also helped him bulk up in muscle, and she hates all of Lincoln's enemies with a vengeance and she vowed to destroy them all especially Chandler, and she swore that he would pay big time for his crimes.

WE GASPED!

Me: WHOA! The Avatar of the Exif!? That is cool!

Yuko Tani: Metphies is gonna be shocked to see you.

Anna Anyanova: He sure is. The girl with green hair is Annabelle Boonchuy, Keyblade Knight of Amphibia, she's

Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the planet, Amphibia, and she's a master of water, frogs and toads and nature. She is the older sister of Anna and she is also a close friend of Marcy and Sasha. She's also a deadly force of nature and she's defended the world of Amphibia from the evil forces of King Andrias and beyond and she even single-handedly annihilated his entire army in minutes. But she got a nasty scar over her right eye when Andrias slashed her face, and she had that mark from him ever since. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her powers and moves and he gained and mastered the powers of water, frogs and toads and nature, and she also helped him bulk up in muscle, and she also taught him all about how to care for frogs and more and is also a really close friend of Lana who loves all of her animal friends, and she hates all of Lincoln's enemies with a vengeance especially Lola, and she vowed to kill that brat by feeding her to a giant sea dragon

Me: WHOA!

Anna Boonchuy: And the most amazing sister ever.

Me: Cool!

Anna Anyanova: Yep. And the black hair girl is Hailey Horus, Keyblade Knight of Horusra, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Horusra and the Gene-Slammer of the Horusglypha and she's a deadly master of all things Egypt. She has all the powers of the Egyptian Gods and Goddesses and she is a deadly force of good and she has power that is as strong as all the gods and goddesses of Egypt combined into one times 10,000,000. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all of her moves and more, and he gained all the powers of the Egyptian Gods and Goddesses and gained power that's as strong as all the Gods and Goddesses of Egypt combined into one times 10,000,000, and she also helped him bulk up in muscle, and she also taught him all about the history of Egypt and she hates all of Lincoln's enemies with a vengeance and vowed to bring them to the Egyptian Underworld and have them kill each other.

Nico: And your friend?

Another Flare: Someone who misses her sister.

Flare gasped.

She reverted back and was a voluptuous girl with yellow hair, yellow eyes and had yellow clothes and had yellow angel wings and on her face over her eye was a lightning bolt shape scar.

Flare Corona: THUNDER!

She and Flare hugged.

Flare Corona: I'm so glad to see you sis.

Thunder Corona: Me too sis!

Me: Your sister of Lightning no doubt.

Flare Corona: That's right.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

They got weapons of said rangers.

Hailey Horus: No he didn't because he was scared of us.

Annabelle Boonchuy: Yeah that is for sure.

Thunder Corona: Yeah we were scary to him.

Me: I don't blame you. But Thunder you should be proud of your sister. She has come a long way.

Sougo (gets out Operation Overdrive Ridewatch): She's friends with Fairy Tail

Geiz (gets out Mystic Force Ridewatch): And they're proud of her too

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Thunder Corona: I can tell. My friends in Lamia Scale are worried about me too.

Me: We could use your help for the main mission later today.

Eclair: It's important too.

Me: We'll explain later.

Thunder Corona: Okay.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (gets out SRF Phantom Gent Baruga's Ridewatch) Let's do this!

Something slashed the Anothers with incredible speed!

Then out came Evil HERO Malicious Edge!

Me: WHOA! Evil HERO Malicious Edge!

Nico: Fast!

Evil HERO Malicious Edge: (In a girls voice) And someone you don't want to fuck around with!

Nico: Melanie Malicious! Wow!

She reverted back and was a girl with black hair, piercing red eyes, black clothes, had demon wings and had Evil HERO Malicious Edge on her forehead, arm, skirt and shirt and had a demon sword in her had.

Me: Colorful mouth.

Nico: Nice job!

Melanie Malicious: Thanks. Those motherfuckers will think twice before messing with me.

Me: No fucking shit!

Zatanna: Do you have any favorite memories?

Melanie Malicious: I sure do. When me and Nico took down Motherfucker's dad the first time and I disemboweled him and fed him his own intestines and made him pee blood.

Me: GRUESOME!

Nico: Yeah his son Chris is dead now.

Qin: Yep.

Melanie Malicious: Good fucking riddance.

They hugged.

Nico: I've missed you.

And we got all of TLPS and The M.O.E. here and we saw the place is a mess.

Lincoln: Ah, we're here in Peach Creek, and I know what we're going to do here, not only am I going to rescue the forty-five girls here, but we're also going to take down The Swedish Meatball with a Bloodcurdling Scream and send it to The M.O.E.

BLOODCURDLING SCREAM!

We heard a bloodcurdling scream echo in the air.

Nico: (Shudders) That's one bloodcurdling scream.

Me: We got to take that thing down and fast and send it straight to The M.O.E., and possibly in a cage where it belongs.

Vypra: Make it a cage of Neutronium bars.

Magic Man: We better find that thing and fast.

Suddenly, we saw a trail.

Sam (Sam & Max): (Harvey Atkin Voice)(Sniffs) It's a trail of Swedish gravy.

Max: (Sam & Max): (Robert Tinkler Voice) And look, it's leading us straight to it.

We then got a move on by following the gravy trail, but as soon as we got close, we heard the same bloodcurdling scream, and we saw our target: The Swedish Meatball with a Bloodcurdling Scream and it was an absolute monster.

Me: HOLY FREAKSHOW!

Nico: YEESH! That's the...! Oh, now that is just wrong!

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit The Swedish Meatball, but it made it angrier than ever.

But, before we could attack him again, wolves came out and mauled him, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark blue hair with dark blue flower in her hair, dark blue eyes, massive black angel wings, the Dark symbol on her right arm and Dark symbol on her forehead, dark blue short-sleeved blouse, dark blue short-sleeved frilly shirt, white gloves, dark blue skirt with the Dark symbol, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, wolves, phoenixes, and angels on the coattails, and on the back is the symbol of Darkness from Magic The Gathering, she has a darkness greatsword in her right hand, and with her are the forty-five girls.

Lincoln: (GASPS) Valerie Wolfbriar, Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering.

Valerie Wolfbriar: That's right, and I got the girls away from that meatball before it could maul them.

Me: That was a close one.

Nico: You said it, but now, we got to deal with that ugly meatball and fast before someone else gets hurt by it.

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS THE SWEDISH MEATBALL AS IT WAS SENT UP INTO THE AIR AND IT ALSO GOT BURNED BAD!

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at The Swedish Meatball, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE SWEDISH MEATBALL! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we take you down.

Then, Andre Lupeau went after The Swedish Meatball and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at the monster which hit him hard.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and the monster didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into The Swedish Meatball, and he began absorbing him and he grew stronger, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing's left of The Swedish Meatball as he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. We cheered as we holstered our weapons and powered down.

Me: How was he?

Lincoln: Wild, monstrous, savage, but surprisingly tasty.

MASSIVE BELCH!

Lincoln belched out The Swedish Meatball's spirit and sent him to The M.O.E.

Eddy: WHOOHOOHOO! You're an animal, Lincoln!

Nico: That'll teach that bloodcurdling Swedish Meatball. Uh, I hope you don't get any side effects of absorbing him.

Lincoln: Nah, I didn't experience any side effects when I absorbed him, but at least, we took care of that beast and sent it to The M.O.E. I hope he doesn't try to cause any trouble. (To Valerie Wolfbriar) And it's so good to see you again, Valerie.

Valerie Wolfbriar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Valerie Wolfbriar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Valerie Wolfbriar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Valerie Wolfbriar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Valerie Wolfbriar and hugged her, and Valerie Wolfbriar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valerie Wolfbriar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Valerie Wolfbriar, Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering, she's Lincoln's Guardian Angel from the world of Magic the Gathering and she's a powerful master of darkness, fusing elements, wolves, and dark creatures of myth and legend. She's The Queen of The Elemental Plane of Darkness and Avatar of The Wolfbriar, Fusion, and Dust Elementals of Magic The Gathering, and she's the Dark

Master of The Queens of The Elemental Planes of Magic the Gathering, six girls who are Avatars of the Water, Air, Earth, Fire, Lightning, Brushfire, Wildfire, Dust, Fusion, Roil, Torrent, Sulfur, Crater, Cinder, Scoria, Firefiend, Wolfbriar, Ivy, Lava, Tempest, and Storm Elementals of Magic The Gathering and deadly forces of elemental power and they are said to be the powerful rulers of The Elemental Planes of Magic the Gathering, and they have fought against the evil vampire Sorin Markov in the past and they fought alongside Nahiri and many heroes against the villains of Magic the Gathering. She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of darkness, fusing elements, wolves, and dark creatures of myth and legend, and over time, he gained all the powers of darkness, fusing elements, wolves, and dark creatures of myth and legend, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a vengeance and she vowed to have them mauled by packs of wolves.

Nico: Those damn gorillas from Hazeltucky!

Me: Wait until it's either Dana, Whitney, Becky, Jackie, Mandee, or Fiona's time to shine, those gorillas are going to regret messing with us.

Eli: That's for sure. (Sensed Caleb Maxwell about to fire a bullet into their kneecaps from our location) And Caleb, you can't hit them from that distance, holster the guns now.

Caleb Maxwell: (Mutters) Fine.

Caleb holstered his guns.

Sam (Sam & Max): (Harvey Atkin Voice) That was a bitter pill to swallow.

Caleb Maxwell: Tell me about it, I wanted to cripple those two.

Lincoln: Now, where's the fun in not being able to beat them down when you cripple them and take the fun out of it.

Max (Sam & Max): (Robert Tinkler Voice) Same here, it's no fun if you cripple them and take the fun out of it.

?: I agree completely.

Suddenly, we were shocked when we saw a figure come out, and it was ANDRE DELACROIX, and he had his real silver-blade studded silver bladed whip and four guns of Jacques Delacroix!

Caleb Maxwell: WHAT THE HELL?! Andre Delacroix! (GROWLS) How the blazes did you escape from The Nightmare Realm?! I banished you!

Andre Delacroix: That wasn't me that you banished, Caleb. That Andre Delacroix you banished was actually Antoine Delacroix, and the Antoine Delacroix Lincoln banished to The Black Abyss was the dark version of me corrupted by evil.

Me: Huh?!

Nico: What the?!

We were stunned and flabbergasted.

Andre Delacroix: Let me explain, yes, I did leave this morning and it was indeed to go after Antoine Delacroix, but I found out it was a trap: someone from Lincoln's past was also there. Are you familiar with someone by the name of Isabella Abaddon?

Lincoln, his Guardian Angels, harem, and all of us on TLPS and The M.O.E. gasped in horror!

Lincoln and his Guardian Angels: Isabella Abaddon?! You saw her?!

Andre Delacroix: Yes, I did. When I was fighting Antoine, she showed up and fired a blast of darkness at me and I got hit and infected. She intended to spread chaos among you guys by forcing me to do evil, but my powers of light quickly separated the darkness she infected me with and in the process, it also removed the evil that was in my heart when I was born, and it led to the birth of Dark Andre Delacroix, and I drove that devil back to Hell and stabbed Antoine in the stomach. But, I couldn't let myself be brought back home, so I'd pushed both Dark Andre and Antoine to the target area, where you sent Dark Andre to The Black Abyss as soon as they got here. Then, when Antoine awakened, you can guess the rest.

WE GASPED!

Me: Oh man! You just stopped that evil demon's plan dead in her tracks.

Lincoln: And the Andre Delacroix that Caleb Maxwell banished to The Nightmare Realm was Antoine Delacroix, then, those weapons we locked away were...!

Andre Delacroix: Were his: the dark versions of the silver-blade studded silver bladed whip and four guns of Jacques Delacroix, and they were the ones that had innocent blood on it, and I didn't expect you and Caleb to use mirrors to make him see himself and it freed the innocent souls he murdered and absorbed into him.

Andre Lupescu: Still, that was a smart move. You really are the descendant of Jacques Delacroix, only he could be that cunning whether it's finding out a werewolf, or in your case, outsmarting a bad-tempered trigger-happy undead teen turned true immortal angel.

Caleb Maxwell was still stunned.

Caleb Maxwell: Well, now I feel like a dumbass. I can't believe it, I knew you were always good, but I was...!

Andre Delacroix: Blind to anger and rage, that anger you still harbored is still in you along with the cold darkness in your heart. Seems as though Drake's evil ruthless actions still left its mark on you before your death and after your resurrection and killing Drake and your dad's lowlife relatives a few months ago.

Lincoln: We got to do something about that, even using your powers of ice and fire won't do any good, Caleb, this is a divine matter that needs help from me and all of us, and now that you're here, Valerie.

Lincoln with his massive muscular arms still wrapped around Valerie Wolfbriar's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Nico: Those damn gorillas from Hazeltucky!

We came back to The World Tree Estate.

Me: Wait until it's either Dana, Whitney, Becky, Jackie, Mandee, or Fiona's time to shine, those gorillas are going to regret messing with us.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Valerie Wolfbriar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Wolfbriar with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Valerie Wolfbriar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valerie Wolfbriar.

Valerie Wolfbriar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Valerie Wolfbriar's waist, and he leaned down to her face and kissed her on the lips, and with Valerie Wolfbriar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Azalea Bhuvana had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Valerie Wolfbriar: (In Heaven) My God. Oh, Lincoln, you better tell the guys to hide in their rooms! The forty-five girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the forty-five girls, he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The forty-five girls are Aimee, Amelia, Anita, Annete Burns, Arieta Lyuis, Barbara, Charlone Claudius, Cynthia, Diana Silverneil, Elessa, Eliza Mayfield, Fanille, Frayne, Iristelessa, Julia Douglas, Karen Rangler, Korin, Leona, Louise Fallsmyer, Maggy, Meleene, Melfie, Mell, Melvina, Michelle Liedbulk, Mira the Fairy, Misha, Monika Allenford, Nina, Nora, Pamela, Princess Alicia Marculey, Raimy, Regina, Riviera Marius, Romina, Shayer, Sherris, Sydney, Tippi, Tricia, Wendy, Yayoi Tachibana, and Yurii from Growlanser and Tsuma from Kasen - Yurusumaji! - Soshiranu Egao to Yogoreta Shitagi.

Lincoln: Oh wow, it's Aimee, Amelia, Anita, Annete Burns, Arieta Lyuis, Barbara, Charlone Claudius, Cynthia, Diana Silverneil, Elessa, Eliza Mayfield, Fanille, Frayne, Iristelessa, Julia Douglas, Karen Rangler, Korin, Leona, Louise Fallsmyer, Maggy, Meleene, Melfie, Mell, Melvina, Michelle Liedbulk, Mira the Fairy, Misha, Monika Allenford, Nina, Nora, Pamela, Princess Alicia Marculey, Raimy, Regina, Riviera Marius, Romina, Shayer, Sherris, Sydney, Tippi, Tricia, Wendy, Yayoi Tachibana, and Yurii from Growlanser and Tsuma from Kasen - Yurusumaji! - Soshiranu Egao to Yogoreta Shitagi.

Nicole: So, those were the girls Valerie had gotten away from that Swedish meatball, but the guys ran right into their rooms again. Guys, get out here.

Nico: No way!

Maria: Ugh, looks like the guys aren't going to get out until Lincoln marks them.

Luna: It's hard wired into them, remember the girls that Lincoln rescued in his past rescues?

Lori: Voluptuous bombshells that cause any man to launch into the skies via a nosebleed rocket, and Travis had that warning wired into him since he and Leela are going out and Red's been together with Elh.

Red Savarin: (In his room) That's right!

Travis Tackett: (In his room) And you've already seen the girls in his harem, and many of them are also childhood friends of his.

Laney: Still, you guys can come out now.

Me: Nope!

I made a wall of fire appear in front of my door.

Sumner: Jeez, my son sure is stubborn.

Nicole: Yeesh, Dad's serious.

Jared: Big time.

Mary Knudson: I think the warnings of Travis and Red are also wired into Dad's head as well.

Varie: Big time.

Lincoln: I guess that's true, but oh well, no changing that. Are you girls okay?

Aimee: Yes, we're okay, thanks to you.

Aimee: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made forty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Amelia: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, forty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aimee, Amelia, Anita, Annete Burns, Arieta Lyuis, Barbara, Charlone Claudius, Cynthia, Diana Silverneil, Elessa, Eliza Mayfield, Fanille, Frayne, Iristelessa, Julia Douglas, Karen Rangler, Korin, Leona, Louise Fallsmyer, Maggy, Meleene, Melfie, Mell, Melvina, Michelle Liedbulk, Mira the Fairy, Misha, Monika Allenford, Nina, Nora, Pamela, Princess Alicia Marculey, Raimy, Regina, Riviera Marius, Romina, Shayer, Sherris, Sydney, Tippi, Tricia, Wendy, Yayoi Tachibana, Yurii, and Tsuma with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was one crazy adventure in Peach Creek, and we took down that Swedish Meatball.

May: That's for sure, and no one got hurt.

Lincoln: That's important though.

Nico: Yep, and I'm still reeling about what Andre did.

Me: Same here, but his plan exposed Isabella Abaddon, destroyed the evil inside him, and got rid of his evil brother, Antoine Delacroix, though that was thanks to Caleb's anger.

Andre Lupescu: That may be true, but we got rid of Antoine Delacroix for good. Wait a minute, you banished him to The Nightmare Realm?

Caleb Maxwell: I did, and it'll make sure he never escapes, but. (Realizes something) Ah, son of a bitch.

Selene Arcangela: With Isabella Abaddon running loose again, she'll try to find a way to break him out of The Nightmare Realm, and the same goes with Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads.

Andre Lupescu: I'll try and cast a spell to keep them from trying to breach open the doorway to The Nightmare Realm, but it has to be done tonight.

Me: Why tonight? Wait, tonight's a full moon.

Andre Lupescu: Yes, with the added power of the full moon, the spell I have to prevent them from opening the doorway to The Nightmare Realm will strengthen it and any attempts to breach open the doorway to let Antoine Delacroix out will lead to their powers being disabled.

Nico: Whoa.

Me: That's good.

Suddenly, Lincoln's eyes glowed.

Lincoln: Oh man, and guys, there's something I got to tell you: it's about that meteor that hit Earth in the alternate timeline.

We gasped.

Me: This we got to hear, it's a mystery that's been gnawing at us for years ever since we destroyed it and stopped Tim Scam.

Nico: Whatever it is, this is something that'll blow the lid open on this mystery.

After Lincoln and all of us took down the Swedish Meatball and sent it to The M.O.E., we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Valerie Wolfbriar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Valerie Wolfbriar: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Valerie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Valerie Wolfbriar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've

gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Valerie Wolfbriar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Me: So, Lincoln, about the meteor that hit us in the alternate time.

Lincoln: Right. Brace yourselves, guys, you're not going to like this one bit. I did some searching into it, and I found out that the meteor that hit us in the alternate time and led to our separation and the destruction of Earth, this wasn't just some freak meteor that suddenly came crashing down to Earth, it was sent to Earth, and the guilty bastard behind this was none other than Dark Chase Young!

WE GASPED IN HORROR, BUT SOON, THAT WAS REPLACED WITH ANGER AND WE WERE PISSED OFF TO THE FUCKING EXTREME!

Me: WHAT THE FUCK!? ARE YOU KIDDING ME?! SO, THE METEOR THAT WAS SENT DOWN TO EARTH IN THE ALTERNATE TIME THAT LED TO OUR SEPARATION AND THE DESTRUCTION OF EARTH WAS NONE OTHER THAN DARK CHASE YOUNG!? (SAVAGE WOLF ROAR)

Nico: WHAT THE?! THAT DAMN SON OF A BITCH! I CAN'T BELIEVE HIM! THERE'S NOW NO END TO THE MAGNITUDE OF HIS CRIMES! NOW, HE'S EVEN WORSE THAN THE DEVIL!

WE LET OUT A MASSIVE STORM OF SWEARS, HATRED, CURSES, AND DEATH THREATS TOWARDS DARK CHASE YOUNG STILL IMPRISONED IN THE WARP!

Maria: WHY, THAT GODDAMN IMMORTAL DRACONIC NIGHTMARE! THERE TRULY IS NO END TO HIS CRIMES!

Lincoln: We've already destroyed the meteor years ago when we took down Tim Scam and prevented that future from happening.

Lori: That's for sure. But, this proves that Dark Chase Young did this to also prevent the prophecy of you killing him for good, and that just sealed his fate even more.

Luna: Damn straight, sis!

Lynn: Of all the miserable no good lousy...! He's gonna pay for this! He's angered all of us for the last time!

The Loud Siblings were beyond mega pissed off: THE CRIMES OF DARK CHASE YOUNG HAVE GONE TOO FAR FOR THE FINAL TIME!

Lincoln: When the big day comes, Dark Chase Young will get his heart pierced by me, and only there will the souls of all those he's hurt for so many centuries be avenged.

But, then, we saw his deep sapphire eyes turn red with hatred and rage and his pupils turned into slits! And he really lost it!

Lincoln: THAT MISERABLE BASTARD! IT'S BAD ENOUGH THAT NOT ONLY DID HE HELP AGGIE IN KILLING OUR FAMILY'S ANCESTORS OVER 400 YEARS AGO AND CAUSED SO MUCH PAIN AND SUFFERING TO MANY OTHERS EVER SINCE HE BECAME IMMORTAL 1,500 YEARS AGO, BUT WHAT HE DID IN TURNING LORI, LYNN, LOLA, LISA, LUAN, CHANDLER, AND PRINCIPAL HUGGINS INTO THE RUTHLESS FUCKKICKER MONSTERS THAT MADE MY LIFE A LIVING HELL BY TRYING TO KILL ME IN THE PAST ALONG WITH A MULTITUDE OF OTHER CRIMES TO MANY OTHERS ACROSS THE UNIVERSE, HE CAN NEVER EVER BE FORGIVEN! HE HAS TO GO! HE'S WORSE THAN THE DEVIL HIMSELF, HE HAS TO DIE!

LINCOLN'S FURY WAS SO GREAT AND POWERFUL, IT MADE HIM EVEN STRONGER THAN EVER AS HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARED UP EVEN MORE EXTREMELY AND HIS UPPER AND LOWER BODY MUSCLES BULGED EVEN MORE AS VEINS FORMED ON HIS BODY AS HE REALLY PUSHED HIS BODY EVEN MORE THROUGH HIS WORKOUTS! THE FIERCE BEAST THAT LINCOLN KEPT INSIDE HIM HAS BEEN PERMANENTLY LET OUT AS IT MERGED WITH HIM AS WE FELT HIM GROW EVEN STRONGER: FOR THIS WAS A PRELUDE TO THE

BLOODBATH THAT WILL BEGIN ON HIS BIG DAY AGAINST BELIAL, MORAG, AGGIE, AND FINALLY, DARK CHASE YOUNG HIMSELF!

Lincoln: Thank goodness we got rid of the meteor when we went after and took down Tim Scam, but I'm pissed off that it was Dark Chase Young that did this in the alternate time. The only way for me and for all of us to finally move onwards is to get rid of him for good.

Me: That's true.

Suddenly, the alarm rang and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Aesir, The God of Chaos from Bayonetta 2.

Jeanne: Well, look who's shown up for more.

Nicole: Aesir, The God of Chaos, the one whom you, Bayonetta, and Baldur faced!

Lincoln: We hadn't faced him before, but I remembered that when Loptr took Loki's Sovereign Power and The Left Eye of Darkness and The Right Eye of Light, this is what he transformed into, but that led to The Left Eye of Darkness and The Right Eye of Light being erased because Aesir's real power is Nothingness, the power to erase the world and everything even the eyes of the world, but it is human free will that decides to choose either the world is going to be destroy or rewrite its own. Still, he has to be stopped at once.

Lincoln went out and confronted the evil God of Chaos.

Aesir (Bayonetta): Out of my way! I will make that pathetic Umbra Witch pay with her life!

Suddenly, Lincoln fired chains of heavenly golden light that chained Aesir and he was unable to fight back.

Lincoln: Stop talking now. Now, this is where you die for good. SOUL RIPPER!

Lincoln slashed Aesir and separated his soul from his body.

Lincoln: (ECHOING VOICE) GATE OF DESTINY!

Lincoln opened up a portal behind Aesir and he was dragged into it and thrown into The Black Abyss.

Rosa (Bayonetta): (British Accent) Amazing.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into Aesir's chest, and he began absorbing him and he and all of us assimilated Aesir's Devastating godly powers, The Power of Nothingness, all the powers of Loki and Loptr, as well as many other abilities such as altering his size at will, creating giant projections of his arms, project blasts of magical energy, and summon various technologies from across time and space of the human realm, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Aesir and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Then, he was also given the Tarot Cards of Loki, and he went back inside and continued working out.

Nicole: Now, The God of Chaos has been absorbed by you, Lincoln, and you and all of us have all of his devastating godly powers and many other powers and abilities.

Lincoln: Along with Loki's Tarot Cards, I'll use them to really give Morag absolute Hell.

Luan: I hope you do, but we already know what her future is.

Nico: Eternal damnation when we deal with her.

Then, Marlene Maxwell got out a tape.

Me: Mrs. Maxwell, what's this tape about?

Marlene Maxwell: This one takes place two days after Mad Cat Max brought an end to the demon in Caleb and he and Allie got together. Allie was getting ready for a night out, and that's when I found out about the boy she got together with, and when she told me of what happened two days ago and of how he ended that zombie nightmare that began when Caleb came back to New York.

Allie Maxwell: Mom was so happy Max stopped Caleb and ended that zombie nightmare, and she saw that Max and I were together, Caleb at least backed off because I'd warned him. He may be my older brother, but I've been through shit because of Drake for eight years after Caleb was killed in 1985 and I decided to toughen myself up, so that way, I'd drive Drake away, and I'd stand up to Caleb if he got like that again.

WE GASPED!

Lincoln's Siblings: Ooh!

Nico: Uh oh.

Caleb Maxwell: It was utterly humiliating! I was proud of Allie, but I was pissed at Drake so much, my bloodlust was at an all-time high!

Claw Dane Drake: That doesn't give you the right to try and cause trouble for Allie and Max Powers, Caleb. (Smirks) I had to keep an eye on you for that.

Lincoln: Yeesh, you couldn't slither your way out of that one, could you?

Caleb Maxwell: Nope.

Marcus Mackenzie: Ever since the incident in Chinatown in 1985, The Big Claw Gang's soldiers have been wanting Caleb dead, but like Caleb said, it was an accident, and he had no idea this was a trap.

Marlene Maxwell put the tape in and it played on the big screen and it showed New York at night and Allie Maxwell was getting dressed.

Past Allie Maxwell: This is going to be my first date and with Max Powers. Hopefully, the rest of The Big Claw Gang can keep a watch out for us, and it'll be Mom's first time to meet him. It's been two days since we stopped Caleb and ended the curse on him, but I'm not taking any chances on Caleb, he may be my brother, but the cold darkness in his heart and the rage and hatred inside him have made him unhinged and dangerous.

Allie Maxwell got out and was dressed in a black sleeveless dress and black heels and had her make-up and hair done.

Past Marlene Maxwell: Allie, you look so beautiful. Now, when's the lucky guy coming?

Knock! Knock!

Past Allie Maxwell: Ah, he's here! And early too!

Allie Maxwell went to the door, and as she opened it, she was greeted by Max Powers A.K.A. Mad Cat Max who had his long blue hair slicked back and he was dressed in an awesome tuxedo and dress shoes and he had on cologne and a bouquet of roses.

Me: Whoa! Talk about sharply dressed!

Carla Claw: Dad got him that tuxedo and he knew of him and Allie getting together after finding out of what Max did in stopping Caleb and ending that zombie nightmare along with the curse.

Past Allie Maxwell: Max, you made it right on time, and you look really amazing.

Past Mad Cat Max: Thanks, Allie.

Past Marlene Maxwell: Allie did tell me about you, and I knew about what'd happened. What Jessie went through was awful, and you two are now part of Dane Drake's gang. I knew he was a bad boy, but at least, he's not hurt innocent people. But, my ex-husband's fallen empire had and my ex-son, Drake Maxwell, also harmed so many innocent people drunk on power.

Past Mad Cat Max: And that also included your eldest son, Caleb. Now, that what he went through is the definition of a living Hell. By the way, where's your brother, Caleb?

BANG! BANG! BANG!

Past Allie Maxwell: He's rampaging all over New York killing Syndicate members. (Thinking) Cage and the others are gonna be annoyed. If he tries anything to wreck our date, I'm gonna kick him so hard in the stomach, it'll make the punches he got by Panther look like light slaps to the face. (Out Loud) Okay, let's get going.

They went out, but what they didn't know was that Caleb was watching the whole thing, and needless to say, he's out for blood again.

Past Caleb Maxwell: (GROWLS)

Caleb went after them, but of course, the other Big Claw Gang members weren't far behind.

Me and Nico: Oh, Hell no!

Carla Claw: Yep, he was at it again. Of course, we weren't that far behind, so it was up to us to save the couple from Allie's psycho brother.

Not far, Mad Cat Max and Allie Maxwell were heading to the restaurant in Queens.

Past Allie Maxwell: Wow, looks like you've chosen the most amazing restaurant in Queens, nice one.

Past Mad Cat Max: And the owner here also knows your Uncle Christiano, and he also keeps an eye out for Caleb, and Claw Dane made a reservation for us here.

They went to a table and placed their orders.

Past Allie Maxwell: I can't believe he made a reservation for us, even though I found out about his past from some of my friends' parents who went to school with Mom in the past. Yet, Caleb didn't know that much about him other than he's the leader of The Big Claw Gang, which was an emerging group at the time, but grew into the most powerful criminal gang organization after Caleb's death in 1985 while The Syndicate fell from power.

Past Mad Cat Max: Drake's murderous rage towards Caleb cost The Syndicate their power and wealth, and you've already heard of many of our stories.

Past Allie Maxwell: I did. (Sighs) And I can't believe that J.J.'s dad is a sick man, Caleb would've had him arrested and thrown in a dark cell in Rikers Island, if he knew the truth about you two, he'd have some compassion, but his compassion died in him because of what Drake did to him along with losing a lot of friends and being betrayed at every turn and he was cold towards a lot of those who betrayed him. But, when he died, I think his compassion came back and he saved two guys before he got shot and killed.

She referred to Cage Blunt and Travis Tackett, and from outside, Caleb Maxwell heard it all not far from the restaurant along with Cage Blunt and Travis Tackett.

Past Caleb Maxwell: Thank God you and Travis didn't tell her about what you two did to everyone in the bar, Cage.

Past Cage Blunt: After what she saw years ago, I think it was for the best.

Past Travis Tackett: I know Mad Cat Max may be part of the gang, but he hasn't killed anyone, and he did stop you and ended that curse that turned you into a demon.

Cage Blunt put his right hand on Caleb's left shoulder.

Past Cage Blunt: Your sister didn't want you to be left as that demon, and Max did the right thing in saving you even if he did have to get rough. Isn't it for the best those two can get their chance at love without having any trouble from you?

Past Caleb Maxwell: Okay. I'll leave them alone, and I've had enough of always causing fights with The Big Claw Gang, it was due to what it was that drove me mad.

They left as the video ended.

Mad Cat Max: So, all this time, the one who got Caleb to finally stop causing fights with us, it was you. But, you're a police officer.

Cage Blunt: Yes, that's true, but you already found out I wasn't mortal, but an immortal vampire same with Travis.

Jazz Jackson: And you would've blabbed it out and Cage would've had to erase your mind of that incident.

Me: Good luck with that, not unless Max did some training.

Mad Cat Max: I did.

Nico: Oh, crud, that meant...!

Caleb Maxwell: Cage's mind wipe wouldn't work.

James Blunt: When I heard about that, let's just say even I was stunned, no mortal can easily bypass the mind wipe.

Lincoln: But, it'd been two days since that night. We got a lot stronger going in The Hyperbolic Time Chamber, and I don't think Caleb knew about it.

Allie Maxwell: He didn't, but that didn't change the fact that he'd become a powerful immortal angel of vengeance and death.

Me: True. But still.

Allie Maxwell: In any case, Cage and Travis' intervention got my brother to back off and he stopped with picking fights with The Big Claw Gang and continued causing havoc on Drake and his thugs. By then, The Syndicate had faded away from existence, and only Dad remained, but he was a broken man.

Caleb Maxwell: Drake's actions destroyed The Syndicate and Dad was left a broken man: in 1984, he lost his marriage to Mom and he lost his ties to his eldest son and youngest daughter and I, his eldest son, got killed by his youngest son, Drake, a year later in 1985 only to rise again eight years later. It was an end that Dad didn't want, but what his family did, that was basically their revenge on him for turning his back on them: they destroyed our family only to get karma for their depraved ways.

We got a shower, and then, Lincoln, Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon are heading to South Haven in Michigan.

Lincoln snapped his fingers, and the 10'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Esdeath: Wow, we're here in South Haven, Michigan, it sure is beautiful.

Lincoln: It sure is, Esdeath, and it's perfect for our first date, shall we?

Lincoln, Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Esdeath: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon and hugged them in their abnormally massive and powerful muscular arms, and Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at South Haven, Michigan, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon are now in your harem, Linky.

Esdeath, Flexia Stretch, Jacqueline O Lantern Dupre, Kim Diehl, Mira Naigus, and Universe 666 Shaula Gorgon showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Flexia Stretch: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and thirty-five massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO

MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Poromon: MOVIE TIME!

Me: So which movie are you gonna watch?

He pulled out the movie A QUIET PLACE!?

Eclair: This is the movie we're watching. Are you kidding me?!

Chloe Yoriyama: That movie is about the aliens I got slammed with.

Qin: Yep.

Nico: And it's scary.

Me: Yep.

Poromon: Ready guys?

Me: Here we go.

We got to watching it.

We were watching.

Flare Corona: Huh. This doesn't look too bad so far

Me: It's looking good.

SPOILER ALERT

Sightless aliens with sharp hearing and impenetrable armor plating dubbed "death angels" have taken over the planet and killed most of the human population. The Abbott family – mother Evelyn, father Lee, deaf daughter Regan, and sons Marcus and Beau – live on their isolated farm in the middle of a forest in upstate New York, and have survived by taking precautions such as laying sand paths to avoid stepping on crunching leaves and using American Sign Language when communicating.

When the family goes into the nearby town for supplies, Beau finds a toy space shuttle, but Lee makes him leave it behind due to the noise it would make if powered on. As they are getting ready to leave, Regan secretly gives him back the toy, but without its batteries. When they leave, Beau takes back the batteries without anyone noticing. While walking back home, Beau turns on the space shuttle, which starts making noise. Almost immediately, Beau is killed by a nearby angel before Lee can reach him. Regan suffers terrible guilt thereafter, which she hides from her parents, although Marcus is aware of it.

Over a year after Beau's death, the family has seemingly gone back to normal, with Evelyn several months pregnant. Marcus reluctantly goes fishing with Lee while Regan, upset that she cannot go, visits Beau's grave. While the rest of the family is gone, Evelyn goes into labor. While heading to the basement, she accidentally steps on an upright nail and drops a photo frame, alerting a nearby death angel which enters the house. Struggling to stay silent amidst the pain, Evelyn flips a switch in the basement, turning the surrounding lights around the house red. The angel enters the basement soon after, but Evelyn distracts it with the loud clicks of an egg timer and escapes upstairs. Upon returning to the farm and seeing the red lights, Marcus and Lee lure the angel out of the house by lighting off fireworks, allowing Evelyn to safely give birth to her baby.

Regan, seeing the fireworks, runs back to the house. Lee enters the house armed with a shotgun[4] and finds the baby and Evelyn, then brings them into a hiding spot under the floor in the barn outside. The baby cries, alerting a death angel into the barn. The angel fails to find the source, but breaks some water pipes. Evelyn wakes up in the flooded hideout with the angel still inside and hides behind the falling water to mask her and the baby's sound.

Marcus and Regan climb to the top of a corn silo and light a signal fire to other distant farms, but Marcus falls into the silo and almost becomes sucked into the corn. Hearing this, the angel, which is hunting for Evelyn, runs towards the silo and attacks Regan and Marcus. The creature's disruptive effect on electronics causes Regan's cochlear implant to emit a high-pitched noise, which causes the creature to reel in pain and retreat, breaking a hole in the silo which frees the children. Lee finds Regan and Marcus, directing them to his truck, and is wounded when an angel attacks him. Marcus cannot stifle a scream, and the angel attacks the truck. Lee signs to Regan that he has always loved her and proceeds to yell to draw the angel's attention, sacrificing himself to the angel in order to allow Marcus and Regan to drive the truck back to the house safely.

Reuniting with a grieving Evelyn and hearing the sounds of a nearby angel, they make their way back into the house and enter the basement, into which the angel follows them. Regan, remembering the reaction the angel had to the high-pitched noise from her implant, places the implant on a microphone which amplifies the noise. The angel screeches in pain and exposes the vulnerable tissue beneath the armor plating on its head, allowing Evelyn to kill it with Lee's shotgun, though the sound of the shot alerts nearby angels. Armed with a new weapon, the family prepares to defend themselves from the approaching group of angels.

When it was done the mascots reaction was as expected.

THEY SCREAMED IN FRIGHT!

Me: WHOA!

Chloe Yoriyama: Man that really scared them.

Poromon: (To Chloe) You aren't going to kill us are you!?

Chloe Yoriyama: No way guys. I would never.

Runabout: (to the mascots) You guys okay?

Manaphy: Actually, the movie was fun.

Me: I wasn't scared of it at all. But man those aliens were REALLY UGLY!

Shanan: Cochleanian's are really ugly. But they are deadly and powerful.

Me: They sure are. Also we need to one day find their home planet and blow it to smithereens.

Nico: Good idea.

Armada Blurr: Geez, one sound is all it takes for them to kill a victim?

Me: Yeah. Even the slightest sound makes you easy prey for them.

Nico: Yeah.

Qin: That is for sure.

Nico: I have to admit it was a little scary to me.

Me: Not to me though.

But then we heard eating noises coming from the kitchen.

Nico: What is that?

Me: It's coming from the kitchen.

We went in and saw a Feraligatr raiding the fridge!

Me: Whoa a Feraligatr.

Nico: Hey, that's our food!

Eli: How did a Feraligatr get in?

Echo: I think I know this one.

She used her Telepathy and gasped!

Echo: That's Echo Rahldia!

Me: I take it you know her.

Echo: I'll explain later. Lets go! LETS MAKE SOME NOISE! (MUSIC PLAYS)

Me and Echo went to face her.

Echo: Echo it's me your sister Echo!

She grabbed Horsea and was about to take a bite out of her.

Horsea: HEY! LET ME GO!

She fired a bubblebeam blast and knocked her down.

Me: Okay then.

Echo fired a song blast and knocked her down.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue angel wings and had Feraligatr on her forehead, and had a mermaid with a sea dragon cutie mark on her arm.

We wrapped her in a blanket and brought her to the sofa.

Echo Rahldia: (Groans) What hit me? (STOMACH GRUMBLES) UH OH! I DON'T FEEL SO GOOD!

SHE THEN THREW UP ON THE FLOOR!

She threw up for 20 minutes!

Me: OH GOOD LORD!

Nico: CLEAN UP ON AISLE 12!

She then turned to see Horsea's stern face.

Echo Rahidia: A Horsea?

Horsea: You almost ate me!

Maria picked her up.

Maria: Horsea calm down.

Echo: Echo are you okay?

Echo Rahidia: Echo!

She hugged her.

Echo Rahidia: It's awesome to see you. What happened?

Echo: You were turned into a Feraligatr by Dark Gale.

Me: And you ate all our food in the kitchen.

Eddy: Yeah you ate everything and you almost ate Horsea.

Me: Just be glad you weren't a Guzzlord and raided over 70 restaurants like Shani did in France.

Shani Zecora: Yeah and over 400 people and hurled out their blood and guts.

Me: YUCK!

Echo Rahidia: I'm sorry guys. I can't believe I ate all your food.

Nico: It's okay.

Horsea: Do you remember what happened?

Echo Rahidia: Yeah I was captured by Dark Gale.

Echo was in a blue suit and she was injected and then she turned into a FERALIGATR! She then ATE ALL THE DARK GALE MEMBERS AND BUSTED OUT!

FLASHBACK ENDS

Echo Rahidia: It was (STOMACH GRUMBLES AGAIN) OH NO!

MASSIVE VOMITS!

But this time she vomited up blood and guts and bones!

Me: OH GOOD GOD!

Qin: YUCK!

Shani Zecora: Looks like I was wrong.

She vomited up 900 skeletons! YUCK!

Nico: Your role in Sonya's Team?

Me: Nico let her regain herself first.

Nico: Oh sorry.

She was still throwing up.

Me: WHOA MAN!

The mascots pat her on her back and she threw up more.

We cleaned it all up and it was gross.

Laney: GEEZ! She is hurling her guts out even more than Brian did when he found up he had sex with Quagmire's dad!

Me: No shit!

Brian: No kidding and you just had to bring that up!

Laney: Sorry.

She stopped.

Me: Feel better?

Echo Rahidia: I think so.

The previous group came.

Count Spankulot: (Transylvanian Accent) Why is there blood and vomit all over the floor?

Me: UCH Don't fucking ask!

Qin: Yeah!

Echo Rahidia: Sorry about that. I work as the hydromancer and song master of the team. I use the Sirens Song to hypnotize our targets and destroy them. Also outside the team I train with Echo in the powers we have.

Echo: It's true and it's fun.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Echo Rahldia new awesome blue clothes and a blue water sword.

Echo Rahldia: Wow I look amazing.

Me: You sure do.

We sat back down and cleaned up the floor.

Echo Rahldia: I can't believe I threw up that much.

Nico: That was a lot.

Qin: Yuck.

We cleaned up everything.

Marvel Loki: Honestly, that movie is one of many without much dialogue.

Me: Trying to stay alive with aliens like that is not going to be easy.

Camie: Yeah.

Iormu: I agree.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was The Coordinator, and she and her organization have come back from the dead to get revenge! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. Eclair isn't going to like this.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Coordinator, she and her organization have come back from the dead to get revenge!

EVERYONE GASPED!

Eclair: She's come back, but I thought she died centuries prior.

Flare Corona: Something must've brought her back from the dead. A Monitor Orb?

Lincoln: That could be the case. But, of course, there's also the black magic of Dark Sebastian and his minions.

Lincoln checked.

Lincoln: Oh crud, it's both!

Me: What the?! A Double Whammy!

Nico: We've got to get rid of both The Monitor Orb and The Mark of Apophis and The Sigil of Malphas. Where's The Coordinator at, Lincoln?

Lincoln: She's at Eclair's village. The Kingdom of Veronica.

Eclair: Where it all began centuries ago.

Me: And it's where it'll end, Eclair.

Nico: You said it. Alright, team, let's get ready to move, we're heading to Eclair's village.

Lincoln: The Coordinator and her organization have centuries of payback coming to them for what they did to Eclair's village, now they're about to face the fury of the flames of the immortal phoenix.

Count Spankulot: Ooh it's time to deliver the hand of justice to some bad people!

Me: First we got to go to Fairy Tail Guild. We need all the help we can get for this one. We're going up against an evil royal family that needs to be brought to justice!

Eclair had tears of joy and justice dripping down her face.

General Schwarz: Can me, Leap Frog, Ragdoll, Count Spankulot, SkullMeramon, Lythos, Mortal Kombat Scorpion, Stratos, Ice Demon and Puppetmon go with you guys?

Nico: Yes you can. And J.D. we'll follow your lead because you have a huge plan involved.

Me: Okay. I'll tell you all phase one when we get to Fairy Tail Guild.

Nico: Okay.

RD Lana: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Sinister Necrom next.

Me: OOH! Dark and dangerous.

Camie: Yeah.

Ymir: I like it.

Iormu: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Cinder from Killer Instinct, and that fire mutant's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Cinder.

Me: Ultratech knew of what you did to Fulgore and Kilgore in the early morning hours, Lincoln, so ARIA sent that fire mutant after us.

Elbia Hanaiman: We'll deal with him after we take down The Coordinator.

Lincoln: Yep, and I've got some fire-themed Final Smashes for me, Flare Corona, you, and Eclair to use on her, J.D.

Me: Perfect.

Nico: Now, this should be good. Alright, team, let's go, The Coordinator's time is finally up!

Lincoln: What she and her organization did centuries ago to Eclair's village can never be forgiven, and now, we're going to make her pay, and once we get done with her, you're next, Cinder.

Elbia Hanaiman: You chose the wrong time to return and cause havoc, now you're about to face the consequences after we take care of The Coordinator and her organization.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to Eclair's village to destroy The Coordinator and her organization, and once we got done with her, Elbia Hanaiman the Werewolf and Lincoln are going to destroy Cinder and send him to The Black Abyss as a warning to Ultratech: tomorrow, it's on!

We were off. First to Fairy Tail

We arrived and went in.

Me: Okay here's phase 1. We're going to call Master Makarov and have them summon all the members of every guild that Fairy Tail knows from over the years. We're going to need an army of mages for this since we're going up against a royal family.

Nico: I like it.

Leap Frog: Let's call Scorpion.

Mortal Kombat Scorpion:...I'm already here

Leap Frog: Oh sorry.

Mirajane saw us.

Mirajane: Hey guys. Welcome.

Me: Hey Mirajane. Sorry to coming in like this but we need to speak to Master Makarov immediately. It's urgent.

Mirajane: What's wrong?

Me: We're going into battle against the royal family of the town of Veronica.

Mirajane: Oh you're going to bring them down and get justice for Eclair.

Me: Bingo.

Mirajane: Be right back.

She ran and went to get him.

Makarov came.

Makarov: Hello J.D. and everyone.

Me: Hello Master Makarov. Sorry to pull you away from work but we need you to summon all the guild members that Fairy Tail knows for this. We are going into battle against the royal family of Veronica and bring justice to them for their crimes. 400 years ago they destroyed the Fire Village and left Varnya and Eclair here as the only survivors of it to get the Phoenix Stone to get Immortality.

He gasped! I'm on it!

He teleported and got many guild members to us.

Lisanna: We're here guys!

Sherry Blendy: THUNDER!

They hugged.

Thunder Corona: I'm back Sherry.

Me: Thank you all for coming here.

Minerva Orland: We're glad we could come.

Me: Great. Now we have a Huge mission here.

I flew up and addressed them.

Me: We're going into battle against the Royal Kingdom of Veronica. 400 years ago their ancestors destroyed the entire kingdom to get the Phoenix Stone in their selfish quest to get immortality. They killed everyone there except for Varnya and Eclair here.

I told them everything and it was time for us to head out!

Me: Lets go! Lucy you better show us where the town of Veronica is.

Lucy Heartfilia: Okay.

We followed Lucy and we were off.

We arrived in Veronica.

It was a really nice town.

Me: So this is Veronica. Nice place.

Eclair: This place has so many bad memories.

Me: Mostly because of the royal family and their ancestors killing your village.

Varnya: They destroyed our entire village and built this whole town over it.

Me: Monsters. After this we'll have to build a memorial to it.

Grier: We should kill the Coordinator with a Mystic Slash.

Me: Good idea. After that we launch phase 3 of my plan.

Nico: Which is?

Me: We raid the castle and arrest the true instigator behind this mess and that's Duke Cream.

SkullMeramon: Well, the Coordinator is gonna be the main focus of our wrath.

Me: That's right. But Duke Cream is only skilled in the knife. Not magic. He'll be easy to subdue after I slash his hands off.

Nico: He'll be completely outclassed in every way.

Me: Yep.

Camie: Yeah.

Nico: What's phase 2?

Me: Phase 2 is where we face the Coordinator just like we said. Without a doubt, she will have a massive army of guards with her.

Nico: Good that'll make this more of a challenge.

Grenade Man: I can launch grenades at them

Me: Great. First we got to get every innocent civilian to safety

Eli: Leave that to me.

Eli used the Force and relayed a message and everyone got out.

Eli: Good every civilian but the royal family has been evacuated.

Me: Good work bro. Can't have a lot of people get caught in the crossfire. But it'll be a matter of time before the royal family knows something is up and they will come.

Mortal Kombat Scorpion: I will kill the Coordinator. With a Fatality I haven't used in a very long time.

Me: I understand.

Nico: Great.

Me: Also we got Flare's Akuma to worry about too.

Nico: Yep.

Mandarin: Where is said Akuma anyway?

But then Lincoln had a MASSIVE ROCKET NOSEBLEED!

SQUIRT!

Lincoln was launched into a tree and then...

CRASH!

BONK! BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Lincoln had 10 Coconuts hit him on his head!

Patrick: DAHAHAHA! That guy got hit in the head with 10 coconuts!

Lincoln: OWWWWW!

Me: You okay Lincoln?

Lincoln had 10 lumps on his head.

Me: OOH! Ouch! That must mean Smoking Hot Babe Akuma alert.

Lincoln: Yep we're going to meet Lady Infernowing. The Hypothetical Akuma of Flare Corona and a truly voluptuous beauty and she has fire powers of incredible power and they burn intensely with the fury of the sun. She was made when she saw the Dark Guilds killing people left and right and vowed to kill all the Dark Guilds everywhere.

WE GASPED!

He showed a sketch of her and she was a girl with a voluptuous body and had a bikini and hair made of pure fire and had butterfly wings made of fire!

Me: WHOA! (WOLF WHISTLE)

Ice Demon: I don't stand a chance against that!

Me: A girl made of pure fire? No way.

J.D. 2: I agree.

Eli: But man if Jiraiya saw that, he would do what he does best.

Me: No kidding.

Luxord: And we all know what that is

Jared: Yep.

Eli: LOOK!

We saw a figure flying as a ball of fire and it smashed into a building and incinerated it into ashes instantly and then it revealed an ancient sight that Eclair and Varnya hadn't seen in 400 years. It was The Phoenix Statue of their village!

Me: WHOA! That's the Phoenix Shrine Statue!

Eclair: It's still here!

Nico: It was hidden by that building!

The Fireball landed in front of us and it swirled out and out came LADY INFERNOWING!

WE GASPED!

Me: WHOA!

Lady Infernowing: Hey guys. Hey Linky.

Nico: WOW!

Lincoln did all kinds of TEX AVERY WILD TAKES!

AWWWOOOOOOOO!

WE LAUGHED!

Me: (LAUGHS) You made Lincoln do a Tex Avery take!

Lady Infernowing: (LAUGHS) I can tell. (Strikes a pose) Like what you see big boy? (Winks)

DING!

LINCOLN MELTED LIKE JELLY!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) That was funny!

Xenia: (LAUGHS) Yeah!

Me: Oh speaking of Jiraiya from earlier!

I fired a blast of energy and it hit a tree and exploded and out came JIRAIYA!

Nicole: WHY YOU MOTHERFUCKING MORON!

Nicole jumped him and beat the living shit out of him in a brutal fight cloud!

Puppetmon: Flare? Is that you?

Lady Infernowing: It's still me Puppetmon.

Me: Cool.

Nico: And you want to destroy all the dark guilds? That is intense.

Me: Well many of them were all brought to justice thank goodness.

Makarov: It's true.

Mortal Kombat Scorpion: You need to calm down!

Lady Infernowing: I will but first Lincoln?

She did a seductive pose and called for him and Suddenly, Lady Infernowing Jumped and wrapped her legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and ten-pack abs. But, he knew what was coming as he wrapped his massive arms around her waist, and then, he kissed her deeply on the lips which made her hair fly up into the air! He had her outsmarted at her own game of seduction and had her pinned to the ground as they continued to kiss deeply and passionately.

Natsu Dragneel: Whoa man.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Lady Infernowing trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lady Infernowing: (Swooning) (In Heaven)
What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lady Infernowing with red gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Me: Oh hohohoho. Lincoln you dawg you.

Qin: (LAUGHS) That is true.

Camie: Yeah.

Me: Okay lets dance!

I fired waves of energy and blasted her.

Me: Oh right. Okay Nicole I got this.

Nicole: Okay.

I went and kicked Jiraiya SQUARE IN THE BALLS AND SENT HIM FLYING!

We looked on.

Miles away in the Leaf, Lady Tsunade was in the springs taking a bath and then...

SCREAMING!

KRASPLASH!

JIRAIYA LANDED RIGHT INTO THE HOT SPRINGS!

Nico: Where did you send him?

Me: Wait for it...

Lady Tsunade: (From Miles Away) JIIIRRAAAAAAIIIIYAAAAAAAAAA!

MASSIVE FIGHT SOUNDS WERE HEARD!

WE LAUGHED HYSTERICALLY!

Nico: Sent him flying into the hot springs!

Qin: Nice one!

Me: WHEW! Glad we got that out of our systems. Now where were we? Oh right.

Mortal Mombat Scorpion: Get over here!

He formed his whip and wrapped her and brought her over and Lucy fired waves of magic and knocked her down.

Lady Infernowing: My turn!

She fired massive blasts of fire and we absorbed it and I fired waves of energy and smashed her down. I helped her up.

Lady Infernowing: That was fun!

Hood Sickle: You're still conscious?

Lady Infernowing: Yeah and now I'm one of Linky's wives so that makes me one of you.

Me: True.

Qin: That was fun though.

Nico: You sent Jiraiya into the hot springs?

Me: Oh yeah.

Nico: Nice shot.

Me: Thanks.

Nicole: Yeah.

Me: Now we launch Phase 2 of our plan.

Stratos: Which is?

Me: To bring down the Coordinator.

Eli: Okay. She's at the castle.

Nico: Alright, now to get after The Coordinator.

Eli: She's in the castle courtyard.

Lincoln: And I'll absorb her men while we're at it. But, first, Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Mantid is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. The Coordinator saw it, and she and her organization let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bitch!

Nico: Okay, now we can get after the bitch without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see The Coordinator and the members of her organization raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate.

Coordinator: WHO DID THIS?! WHO?! I DEMAND THAT YOU SHOW YOURSELVES SO THAT I CAN KILL YOU!

?: OH, SHUT IT ALREADY, BITCH!

Suddenly, a massive army of phoenixes appeared out of nowhere and they attacked The Coordinator and her organization in total fury and that made her extremely pissed off even more. Then, the army of phoenixes converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made The Coordinator even more pissed off than ever.

Me: The Kingdom of Veronica is hereby ordered to disband!

Coordinator: On whose authority?

Me: MINE!

Makarov: The Kingdom of Veronica is hereby ordered to surrender so they can be charged and punished for war crimes, murder, treason and genocide by order of the Magic Counsel!

Me: Lets make this easier. Surrender and we'll have you tried and punished accordingly to the law.

Coordinator: NEVER!

Me: Why do they always have to do it the hard way?

Eclair: Do you know who I am?

Coordinator: YOU! But, this is impossible, you're supposed to be dead!

Eclair blasted her with a fire blast.

Eclair: You didn't kill me because I'm immortal. But, you destroyed my entire village centuries ago, and I lost everyone and everything I cared about because of you.

Me: You left her all alone in the world as the centuries passed, and I will never forgive you for that!

Nico: You and your organization are going to pay for what you did, Coordinator. Centuries of payback are coming for you, bitch.

Coordinator: (ENRAGED SCREAM) ATTACK! KILL THEM ALL!

Dyst, Chase, and Cannon went after us, but Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Dyst, Chase, and Cannon, and Lincoln began absorbing them and he assimilated Dyst's Telekinesis, Chase's Shadow Magic and Shadow Form, and Cannon's Gun Magic, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Growls)

Me: Lets dance then!

MORE GUARDS CAME AND WE BLASTED AND SLASHED THEM!

I fired energy blasts and blasted them!

Natsu: FIRE DRAGON ROAR!

He fired a massive blast of fire and blasted them down!

Crash Man: Time to crash!

He dashed and crashed into the guards.

With a massive stomp he crushed all the guards.

Me: Now for you Coordinator!

I fired waves of fire and blasted her all over!

Camie used her quirk and fired waves of Aurora blasts and blasted her.

Me: Try this on!

I formed an energy ball and it showed an image of the Seagull Nebula in the constellation of Monoceros the

Unicorn and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck her all over the place!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF THE COORDINATOR TO NO END! NOW, THE BATTLE TO DESTROY THE COORDINATOR WAS ON!

Lincoln, Eclair, Sakura Avalon, Lucy Heartfilia, Flare Corona, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after The Coordinator, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Coordinator and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Eclair, Flare Corona, Lucy Heartfilia, Sakura Avalon, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Coordinator even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit The Coordinator and she got hit hard. Plus, the blasts also hit The Coordinator, and they removed Dark Sebastian's mark on her and it also hit The Monitor Orb embedded in her forehead and it shattered and not only did we gain an enormous power boost, but Coordinator screamed as she clutched her head in pain.

Eli: That'll teach you, bitch!

Then, Lincoln formed and fired a rainbow energy ball that hit The Coordinator on the back and she was left with a burning scar on her back, and he also sucked out The Coordinator's Requip: The Knight and Dispel Magic and Master Swordsmanship Expertise and made them his own.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Coordinator and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln flew with incredible godly superhuman speed with a rainbow, white, golden yellow, and blue energy-infused left fist and he punched The Coordinator really hard in the stomach and that caused a massive cluster of rainbow flames to explode out of her from her back, and then, Lincoln formed a massive rainbow, white, golden yellow, and blue energy blade surrounding the 9'11" massive, wide, double-edged gold blade!

Echo Rahldia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Echo Rahldia: NO! I control the power. It doesn't control me.

She reigned in the power of Feraligatr and transformed and blasted the her with water!

Me: YEAH!

Varnya: Yep I sure do.

She transformed into Mega Moltres and blasted her with intense fire.

Mortal Kombat Scorpion: Get over here!

He fired his whip and wrapped her in it and pulled her over and he punched her all over!

Poromon poured beer down her throat

SHE COUGHED AND GAGGED!

Then she got drunk!

Poromon pecked her.

POINK POINK POINK POINK POINK!

Poliwag slapped her with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

He smashed onto her back with a nasty bellyflop and smashed her spine.

Nico: David Cain, White Lightning, Dodgeball Wizard, Abis Mal, Count Vertigo, Eccentro, Copperhead, Hank Scorpio, Sportsmaster and Spymaster.

Coordinator: So you all have come to help me get immortality?

Their response?

Hank Scorpio: IN YOUR FUCKING DREAMS!

KRABLAM!

He punched her in her face and blasted her with his flamethrower and burned her bad!

David Cain: We're already living forever, thank you very much!

White Lightning: And you won't!

Dodgeball Wizard: You tell her!

Me: You said it! Only people like us deserve immortality and it's earned! Not taken!

White Lightning: Well said!

Count Vertigo: (to Nico) We heard you fought an Evil version of Dragon.

Nico: We sure did and it was intense!

Abis Mal: (to Weiss) You should take care of that Cyndaquil

Abis Mal: I will and it's fun.

Fury came.

Me: Up for another round Fury?

Fury: I sure am.

Me: Nice!

Fury: Snide is bound to appear again soon

Me: I remember Snide. But he'll appear on Devon's Day since we destroyed Evox and Venjix on the same day.

Fury: You're right on that.

Nico: Too true. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Lady Palutena, Mastemon, Dianna Deepfry, Elemental Woman, Wendy Traviston, Sailor Land Before Time, Silina Odaiba, Lillian Van Damme, Princess Celestia, Dawn Eclipse, Princess Celestia (G5), King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Marvel Loki and Zhalia Moon VS David Cain, Lego Poison Ivy, Lena Hyena, Red Claw, Screech and Thud, Mad Firefighter Clown, Unipastrami, Ninja and Curare (Theme including Dianna Deepfry) - Nico's rescue in the Valley and we battled Evil Dragon, Baboon and the Ninja Monkeys

---

Kerbero Gangan was first.

Kerbero Gangan (to Palutena): Nico's rescue was in the Valley. He battled Evil Dragon, Baboon and the Ninja Monkeys.

Palutena: Yeah that was so awesome and fun! But while we were fighting them we found out a REALLY SHOCKING Revelation.

Kerbero Gangan: What was that

Palutena: One of Lincoln's Guardian Angels, Chen Li Draco, told us that it was Dark Chase Young that made her father Dragon the vicious and evil monster out for revenge! He falsely made it look like Heaven punished him for his arrogance and Dark Chase Young turned him into that!

THEY GASPED!

Lego Poison Ivy: WHAT THE!? THAT IS TERRIBLE!

David Cain: Is there no end to the atrocities that Dark Chase Young is gonna do!? How many people have to be poisoned by his evil for us to hunt him down to kill him!?

Mastemon: Too many to count. Oh I'm Palutena's Mastemon.

David Cain: Pleasure and man that is awful! You guys saved Dragon from that horrible fate before.

Dianna Deepfry: We sure did. That was years ago and that was cool.

Elemental Woman: Dark Chase Young just continues to piss us off to the Nth Degree!

Princess Celestia: It's awful he is doing all this!

Dawn Eclipse: Yeah no kidding there.

Princess Celestia (G5): Yeah that is for sure.

King Solar: Dark Chase Young is really making us angry to no end!

Solar Eclipsa: That is for sure.

Amber Morning: Yeah no kidding!

Spotlight: Yeah!

David Cain: I know. But hold on. The Prophecy will come true. Lets do it!

Palutena's Gashat was called Palutena the Goddess of Light. They fired waves of light and smashed them down.

Princess Frosta, Frozomon, Xenia, Shirahoshi, Gloria Gillespie, Nereid the Water Faerie, Space Faerie, Tooth Faerie, Rainbow Dash, Comet Thunder, Thunder Rainbow Zoom, Scootaloo, Air Skylanders, RD Lana and Fubuki Kakuyoko VS White Lightning, Marina Del Ray, Zimbo, Levia-Slate, Legion Ex Machina, Leviathan, SS Sutatanzo and Red Death (Theme including Xenia) - The Anothers were the gene-slammers of Grandopolis, The Eternal Golden City, Empress of Prophecy, Lorelai the Symphonic Arsenal, Victory Dragon, Noritoshi in Darkest Rainment, Leonardo's Silver Skyship, King of Destruction - Xexex, and Juno the Celestial Goddess

---

White Lightning was next.

White Lightning (to Frosta): The Anothers were the gene-slammers of Grandopolis, The Eternal Golden City, Empress of Prophecy, Lorelai the Symphonic Arsenal, Victory Dragon, Noritoshi in Darkest Rainment, Leonardo's Silver Skyship, King of Destruction - Xexex, and Juno the Celestial Goddess. Nico, Magic Man's team, SRF Phantom Gent Baruga's team, and the others did good battling them.

Princess Frosta: Yeah they were so cool and awesome! These were the Match Winner Monsters, the monsters that can win duels instantly.

Frozomon: Yeah they are that strong. Oh I'm Frosta's Frozomon.

White Lightning: Pleasure and that is so cool that Nico knows them.

Xenia: It sure is and we also met Mega Moltres Gene-slammer. Her name is Varnya Hououfilia. She is Eclair's older sister and she wants to make sure the people that killed her entire village are brought to justice.

Shirahoshi: That's right. We're going to make sure they pay for it.

Rainbow Dash: What they did to Eclair and her village back centuries ago was horrible!

Comet Thunder: Yeah no kidding!

Thunder Rainbow Zoom: That is for sure!

Scootaloo: We're not going to let them get away with this!

Whirlwind: No we sure aren't.

White Lightning: Yeah that is for sure there! Lets do it!

Frosta's Gashat was called Frosta of the Ice. They fired waves of ice, lightning, wind and rainbows and smashed them down.

Dan Kuso, Dorbickmon, Drago, Nate, Francesca, Courage, Eustace, Muriel, Pinkie Pie, Maud Pie, Citrine Pie, Pinkie Pie (G5), Featherweight, Tech Skylanders, Grier and Moosk VS The Dodgeball Wizard, Hot Rodney, Ai Shen the Evil

Empress of China, Dark Bones, X-Squad Universe Pyron, Jealously (Gumball), Cannontop and Evil Stickybeard (Theme including Drago) - Lincoln's Rescue was in Peach Creek, and it was to take down The Swedish Meatball with a Bloodcurdling Scream and send it to The M.O.E.

Dodgeball Wizard was next.

Dodgeball Wizard (to Dan): Lincoln's Rescue was in Peach Creek. It was to take down The Swedish Meatball with a Bloodcurdling Scream and send it to our ranks.

Dan Kuso: You should have seen it! It was crazy! It was a huge meatball that was 10 to 15 feet tall and had a mouth that was lined with razor sharp teeth and it was covered in gravy!

Dorbickmon: It looked good enough to eat but it had a REALLY LOUD Scream that sounded like someone grinding their nails on a chalkboard! Oh I'm Dan's Dorbickmon.

Dodgeball Wizard: Oh pleasure and man that is crazy! And this was the monster that mauled Paula's sister!? HOLY CRAP!

Drago: Yeah no kidding!

Nate: She was really mangled up by that thing. And she is still in so much pain in the infirmary!

Francesca: Boy that is one nasty number that meatball did to her.

Courage: Yeah no kidding! Worse than Muriel when she hurt her back.

Eustace: Big deal!

BASH!

Eustace got bashed in the head by a rolling pin courtesy of Francesca.

Eustace: OW! What did I do!?

Francesca: Grandpa Eustace have some compassion!

Pinkie Pie: Yeah but man she is in a lot of pain!

Maud Pie: (Monotonously) I agree there.

Citrine Pie: Yeah that was painful!

Pinkie Pie (G5): That is for sure!

Featherweight: Yeah but she needs to get better fast.

Sprocket: I don't know how much longer I can stand seeing her in this much pain.

Dodgeball Wizard: Well you'll think of something. Lets do it!

Dan's Gashat was called Dan of the Pyrus Dragon. They fired waves of fire and metal, gears and lightning and smashed them down.

Weiss, PolarBearmon, Winter Schnee, IM Weasel, Flynn McCallister, Summer Landsdown, Dillion, Gem, Rarity, Sapphire Ocean, Rarity (G5), Dioptase Angel Belle, Sweetie Belle, Water Skylanders, Grenade Man and Aqua Man (Mega Man) VS Abis Mal, IR Baboon, Prawn, Warrada, Anchor Man, Asriel Dremurr, Pharaoh and Shukaku (Theme including Winter Schnee) - THE MASCOTS WATCHED A QUIET PLACE!

Abis Mal was next.

Abis Mal (to Weiss): THE MASCOTS WATCHED A QUIET PLACE! Did you guys even approve of it?!

Weiss: We did and Nico, May and J.D. and many of us were with them. Also you should have seen what those monsters looked like! They were ugly! They were called the Angels of Death. But they were called the Cochleanians. They were really savage monsters that tore Earth apart and destroyed everything! Even the slightest sound was enough to send them after you! You remember Chloe Yoriyama? She is a gene-slammer of one of them and her hearing is REALLY good. She may be blind but her hearing is that good.

Abis Mal: I remember! You guys even had a rescue on the world of that movie and that was scary!

PolarBearmon: It sure was and Nico had a fun time on that one. Oh I'm Weiss's PolarBearmon.

Abis Mal: Pleasure and I heard that movie was really scary. Especially with how they destroyed everything like that.

Winter Schnee: It sure was. Those aliens completely ravaged the Earth and destroyed much of the world and killed many people and life.

I.M. Weasel: It was really crazy.

Rarity: I sure was darlings.

Sapphire Ocean: Yeah no kidding there. The mascots were scared of it bad like many movies that scared the living daylights out of you.

Rarity (G5): That is for sure.

Dioptase Angel Belle: Yeah that was a cool movie but I feel sorry for all those people still trying to survive because of that.

Sweetie Belle: We should try and find that planet those monsters are from and blow it to smithereens.

Gill Grunt: I agree there too.

Abis Mal: Someday you'll find it. Lets do it!

Weiss's Gashat was called Weiss of the Crystals of Justice. They fired waves of water, ice and jewels and smashed them down.

Courtney, Shawjamon, Tyrunt, Froze, Gwen Lancelot XXXVII, Nicholette Tesla, Luna Spencer, Rachel Lilly, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Edward and Mandarin VS Count Vertigo, Wolfman (Gaggle of Galloping Ghosts), Blandy, Bat Imagin, 3 Multiviolas, Wild Gigazelles, Memorase and Dr. Jacques von Hämsterviel (Theme including Tyrunt) - A Quiet Place SCARED THE MASCOTS BAD!

Count Vertigo was next.

Count Vertigo (to Courtney): A Quiet Place SCARED THE MASCOTS BAD! I hope they're okay now

Courtney: They are and it took a lot of assurance from Chloe Yoriyama that she would never hurt them.

Court Vertigo: Oh right! I forgot that she is a gene-slammer of one of those monsters from that movie!

Shawjamon: Yeah and her hearing is more powerful than that of a bat or anything on Earth. Oh I'm Courtney's Shawjamon.

Count Vertigo: Pleasure and Chloe sure helped them.

Tyrunt: Yeah my fellow mascots got scared big time.

Froze: Boy that was scary for them. And to think that those monsters came to Earth in the form of what seemed like a meteor shower. They destroyed EVERYTHING in days! And became the new apex predator!

Twilight Sparkle: That was really scary.

Stellar Sparkle: It sure was! We really got a thrill out of seeing that movie though. But there is a few weaknesses we can use on them. They hate high frequency noise and also they can't swim.

Harmony Sparkle: Yeah no kidding! And we can blow them apart with intense energy blasts.

Starshine Sparkle: And throw them into the sun.

Spyro: Yeah.

Count Vertigo: We'll have to destroy them before they destroy us. Lets do it!

Courtney's Gashat was called Courtney of Total Drama's Fire. They fired waves of fire and magic and smashed them down.

Linka, Elecmon, Lightning Lisa, Cow & Chicken, Kiriko, Mikura Haruno, Kyasarin Uchiha, Sawaii Hitomi, Applejack, Apple Star, Wolf Moon Bloom, Apple Bloom, Earth Skylanders, Luxord and Batch VS Eccentro, Red Guy, Grady Twins, Anti Sora, Snowfall Frost, Windigos, Scatterbrain and Annie & Oakley (Theme including Lightning Lisa) - Flare's Day to shine

Eccentro was next.

Eccentro (to Linka): It's Flare's Day to shine. I hope she's ready

Linka: She is and she has been looking forward to this for a while.

Elecmon: We're really excited for her and so is Lincoln. Oh I'm Linka's Elecmon.

Eccentro: Pleasure and we're happy for her. I know she will do great.

Lightning Lisa: We're really happy for her.

Cow: We sure are.

Chicken: Yeah we are.

Applejack: I agree too and we're going to help her here in Fiore too.

Apple Star: Yeah we sure are ready.

Wolf Moon Bloom: That is for sure too.

Apple Bloom: No kidding there.

Flashwing: Yeah we're rooting for her.

Eccentro: That is for sure! Lets do it!

Linka's Gashat was called Linka of the Thunderbird. They fired waves of lightning, earth, rock, mud, boulders, meteors, lava, crystal and apples and smashed them down.

Tea Gardner, Crescemon, Magician of Faith, Lindsey, Owen, Bridgette, Noah, Izzy, Fluttershy, Lilja, Sólrún Jóhannsdóttir, Daffodil Bloom, Bluebell, Fluttershy (G5), Tornado Bolt, Seabreeze, Life Skylanders, Hood Sickle and Cuckoo Clocker VS Copperhead, HUsari, Obelisk, Old Iron Face, Watermelon Tourmaline, Mad Giraffes, Terror Tooth and Princess Snake (Theme including Magician of Faith) - We're going to get JUSTICE for Eclair for everything that happened to her centuries ago

---

Copperhead was next.

Copperhead (to Tea): We're going to get JUSTICE for Eclair for everything that happened to her centuries ago. For that, we'll need everyone.

Tea: Yeah. We summoned all of Fairy Tail's friends from Different Guilds all over Fiore and they are helping us bring down the evil kingdom of Veronica. The Fire Kingdom was erased because of them and we're not going to let them get away with it!

Crescemon: That is for sure! What the kingdom of Veronica did counts as War Crimes and Genocide and we're not going to let them get away with it. Oh I'm Tea's Crescemon.

Copperhead: Pleasure and yeah that is for sure!

Magician of Faith: It was horrible all this happened to Eclair back 400 years ago! Master Makarov told us that 400 years ago in Fiore time, the ancestors of the Coordinator and Duke Cream launched an attack on the Fire Kingdom. The reason is they wanted the power of the Phoenix Stone. They wanted to resurrect the Phoenix in order for Duke Cream and the Coordinator to get immortality!

Lindsey: That is not good!

Fluttershy: They wiped out the entire village all just to get it and Eclair is the only one left out of them because of it.

Lilja: (Icelandic Accent) Yeah that was terrible that happened to her back all those years ago!

Sólrún: (Icelandic Accent) It sure was! Eclair essentially went through hell because of it and was cursed with immortality. It made her live forever but she had to keep the stone from falling into the wrong hands. Turns out the Phoenix is an evil creature that will destroy the land. If it's resurrected then it will kill them all.

Copperhead: WHOA! So if they bring the phoenix back, it will only lead to their doom! Talk about the ultimate double-cross!

Daffodil Bloom: Yeah that is crazy and Duke Cream and his kingdom will lose it all big time.

Bluebell: That is for sure.

Fluttershy (G5): So the kingdom used a VERY POWERFUL magic to seal the Phoenix into the stone and split it in two to prevent the phoenix from returning. If the Phoenix Stone is put back together, it will release the Phoenix.

Tornado Bolt: And we can't let that happen.

Seabreeze: (Swedish Accent) Ja no kidding.

Stealth Elf: They killed all those people only for it to come back and bite them hard on the butt big time.

Copperhead: Talk about playing with fire. Literally. Lets do it!

Tea's Gashat was called Tea of the Fairies. They fired waves of leaves and grass, flowers, fruit, wood, weeds and energy and smashed them down.

Hank Scorpio (to Sophie): FLARE'S AKUMA IS ONE SMOKING HOT BABE! Does she have any powers?

Sophie: (British accent) She had amazing and incredible fire powers and had the most beautiful fire butterfly wings anyone has ever seen.

Ordinemon: She sure did and wow! She sent Lincoln flying into a tree and 10 coconuts hit him on his head.

THEY LAUGHED!

Ordinemon: (LAUGHS) That was funny! Her name is Lady Infernowing and she has hair, a bikini swimsuit and butterfly wings made entirely out of pure fire. Oh I'm Sophie's Ordinemon.

Hank Scorpio: Pleasure and man she is one smoking hot babe literally and spiritually.

Samey: She sure is and Lincoln REALLY got a great reaction out of it.

Jinora: He sure did. He got a nosebleed launch and it sent him crashing into a coconut tree And he has 10 lumps on his head to prove it.

Sunset Shimmer: (LAUGHS) Yeah no kidding! Also she was made because of the atrocities of the Dark Guilds and vowed to kill them all.

Firestorm Shimmer: Yeah no kidding there and she was really infuriated that they can kill so many people like that. These are the kinds of guilds Fairy Tail destroyed.

Sunset Shimmer (G5): Yeah that is for sure and man was it crazy.

Pipsqueak: (British Accent) Yeah it was fun though.

Chalcanthite Aurora: (British Accent) But what the Dark Guilds of Fiore did to so many people was unforgivable!

Sunburn: Yeah no kidding there and they all need to be brought to justice.

Lightning: We did wipe out many of them and most of them were sent to you guys.

Coachmon: Yeah no kidding and they are dead and gone. Oh Lightning's Coachmon.

Sportsmaster: Pleasure.

Zapdos: But it's not just the Coordinator that is to blame for the demise of The Fire Village. The Entire Royal Family of the Kingdom of Veronica is to blame. And it was because of their own selfishness in getting the power of the Phoenix to achieve eternal life that it lead to the demise and destruction of the Fire Village. Leaving Eclair and her sister Varnya Hououfilia as the only survivors.

Ramulus: Yeah and we're going to make sure that justice gets served to them. Hence why we have all the guilds with us.

Starlight Glimmer: For over 400 years, Eclair has had to wander the world as the last of the Fire Village and she doesn't have any form of justice for her or her village or her family. Now that we know what did all this to her we have an opportunity to bring down an entire kingdom and make them pay for their crimes against a village that hadn't done anything to them.

Moonlight Glimmer: Yeah this is awful that she went through all that. But after today the Royal Family of Veronica will be a long forgotten memory.

Starlight Glimmer (G5): We'll have to set up a memorial and museum for them.

Cozy Glow: That's a good idea.

Raven Bishop: What happened to all of Eclair's village was just absolutely unforgivable!

Hex: Yeah no kidding there.

Sportsmaster: Eclair has REALLY Had it rough! But you're right the Veronica Royal Family needs to be punished as a whole for everything they did. Lets do it!

ShellNumemon: That's right and we're not going to let them get away with everything they did. Oh I'm SpongeBob's ShellNumemon.

THE COORDINATOR LETS OUT ONE LAST FINAL SCREAM OF RAGE AT US AS SHE WAS FINALLY INCINERATED FOR GOOD AND SHE AND HER MINIONS ARE SENT TO THE BLACK ABYSS FOR ALL ETERNITY!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long dark red and brown wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Eclair, Lucy Heartfilia, Flare Corona, and Sakura Avalon are permanent.

Eclair: We did it. After what happened centuries ago, it's finally over.

I hugged Eclair and Lincoln hugged Flare Corona.

Sakura Avalon: We made sure your people and village are avenged, Eclair, that was important.

Li Syaoron: That's for sure. But, what she did centuries ago and all for a selfish pursuit of immortality, she had it coming.

Nico: That's an understatement, Li, but I agree with you, she had it coming, and the bitch and her cronies bit the dust.

Me: Except for Duke Cream, sure he had a part in this, but he'll rot in prison where he belongs.

Lincoln: Especially in one of our space prisons where he'll be fed nothing but rotten chum and water, forced to take cold showers, and experience absolute Hell in prison for life.

Eli: Now, that's what I call Hell on Earth for a convict like him.

Me: Yep. Now comes phase 3. Lets go get Duke Cream!

We rushed into the castle and I kicked the door down and he saw us.

Me: You are going to suffer millions of lifetimes for your crimes.

We were amazed by Elbia Hanaiman's transformation, but when Lincoln saw her, he let out a wolf whistle and he also had an atomic red blush on his face, hearts in his eyes, and his nose gushed out blood like a fountain and it hits Cinder and he screamed in pain as he got burned badly by his acid blood!

Time to die, asshole.

Lincoln, Elbia Hanaiman, Nico, and I went after Cinder, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Cinder, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Elbia Hanaiman did the same by firing brown and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Elbia Hanaiman, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Cinder even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Cinder and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Cinder's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his thirty-five massive and long brown tails into Cell's stingers and he stabbed them into Cinder's chest, and he began absorbing him and he assimilated his Pyrokinesis, Combat prowess, and many techniques, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Cinder and Lincoln drained Cinder's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla as his rainbow, white, golden yellow, and blue energy aura flared up even more and it looked like a powerful raging rainbow fire.

We cheered wildly as we holstered our weapons and powered down and Elbia Hanaiman's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large brown and white planets orbiting around her legs, thirty-five smaller brown and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized brown and white planets orbiting around her wrists and ankles, and massive brown angel wings and twenty-four sets of large brown angel wings underneath her massive brown angel wings are permanent.

Elbia Hanaiman: And this is goodbye and good riddance forever. Thank you for helping me destroy Veran for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Elbia.

Me and Nico: Our pleasure, Elbia.

Suddenly, Elbia Hanaiman wrapped her arms around Lincoln's waist, as her large chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elbia Hanaiman's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and

Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Elbia Hanaiman sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Cinder.

Lincoln: Yep, and tomorrow, we launch our full all-out assault on Ultratech.

Black Orchid: So, we're taking the fight to Ultratech for good, perfect. But, there's also no doubt that ARIA will have Spinel, Sadira, Mira, and Kan-Ra with her as added back-up.

Lincoln: That's no problem, Orchid. I've got other surprises in store for those four, and I'll make sure those four never come back as well.

Me: Awesome. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a cluster of colorful gems and crystals grow out of the ground and we saw light shining from them, and we saw the crest of The Witchcrafter Duel Monsters.

Lincoln: (Gasps) The Crest of The Witchcrafter Duel Monsters, it's them.

Selene Arcangela: It's definitely them, The Witchcrafter Artisans Guild has returned.

Me: Whoa, who are they?

Lincoln: They're a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they have made some of the most beautiful masterpieces that've made the front page on every newspaper all over the world and they've been featured in interviews.

Nico: I remembered seeing those interviews on TV, and I saw the masterpieces they've made, they're too stunning to be featured in a museum.

Me: I saw them in the museums as well, and they're incredible. So, who's the first we're meeting tomorrow?

Lincoln: The cluster of colorful gems and crystals and light show that we saw, there's only one person we're meeting tomorrow: Emily Edelstein, Avatar and Gene-Slammer of Witchcrafter Edel.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Emily Edelstein, Avatar and Gene-Slammer of Witchcrafter Edel, is Lincoln's Guardian Angel from Michigan and she's a powerful master of light, gems, and magic. She's the leader of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Emily Edelstein met Lincoln, and this one time, she and Lincoln made amazing rings, necklaces, earrings, jeweled brooches, and many other jewelry items and they also used the gems she created. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of gems and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion because she tried to destroy their handcrafted jewelry out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got put in a prison made of ruby and thrown in a cage in the basement of the house for a month.

Nico: What the?! Lori! I can't believe you tried to do that!

Qin: Wait, I remembered that I went to a jewelry store in New Jersey to buy one of her handcrafted artisan necklaces for Mom for her birthday years ago, but then, I found out someone destroyed it.

Lincoln: Wait, did this handcrafted artisan necklace happen to be a pearl necklace with a rope of pearls and a dragon made of gold with red garnet gems for eyes and jade bead in its claws for the pendant?

Qin: How did you know about that?!

Lincoln: Emily and I made that, and we were going to have it put on display in her jewelry store in New Jersey and in the many other jewelry stores all over the world, but it was destroyed by Lori out of spite to satisfy her need to cruelly humiliate and torture me.

QIN'S JAW DROPPED WHEN SHE FOUND OUT THE TRUTH!

CLANG!

NICO PUT HER JAW BACK IN!

Qin: WHAT! THE! FUCK?! I CAN'T BELIEVE SHE! (GROWLS) LORI!

Lanaia: Lori went too far in her need to cruelly spite, humiliate, and torture Lincoln, and I punched her right in the jaw for that before Emily put her in that ruby prison and threw her in a cage in the basement for a month.

Luna: Yep, you left your mark on Lori for that one, and none of us could forgive the bitch for what she did for a month.

Duke Cream: You can't do this to me! I was doing my duty!

Me: Duty my ass

Eccentro: No, you were abusing it.

Copperhead: Now, you're going to jail.

Hank Scorpio: Be glad you're not dead!

Me: Get him outta here.

They took him away.

Sportsmaster: What now?

Spymaster: Let's roast marshmallows by Coordinator's corpse!

We did so.

Me: Good idea.

Eclair went up to me and then she hugged me and cried hard.

Me: It's okay Eclair. Let it out. Let it out.

Nico: She has justice. Great job today everyone. And J.D. you did really well leading this mission.

Me: Thanks Nico.

Eli: That was fun.

Flare: (To the viewers) Now the Fire Village can rest in peace.

Qin: Yep.

We later made a memorial to the Fire Village. We put a dedication on the Phoenix Statue and it was placed now a memorial for the Fire Village.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we got justice for Eclair. Now, tomorrow, the attack on Ultratech HQ is on. ARIA, Mira, Sadira, Spinel, Kan-Ra, your time is up.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his thirty-five massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Ultratech HQ for a special reason: we're launching an all-out attack against ARIA, Ultratech's CEO, and we're going to destroy her and Ultratech for good, but she'll also have assistance from Sadira, Mira, Spinel, and Kan-Ra, but we're also going to end them as well, and we're going to meet Emily Edelstein, Avatar and Gene-Slammer of Witchcrafter Edel, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of light, gems, and magic. She's the leader of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Emily Edelstein met Lincoln, and this one time, she and Lincoln made amazing rings, necklaces, earrings, jeweled brooches, and many other jewelry items and they also used the gems she created. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of gems and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion because she tried to destroy their handcrafted jewelry out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got put in a prison made of ruby and thrown in a cage in the basement of the house for a month.

Next up is Jack Atlas' day to shine and we'll be battling Don Piero and we're going to send him to jail.

See you next time.

Dragon and Hummingbird VS Mafia

Jack Atlas and Carly's day to shine

In the early morning hours, at 1:21 AM I was asleep in bed with my harem and I was having a dream. I was flying over another region of Equestria and saw a strange frozen lake. It was called Flash Freeze Lake and I saw a strange ice crystal in the middle of it. It had a snow leopard with orange hair and wings frozen in it and saw that it was Altero, Allura and Aurora Sunstar's brother!

I woke up and got up.

Me: (In my head) I know where he is.

I went and got dressed in my winter clothes and went to Aurora's room and saw her awake.

Aurora Sunstar: Oh J.D.

Me: Couldn't sleep?

Aurora Sunstar: No still thinking about my brother Altero.

Me: I know where he is. He's over in Flash Freeze Lake.

Aurora gasped.

Aurora Sunstar: I'll go with you.

She got up and went with me.

I left a note with Nico and we were off.

We arrived at Flash Freeze Lake and it was a REALLY COLD PLACE.

Me: Man is it cold here.

Aurora Sunstar: It sure is.

We flew over and saw the crystal.

Me: There it is. That's what I saw.

Aurora Sunstar: That's him all right! Oh Altero hang on.

I fired a beam of energy and freed the crystal and we got it out and went back to the Estate with it.

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Neo Domino City, but as he was flying, he suddenly saw something in the skies that he hoped never to see again: The Mark of Apophis and The Sigil of Malphas, and it was over the prison where we sent that loan shark douchebag, Don Piero, to after we'd stopped him years ago.

Lincoln: The prison where we sent Don Piero to years ago. Oh man, those packs of snakes are at it again even after I sent them running to Hell.

Then, he saw a pack of black snakes slither into the prison and murdered the guards as they sank their fangs into their necks and they died from the venom, and they went to the control room and found the button and the snakes transformed into Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia

Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra.

Then, as Nergal Glaphyra pressed the button, Don Piero's cell door was opened and he escaped and those packs of snakes were cackling insanely: it was clear they've finally lost their minds. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got an emergency, Lily.

Lincoln explained everything, and his harem were horrified.

Selena Mendez: I can't believe this, those pack of snakes escaped from Hell and freed Don Piero!

Camie Elextor: Well, it looks like those pack of snakes decided to break out of Hell early and piss us off with this latest stunt.

Varie Yulinova: In that case, those snakes have left us no choice, we need to trap them in Hell with a more powerful seal.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) There is only one seal that'll keep them trapped in Hell until May 5th, Varie.

Selene Emperyous: You mean...!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, the very seal I used to keep Lucifer locked in Hell after the war in Heaven ended.

God chanted in Enochian and a powerful angelic seal formed and locked Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra in Hell until May 5th.

Selena Mendez: That should do it. Now, those fiends will be trapped in Hell until May 5th.

God left as Lincoln's golden yellow eyes changed back to deep sapphire blue with golden yellow rings surrounding them and the golden yellow iris of his Third Eye changed back to rainbow colors.

Lincoln: Yep. But, the others aren't going to like this when we tell them in the morning.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Later back at the estate everyone was having breakfast.

Me and Aurora came in with the crystal of ice.

Nico: WHOA! I got your note guys.

Me: We got to hurry!

We set it up.

Nico: WHOA!

Me: Lets do it!

Me and Nico fired blasts of fire and melted the ice and out of the ice came a snow leopard with red, orange and yellow hair and feathers on the wings and had pink eyes.

Nico: (GASP) Altero!

Me: Yep.

Altero: (Groans) What happened?

Me: Altero?

Aurora Sunstar: Hey bro. We found you.

Altero: (GASP) Aurora? Aurora!

He hugged her.

Altero: I am so glad to see you.

Aurora Sunstar: Me too. So happy to have you back bro. Allura is in the M.O.E.

Altero: It'll be good to see her again.

We told him everything.

He gasped and was shocked.

Altero: Oh man! I have a lot of catching up to do.

Aurora Sunstar: I know. But it'll be awesome having you with us.

Altero: I know.

We got to eating.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Neo Domino City.

Then, after Lincoln got done explaining, we were pissed.

Me: I can't believe them! They freed Don Piero, that loan shark douchebag!

Nico: And they murdered the guards as well. This is the last straw!

Me: Boy I remember him. Last time we faced him was back in 2021. That was intense!

Qin: Yeah no kidding!

Jack Atlas and Carly woke up to see Aegislash starring at him.

Aegislash: Good morning Jack and Carly. Time for Breakfast.

Carly Atlas: Time to get up.

They went and got dressed.

Lincoln: Our Lord took care of them by putting the very seal he'd used to keep Lucifer locked in Hell after the war in Heaven ended. It'll keep them there until May 5th.

Eli: Good. But, now we got a problem.

Jack and Carly came.

Me: Morning guys.

Carly Atlas: So what's going on?

Me: Well we got a HUGE Problem. Don Piero is back for revenge on you.

THEY GASPED!

Carly Atlas: That monster mob man is back.

Me: Yep.

Carly Atlas: He's not worth killing as always, we're sending him back to prison, but not before we beat him down once more and tie him up.

Lori: We'll need to use our Duel Monsters for this one, and get The GRYPD and The NYPD Nightshift and all law enforcement on him as well.

Jack Howard: Now, you're talking.

Me: Good idea.

Cage Blunt: If he has any grunts with him...!

Caleb Maxwell: Then, they'll be left up to me. I've never taken down a loan shark before. (Smirks Sadistically) I wonder what color his blood will be when he's bleeding like a stuck pig! (LAUGHING MANIACALLY)

THE MASCOTS FREAKED OUT AND DID WILD TAKES GALORE AND RAN UP TO THE CEILING SHAKING IN FRIGHT AND FEAR!

Poromon: Don't do that! What are you, a maniac or something?!

Alex Maddock: (British Accent) Seriously? You just had to frighten them.

Rachel: I knew you were messed up thanks to Drake, but I didn't figure how messed up you became.

Tucker Williams: This is also a result of Drake's ruthless and horrendous actions: Caleb turned from a kind and gentle person...

Denver: To a vengeful bloodthirsty animal who hungers for the blood of criminals.

Victor Bristow: (German Accent) Hey, be nice, Denver.

Timothy Maddock: (British Accent) I must agree with Alex's friends, what Drake did ruined your life, Caleb, and you became someone who had nothing left to lose even after you came back from the dead and you drank James Blunt's blood.

Michael: Even we vampires were stunned, becoming a mortal who had nothing left to lose because of the living Hell you had to endure, that is a truly a cruel fate no one would ever wish upon someone else.

Caleb Maxwell: Even so, this is why I wanted nothing more than to prevent others from suffering the same fate as myself: because as you said and Michael said, Mr. Maddock, I became someone who had nothing left to lose before my death and after I came back from the dead along with drinking Mr. Blunt's blood: a cruel fate that I want no one else to suffer from.

Tucker Williams: So, this is why you became like that: you didn't want others to suffer the same fate as you did. You suffered for years because of it, and in 1985, in that moment that your old self came back before you were killed, it was as if the darkness that haunted you had loosened its grip.

Alex Maddock: (British Accent) I knew of the old story of how your mum and her relatives joined the vampires and you, Tyler, and Allie would also join the vampires, and with what we saw from the old days of your mum in college, this is indeed a complex family legacy you have.

Denver: And I thought our encounters with vampires, ghosts, angels, and aliens were incredible.

Cage Blunt: Caleb was unaware at first the world he now belonged to back in 1984 and 1985: he was now part of a world beyond his own, a world kept secret for many centuries, yet we were allowed to be in public, but disguising our true selves in the process.

Travis Tackett: Yet, as the months passed along with meeting us, he came to terms with the world he now belonged to: the world of the vampires.

Lucy Loud: The first mortal to become part of that world. Truly amazing.

Caleb Maxwell: And on the day I drank the blood of a vampire, like Mom, that meant I received the immortality that came with it, but I didn't turn into a vampire like the other members of the family.

Tyler Maxwell: However, I'm the only one who hadn't drunk vampire blood.

James Blunt approached Tyler Maxwell.

James Blunt: Then, it's time you went through the same thing as your older brother.

James Blunt leaned his head down to Tyler Maxwell's right trapezius and he sank his fangs into it and he began drinking his blood as he held onto Tyler Maxwell. Then, he bit down on his right arm and he drew blood as he got behind Tyler Maxwell and offered his right arm to Tyler Maxwell. Then, he sank his teeth into him without hesitation and began drinking.

James Blunt: Yes, that's it, keep drinking.

Then, Tyler Maxwell stopped as he let go and James Blunt put his arm down and the bite healed.

Me: He's fed on enough blood. Now, what?

Caleb Maxwell: Now, he'll undergo the same thing as I did along with many of us.

Tyler Maxwell: (Groans) I...I don't feel so...!

Suddenly, Tyler Maxwell winced as he felt it: the power coursing through his veins and his entire body as he held his right arm with his left arm as his cross tattoo glowed. Then, he slowly lifted his head up into the air, and as he opened his eyes, his eyes were crimson red: sclera and iris. Then, after a short time, his eyes changed back to white sclera and brown irises.

Tyler Maxwell: It worked.

Cage Blunt: You'll have to get used to the sudden surges of power from time to time though, Caleb had to, and he put Drake's men through the wringer.

Travis Tackett: And from I heard, your brother also had training with the powers of us vampires, and he already got used to them.

Tyler Maxwell: Such as superhuman strength, flight, speed, agility, immunity to diseases, immortality, and invulnerability. What about the thirst for blood?

James Blunt: No, he doesn't have that. But, the red eyes and claws, he does, and surprisingly, no fangs.

Nico: Aw, that's a buzzkill.

Lincoln: I've had to expose my fangs and made my eyes turn crimson red to get Lori, Lynn, Lola, Lisa, Luan, and Chandler to back off and it really scared them to death.

Laney: Not to mention you also let out a werewolf roar and scared them so bad, they soiled their pants and dress.

Luna: It was major crazy.

Lynn Sr.: Lynn peed her shorts a lot of times hearing that from Lincoln and Lori, Lola, Lisa, and Luan ran inside their rooms and went under their beds in fright.

Me: And Chandler?

Lana: You don't want to know. It was a messy clean-up job for the janitor.

Nico: Wow.

Selene Arcangela: It's thank to the vampires and werewolves of Lincoln's Guardian Angels for making him into the True Alpha Werewolf-Vampire Hybrid of Michigan that he is today.

Lincoln: And into the man that I've become, but all of you helped me out with that.

Me: Yep.

Ymir: Who is Don Piero?

Me: He's a badass loanshark that Jack and Carly defeated back in 2021. Me and Zarya were over in Iceland during the Ridonculous Race when we heard about it but that was rough.

Nico: Yep.

Nico went over his history.

Don Piero, known as Garome in the Japanese and German versions, is a vicious money trader. In the English version however, he is said to be a mob boss.

An alternate universe version of Piero appears in the Yu-Gi-Oh! ARC-V.

Piero is a slick loan shark who rips off the people he deals with by making them sign false documents, then taking their belongings. After Carly Carmine and Jack Atlas learn about Piero's shady dealings, Jack challenges Piero to a Duel to win back the illicit contracts and lift the debts, wagering "Red Dragon Archfiend" and the Phoenix Whirlwind.

Although Piero's cards flooded Jack's field with "Loan Tokens", Jack was able to win and defeated Piero (nearly knocking the hairpiece from his head). After Piero's defeat, his men fled the scene with Piero, dropping the contracts and leaving them to be ripped apart by Jack, freeing everyone who was in Piero's debt.

Camie: Oh man! He is bad news!

Sheila: He sure is and he is also one of the men I was after for years.

Camie: Geez!

Lola: Yeah no kidding.

Me: Yeah.

Ymir: J.D. can you answer a question for me?

Me: Sure.

Ymir: I heard you guys hate this man named Bolhofner right?

Me: Yes that's right. I don't like talking about it but you have a right to know.

I went to show her.

We went to the computer and showed her. Lincoln and Clyde followed.

Me: Bernard Bolhofner was his name and he abused me and I hate his guts with a vengeance.

Lincoln: Yep and he was very unclean, unshaven and had breath that smelled like the rear end of a dead moose.

Me: Yeah.

Ymir: GEEZ!

Me: I know. But look at this.

Lincoln and Clyde pulled up newspaper articles.

Ymir could not believe what she read on the computer. Looking up old newspaper articles, one read "Amateur teachers arrested for child endangerment and abuse."

One of them showed a picture of Bolhofner and his partner Vincent Grum abusing kids.

Ymir: (Reading) "Amateur teachers arrested for child endangerment and abuse." HOLY CRUD!

Me: I know. We were shocked ourselves. But It gets worse.

Ymir: (Reading) "Bernard Bolhofner and Vincent Grum pose as school teachers to not only abuse innocent children, but also to rob schools of their money and budget!"

Me: This was the fourth school they attended back then. And in the past they evaded capture after robbing three other schools."

Clyde: "But that's not all, look at these."

We had her read more articles.

One showed a picture of Bolhofner and Grum locked up in a maximum security prison.

Ymir: "Bolhofner and Grum jailed."

Me: They got sentenced to 175 years in a maximum security federal prison for their crimes.

Ymir: Good. "Bolhofner escapes from prison." How did he do that?

Me: He used the old Alcatraz escape dummy trick. It was a trick that they used back in 1962.

Ymir: Geez! "Still on the run."

Picture showed police looking high and low.

Ymir: "Police baffled."

Picture showed a bunch of question marks.

Ymir: "Last known sighting: somewhere in Michigan."

Picture showed that he could be in Michigan.

Ymir: So Bolhofner was an escaped criminal!?

Me: Yep.

Lincoln: We had no doubt this was the fifth school he's impersonated a teacher at.

Clyde: And according to his prison file, he's also wanted for impersonating a war veteran and stealing war medals! That explains why we've never seen any proof when he tells his "tales" of being in the army.

Me: He racked up one helluva RAP Sheet in and out of prison. Mostly federal offenses.

Ymir: Still, He must be stopped! And I have a feeling we're going to face him on Stella Zhau's day to shine.

Me: That would be fitting. It was gonna be on one of Lincoln's friends days to shine. Liam already had his day to shine and Lincoln's day is right around the corner with his big day mission. So the only one left is Stella.

Ymir: But where's this other guy? Mr. Grum?

Lincoln: "According to this report and others listed, he and Bernard apparently had a feud in prison and ended their partnership from there. So while Bernard escaped from prison, Vincent was released for good behavior. He eventually moved to a big city, where he worked as pizza delivery guy…"

Ymir: "Good…"

Lincoln: "It doesn't say which city specifically. But it wasn't until months later when he snapped from all the stress and went crazy, eventually resorting to attempting harassment and stalking female co-workers and customers!"

Ymir: "Not good!"

Lincoln: "But luckily no one was harmed, and eventually Vincent was reported, arrested again and sent to a mental institution."

Ymir: "Good."

Me: We found that he's in the Kalamazoo Insane Asylum. So maybe on Stella's day we can interrogate him. But if we do face him on Stella's day we're going to give him a REALLY NASTY Punishment.

Ymir: Thanks for sharing that with me.

Me: Anytime.

Lincoln: Alright, let's finish breakfast and head out.

Nico: Got it.

We finished our breakfast, and we set out to take down the next villain for Nico's rescue.

Me: Also I love good pirating adventures.

Camie: Those are fun.

Applejack: Yeah they sure are.

Nico: It can't possibly fit in The garage

Jack Sparrow: Nah it's meant for the water mates.

Me: True.

Lola: But being a pirate is fun!

Qin: Yeah!

Me: Yep.

Nico: Yeah!

Me: WHEW! Man we got justice for Eclair and avenged all of her village.

Nico: Scorpion even did his iconic Fatality

Me: He sure did.

Eclair: That was awesome. Thank you guys for helping me.

Me: It was our pleasure.

Nico: Yeah. Also we threw Duke Cream in jail.

Me: Yep.

Lola: Yeah and Flare's Akuma was REALLY Hot! Literally!

Nico: That's Two Fatalities in a row that we've seen

Me: Yeah. Plenty more where they come from.

Nico: Yep. And J.D. you did really well leading the team on that mission.

Me: It was for getting justice for one of my future wives.

Nico: You said it.

Me: Yeah. For now lets just enjoy this while we can.

Poromon was eating one of the marshmallows from that mission.

Poromon: Mmm! Good marshmallows.

Me: Saved the leftovers?

Poromon: Yep.

Lincoln: Okay, guys, we've got ourselves a really spooky and scary emergency, we're here in school, but here's the bad news: it appears The Corpse is back.

WE GASPED!

Autumn Midnight: The Corpse A.K.A. The Pool Zombie from The Tale of the Dead Man's Float?! He's back?!

Nico: I thought we got rid of him years ago!

Lincoln: Looks like he's come back from The River of Fire to get revenge on us.

The rest of the team's with us.

Laney: That's it, it's Black Abyss time!

Lincoln: No, Laney, we're not using The Black Abyss. We need to use a banishment ritual to banish him straight to Hell forever.

Andre Lupescu: We need to first weaken the undead ghoul, then, we need to make sure he can't be able to escape while we do the ritual. I've got just the weapons needed.

Andre Lupescu got out five silver daggers with holy scriptures etched into the blades, and they have a very powerful spiritual power in them.

Me: Whoa, these daggers have some sort of spiritual power in them.

Sam (Sam & Max): (Harvey Atkin Voice) Those are The Daggers of The Martyrs, these daggers have the holy power of the slain Martyrs going back to the 1st Century and they have the power to pin an unholy creature in place.

Max (Sam & Max): (Robert Tinkler Voice) Andre carries those with him in the case of any zombies or other supernatural baddies running loose.

Andre Lupescu: They've been in my family for centuries and these special daggers have been used in many exorcisms over the centuries and sending the undead back to whence they came.

Me: Kind of like a specialized exorcism weapon against zombies, nice.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: Even after you sent those fucking snakes running to Hell yesterday, they still want to cause a lot of trouble for us. Those bastards and bitches are an absolute pain in the ass.

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Me: Right.

Ymir: Who is this Corpse?

Me: He is a zombie that terrorized this pool.

I went over his history

The Corpse is a character created by Stig. He appeared in the episode "The Tale of the Dead Man's Float".

He is an evil zombie and an angry spirit, who preys on anyone who dares to disturbs his eternal sleep. Also, he was invisible and couldn't be seen and can blend in perfectly with water. However it gave off a hint when it's presence was near. Since it was a rotting corpse it reeked like decay and mostly Sulphur and acid. When it came close by anyone around, they would smell the acid like odor, if was the most unpleasant foul smell.

Whenever someone was in the pool or sometimes after a certain period of time it would prey on the person swimming and pulled him or her underwater until they drowned and died.

In the 1950's there was an old cemetery next to a high school. To expand the school and build the swimming pool the graveyard was moved and all of the bodies were dug out and moved. However his body was forgotten and remained where he was.

Soon in 1954 the High School swimming pool opened up. One day during the school lifeguard's Charlie Dempster's shift his girlfriend's Cindy's little brother Joe was swimming in the pool. The corpse sensed his presence and came after him and pulled him underwater and drowned him to death. Charlie Dempster tried to save him, but it didn't let him. Also it soon drowned three more people and the pool was drained, closed off from the school and forgotten. The door to the pool house was covered by a row of lockers inside a change room.

Then in 1994, Science geek Zeke Matthews, trying to impress school swim team member Clorice, showed her where the school pool was. Soon with her ambition and determination the pool was reopened. The Corpse soon tried to grab and drown Clorice and her friend Greta but they got out of the pool just in time.

Later when Clorice and Zeke are relaxing and studying chemistry in a raft in the pool, The Corpse came after them and tried to pull them under and drown them too. Then the school janitor who also happened to be Charlie Dempster saved them and pulled them both out in time. Zeke got the idea that if they can see it then they have a better chance to try and stop it.

Since it was part acid, Zeke poured some Methyl Orange into the pool. The chemical reacts with acid turning something acidic red. Soon The Corpse emerged from the water as a hideous and terrifying zombie, that is a partially decomposing, part skeleton and all colored red. Since it was visible now it couldn't hide anymore so it began traveling around through water pipes.

Zeke didn't know how to stop it until Clorice reminded him about his volcano experiment in which you mix manganite with water it'll explode, since The Corpse was water based. When Clorice swim to the bottom of the pool to retrieve the dropped jar of mangenite, The Corpse almost got her. Zeke jumped in to save her and distract it and then it began to close in on him and almost got him because Zeke was an inexperienced swimmer.

Charlie pulled him out in time, Then Clorice doused it with the mangenite. The Corpse loudly and violently screamed and moaned as it bubbled, oozed and sizzled. As smoke and steams made it begin to evaporate away into nothing. After that it was never seen or heard from again.

When I was done everyone that hadn't heard about it was shocked.

Twilight Sparkle: My gracious!

Me: I know. We faced him back in 2019.

Baihumon heard a Pokémon cry

Baihumon: Look guys!

We saw a Mega Liepard!

Me: A Mega Liepard! Neat.

Baihumon: Poor thing must be hungry.

Mega Liepard: Yeah I am.

Baihumon: Here you go.

He gave her apples.

Mega Liepard: Thank you.

She ate them.

Baihumon: Want to come with us?

Mega Liepard: I would like that.

Me: Awesome! NOW All the Sovereign Digimon have mascots.

Nico: Yep.

Nico: How'd that get here?

Me: It must be one of Dark Gale's work.

Sunburn: Let's see.

He used Telepathy and gasped!

Sunburn: That's Sunny Sunburn!

Me: Wait Sunny Sunburn, you mean the legendary Girl Born From A Volcano?

Nico: WHOA! I've heard legends! She was born from a volcano as an egg and also was half Phoenix and she is a powerful force of good.

Sunburn: That's right.

Me: Lets help her.

Sunburn: ROAST AND TOAST!

We flew and faced her.

Sunburn: Sunny it's me Sunburn.

All she did was use Sacred Fire on Horsea

Horsea went underwater and the blast hit the pool and a massive cloud of steam came out.

Horsea: WHOA! Good thing I can swim.

Nico: WHOA!

Horsea jumped into Maria's arms.

Me: Okay then.

Me and Sunburn fired waves of fire and blasted her. Then I snapped my fingers and she reverted back and was a girl with red hair and red eyes and had rainbow angel wings with rainbow fire on them and she had Mega Ho-Oh on her forehead and had a Phoenix Cutie Mark on her arm.

I wrapped her in a blanket and brought her to a bench.

Me: Wow! That was hot.

She woke up to see Horsea's stern face

Sunny Sunburn: (Groans) Huh? A Horsea?

Horsea: YOU ALMOST BURNED ME!

Maria: Horsea calm down. She wasn't in control.

Horsea: I know.

Sunburn: Sunny?

Sunny Sunburn: (Gasp) Sunburn!

She hugged him.

Sunny Sunburn: It's good to see you.

Sunburn: Me too. I missed you.

Sunny Sunburn: What happened?

Me: You were turned into a Mega Ho-Oh by Dark Gale.

Sunny Sunburn: (GASP) I Remember.

FLASHBACK!

She was in a white suit and injected and then in a flash of rainbow fire she turned into MEGA HO-OH! She flew out.

FLASHBACK ENDS

Sunny Sunburn: It was awful.

Me: I know but we destroyed Dark Gale. They are gone.

Nico: Yep.

Sunny Sunburn: Good.

Nico: Your role in Sonya's team?

Sunny Sunburn: I am the Firemancer and use rainbow fire to destroy our enemies. Outside the team I train in the power of the Skylanders. I am known as The Rainbow Phoenix of Justice.

Xenia: Wow that is cool!

Me: It sure is!

Sunburn: Me and Sunny are quite a formidable team.

Me: Wow that is cool and awesome.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange and red clothes and she looked awesome.

Sunny Sunburn: I look great.

Me: You sure do.

Horsea jumped back into the water

Me: Horsea if I were you I would stay out of the water.

Horsea: Why?

We then smelled a REALLY ROTTEN ODOR!

Me: I know that smell all too well.

Nico: The stench of death.

We saw the water bubbling, and then we saw it: The Corpse as it emerged from the pool.

Lincoln: There it is.

HORSEA SCREAMED AND JUMPED BACK INTO MARIA'S ARMS!

Me: 5 years old friend.

I fired waves of fire and blasted him and he screamed in pain as it burned him

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: Lets see him survive this! (ECHOING) WATER STYLE NINJA ART: MEGATSUNAMI PLESIO CRUSH!

This was a powerful U-Rank Jutsu that takes a lot of water from one source and turns it into a powerful Plesiosaurus made entirely of pure water and crushes the target with the devastating force of a megatsunami. It took all the water out of the pool and turned into a deadly giant plesiosaur made of pure water and it slammed onto the Corpse with devastating force and splashed all over the place with the power of a massive 1000 foot wave! The water flowed back into the pool.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out along with many other demons.

Cocytus Malefic: Oh great, they sent Belial, another demon general of Hell to attack us, and he also has his army with him.

Lincoln: Time to put an end to this.

Belial charged at us, but Lincoln charged at Belial and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Belial down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Belial, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Belial except for his loincloth and shorts and Lincoln drained Belial's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

That made Belial's men angry, but then, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out, and then...!

Lincoln: (SAVAGE LOUD WOLF ROAR)

Lincoln let out a savage loud wolf roar and that caused Belial's men to slit their own throats and they killed themselves and they were sent back to Hell.

Me: WHOA!

Nico: Oh man, Lincoln caused them to commit suicide and they were sent back to Hell by roaring at them! Talk about intimidation to the core!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Me: OH SHIT! HE'S GONNA GO WILD!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at The Corpse with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at it as it got hit. Then, the barrier deactivated and Caleb then lands and rejoins us.

The Corpse roared at us.

James Blunt: That's right, get angry with us. (Smirks) But, then again, you're just an evil monster who has no place in this world anymore, so you obviously need to be taught a lesson.

Cage Blunt: Especially if the person who's going to teach you that lesson is an undead teen turned immortal angel with itchy trigger fingers.

Travis Tackett: And a bad temper and violent tongue to match.

The Corpse went ballistic, but Andre Lupescu fired at him with one of his silver-plated guns in his left hand while he holds his massive greatsword slung over his shoulder and The Corpse got hit by silver bullets drenched with holy water and blessed by a priest and it burned it bad.

Nico: Okay, time to shut you up, you undead corpse. Caleb, Cage, Travis, Gabriel, James,...GET HIM!

Suddenly, they heard the words and turned menacingly towards The Corpse.

Then, we attacked it with powerful slashes from our massive greatswords leaving scars on it and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at it as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Oceanus Ocean, Melanie Ancient Mermai, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked The Corpse hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Corpse even angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Corpse, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of The Corpse, and a cluster of rainbow, white and blue heavenly flames exploded out behind it, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked it with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, GO TO HELL, YOU UNDEAD MONSTER!

Lincoln, Nico, and I did one final powerful energy slash that hit The Corpse hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Corpse was on its last legs and it was really really mangled.

Then, Andre Lupescu threw The Daggers of The Martyrs that hit The Corpse and pinned its arms, legs, and stomach, and then, we saw a magic circle of white energy form with a wolf's head in the center of the circle and another circle with runes formed around the wolf's head.

Andre Lupescu: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion,

Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Zei antici și zeițe ale nopții, mă rog la tine în această noapte. Vă rog să vă faceți cunoscută prezența și să trimiteți acest zombi strigoi înapoi în Iad, unde îi aparține de drept, trimițându-l în Cercul Furiei pentru a se îneca în Râul Sângelui, Phlagethon, și torturat de sufletele celor furiosi damnați pentru toți. veșnicie și să nu mai fii eliberat niciodată din Iad! (Translated: Ancient Gods and Goddesses of The Night, I pray to you on this night. I ask that you make your presence known and send this undead zombie back to Hell where it rightfully belongs by sending it into The Circle of Anger to drown in the River of Blood, The Phlagethon, and tortured by the souls of the angry damned for all eternity and never be freed from Hell ever again!)

Then, the circle glowed even more, and finally, the light grew even more intense and The Corpse screamed in agonizing anger and pain, and we saw it: its body was being destroyed and turned to ashes, and its spirit was then sent to Hell forever as it was thrown into The Circle of Anger to drown in The Phlagethon, The River of Blood and be tortured by the souls of the angry damned for eternity never to be freed from Hell ever again. The circle faded and the daggers went back to Andre Lupescu.

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer mermaid tails, large gold halos with four large orbiting gold rings on each corner behind the heads, thirty-five large ocean blue planets orbiting around the legs, thirty-five smaller ocean blue planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized ocean blue planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large ocean blue angel wings underneath the massive ocean blue angel wings of Oceanus Ocean and Melanie Ancient Mermai are permanent.

Nico: Whoa, now that's what I call an awesome exorcism. So, that was the ancient rite your family's used to send undead zombies and other supernatural monsters to exorcise them.

Andre Lupescu: Yes. And now, the zombie won't return to cause havoc ever again.

Me: We'll need to keep an eye out, if those ghouls in Hell try anything...!

Cocytus Malefic: They won't, the second they do, our armies will tear them apart.

Lincoln: Messing with The Keyblade Knights of Hell, The Seven Queens of The Netherworld, and The Malefic Sisters is the one thing those ghouls do not want to have happen to them, but since they're all insane monsters, that punishment's just going to keep coming to them.

Caleb Maxwell: Hell won't save them, nor will Malphas, they will all be hunted down and killed without any mercy whatsoever! (Sensed a massive energy signal) You can quit hiding in the shadows, Cell, I know you're here.

WE GASPED!

Suddenly, we saw a figure come out, it was Cell, but he was in his Perfect Form.

Me: So, you've returned, Cell, and you're in your Perfect Form. But, how?

But, then we saw The Symbol of Apophis and The Sigil of Malphas on his head.

Caleb Maxwell: Because, Dark Sebastian was the one behind this, and knowing his history with the villains The Z-Fighters have fought, so I'm not so surprised.

Cell: Now, why did you have to spoil the surprise though.

Caleb Maxwell: Because you know who you're talking to: a broken and lost soul betrayed and beaten to an inch of his own life by his own brother, betrayed by those who he once considered as friends, and who lost a lot of friends and haunted by the darkness and shadows of his own past for so many years only to lose his own life and return years later with his own heart and mind clouded by a cold black darkness in his own heart along with the burning rage and desire for revenge and oceans of blood on his hands: the blood of The Syndicate's members, the bastard, Drake Maxwell, and his loyal thugs, and all those he once considered his friends only to cruelly betray him!

Suddenly, the skies and the sun turned blood red and we felt a unholy torrent of anger and darkness was unleashed from within Caleb Maxwell as his crimson red eyes turned neon crimson red and a heavenly golden yellow circle surrounded them and he was surrounded by a black and crimson red energy, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, demons, vampire bats, phoenixes, and angels.

Gohan: What's happening? I feel an unholy torrent of anger and darkness coming from Caleb.

Cage Blunt: This is just what we feared: the years of pain and suffering Drake put him through along with dealing with the betrayal of those he once considered his friends, losing his friends who stayed with him to tragedy, the constant running into me and Travis drunk on Demon Blood, and the run-ins with The Big Claw Gang, the cold black darkness and burning rage inside his heart, and the oceans of blood on his hands: the blood of The Syndicate's members, the bastard, Drake Maxwell, and his loyal thugs, and all those he once considered his friends only to cruelly betray him.

Travis Tackett: Now, that unholy darkness has been unleashed, and Cell's been targeted by that very unholy darkness.

Caleb Maxwell: Now, you shall suffer the very same pain that I have felt, and I will enjoy seeing your life force run out as your blood spills onto the ground and through my own hands! You will die a very painful and gruesome death!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CALEB MAXWELL WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! Cell: (Smirks) Well, if you're so confident in your strength, then...!

But, before he could finish, demonic hands appeared from the ground and they attacked Cell, this is due to Caleb Maxwell's newly gained power.

Nico: Holy crap, he can now call upon the forces of Heaven and Hell to help him, damn!

Me: This is gonna get ugly!

Caleb Maxwell went after Cell, and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels at Cell, and they exploded with incredible power as they hit him, and Caleb also fired silver bullets at the android, and to our shock, they pierced right through his body and they exploded.

Lincoln: Whoa, what the?!

Caleb Maxwell continued raising Hell upon Cell as he continued blasting him all over the place and we heard his wild demonic laughter echoing in the air, it was so bone-chillingly horrific, we had chills literally running down our spine!

Eli: Allie, your older brother, Caleb, is a nightmare and a half to the worst of the worst of all our old enemies!

Allie Maxwell: You think? Even I wasn't able to get that much sleep hearing his wild demonic laughter when he's killing Syndicate thugs every night. And it's all Drake's fault, he turned Caleb into what he is now! I regret having Drake, those four bastards, and Dad's scumbag relatives killed months ago, we should've had them tortured and put through all kinds of Hell!

Cage Blunt: But, Caleb made the choice to kill them, it was the only way for him to put all of those nightmares to rest forever.

Travis Tackett: Same with you, Allie.

We still saw the onslaught Caleb was unleashing and Cell was getting angrier and angrier by the very second. Then, Caleb Maxwell sent him flying into a wall where he got pinned to a magic circle and the dark demon hands were holding him in place, and then, Caleb charged his new guns with black and crimson red energy and aimed them right at Cell: this is it! Now, Caleb was about to put an end to this for good.

Caleb Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Thanatos Death Harbinger Nightmare Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Thanatos Death Harbinger Nightmare Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is for all those who died at your hands because of you. Now, begone from this world forever!

Caleb Maxwell fired two lethal and massive beams of black and crimson red energy that hit Cell and every last bit of him was destroyed forever, and his soul was sent to The Black Abyss. Suddenly, we saw many souls appearing and flying out into the skies: it was the millions of souls Cell absorbed in the past, and they whispered their thanks to Caleb and all of us and they went to Heaven.

Caleb Maxwell powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and red planets orbiting around his legs and thirty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and red planets orbiting around his wrists and thighs, and massive dark brown angel wings and thirty-four sets of larger dark brown angel wings underneath his massive dark brown angel wings are permanent.

James Blunt: You did it!

Then, Caleb Maxwell walked up to the ashes: the remains of Cell.

Caleb Maxwell: Rest in Hell.

Then, he kicked the ashes as a final means of degrading Cell even more.

Me: Un-freaking-believable! You unleashed Hell on Earth on Cell, one of Dr. Gero's most dangerous and deadliest Androids ever and ended him forever.

Nico: He put up a fight against us, but when we reduced him to his Semi-Perfect Form, we finished him off.

Lincoln: But, what you did, you showed him true Hell on Earth.

Caleb Maxwell: It wasn't just that, I heard the souls of all those he absorbed, they were crying out for one thing: revenge and to finally rest in peace. It was the only way I could help them move on from their torment.

Krillin: Well, remind me never to get you that enraged ever.

Caleb Maxwell: That's for sure. (Felt something in his chest) But, I feel lighter somehow, like all of the pain and anguish that still lingered in me after everything that happened, it's finally gone.

Allie Maxwell: You did it, you're finally free of the neverending anguish and pain that haunted you for so long.

Caleb Maxwell: Along with the last of the demons that haunted me.

Lincoln: Now, that's also good.

Horsea jumped back into the pool.

SPLASH!

Horsea: WHEW! Much better.

Me: Yep. Nico you got something on your shirt.

Nico: Where?

I pushed him and Nico fell right into the pool!

KRASPLASH!

Nico came out all wet!

Me: (LAUGHS) I've always wanted to do that!

Nico: Very funny!

Me: Oh lighten up Nico.

We laughed.

Nico came out and dried off.

Nico: Nice job Mega Liepard.

Mega Liepard: Thanks. It was fun.

Poromon: Want some beer?

Mega Liepard: No thanks. I get really nasty gas from it.

Me: Oh boy.

Poromon: Okay and you shouldn't swim after eating anyway.

Me: True.

Mega Liepard: Yep.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Mega Liepard: Nice try though pipsqueak.

Poliwag: HEY! I AM NOT A PIPSQUEAK!

Jack: Carly, do you want to go on a date later?

Carly Atlas: I would love that Jack.

Me: Awesome. And you two will have a lot of fun. We'll make sure Don Piero's men don't come after you.

Camie: Good idea. We want this date to be perfect for you.

Jack Atlas: We appreciate that.

Nico: Oh, Pirate Man, what do you like to do in your free time?

Pirate Man: Arggh! I be a good swashbuckling hero and take down scallywags that hurt people.

Me: Ahh you take down other pirates like those from Somalia.

Nico: Nice.

Pirate Man: Aye matey. It's a good time to loot and plunder.

Camie: Cool!

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them. And one of them is Another Jack Atlas.

Jack Atlas: Another Me? This is something.

Lincoln: Today is your day to shine, along with Carly, and it's against Don Piero. Hope you got some words to say to him.

Nico: Hopefully violent.

Me: Yeah! So we got Another Cheese McCallister, Tombstone, Grim Buccaneer, Captain Ahab (The Pagemaster), Smee (Hook 1991), Captain Eleanor Skunkhair (D&D).

Nico: Yep.

Me: That means Pirate Man, Jack Sparrow, Gibbs, Will Turner, Elizabeth Swann, Captain Barbosa and Grandpa Redbeard (Spongebob) are up.

Nico: That's right.

Qin: This will be good.

Nico: There they are!

We saw Another Tombstone, Grim Buccaneer, Captain Ahab (The Pagemaster), Smee (Hook 1991), Captain Eleanor Skunkhair (D&D)!

Me: WHOA!

Nico: This will be cool!

Another Tombstone: (In a girls voice) It sure will be.

They reverted back and were the gene-slammers of Lady Ninja Yae, Umbral Horror Ghost, Hollow Ghost, Despair From The Dark, and Alba-Lenatus the Abyss Dragon.

Nico: (GASP) Winona Morgan, Holly Hollora, Kelly Despaira, Sakura Yae Ishimura and Natalie Draco Malfoy

Me: WHOA! The gene-slammers of Lady Ninja Yae, Umbral Horror Ghost, Hollow Ghost, Despair From The Dark and Alba-Lenatus the Abyss Dragon!

Sakura Yae Ishimura: (Japanese Accent) That's right.

Holly Hollora: Good to see you Nico.

Me: Wait Natalie? Are you related to...

Natalie Draco Malfoy: (British Accent) That's right. Draco Malfoy is my little brother and Lucius is my father.

WE GASPED!

Me: SAY WHAT!?

I opened my mouth so wide that my skeleton almost fell out and Lincoln caught it and put it back.

Me: I hate it when that happens. Your brother and father were 2 motherfucker racist dirt clods!

Natalie Draco Malfoy: That's right.

Nico: Your brother's in jail.

Natalie Draco Malfoy: I heard and I'm glad. Both my brother and father were absolute stains on the Malfoy name.

Nico: That is for sure.

Me: Yeah. By the way girls, are the Another Cheese McCallister and Jack friendly or hostile?

Holly Hollora: One is friendly and the other one is hostile but only to Kalin Kessler.

Me: Uh oh. What does the Another Jack have against him?

Holly Hollora: I don't really know.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) GENTLEMAN FURY FORCE!

She summoned SRF Phantom Gent Baruga, CKD Phantom Controllers, Saitako Kaito Ride Pass, Another Den-O, 2016 Charmcaster, and Wooden Horse Phantom Locky Force.

Nico: And now, we wait.

Natalie Draco Malfoy: What my brother and father did were unforgivable. I would have killed them myself sooner or later. I was always better than Draco and beat him in everything. I went to Gryffindor House long ago. But after finding out what Lucius and Draco were going to do I told them off and told them that I was going to kill them both.

Nico: WHOA!

Me: GEEZ!

Natalie Draco Malfoy: I am still a pureblood wizard. But I never will support my father and brother's genocidal racist beliefs.

Nico: Well, your dad's dead and your brother is in the Comet Lovejoy prison.

Me: Yep.

Natalie Draco Malfoy: Good. I'm glad. Oh Lincoln, I found out something that you and your guardian angels are not going to like! I found out that Tom Riddle and Salazar Slytherin were both offered ultimate power by a black hair kid with reptilian eyes.

WE GASPED!

Me: That's Chase Young.

Nico: What did he offer in exchange?

Natalie Draco Malfoy: He offered them both ultimate power in exchange for destroying the entire human race except for Pureblood Wizards.

WE GASPED IN SHOCK!

Me: THAT MOTHERFUCKING SON OF A FUCKING BITCH!

Nico: That does't change the fact that Voldemort brought the Black Abyss on himself.

Me: But it's official now and he is now the ultimate enemy of the Wizarding world.

Natalie Draco Malfoy: That's right.

Me: I will have to tell Dumbledore and all of Hogwarts about this.

Nico: Good idea.

Natalie Draco Malfoy: Oh Harry I got this for you.

She pulled out a letter and on it was the symbol of Azkaban.

Harry Potter: (British Accent) It's from Azkaban.

Me: What does it say?

He opened and read it.

Harry Potter: (Reading) "Dear Harry Potter, we are pleased to inform you that your aunt and uncle Vernon and Petunia Dursley both are deceased after a failed escape attempt and they were both banished to the Black Abyss. The worst muggles in the world are now forgotten memories and will never terrorize you again. Sincerly, Warden Matthias Stark." I'm glad they are gone.

Me: Good fucking riddance.

Nico: I agree.

Me: Yeah.

Nico: What about Dudley?

Natalie Draco Malfoy: Dudley took the news very hard and well he commited suicide.

Me: When did this happen?

Natalie Draco Malfoy: A few weeks ago. After the death of Vernon's sister.

Me: Good.

Selene Slytherin: (British Accent) THAT MONSTER SON OF A BITCH! DARK CHASE YOUNG! IT WAS ALL YOU!

LINCOLN'S GUARDIAN ANGELS WERE REALLY PISSED! THEY WERE REALLY INFURIATED!

Me: I know! Slytherin's Racist Views were all because of Dark Chase Young! That monster!

Me: YEAH! Now it's personal! Oh right!

We saw Another Cheese McCallister and Jack Atlas coming!

Me: There they are.

Nico: Yep.

Nico: Who are you guys?

Another Cheese McCallister: (In a girls voice) Someone you know all too well Nico.

She reverted back and was the gene-slammer of Elemental HERO Darkbright!

Nico: Dahlia Darkbright!

Dahlia Darkbright: Good to see you Nico.

Me: The gene-slammer of Elemental HERO Darkbright. How cool!

Dahlia Darkbright: It sure is and I have Cheese McCallister's powers too.

Me: Awesome.

Cheese McCallister: It sure is.

Then Another Jack saw Kalin and then jumped him!

POW POW POW POW POW POW POW POW POW!

IT PUNCHED HIM HARD!

We pulled the Another off him!

Me: HEY WHAT THE FUCK IS WRONG WITH YOU!?

Another Jack: (In a girls voice) HE KILLED MY BOYFRIEND! AND I WILL KILL HIM!

Jack Atlas: (GASP) That voice!

She reverted back and was a girl with red hair and blue eyes and white clothes and had fire angel wings.

Jack Atlas: Rhonda!

Rhonda Atlas: Hello brother.

Nico: Kalin's not that person anymore!

Kalin: He's right. I was lead down a path of evil and I suffered horribly because of it. I'm sorry Rhonda. Not that it's going to help but I can never forgive myself for hurting your boyfriend like that. I was a monster.

Rhonda Atlas: Kalin I forgive you but I can't forgive the monster you were.

Kalin: I know.

Kaito (gets out Abaranger gear): Did Swartz promise you anything?

Zocks (gets out Dekaranger gear): Because we can grant it instead

They got weapons from said rangers.

Dahlia Darkbright: No he didn't. I fired a blast of black lightning and electrocuted him and we ran.

Me: YIKES!

Nico: Nice.

Sougo (gets out Dino Thunder Ridewatch): I know it'll take time for you to trust Kalin

Geiz (gets out SPD Ridewatch): But we can bring your boyfriend back

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Me: What was his name?

Rhonda Atlas: His name was Jesse Wheeler.

Joey Wheeler: That's my cousin! He is a duelist like me too.

Rhonda Atlas: Really? Wow!

Me: I remember hearing about Jesse. Hold on. (SNAPS FINGERS)

I snapped my fingers and then the skies had beams of light shine down and the angels sang and a figure came down from the heavens and it was Jesse Wheeler!

Rhonda Atlas: Jesse?

Jesse Wheeler: Hello Rhonda. Hey cousins.

They hugged him!

Me: Awesome!

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (gets out Cheese Mccalister's Ridewatch) More cheese to come later!

May: (Gets out Grim Buccaneer's ridewatch) I am the Death Pirate!

Maria: (Gets out Smee's ridewatch) Time for Smee!

Jack Sparrow: (Gets out Tombstone's ridewatch) Lets bring them to the Locker mate!

They used the powers of Cheese McCallister, Tombstone, Grim Buccaneer, Captain Ahab (The Pagemaster), Smee (Hook 1991), Captain Eleanor Skunkhair (D&D) and blasted the Anothers.

Then Blizzard Buffalo, Roadhog, Rough Diamond, Sangre, Volcania the Fire Cannon and Blue Blooded Oni came.

Me: WHOA!

Nico: Nice team Blizzard Buffalo.

Blizzard Buffalo: Thanks Nico.

Hard Man: My team's next.

Nico: It sure is.

Then a massive shroud of darkness came and enveloped us.

Me: WHOA! Who turned out the lights!?

Nico: Man is it dark!

Then out of the darkness came Evil HERO Sinister Necrom!

Me: WHOA! Evil HERO Sinister Necrom!

Evil HERO Sinister Necrom: (In a girls voice) Looks like the fun started.

NIco: Nahlia Necrom! Wow!

She reverted back and was a girl with black hair, purple eyes, black clothes, black wings and had Sinister Necrom on her forehead, arm, skirt and shirt and had a darkness sword in her hand.

Nahlia Necrom: Good to see you Sports Partner. I got this. DARKNESS NECROSHOT!

She fired a blast of darkness and it hit the Anothers and blasted them and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Nahlia Necrom: Thanks. That was cool.

Nico: Yep.

Jack Sparrow: Do ye have a good memory of Nico lass?

Nahlia Necrom: I sure do. When me and Nico raced in the Track Run at school against our rival school and we won.

Qin: I remember that. That was cool!

Nico: Yeah good times.

Qin: Yep.

They hugged.

Nico: I've missed you.

Nahlia Necrom: Same here.

We went back home.

And we got all of TLPS and The M.O.E. here.

Lincoln: Ah, we're here in Ultratech HQ, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're here for a special reason: we're launching an all-out attack against ARIA, Ultratech's CEO, and we're going to destroy her and Ultratech for good, but she'll also have assistance from Sadira, Mira, Spinel, and Kan-Ra, but we're also going to end them as well.

Me: This is it.

Nicole: We have to destroy Ultratech once and for all by getting rid of ARIA, but there's no doubt Sadira, Spinel, Mira, and Kan-Ra are also here as well, and they also want revenge.

Lincoln: Since they're not going to give in, I'm going to drain their life energies from them and absorb all their powers and abilities and send their souls to The Black Abyss after draining them dry of their energy.

Nico: They're going to pay for what they've done, along with ARIA. Now, let's get going.

We got a move-on as we met up with Eagle, Thunder, T.J. Combo, Jago, Aganos, Glacius, and Tusk.

Jago: It wasn't long after Anti-Monitor brought back 310 of your most dangerous enemies that Morgana had also resurrected the other villains that you've killed and ARIA was among them along with Gargos, Kan-Ra, Mira, Sadira, Cinder, and Spinel.

Lincoln: I'd already taken care of and absorbed Gargos, Cinder, Fulgore, and Kilgore, now all that's left is to take care of Mira, Sadira, Spinel, and Kan-Ra, and then, we can go after ARIA and end this whole Ultratech nightmare.

Pirate Man: Aye, let's get her.

We then got a move-on, and we encountered the four other villains summoned to stop us: Spinel, Mira Fallegeros, Sadira, and Kan-Ra.

Mira Fallegeros: You will pay for what you did in killing us!

Maya Fallegeros: You did this to yourself, Mira, and now, this is where it all ends.

Lincoln: For all four of you.

Lincoln's left hand glowed with green energy and he lifted Spinel, Mira Fallegeros, Sadira, and Kan-Ra up into the air, and then, streams of life energy and life force were being sucked out of Spinel, Mira Fallegeros, Sadira, and Kan-Ra and all of it flowed into Lincoln as he assimilated Kan-Ra's immense power over the dangerous and forbidden magics and the accumulating knowledge of said dangerous and forbidden magics over the countless centuries, powers of telekinesis, manipulating desert sands, and sirocco winds from afar, controlling powerful bursts of shadow energies, curses, and ability to sap life energies and The Siphon, a device used to drain victims of their essence and he also claimed Kan-Ra's large knife along with various arcane items, Mira Fallegeros' predatory fighting techniques and mastery over ancient blood magics and The Gloves of Rasavatham were purified of The True Tsar's power were merged into Lincoln's Bracers of The Champions of The Universe, Sadira's acrobatics and Muay Boran boxing, ability to create and manipulate spider silk as he also devoured Sadira's heart and made her necklace part of his jewelry and her bladed arm bracers merged into Lincoln's Bracers of The Champions of The Universe and her throwing knives became part of his arsenal as he holsters them on his left hip, summon spiderwebs and attach throwing knives to long strings of silk, Spinal's skilled swordsmanship and many unearthly abilities, such as psychokinesis, the summoning of ghostly skulls, the manipulation of ethereal arms, and absorbing projectiles and converting them into his own attacks and his massive greatsword absorbed Spinal's sword and shield, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done, Spinal was reduced to ashes and Mira Fallegeros, Sadira, and Kan-Ra were all drained of life and left as desiccated corpses and Lincoln drained their souls of energy and he then banished them to The Black Abyss.

Lincoln: That's it for Mira, Sadira, Spinal, and Kan-Ra. Now, it's time we took care of ARIA for good, her time is finally up.

We then got a move on to the top floor of Ultratech's HQ and we headed for the final battle with its CEO, ARIA.

We arrived on the top floor of Ultratech HQ, and there, we saw our main target: ARIA!

ARIA: (Robotic Voice) You have ruined all of my plans for the last time, Team Loud Phoenix Storm, and now, I will destroy all of you and your city will also be destroyed as well!

Lincoln: Not happening, you robotic monster.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit ARIA.

But, before we could attack her again, ARIA was hit by gems, crystals, and light, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long violet hair with pink streaks and pink hair band, purple eyes, massive rainbow angel wings, she has Witchcrafter Edel on her forehead and right arm, white short-sleeved blouse, purple sleeveless strapless dress top, white gloves, purple skirt with Witchcrafter Edel on it, purple knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light, crystals, gems, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Edel, she has a light greatsword in her right hand, and with her are the four girls.

Lincoln: (GASPS) Emily Edelstein, Avatar and Gene-Slammer of Witchcrafter Edel.

Emily Edelstein: That's right, and I got the girls away from that ruthless robot.

Me: Awesome, and Lincoln already took care of Sadira, Spinal, Mira, and Kan-Ra.

Nico: Now, all we got to do is take care of that robotic menace.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS ARIA AS IT WAS SENT UP INTO THE AIR AND SHE ALSO GOT BURNED BAD!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at ARIA, and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed her with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ARIA! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT ARIA WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Andre Lupeau went after ARIA and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit her, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, he also attacked her by flashing the Strobulb in her face and blinded her, and the ring of Boos around the flashlight's head fired purple energy beams at ARIA which hit her hard.

Lincoln continued smashing her hard with his extremely massive godly superhuman strength and ARIA didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash ARIA all over the place!

Then, Lincoln fired a red lightning blast that hit ARIA and he drained her dry of all her energy and power and she fell apart and her spirit was sent to The Black Abyss while he absorbed her body and drones and acquired her weapons. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate and once we did, Ultratech HQ suddenly blew up, because we had explosives wired all over the place to go off after ARIA was destroyed.

Lincoln: And that is it for Ultratech.

Nicole: That's for sure.

Becky Long: Plus, we also hacked their corporate, business, and personal accounts and transferred all of their money to our accounts as well.

Ramona Long: They had a sophisticated security system, but with our genius, we broke through their defenses.

Caleb Maxwell: I'm pretty sure you could get caught for something like this.

Allie Maxwell: Ultratech's nothing more than an evil company, Caleb, they deserved to be bankrupted by us.

Lincoln: Exactly. That's one less evil company, and we're rid of Ultratech forever. (To Emily Edelstein) And it's so good to see you again, Emily.

Emily Edelstein: You too, Lincoln, it's been eight years since we last met.

Suddenly, Emily Edelstein had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Emily Edelstein was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Emily Edelstein: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Emily Edelstein and hugged her, and Emily Edelstein is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Emily Edelstein: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in

muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Emily Edelstein, Avatar and Gene-Slammer of Witchcrafter Edel, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of light, gems, and magic. She's the leader of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Emily Edelstein met Lincoln, and this one time, she and Lincoln made amazing rings, necklaces, earrings, jeweled brooches, and many other jewelry items and they also used the gems she created. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of gems and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion because she tried to destroy their handcrafted jewelry out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got put in a prison made of ruby and thrown in a cage in the basement of the house for a month.

Lanaia: Lori went too far that day, and many of us wanted to tear her hair off with our bare hands.

Laney: And some of us wanted to beat her up.

Lincoln: Lanaia punched her right in the jaw for that before Emily put her in that ruby prison and threw her in a cage in the basement for a month.

Luna: It was your fault, Lori, your need to cruelly humiliate and torture Lincoln got the best of you and look at what happened, Lanaia had to punch you hard in the jaw and send you into that ruby prison and throw you in that cage in the basement for a month.

Lola: The jewelry Lincoln and Emily made was really amazing, and you tried to destroy them out of spite because of your need to cruelly humiliate and torture Lincoln. You know, a lot of us wanted to see you finally get disowned and kicked out of the house like the rampaging gorilla that you are.

Luan: And we also swore that if that happened and you get your life ruined by Lincoln's Guardian Angels exposing your horrifying misdeeds to the world, we'd also call the cops and they'll have you sent off to prison.

Anna Anyanova: Of course, that would also mean you, Lynn, Lola, and Lisa would also go down with Lori, Luan. Because, as a matter of fact, if I remember correctly, you, Lynn, Lola, and Lisa also had a hand with helping Lori in her scheme to try and destroy the handcrafted jewelry Emily and Lincoln created.

WE GASPED!

Nico: So, it was a five-way grand conspiracy?!

Me: Sounds like it!

Eli: Unbelievable, so you four were also in on Lori's plot as well?!

Luna: Yep. Lynn, Luan, Lola, and Lisa were all in on Lori's plot as well, and they too also got chewed out by the rest of us and told off by Mom and Pops before they too also got grounded for a month for assisting Lori in her schemes.

Caleb Maxwell: I know I may be freed from that darkness that turned me into a vengeful creature out for blood, but I still have the natural born temper and foul mouth I got from Mom.

Jack Howard: Oh boy, here it comes!

Then, Caleb lost it.

Caleb Maxwell: YOU DECEITFUL SPITE-FILLED JEALOUS BITCHING BANSHEES! I CAN'T BELIEVE THAT YOU FIVE ALL CONSPIRED TO DESTROY SOMETHING YOUR BROTHER AND ONE OF HIS GUARDIAN ANGELS WORKED HARD ON JUST BECAUSE YOU HAD A NEED TO CRUELLY HUMILIATE AND TORTURE YOUR BROTHER! YOU SHOULD CONSIDER YOURSELVES LUCKY TO HAVE BEEN FREED FROM YOUR DARK SIDES LONG AGO, BECAUSE IF YOU WEREN'T, (DEMONIC VOICE) I WOULD PULL YOUR STUPID HAIR THROUGH YOUR EYES AND USE THEM AS REIGNS TO RIDE YOUR BONEY BUTTS BACK TO THE DARKEST PITS OF THE UNDERWORLD FROM WHENCE YOU CAME!

LORI, LUAN, LYNN, LOLA, AND LISA SCREAMED IN PURE HORROR AND TERROR AND THE LOONEY TUNES AND TINY TOONS AND THE WARNERS DID ALL KINDS OF WILD TAKES GALORE!

Babs Bunny: SWEET CARROTS IN A BASKET! THAT WAS JUST REVOLTING!

Fifi La Fume: (French Accent) Oui, that was truly terrifying!

Allie Maxwell: I warned you, my brother has a horrific temper that could make even Hell freeze over and if you cross him, you're gonna regret it.

Roxy Drake: That's an understatement, he can get pretty crazy and wild if angered to extreme levels.

Jack Howard: Not to mention he also had a rotten mouth when he gets that pissed.

Cage Blunt: He hadn't exposed that side of him back then before all this.

Alex Maddock: (British Accent) He was always a gentle person, but...

Tucker Williams: But, he had depression back then, right?

Timothy Maddock: (British Accent) Yes. Back then, Caleb had been dealing with severe depression and that day when those eight betrayed him, he had that severe meltdown. But, after he came back from the dead eight years later in 1993 and his memories restored after spending time with Cage's father and Cage when he came back two years later, he had to return to New York, and that's when the darkness came out.

Lincoln: And that led to Hell breaking loose and those responsible for his life falling to ruin paid the price.

Victor Bristow: (German Accent) And in the cruelest and bloodiest way imaginable. Even we vampires saw just how bloody his vengeance truly was.

Me: We already saw it for ourselves when we met him last year.

Lincoln: And from the tapes we'd seen from the NYPD Nightshift, Mr. Blunt, and Marcus Mackenzie and The Vampire Council, and now that you're here, Emily.

Lincoln with his massive muscular arms still wrapped around Emily Edelstein's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Emily Edelstein: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Emily Edelstein with pink gems on the gold lightning bolts and violet crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Emily Edelstein: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emily Edelstein.

Emily Edelstein had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Emily Edelstein's waist, and he leaned down to her face and kissed her on the lips, and with

Emily Edelstein's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Emily Edelstein had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Emily Edelstein: (In Heaven) My God. Oh, Lincoln, you better tell the guys to not hide in their rooms! The four girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The four girls are Aya Kitagawa, Mayumi, Midori, and Sanae from Saimin Gakuen.

Lincoln: Oh wow, it's Aya Kitagawa, Mayumi, Midori, and Sanae from Saimin Gakuen.

Nicole: So, those were the girls Emily had gotten away from that bitch, ARIA, but the guys ran right into their rooms again even though Emily said they shouldn't hide in their rooms. Guys, get out here.

We did so.

Nico: We know Emily told us, but it was hard-wired into our brains.

Me: Thanks to Travis Tackett and Red Savarin.

Luna: It's been hard wired into them.

Nicole: But, of course, they always keep the warning hard-wired into them.

Suddenly, Caleb Maxwell disappeared into a swarm of bats and flies out and heads out into the city and captured some gangsters sent by Don Piero to kill us, and then, he came back with them tied up and he threw them at our feet.

Caleb Maxwell: Don Piero sent them here to kill us.

Nico: Nice one.

Suddenly, Lincoln grabbed one of the gangsters by the neck with his left hand and...!

HISS! CHOMP! SCREAM!

Lincoln sank his fangs deep into the gangster's jugular and sucked him dry of blood along with sucking out his lifeforce and vital organs. Then, he did the same thing to the other gangster as he sank his fangs deep into his jugular and sucked him dry of blood along with sucking out his lifeforce and vital organs, and they were left as dried-up mummified husks and he also drained their souls of energy and sent them to The Black Abyss.

Brittney: He sank his fangs deep into their jugulars and sucked them both dry of blood along with sucking out their lifeforces and vital organs.

Me: This'll serve as a warning to Don Piero that we're coming for him later on today, and we're gonna make him pay for what he's done.

Jack Atlas: That's for sure.

Carly Atlas: But, he's bound to have more men with him.

Lincoln: The second he does, I'm gonna really let loose on them and do what I did to the first two he sent after us.

Nico: (GULPS) We'll also have to make sure Selena and her friends also disable any traps set by those pack of snakes.

Lincoln: That'll be done later today when we do go after Don Piero. Are you girls okay?

Aya Kitagawa: Yes, we're okay, thanks to you.

Aya Kitagawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo

behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aya Kitagawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aya Kitagawa, Mayumi, Midori, and Sanae with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: We finally got rid of ARIA and Ultratech at the same time along with Sadira, Mira, Spinal, and Kan-Ra.

Lincoln: It was a long time coming. And I also found out that it was Dark Sebastian that brought them all back from the dead.

Nico: That shameless miserable...!

Me: Even in Hell, they still find ways to piss us off.

Eli: Utterly disgusting.

Gohan: Now that we reflect on the past conflicts we had with Sebastian, it's clear the reason why he was like this was because of The Black Ooze of The Eldritch, and it was due to the dark ritual that Selena's parents did to summon Malphas into our world to destroy us and the world with it, but that led to The Black Ooze of The Eldritch to cross into our world, kill them, and turn Sebastian into that monster.

Goten: And no matter how many times we tried to keep it at bay, that evil always came back worse than ever, this was no ordinary evil we were dealing with, this was the result of the curse Selena's parents put on him when they summoned Malphas' creation into our world. When May 5th comes, we aren't going to let that monster get away with it any longer, we'll make sure he and his minions pay for all of their crimes and get sent to The Black Abyss.

Lincoln: That you can count on. Dark Sebastian has lived for too long, he along with The Order of The Dark Universe and The Dark Church of Malphas will pay for this, all of their crimes, all of the innocent blood they have spilled, and all of the pain and suffering they inflicted, all of them will burn in the black fires of The Black Abyss forever.

We all saw a white and golden yellow fire aura flare up around Lincoln: we knew he was going to make Dark Sebastian and his minions pay, but we also knew he was gonna make Morag, Aggie, and Dark Chase Young pay as well.

Camie Elextor: Selena...!

Selena Mendez: I know.

Nico: Oh man...!

Me: Even I'm starting to get goosebumps. Just what's going to happen when Lincoln transforms when we face that big-butted witch, Morag, along with Belial, on his big day.

Luna: That doesn't matter, dude, when that day comes, that witch is gonna pay along with Belial, and I hope that drives those snakes mad with anger and hatred.

Luan: The second they see what Lincoln does to Morag and Aggie, they'll come flying out of Hell and they'll be incredibly enraged beyond measure.

Lincoln: But, once they do, they'll be forced to leave, and it'll show we're permanently done with all of their crap.

After Lincoln and all of us destroyed ARIA, Sadira, Mira Fallegeros, Spinal, and Kan-Ra and sent them to The Black Abyss and destroyed Ultratech forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Emily Edelstein saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel

wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Emily Edelstein: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Emily Edelstein: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Emily Edelstein: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a woman who has the same brown hair as Marlene

Maxwell and she had a son with him who has the same dark brown hair as Caleb, but they had evil in their veins and hatred in their eyes.

Caleb Maxwell, Tyler Maxwell, Allie Maxwell, and Marlene Maxwell: You've got to be fucking kidding!

Me: Caleb, you, your brother and sister, and your mom know them?

Christiano Maxwell: They do unfortunately, and that also includes us. The banshee with the same brown hair as Marlene is our second younger sister, Rebecca Maxwell, but she wasn't like Marlene at all. In fact, she was a bitch to the core, she always caused trouble to everyone around her and she was a condescending witch who thinks she's better than everyone around her.

Marlene Maxwell: She was such a goddamn bitch who always had a 50-ft stick far up her ass! This was why Mom and Dad disowned her back in 1969 and kicked her out.

Allie Maxwell: And the boy with her is her son, Trevor, and he's our cousin.

Caleb Maxwell: But, he's just like his mother in every single way.

Tyler Maxwell: And she got together with a greaser and well-known troublemaker and that's how our despicable cousin, Trevor, was born.

Nico: You're kidding me?! Yuck! Gross! Disgusting!

Caleb Maxwell: It turns out that despite getting the same mark as all of us, Rebecca was born evil to the core, and the vampires put a hit out on her in 1969 and they were going to kill her and her son along with Dad's brother. But, then, the night of The Hallowshade Bloodbath came, and after I died, she and her husband along with their son were out to get revenge on Mom. Two weeks before I died, I lost it when that bitch trash-talked about how our lives were going to go downhill, and then, I just lost it. I broke her nose and smashed some of her teeth out of her mouth, and then, I gouged her husband's left eye out and blinded him in one eye. Mom told the bitch and her family to never come back, and she told this to the rest of the family, and they swore death threats on her, and it turned out she was disowned long ago, and they also cut ties with her husband and Trevor.

Tyler Maxwell: They were absolute garbage human beings.

Caleb Maxwell: Garbage doesn't come close to it. Anyways, after I died, those three ran into Cage and Travis, and they ganged up on her husband and drained him dry of blood and she and Trevor ran away. They stayed in their home for a while, but since her husband was the only breadwinner of the family, they had no income and they lost the house.

Allie Maxwell: And they had to live on the streets begging for money and they had on tattered clothes and smelled like they hadn't showered ever. But, we couldn't forgive them for what they've done.

Buffy Blain: Neither can we.

Cuffs Lane: We're heading down there to tie them up.

Vessie Harris: And Caleb, we'll get them ready for you to punish, sugar.

Caleb Maxwell: Thanks.

Jack Howard: Why does it always have to end in bloodshed?

James Blunt: You know what kind of person Caleb's become after he came back from the dead, Jack Howard, and who was to blame for it.

Cage Blunt: Dad's right. Anyways, those two don't stand a chance against Cuffs, Vessie, and Buffy, so this should be good.

Cuffs Lane, Vessie Harris, and Buffy Blain went out and confronted Rebecca Maxwell and Trevor Maxwell.

Rebecca Maxwell: Out of my fucking way, pigs! The assholes who murdered my husband need to die, along with my stupid sister and her idiot kids!

Caleb Maxwell: (YELLS INSIDE) PISS OFF, BITCH! YOU AND YOUR DRUG-ADDICTED DEBT-INFESTED SON! YOU BOTH DESERVED EVERY LAST MISFORTUNE ALL THOSE YEARS AGO!

Buffy Blain: And that's that.

Suddenly, the blue, green, and dark blue eyes of Cuffs Lane, Vessie Harris, and Buffy Blain turned neon blue, green, and dark blue and they were surrounded by black and blue, white, golden yellow, and blue energy auras with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Cuffs Lane: (GOLD RINGS APPEARED AND SURROUNDED HER EYES) And Caleb was right, after everything you did so many years ago, you both deserved every last misfortune that befell you both.

Vessie Harris: (GOLD RINGS OF LIGHT APPEARED AND SURROUNDED HER EYES) Your husband was a troublemaker same with you, Rebecca.

Buffy Blain: (GOLD RINGS OF LIGHT APPEARED AND SURROUNDED HER EYES) Same with your son, and now, it's time we took you down and got you handed over to Caleb.

Cuffs Lane, Buffy Blain, Abby Smith, and Vessie Harris went after Rebecca Maxwell and Trevor Maxwell, and they blasted them with powerful blasts of black and blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels and they slashed at them with their massive greatswords.

Rebecca Maxwell: You bitch! Everyone's going to weep over your dead bodies when we get done with you!

Suddenly, Lincoln appeared and tied Rebecca Maxwell and Trevor Maxwell up.

Lincoln: Not happening.

Then, he picked up and dragged Rebecca Maxwell and Trevor Maxwell inside.

Nico: Nice one taking them down, you four.

Roxy Drake: Hah, those idiots didn't stand a chance.

Caleb Maxwell had his twin guns at the ready.

Caleb Maxwell: For so many years, we've had to deal with your damned condescending attitude and your heartless behavior towards Mom, Allie, and all of us, the same goes with having to deal with your stupid drug-addicted and debt-infested son. This was the very reason why you both got cut off from our family, you were both bad news from the very beginning same with your husband, and right on the night I died, your husband got killed, and eight years later when I came back, you got some nerve showing up in our lives again! I wanted you two to pay for what you've done, and I don't mean by legal means. I wanted to see the life in your eyes be extinguished and see your blood spilled out right in front of me, I hated you two for what you did and I still hate you even now to this day.

Rebecca Maxwell: YOU FUCKING SHIT! WHEN WE GET OUT OF THIS, WE'LL KILL ALL OF YOU PIGS! NO ONE DEFIES ME! (SCREECHING VOICE) NOBODY!

Caleb Maxwell: SHUT THE FUCK UP, YOU ABSOLUTE SLUT!

SLASH! SQUELCH! SCREAM!

CALEB MAXWELL SLASHED HER WITH A BLADE THAT CAME OUT OF THE BARREL OF HIS LEFT GUN AND LEFT SLASH MARKS ON THE LEFT SIDE OF HER FACE!

Caleb Maxwell: Your lives ends here and now, this is where you die. I never want to see your faces here again.

Caleb Maxwell raised his guns to their heads, and...!

CALEB MAXWELL BLEW THEIR HEADS OFF AND SENT THEIR SOULS TO THE BLACK ABYSS, AND LINCOLN HAD HIS TENTACLES SPROUT OUT AND THEY DEVOURED THE BODIES AND SUCKED UP THE SPILLED BLOOD AND THEY WENT BACK INTO HIM!

Cuffs Lane, Buffy Blain, Vessie Harris, and Abby Smith holstered their massive greatswords on their backs and powered down, and their new bodies, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eyes, large gold halo with four large orbiting gold rings on each corner behind their heads, large thirty-five black and blue planets orbiting around their legs and thirty-five black and blue smaller planets orbiting around their waists, smaller planets orbiting around their fingers, medium sized black and blue planets orbiting around their wrists and ankles, longer brown, light brown, brown, and dark brown tails, and their massive angel wings and twenty-four sets of large angel wings underneath their massive angel wings are permanent.

Marlene Maxwell: I warned that bitch that if I ever saw her face and the face of her son here again, I was gonna put a bullet right between her eyes. We disowned that bitch long ago along with her stupid drug addicted debt infested son and her stupid husband, so we don't care what happens to them.

Caleb Maxwell: Yes, that's true. We hated them for so very long, and now, they can burn in Hell for all eternity.

James Blunt: I agree.
